[1973 c 757 s 1]

**256.482 MINNESOTA COMMISSION FOR THE HANDICAPPED.** Subdivision 1. **Establishment; members.** There is hereby established the commission for the handicapped which shall consist of 30 members appointed by the governor. At least fifteen commission members shall be handicapped persons or parents or guardians of handicapped persons. Twenty members shall be appointed from the general public, and ten shall be appointed from organizations which provide services for the handicapped. In addition, there shall be ex officio representation, without vote, from the division of vocational rehabilitation of the department of education, from the division of mental retardation services and services for the blind section of the department of public welfare and from other divisions and sections which are directly concerned with services for handicapped persons. There shall be at least one member of the commission appointed from each of the state development regions.

Each member of the commission shall serve a six year term and until his successor is appointed and qualifies, provided that of the initial members appointed, ten shall serve for two years, ten for four years and ten for six years, as designated by the governor. The governor shall appoint a chairman of the commission from among the members appointed from the general public or handicapped persons or their parents or guardians. Vacancies shall be filled by the appointing authority for the remainder of the unexpired term.

Subd. 2. **Executive director; staff.** The commission may select an executive director of the commission by a vote of a majority of all commission members. The executive director shall be in the unclassified service of the state and shall act as secretary to the commission and shall perform such other duties as the commission may require of him. The commission shall approve employment of such clerical help and other employees as are necessary, upon the recommendation of the executive director. Salaries for the executive director and staff shall be established in the manner prescribed by chapter 15A, and the executive director shall be reimbursed for all actual and necessary expenses incurred as a result of his commission responsibilities.

Subd. 3. **Receipt of funds.** Whenever any person, firm or corporation offers to the commission funds by the way of gift, grant or loan, for purposes of assisting the commission to carry out its powers and duties, the commission may accept such offer by majority vote and upon such acceptance the chairman shall receive such funds subject to the terms of the offer, but no money shall be accepted or received as a loan nor shall any indebtedness be incurred except in the manner and under the limitations otherwise provided by law.

Subd. 4. **Organization; councils and committees.** The commission shall organize itself in conformity with its responsibilities under sections 256.481 to 256.483 and shall establish councils and committees which shall give detailed attention to the special needs of each category of handicapped persons. The members of such councils and committees shall be designated by the chairman with the approval of a majority of the commission and each council or committee shall have members from, and in approximately the same ratio as, the three groups represented on the commission. Councils established shall include a council on employment which shall carry out the duties and responsibilities formerly entrusted to the governor's commission on employment of handicapped persons, and a council on children which shall carry out the duties and responsibilities related to handicapped children formerly entrusted to the Minnesota advisory board on handicapped, gifted and exceptional children.

Subd. 5. **Duties and powers.** The commission shall have the following duties and powers:

(1) To advise the governor, appropriate state agencies, and the public on matters pertaining to public policy and the administration of programs, services and facilities for handicapped persons in Minnesota;

(3) To serve as a source of information to the public regarding all services to handicapped persons;

(4) To review and make comment to the governor, state agencies, the legislature, and the public concerning adequacy of state programs, plans and budgets for services to handicapped persons and for funding under the various federal grant programs;

(5) To research, formulate and advocate plans, programs and policies which will serve the needs of handicapped persons.

Subd. 6. **Meetings; compensation.** The commission shall meet at least once every three months to conduct its business and give direction to the activities of the executive director and staff. Commission members shall serve without pay except that they may be reimbursed for actual and necessary expenses incurred in the discharge of their official duties.

[1973 c 757 s 2]

The governor's commission on employment of handicapped persons and the Minnesota advisory board on handicapped, gifted and exceptional children are hereby abolished.

Subd. 2. **Powers continued.** The commission for the handicapped to which functions are assigned and transferred in subdivision 1 shall be deemed and held to

constitute a continuation of the commission and board abolished in subdivision 1 as to matters within the jurisdiction of said board and commission and transferred to the commission for the handicapped, and not a new authority for the purpose of succession to all transferred rights, powers, duties and obligations of the former board and commission as constituted at the time of such assignment or transfer with the same force and effect as if such functions, powers and duties had not been assigned or transferred.

**Subd. 3. Pending proceedings.** Any proceeding, court action, prosecution, or other business or matter relating to the handicapped which is undertaken or commenced prior to July 1, 1973 by the board or commission abolished in subdivision 1 still pending July 1, 1973 may be conducted and completed by the commission for the handicapped in the same manner and under the same terms and conditions and with the same effect as though it were undertaken or commenced and were conducted or completed by the former board or commission prior to said transfer.

**Subd. 4. Transfer of property.** The heads of the board and commission abolished in subdivision 1 shall transfer and deliver to the commission for the handicapped all contracts, books, maps, plans, papers, records, and property of every description within their jurisdiction or control which relates to the handicapped. (1) Administer the provisions of sections 256.72 to 256.87 in the respective counties subject to the rules and regulations prescribed by the state agency pursuant to the provisions of those sections;

(2) Report to the state agency at such times and in such manner and form as the state agency may from time to time direct; and

**256.73 ASSISTANCE, RECIPIENTS.** Subdivision 1. **Dependent children.** Assistance shall be given under sections 256.72 to 256.87 to or on behalf of any dependent child who:

(1) Resides in Minnesota;

(2) Is living in a suitable home conducted by a family having as far as practicable the same religious faith as the family of the child and meeting the standards of care and health fixed by the laws of this state and rules and regulations of the state agency thereunder.

Subd. 2. **Allowance barred by ownership of property.** The ownership by father, mother, child, children, or any combination thereof, of property as follows shall be a bar to any allowance under sections 256.72 to 256.87:

(1) Real estate used as a home the market value of which less encumbrances exceeds \$7,500; provided that real estate used as a home in excess of this amount will not be a bar to eligibility where the county welfare board determines that such real estate is not available for support of the family.

(2) Personal property of a reasonable market value in excess of \$300 for a one child recipient or \$500 for more than one child recipient, exclusive of personal property used as the home, insurance carried by a parent which does not exceed a cash surrender value of \$500, appropriate clothing and necessary household furniture and equipment, and of such tools, implements, and domestic animals as in the opinion of the county agency it is expedient to retain for the purpose of reducing the expense or increasing the income of the family, and the earnings of a dependent child which are placed in a savings account to be used for a future purpose approved by the county agency in accordance with the rules and regulations of the commissioner of public welfare; or

(3) Real estate not used as a home, provided that if such real estate does not produce net income sufficient to meet the family budget and there is no available market for the sale of such property, or if the price which can be obtained on the prevailing market is not fair and reasonable considering the applicant's interest therein and the possibilities of sale of said property for a greater amount within a reasonable length of time thereafter then in that event, in the discretion of the county agency, ownership of the same shall not be a bar to an allowance under sections 256.72 to 256.87. **256.735** [Repealed, 1969 c 334 s 2]

**256.736 WORK INCENTIVE PROGRAM.** Subdivision 1. **Creation.** There is hereby established a program to help appropriate recipients of aid to families with dependent children become self-supporting members of society.

Subd. 2. **Duties of the commissioner of public welfare.** The commissioner shall cooperate with the commissioner of the state department of employment services in development of a training and employment program for each appropriate relative and dependent child receiving aid to families with dependent children, with the objective of assuring, to the maximum extent possible, that the relative and child will enter the labor force, accept reasonable employment, and become self-sufficient.

Subd. 3. **Operation of program.** To determine who shall be designated as an appropriate individual for certification to the commissioner of employment services, the commissioner of public welfare shall provide standards for county welfare agencies consistent with the standards promulgated by the secretary of health, education, and welfare. County welfare agencies shall certify appropriate individuals to the commissioner of employment services and shall require that every individual, as a condition of receiving aid to families with dependent children, register for employment services, training, and employment, unless such individual is:

- (1) a child who is under age 16 or attending school full time;
- (2) a person who is ill, incapacitated or of advanced age;
- (3) a person so remote from a work incentive project that his effective participation is precluded;
- (4) a person whose presence in the home is required because of illness or incapacity of another member of the household;
- (5) a mother or other relative of a child under the age of six who is caring for the child; or
- (6) the mother or other female caretaker of a child if the father or another adult male relative is in the home and not excluded by clauses (1), (2), (3), or (4) unless he has failed to register as required by this subdivision or has been found by the commissioner of employment services to have refused without good cause to participate under a work incentive program or accept employment.

Any individual referred to in clause (5) shall be advised of her option to register for employment services, training, and employment if she so desires, and shall be informed of the child care services, if any, which will be available to her in the event she should decide to register.

If, after planning with a recipient, a decision is made that he must register for employment services, training, and employment, the county welfare department shall give notice in writing to the individual stating that he must register with the commissioner of employment services for participation in a work incentive program and that he has a right to a fair hearing under section 256.77 with respect to the appropriateness of his registration.

Subd. 4. **Conditions of certification.** The commissioner of public welfare shall:

- (1) Provide that any relative or child certified to the commissioner of employment services pursuant to this section is furnished child-care services and other necessary family services;
- (2) Pay ten percent of the cost of programs of training and employment established by the commissioner of employment services for persons certified hereunder;
- (3) Provide that in determining a recipient's needs any monthly incentive training payment made to the recipient by the department of employment services is disregarded and the additional expenses attributable to his participation in a program are taken into account in grant determination;
- (4) Provide that when it has been certified by the commissioner of employment services, certification to be binding upon the commissioner of public welfare, that a relative or child certified under the work incentive program to the commissioner of employment services has been found by the commissioner, after a hearing conducted in the manner prescribed by section 268.10, subdivision 3, with the right of review in accordance with the provisions of section 268.10, subdivision 8, to have refused without good cause to participate under a work incentive program or to

have refused without good cause to accept a bona fide offer of public or other employment, the county welfare departments shall provide that:

(a) If the relative makes the refusal, the relative's needs shall not be taken into account in making the grant determination, and aid for any dependent child in the family will be made in the form of vendor payments.

(b) Aid with respect to a dependent child will be denied if a child who makes the refusal is the only child receiving aid in the family.

(c) If there is more than one child receiving aid in the family, aid for the child who makes the refusal will be denied and his needs will not be taken into account in making the grant determination; and

(d) Notwithstanding the other provisions of this subdivision, the county welfare department shall, for a period of 60 days after notification of the commissioner of employment services' determination of refusal without cause to participate in a program of training or employment, make vendor payments on behalf of the relative specified or continue aid in the case of a child specified, if during the 60 day period the child or relative accepts counseling or other services which the county welfare department shall make available for the purpose of assisting the child or relative to participate in a program in accordance with the determination of the commissioner of employment services.

**Subd. 5. Extension of work incentive opportunities.** The commissioner of public welfare shall cooperate with the commissioner of employment services to promote the availability of training and employment opportunities on a state wide basis.

**Subd. 6. Protection from garnishment.** Earnings of a recipient while participating in full or part-time employment or training shall be protected from garnishment. This protection shall extend for a period of six months from the date of termination of a recipient's grant of assistance.

**256.74 ASSISTANCE.** Subdivision 1. **Amount.** The amount of assistance which shall be granted to or on behalf of any dependent child and mother or other needy eligible relative caring for such dependent child shall be determined by the county agency with due regard to the resources and necessary expenditures of the family and the conditions existing in each case and in accordance with the rules and regulations made by the state agency and shall be sufficient, when added to all other income and support available to the child, to provide such child with a reasonable subsistence compatible with decency and health. In making its determination the county agency shall exclude the following from family income:

(1) All of the earned income of each dependent child receiving aid to families with dependent children who is a full-time student or part-time student, and not a full-time employee, attending a school, college, or university, or a course of vocational or technical training designed to fit him for gainful employment, and

(2) The first \$30 plus one-third of the remainder of the combined monthly earnings of any dependent child not included under clause (1), and any adult who is a recipient of aid for families with dependent children. With respect to any month, the county welfare agency shall not disregard under clause (2) any earned income of any person who has:

(a) Reduced his earned income without good cause within 30 days preceding any month in which an assistance payment is made; or

(b) Refused without good cause to accept an offer of suitable employment.

Persons who are already employed and who apply for assistance shall have their needs computed with full account taken of their earned and other income. If earned and other income of the family is less than need, as determined on the basis of public assistance standards, the county agency shall determine the amount of the grant by applying the disregard of income provisions. The county agency shall not disregard earned income for persons in a family if the total monthly earned and other income exceeds their needs, unless for any one of the four preceding months their needs were met in whole or in part by a grant payment. If an individual without good cause leaves employment or reduces his earnings and applies for assistance so that he might later return to employment with advantages of income disregard, he shall not have the benefit of the disregard of income provisions.

**Subd. 2. Application.** Application for assistance under sections 256.72 to 256.87 shall be made to the county agency of the county in which the dependent child is residing. If the child is not residing within the state at the time of application but is eligible for assistance, the application may be made to the agency of the county where the child is present and forwarded to the agency of the county where the child last resided. The application shall be in writing or reduced to writing in the manner and upon the form prescribed by the state agency and verified by the oath of the applicant or in lieu thereof shall contain the following declaration which shall be signed by the applicant: "I declare that this application has been examined by me and to the best of my knowledge and belief is a true and correct statement of every material point". **Subd. 2.** If upon the investigation the county agency decides that the application was not filed in the county from which the dependent child is entitled to receive assistance under section 256.73, subdivision 4, but that the applicant is otherwise eligible for assistance, it shall while providing assistance to the applicant in accordance with subdivision 1, transmit to the state agency and to the agency of the county it believes responsible for payment of such assistance a copy of the application together with such information and records as the state agency shall require. The state agency shall make such investigation as it deems appropriate and shall, if necessary, make an order determining the county responsible for payment and referring the application to such county for appropriate action, including reimbursement by such county of any assistance which another county has provided to the applicant in accordance with this subdivision. Such appeal may be taken if the application is not acted upon within a reasonable time by the county agency. Before making such appeal to the state agency the applicant or recipient shall give written notice to the county agency that he is not satisfied with its decision or its delay in acting upon his application. Upon the filing of such notice of dissatisfaction, the county agency shall make an order fixing the time and place for hearing thereon, which hearing shall be held within the ensuing 30 days. Copies of such order shall be forthwith mailed to the applicant or recipient and the state agency. The county agency may adhere to the decision already made or modify the same and copies of such new decision shall be forthwith mailed to the applicant or recipient and the state agency. Such appeal may be brought on for hearing by either party by mailing ten days' written notice stating the time and place of such hearing. Upon serving of such notice, the state agency shall, if demanded, furnish the county agency and applicant or recipient a summary of the issues involved, a copy of all supporting papers, a transcript of any testimony, and a copy of its decision. The court shall summarily, upon ten days' written notice, try and determine the appeal upon the record of the state agency as certified to it and in its determination shall be limited to the issue as to whether the order of the state agency is fraudulent, arbitrary, or unreasonable. No new or additional evidence shall be taken on such appeal or introduced by any party to such hearing on appeal in the district court, unless such new or additional evidence, in the opinion of the court, is necessary to a more equitable disposition of the appeal. If the court shall find the order of the state agency fraudulent, arbitrary, or unreasonable, the court shall, within 30 days, make an order declaring the order of the state agency null and void, giving its reasons therefor, and shall order the state agency to take further action in the matter not inconsistent with the determination of the court.

The county agency may for cause at any time revoke, modify, or suspend any order for assistance previously made. When assistance is thus revoked, modified, or suspended the county agency shall at once report to the state agency such decision together with supporting evidence required by the rules of the state agency. **256.935 FUNERAL EXPENSES, PAYMENT BY COUNTY AGENCY; PREPAID FUNERAL CONTRACTS, EFFECT UPON ELIGIBILITY FOR PUBLIC ASSISTANCE.** Subdivision 1. On the death of any person receiving public assistance through aid to dependent children, the county agency shall pay an amount for funeral expenses not exceeding \$370 and actual cemetery charges. No funeral expenses shall be paid if the estate of the deceased is sufficient to pay such expenses or if the children, or spouse, who were legally responsible for the support of the deceased during his lifetime, are able to pay such expenses; provided, that the additional payment or donation of the cost of cemetery lot, interment, religious service, or for the transportation of the body into or out of the community in which the deceased resided, shall not limit payment by the county agency as herein authorized. Freedom of choice in the selection of a funeral director shall be granted to persons lawfully authorized to make arrangements for the burial of any such deceased recipient. In determining the sufficiency of such estate, due regard shall be had for the nature and marketability of the assets of the estate. The county agency may grant funeral expenses where the sale would cause undue loss to the estate. Any amount paid for funeral expenses shall be a prior claim against the estate, as provided in section 524.44, and any amount recovered shall be reimbursed to the agency which paid the expenses. The state shall reimburse the county for 50 percent of any payments made for funeral expenses.

Subd. 2. In determining eligibility for public assistance through aid to families with dependent children, or medical assistance, a prepaid funeral contract not in excess of \$750 per person, plus accrued interest of not more than \$200, shall not be considered as resources or assets and may be owned in addition to other property.
