

STATE LANDS; SALES 92.46

Resale of trees with roots attached by the districts to their cooperators is permitted if planted in accordance with conservation purposes set forth in section 89.35, subdivision 2.

The soil and water conservation districts are permitted to resell trees with an adequate amount added to defray costs of handling, grading, transportation, storage, salaries and other costs directly related to planting the stock.

The district shall keep a record of all trees planted and the locations of the plantings. A record of the plantings shall be sent to the commissioner of natural resources.

Soil and water conservation districts may establish joint distribution centers, if necessary, to facilitate distribution or improve quality of tree planting stock when approved by the commissioner of natural resources and the soil and water conservation districts so affected.
