Subd. 2. If the application refers to a vehicle purchased from a dealer it shall contain the name and address of any secured party holding a security interest created or reserved at the time of the sale and the date of the security agreement and be signed by the dealer as well as the owner, and the dealer shall promptly mail or deliver the application to the department.

titled to the issuance of a certificate of title shall issue a certificate of title of the vehicle.

Subd. 2. Record of certificates issued. The department shall maintain a record of all certificates of title issued by it:

- (1) Under a distinctive title number assigned to the vehicle;
- (2) By vehicle identifying number;
- (3) Alphabetically, under the name of the owner.

Such record shall consist of the certificate of title, including the notations of all security interests recorded, assigned, terminated, or released, of duplicate certificates issued or applied for, and such other information as the department may deem proper.

Subd. 3. Content of certificate. Each certificate of title issued by the department shall contain:

- (1) The date issued;
- (2) The name and address of the owner;

Unless a bond is filed as provided in section 168A.07, subdivision 1, clause (2), a distinctive certificate of title shall be issued for a vehicle last previously registered in another state or country, the laws of which do not require that secured parties be named on a certificate of title to perfect their security interests. The certificate shall contain the legend "This vehicle may be subject to an undisclosed lien" and may contain any other information the department prescribes. If no notice of a security interest in the vehicle is received by the department within four months from the issuance of the distinctive certificate of title, it shall, upon application and surrender of the distinctive certificate, issue a certificate of title in ordinary form.

Subd. 5. Assignment and warranty of title forms. [1971 c 162 s 5]

168A.06 DELIVERY OF CERTIFICATE. The certificate of title shall be mailed or delivered to the first secured party named in it, or if none, to the owner.

[1971 c 162 s 6]

168A.07 CONDITIONAL REGISTRATION. Subdivision 1. In the event application is made in this state for a certificate of title on a vehicle and the department is not satisfied as to the ownership of the vehicle or the existence of security interests therein, the vehicle may be registered but the department shall either:

(1) Withhold issuance of a certificate of title until the applicant shall present documents reasonably sufficient to satisfy the department of the applicant's ownership of the vehicle and as to any security interest therein; or

(2) As a condition to issuing a certificate of title, require the applicant to file a bond in the form prescribed by the department and executed by the applicant, and either accompanied by the deposit of cash or executed by a surety company authorized to do business in this state, in an amount equal to one and one half times the value of the vehicle as determined by the department. The bond

MINNESOTA STATUTES 1974

2353

shall be conditioned to indemnify any prior owner and secured party and any subsequent purchaser of the vehicle or person acquiring any security interest therein, or the successor in interest of any said person, against any expense, loss, or damage, including reasonable attorneys' fees, by reason of the issuance of the certificate of title to the vehicle or on account of any defect in or undisclosed security interest upon the right, title and interest of the applicant in and to the vehicle. Any such interested person shall have a right of action to recover on such bond for any breach of its conditions, but the aggregate liability of the surety to all such persons shall in no event exceed the amount of the bond. Unless the department has been notified of the pendency of an action to recover on the bond and if all questions as to ownership and outstanding security interests have been resolved to the satisfaction of the department, such bond, and any deposit accompanying it, shall be returned at the end of three years or prior thereto in the event the vehicle is no longer registered in this state and the currently valid certificate of title is surrendered.

Subd. 2. In the event the issuance of a certificate of title is withheld in accordance with subdivision 1, or because the applicant is unable to surrender an existing certificate of title to the vehicle issued by another state, the department, upon payment of the same fee as for issuing a certificate of title, shall issue to the applicant a nontransferable certificate in form designated by the department certifying that the applicant has applied for a certificate of title; provided that such certificate shall not be issued if the department has reasonable grounds to believe the applicant is not the owner or that the application contains a false or fraudulent statement.

[1971 c 162 s 7]

168A.08 GROUNDS FOR REFUSAL TO ISSUE CERTIFICATE. The department shall refuse issuance of a certificate of title if any required fee is not paid or if it has reasonable grounds to believe that:

- (1) The applicant is not the owner of the vehicle;
- (2) The application contains a false or fraudulent statement; or if
- (3) The applicant fails to furnish required information or documents or any additional information the department reasonably requires.

[1971 c 162 s 8]

168A.09 DUPLICATE CERTIFICATE. Subdivision 1. In the event a certificate of title is lost, stolen, mutilated, or destroyed or becomes illegible, the owner or legal representative of the owner named in the certificate, or a secured party noted thereon as shown by the records of the department, may make application to the department for a duplicate on a form prescribed by the department. The department shall issue a duplicate certificate of title if satisfied that the applicant is entitled thereto. The duplicate certificate of title shall be plainly marked as a duplicate and mailed or delivered to the person who according to the records of the department is the holder of the first security interest in the vehicle, or if none, to the owner. The department shall indicate in its records that a duplicate has been issued. As a condition to issuing a duplicate certificate of title, the department may require a bond from the applicant in the manner and form prescribed in section 168A.07, subdivision 1, clause (2). The duplicate certificate of title shall contain the legend: "This duplicate certificate of title may be subject to the rights of a person under the original certificate."

Subd. 2. The department shall not issue a new certificate of title to a transferee upon application made on a duplicate until at least 15 days after receipt of the application.

Subd. 3. A person recovering an original certificate of title for which a duplicate has been issued shall promptly surrender the original certificate to the department.

[1971 c 162 s 9]

168A.10 TRANSFER OF INTEREST BY OWNER. Subdivision 1. If an owner transfers his interest in a vehicle other than by the creation of a security interest, he shall at the time of the delivery of the vehicle execute an assignment and warranty of title to the transferee in the space provided therefor on the certificate or as the department prescribes, and cause the certificate and assignment to be mailed or delivered to the transferee or to the department.

Subd. 2. Except as provided in section 168A.11, the transferee shall, promptly after delivery to him of the vehicle, execute the application for a new certificate

of title in the space provided therefor on the certificate or as the department prescribes, and cause the certificate and application to be mailed or delivered to the department.

Subd. 3. Upon request of the owner or transferee, a secured party in possession of the certificate of title shall, either deliver the certificate to the transferee for delivery to the department, or upon receipt from the transferee of the owner's assignment, the transferee's application for a new certificate and the required fee, mail or deliver them to the department. The delivery of the certificate does not affect the rights of the secured party under his security agreement.

Subd. 4. If a security interest is reserved or created at the time of the transfer, the certificate of title shall be retained by or delivered to the person who becomes the secured party, unless a prior secured party is entitled to it, and the parties shall comply with the provisions of section 168A.18.

Subd. 5. Except as provided in section 168A.11 and as between the parties, a transfer by an owner is not effective until the provisions of this section have been complied with; however, an owner who has delivered possession of the vehicle to the transferee and has complied, or within 48 hours after such delivery does comply, with the provisions of this section requiring action by him is not liable as owner for any damages resulting from operation of the vehicle after the delivery of the vehicle to the transferee.

[1971 c 162 s 10]

168A.11 PURCHASE OF VEHICLE BY DEALER. Subdivision 1. If a dealer buys a vehicle and holds it for resale and procures the certificate of title from the owner or the secured party within ten days after delivery of the vehicle to him, and complies with subdivision 2 hereof, he need not apply for a certificate of title, but upon transferring the vehicle to another person other than by the creation of a security interest shall promptly execute the assignment and warranty of title by a dealer, showing the names and addresses of the transferee and of any secured party holding a security interest created or reserved at the time of the resale, and the date of the security agreement in the spaces provided therefor on the certificate or as the department prescribes, and mail or deliver the certificate to the department with the transferee's application for a new certificate.

Subd. 2. If a dealer buys a vehicle which is subject to an outstanding certificate of title, he shall at the time of delivery of the vehicle to him execute in triplicate a purchase receipt for the vehicle in a form designated by the department, and deliver one copy to the seller. Within 48 hours thereafter the dealer shall mail or deliver one copy of such receipt to the department.

Subd. 3. Every dealer shall maintain for three years at an established place of business a record in the form the department prescribes of every vehicle bought, sold, or exchanged by him, or received by him for sale or exchange, which shall be open to inspection by a representative of the department or peace officer during reasonable business hours.

[1971 c 162 s 11]

168A.12 INTEREST PASSING BY OTHER THAN VOLUNTARY TRANSFER. Subdivision 1. If the interest of an owner in a vehicle passes to another other than by voluntary transfer, the transferee shall, except as provided in subdivision 2, promptly mail or deliver to the department the last certificate of title, if available, proof of the transfer, and his application for a new certificate in the form the department prescribes.

Subd. 2. If the interest of the owner is terminated or the vehicle is sold under a security agreement by a secured party named in the certificate of title, the transferee shall promptly mail or deliver to the department the last certificate of title, if available, his application for a new certificate in the form the department prescribes, and an affidavit made by or on behalf of the secured party that the interest of the owner was lawfully terminated or the vehicle sold pursuant to the terms of the security agreement. If the secured party succeeds to the interest of the owner and holds the vehicle for resale, he need not secure a new certificate of title provided that he mails or delivers to the department in duplicate within 48 hours a notice thereof in form designated by the department, but upon transfer to another person shall promptly mail or deliver to the transferee or the department the certificate, affidavit, and other documents required to be sent to the department by the transferee.

Subd. 3. A person holding a certificate of title whose interest in the vehicle

MINNESOTA STATUTES 1974

2355

has been extinguished or transferred other than by voluntary transfer shall mail or deliver the certificate to the department upon its request. The delivery of the certificate pursuant to the request of the department does not affect the rights of the person surrendering the certificate, and the action of the department in issuing a new certificate of title as provided herein is not conclusive upon the rights of an owner or secured party named in the old certificate.

[1971 c 162 s 12]

168A.13 FEES TO ACCOMPANY APPLICATIONS; DELIVERY OF LICENSE PLATES AND REGISTRATION CARD. Subdivision 1. An application for a certificate of title shall be accompanied by the required fee when mailed or delivered to the department.

Subd. 2. An application for the naming of a secured party or his assignee on a certificate of title shall be accompanied by the required fee when mailed or delivered to the department.

Subd. 3. A transferor of a vehicle, other than a dealer transferring a new vehicle, shall deliver to the transferee at the time of the delivery of possession of the vehicle the registration card and license plates for the vehicle.

[1971 c 162 s 13]

168A.14 DUTY OF DEPARTMENT TO ISSUE NEW CERTIFICATES AND RETAIN SURRENDERED CERTIFICATES. Subdivision 1. The department, upon receipt of a properly assigned certificate of title, with an application for a new certificate of title, the required fee, and any other documents required by law, shall issue a new certificate of title in the name of the transferee as owner and mail or deliver it to the first secured party named in it, or if none, to the owner.

Subd. 2. The department, upon receipt of an application for a new certificate of title by a transferee other than by voluntary transfer, with proof of the transfer, the required fee, and any other documents required by law, shall issue a new certificate of title in the name of the transferee as owner. If the outstanding certificate of title is not delivered to it, the department shall make demand therefor from the holder thereof.

Subd. 3. The department shall file and retain for five years every surrendered certificate of title, the file to be maintained so as to permit the tracing of title of the vehicle designated therein.

[1971 c 162 s 14]

168A.15 SCRAPPED, DISMANTLED, DESTROYED OR RECONSTRUCTED VEHICLES. Subdivision 1. An owner who scraps, dismantles, or destroys a vehicle and a person who purchases a vehicle as scrap or to be dismantled or destroyed shall immediately cause the certificate of title to be mailed or delivered to the department for cancellation. A certificate of title of the vehicle shall not again be issued except upon application containing the information the department requires, accompanied by a certificate of inspection in the form and content specified in section 168A.04, subdivision 4, clause (3).

Subd. 2. If a vehicle is altered so as to become a reconstructed vehicle, the owner shall apply for a certificate of title to the reconstructed vehicle in the manner provided in section 168A.04, and any existing certificate of title to the vehicle shall be surrendered for cancellation.

[1971 c 162 s 15]

168A.16 INAPPLICABLE LIENS AND SECURITY INTERESTS. Sections 168A.01 to 168A.31 do not apply to or affect:

(1) A lien given by statute or rule of law to a supplier of services or materials for the vehicle;

(2) A lien given by statute to the United States, this state, or any political subdivision of this state;

(3) A security interest in a vehicle created by a manufacturer or dealer who holds the vehicle for sale.

[1971 c 162 s 16]

168A.17 SECURITY INTERESTS. Subdivision 1. **Validity.** Unless excepted by section 168A.16, a security interest in a vehicle of a type for which a certificate of title is required is not valid against creditors of the owner or subsequent transferees or secured parties of the vehicle unless perfected as provided in sections 168A.01 to 168A.31.

Subd. 2. **Perfection.** A security interest is perfected by the delivery to the

department of the existing certificate of title, if any, an application for a certificate of title containing the name and address of the secured party, the date of his security agreement and the required fee. It is perfected as of the time of its creation if the delivery is completed within ten days thereafter; otherwise as of the time of the delivery.

Subd. 3. **Interests created in other states.** If a vehicle is subject to a security interest when brought into this state, the validity of the security interest is determined by the law of the jurisdiction where the vehicle was when the security interest attached, subject to the following:

(1) If the parties understood at the time the security interest attached that the vehicle would be kept in this state and it was brought into this state within 30 days thereafter for purposes other than transportation through this state, then the validity of the security interest in this state is determined by the law of this state.

(2) If the security interest was already perfected under the law of the jurisdiction where the vehicle was when the security interest attached, the following rules apply:

(a) If the name of the secured party is shown on an existing certificate of title issued by that jurisdiction, his security interest continues perfected in this state.

(b) If the name of the secured party is not shown on an existing certificate of title issued by that jurisdiction, the security interest continues perfected in this state for four months after a first certificate of title of the vehicle is issued in this state, and also thereafter if within the four month period it is perfected in this state. The security interest may also be perfected in this state after the expiration of the four month period; in that case perfection dates from the time of perfection in this state.

(3) If the security interest was not perfected under the law of the jurisdiction where the vehicle was when the security interest attached, it may be perfected in this state; in that case perfection dates from the time of perfection in this state.

(4) A security interest may be perfected under clause (2) (b) or clause (3) of this subdivision, either as provided in subdivision 2, or by the secured party delivering to the department a notice of security interest in the form the department prescribes, and the required fee.

[1971 c 162 s 17]

168A.18 DUTIES OF PARTIES WITH RELATION TO SECURITY INTEREST. If an owner creates a security interest in a vehicle:

(1) The owner shall immediately execute the application in the space provided therefor on the certificate of title, or on a separate form the department prescribes, to name the secured party on the certificate, showing the name and address of the secured party, and cause the certificate, application, and the required fee to be delivered to the secured party.

(2) The secured party shall immediately cause the certificate, application, and the required fee to be mailed or delivered to the department.

(3) Upon request of the owner or subordinate secured party, a secured party in possession of the certificate of title shall either mail or deliver the certificate to the subordinate secured party for delivery to the department, or upon receipt from the subordinate secured party of the owner's application, and the required fee, mail or deliver them to the department with the certificate. The delivery of the certificate does not affect the rights of the first secured party under his security agreement.

(4) Upon receipt of the certificate of title, application, and the required fee, the department shall either endorse on the certificate or issue a new certificate containing the name and address of the new secured party, and mail or deliver the certificate to the first secured party named in it.

[1971 c 162 s 18]

168A.19 ASSIGNMENT OF SECURITY INTEREST. Subdivision 1. A secured party may assign, absolutely or otherwise, his security interest in the vehicle to a person other than the owner without affecting the interest of the owner or the validity of the security interest, but any person without notice of the assignment is protected in dealing with the secured party as the holder of the

2357

security interest and the secured party remains liable for any obligations as secured party until the assignee is named as secured party on the certificate.

Subd. 2. The assignee may, but need not to perfect the assignment, have the certificate of title endorsed or issued with the assignee named as secured party, upon delivering to the department the certificate and an assignment by the secured party named in the certificate in the form the department prescribes together with the required fee.

[1971 c 162 s 19]

168A.20 SATISFACTION OF SECURITY INTEREST. Subdivision 1. Upon the satisfaction of a security interest in a vehicle for which the certificate of title is in the possession of the secured party, he shall within 15 days execute a release of his security interest in the space provided therefor on the certificate or as the department prescribes, and mail or deliver the certificate and release to the next secured party named therein, or if none, to the owner or any person who delivers to the secured party an authorization from the owner to receive the certificate.
