CHAPTER 40. SOIL AND WATER CONSERVATION

Sec.

40.03 Soil and water conservation commission.

Sec.

40.05 Three supervisors elected for each district.

40.03 Soil and water conservation commission.

Subdivision 1. Members. There is hereby established, to serve as an agency within the department of natural resources and to perform the functions conferred upon it in this chapter, the state soil and water conservation commission to be composed of 11 members, seven of whom shall be elected supervisors of soil and water conservation districts selected as herein provided. Four members thereof shall be ex officio members composed of the following: The director of the agricultural extension service of the University of Minnesota; the dean of the institute of agriculture of the University of Minnesota; the director of the pollution control agency; the commissioner of agriculture. The director of the agricultural extension service may designate the associate director of the agricultural extension service to act in his stead as a member of the commission, with all his rights and privileges. The designation shall be filed with the secretary of state. Similarly, the dean of the institute of agriculture may designate the associate dean of the institute of agriculture to act in his stead, with all his rights and privileges, which designation also shall be filed with the secretary of state. The commission shall invite the state conservationist of the United States soil conservation service to serve as an advisory member. The commission may also invite a representative of the state association of soil and water conservation districts, the association of Minnesota counties, the league of municipalities and such other organizations and governmental agencies as may be deemed necessary to serve as advisory members. The other seven members of said commission shall be appointed by the governor from nominees who are elected representatives of the state soil and water conservation districts, recommended by the state association of soil and water conservation district supervisors submitted to the governor, and in the event of a failure to submit such nominees to the governor he shall make the necessary appointments from present or past supervisors of soil and water conservation
