327.15 License for mobile home park and recreational camping area.

No person, firm or corporation shall establish, maintain, conduct or operate a mobile home park or recreational camping area within this state without first obtaining a license therefor from the state department of health. Any person, firm, or corporation desiring to operate either a mobile home park or a recreational camping area on the same site in connection with the other, need only obtain one license. A license shall expire and be renewed as prescribed by the board pursuant to section 144.122. The license shall state the number of mobile home sites and recreational camping sites allowed according to state board of health approval. No renewal license shall be issued if the number of sites specified in the application exceeds those of the original application unless the plans for expansion or the construction for expansion are first approved by the department of health. Any mobile home park or recreational camping area located in more than one municipality shall be dealt with as two separate mobile home parks or camping areas. The license shall be conspicuously displayed in the office of the mobile home park or camping area. The license is not transferable as to place.

Subd. 3. Fees; approval. The application for the primary license shall be submitted with all plans and specifications enumerated in subdivision 2, and payment of a fee in an amount prescribed by the state board of health pursuant to section 144.122 and shall be accompanied by an approved zoning permit from the municipality or county wherein the park is to be located, or a statement from the municipality or county that it does not require an approved zoning permit. The fee for the annual license shall be in an amount prescribed by the state board of health pursuant to section 144.122. All license fees paid to the board of health shall be turned over to the state treasury. The fee submitted for the primary license shall be retained by the state even though the proposed project is not approved and a license is denied.

When construction has been completed in accordance with approved plans and specifications the state board of health shall promptly cause the mobile home park or recreational camping area and appurtenances thereto to be inspected. When the inspection and report has been made and the state board of health finds that all requirements of sections 327.10, 327.11, 327.14 to 327.28, and such conditions of health and safety as the state board of health may require, have been met by the applicant, the state board of health shall forthwith issue the primary license in the name of the state.
