168B.02 Definitions.

[For text of subds 1 to 5, see M.S.1974]

Subd. 6. "Motor vehicle waste" means solid waste and liquid wastes derived in the operation of or in the recycling of a motor vehicle as defined in section 169.01, including but not limited to tires and motor vehicle drain oil but exclusive of scrap metal.

[1975 c 223 s 1]

168B.09 Disposal authority.

Subdivision 1. A unit of government may contract with others or may utilize its own equipment and personnel for the inventory of abandoned motor vehicles and abandoned scrap metal and, if no bids are received, may utilize its own equipment and personnel for the collection, storage and transportation of abandoned motor vehicles and abandoned scrap metal; provided, however, that a unit of government may utilize its own equipment and personnel for the collection and storage of not more than five abandoned motor vehicles without advertising for or receiving bids in any 120 day period.

[1975 c 223 s 2]

[For text of subd 2, see M.S.1974]

168B.10 Contracts; reimbursement by agency.

Subdivision 1. If a unit of government enters into a contract with a person licensed by the agency pursuant to this section or a contract pursuant to section 168B.09 the agency may review the contract to determine whether it conforms to the agency's plan for solid waste management and is in compliance with agency regulations. A contract that does so conform may be approved by the agency. Where a contract has been approved, the agency may reimburse the unit of government for the costs incurred under the contract that have not been reimbursed under section 168B.08. Except as otherwise provided in section 168B.09, the agency shall not approve any contract that (a)
