268.03 DECLARATION OF PUBLIC POLICY. As a guide to the interpretation and application of sections 268.03 to 268.24, the public policy of this state is declared to be as follows: Economic insecurity due to unemployment is a serious menace to the health, morals, and welfare of the people of this state. Involuntary unemployment is therefore a subject of general interest and concern which requires appropriate action by the legislature to prevent its spread and to lighten its burdens. This can be provided by encouraging employers to provide more stable employment and by the systematic accumulation of funds during periods of employment to provide benefits for periods of unemployment, thus maintaining purchasing power and limiting the serious social consequences of poor relief assistance. The legislature, therefore, declares that in its considered judgment the public good and the general welfare of the citizens of this state will be promoted by providing, under the police powers of the state for the compulsory setting aside of unemployment reserves to be used for the benefit of persons unemployed through no fault of their own.

(13) Except as provided in clause (12), and notwithstanding any other provisions of sections 268.03 to 268.24, no employing unit shall be initially determined a subject employer on the basis of covered employment performed more than four years prior to the year in which such determination is made, unless the commissioner finds that the records of such employment experience were fraudulently concealed or withheld for the purpose of escaping liability under said sections;

(1) For the purpose of determining contributions payable under section 268.06, subdivision 2, that part of the remuneration which exceeds the lesser of \$6,500 or 70 percent of the average annual wage rounded to the nearest \$100 computed in accordance with the provisions of clause (6) of this subdivision paid to an individual by an employer with respect to covered employment in this state, or with respect to employment under the unemployment compensation law of any other state during any calendar year paid to such individual by such covered employer or his predecessor during such calendar year; provided, that if the term "wages" as contained in the federal unemployment tax act is amended to include remuneration in excess of the amount required to be paid hereunder to an individual by an employer under the federal act for any calendar year, wages for the purposes of sections 268.03 to 268.24 shall include remuneration paid in a calendar year up to an amount equal to the dollar limitation specified in the federal unemployment tax act. For the purposes of this clause, the term "employment" shall include service constituting employment under any employment security law of another state or of the federal government;

(2) The amount of any payment made to, or on behalf of, an employee under a plan or system established by an employer which makes provision for his employees generally or for a class or classes of his employees (including any amount paid by an employer for insurance or annuities, or into a fund, to provide for any such payment), on account of (a) retirement or (b) sickness or accident disability or (c) medical and hospitalization expenses in connection with sickness or accident disability, or (d) death, provided the employee (i) has not the option to receive, instead of provision for such death benefit, any part of such payment, or if such death benefit is insured, any part of the premium (or contributions to premiums) paid by his employer and (ii) has not the right, under the provisions of the plan or system or policy of insurance providing for such death benefit, to assign such benefit, or to receive a cash consideration in lieu of such benefit either upon his withdrawal from the plan or system providing for such benefit or upon termination of such plan or system or policy of insurance or of his employment with such employer;

(3) The payment by an employer (without deduction from the remuneration of the employee) (a) of the tax imposed upon an employee under section 3101 of the federal internal revenue code, or (b) of any payment required from an employee under a state unemployment compensation law;

(4) Any payments made to a former employee during the period of active military service in the armed forces of the United States by such employer, whether legally required or not;

(a) The sum of the total monthly employment reported for the previous calendar year shall be divided by 12 to determine the average monthly employment.

(b) The sum of the total wages reported for the previous calendar year shall be divided by the average monthly employment to determine the average annual wage.

The average annual wage determined shall be effective for the calendar year next succeeding the determination.

This section shall become effective January 1, 1976.

Subd. 26. "Wage credits" mean the amount of wages paid and wages due and payable but not paid by or from an employer to an employee for insured work and tips and gratuities paid to an employee by a customer of an employer and accounted for by the employee to the employer except that wages earned in part-time employment by a student as an integral part of an occupational course of study, under a plan for vocational education accepted by the Minnesota department of education, shall not result in wage credits available for benefit purposes.

Subd. 28. "Weekly benefit amount" with respect to any particular week of total unemployment means the amount of benefits computed in accordance with the provisions of section 268.07, which an individual would be entitled to receive for such week, if totally unemployed and eligible.

268.05 UNEMPLOYMENT COMPENSATION FUND. Subdivision 1. **Establishment; how constituted.** There is hereby established as a special fund, separate and apart from all public moneys or funds of this state, an unemployment compensation fund, which shall be administered by the commissioner exclusively for the purpose of sections 268.03 to 268.24. This fund shall consist of:

- (1) All contributions collected under those sections;
- (2) Interest earned upon any moneys in the fund;

(3) Any property or securities acquired through the use of moneys belonging to the fund;

(4) All earnings of such property or securities;

(5) Any moneys received from the Federal Unemployment Account in the unemployment trust fund in accordance with Title XII of the Social Security Act, as amended, and any other moneys made available to the fund and received pursuant to an agreement, between this state and any agency of the federal government or any other state, for the payment of unemployment benefits;

(6) All money recovered on losses sustained by the fund;

(7) All money credited to the account of this state in the unemployment trust fund pursuant to section 903 of the Social Security Act, as amended; and

(8) All money received for the fund from any other source.

All moneys in the fund shall be mingled and undivided.

Subd. 2. State treasurer to be custodian; separate accounts; bonds. The state treasurer shall be ex-officio the treasurer and custodian of the fund. He shall administer the fund in accordance with the directions of the commissioner, and issue his warrants upon it in accordance with such regulations as the commissioner shall prescribe. He shall maintain within the fund three separate accounts:

(1) A clearing account;

(2) An unemployment trust fund account; and

(3) A benefit account.

All moneys payable to the fund, upon receipt thereof by the commissioner, shall be forwarded to the treasurer who shall immediately deposit them in the clearing account. All moneys in the clearing account, after clearance thereof, shall, except as herein otherwise provided, be immediately deposited with the secretary of the treasury of the United States to the credit of the account of this state in the unemployment trust fund established and maintained pursuant to section 904 of the Social Security Act, as amended, any provisions of law in this state relating to the deposit, administration, release, or disbursement of moneys in the possession or custody of this state to the contrary notwithstanding. Refunds payable pursuant to section 268.16, subdivision 6, and section 268.04, subdivision 12, clause (8) (f), may be paid from the clearing account or the benefit account. The benefit account shall consist of all moneys requisitioned from this state's account in the unemployment trust fund in the United States Treasury for the payment of benefits. Except as herein otherwise provided, moneys in the clearing and benefit accounts may be deposited by the treasurer, under the direction of the commissioner, in any depository bank in which general funds of the state may be deposited, but no public deposit insurance charge or premium shall be paid out of the fund. Moneys in the clearing and benefit accounts shall not be commingled with other state funds, but shall be maintained in separate accounts on the books of the depository bank. Such money shall be secured by the depository bank to the same extent and in the same manner as required by the general depository law of this state; and collateral pledged for this purpose shall be kept separate and distinct from any collateral pledged to secure other funds of the state. The treasurer shall give a separate bond conditioned upon the faithful performance of his duties with respect to the fund in an amount not less than \$25,000. The bond shall be approved by the attorney general. Premiums for this bond shall be paid from the administration fund. All sums recovered for losses sustained by the fund shall be deposited therein.

Subd. 3. Withdrawals. (1) Moneys requisitioned from this state's account in the unemployment trust fund shall be used exclusively for the payment of benefits and for refunds pursuant to sections 268.16, subdivision 6, and 268.04, subdivision 12, clause (8) (f) except that money credited to this state's account pursuant to section 903 of the Social Security Act, as amended, shall be used exclusively as provided in subdivision 5 of this section. The commissioner or his duly authorized agent for that purpose, shall from time to time requisition from the unemployment trust fund such amounts, not exceeding the amount standing to this state's account therein, as he deems necessary for the payment of such benefits and refunds for a reasonable future period. Upon receipt thereof the treasurer shall deposit such moneys in the benefit account and issue his warrants for the payment of benefits solely from such benefit account. Expenditures of such moneys in the benefit account and refunds from the clearing ac-

count shall not be subject to any provisions of law requiring specific appropriations or other formal release by state officers of money in their custody. All warrants issued by the treasurer for the payment of benefits and refunds shall bear the signature of the treasurer and the counter signature of the commissioner or his duly authorized agent for that purpose.

(2) Any balance of moneys requisitioned from the unemployment trust fund which remains unclaimed or unpaid in the benefit account after the expiration of the period for which such sums were requisitioned shall either be deducted from estimates for, and may be utilized for the payment of, benefits and refunds during succeeding periods or, in the discretion of the commissioner, shall be redeposited with the secretary of the treasury of the United States, to the credit of this state's account in the unemployment trust fund, as provided in subdivision 2.

Subd. 4. Disposal of certain moneys. Any moneys made available to the unemployment compensation fund and received pursuant to an agreement between this state and any agency of the federal government or any other state for the payment of unemployment benefits shall be placed directly in the benefit account of the unemployment trust fund.

Subd. 5. Payment of expenses of administration. (1) Money credited to the account of this state in the unemployment trust fund by the secretary of the treasury of the United States of America pursuant to section 903 of the Social Security Act, as amended, may be requisitioned and used for the payment of expenses incurred for the administration of Laws 1957, Chapter 883 pursuant to a specific appropriation by the legislature, provided that the expenses are incurred and the money is requisitioned after the enactment of an appropriation law which:

(a) Specifies the purposes for which such money is appropriated and the amounts appropriated therefor.

(b) Limits the period within which such money may be obligated to a period ending not more than two years after the date of the enactment of the appropriation law, and

(c) Limits the amount which may be obligated during any twelve-month period beginning on July 1 and ending on the next June 30 to an amount which does not exceed the amount by which (i) the aggregate of the amounts credited to the account of this state pursuant to section 903 of the Social Security Act, as amended, during the same twelve-month period and the 24 preceding twelve-month periods, exceeds (ii) the aggregate of the amounts used pursuant to this subdivision and charged against the amounts credited to the account of this state during any of such 25 twelve-month periods. For the purposes of this subdivision, amounts used during any such twelve-month period shall be charged against equivalent amounts which were first credited and which are not already so charged; except that no amount obligated for administration during any such twelve-month period may be charged against any amount credited during such a twelve-month period earlier than the 24th preceding such period.

(2) Money credited to the account of this state pursuant to section 903 of the Social Security Act, as amended, may not be withdrawn or used except for the payment of benefits and for the payment of expenses for the administration of Laws 1957, Chapter 883 and of public employment offices pursuant to this subdivision.

(3) Money requisitioned for the payment of expenses of administration pursuant to this subdivision shall be deposited in the employment services administration fund, but, until expended, shall remain a part of the unemployment fund. The commissioner shall maintain a separate record of the deposit, obligation, expenditure, and return of funds so deposited. If any money so deposited is, for any reason, not to be expended for the purpose for which it was appropriated, or, if it remains unexpended at the end of the period specified by the law appropriating such money, it shall be withdrawn and returned to the secretary of the treasury of the United States for credit to this state's account in the unemployment trust fund.

Subd. 6. Advance on federal funds. (1) The governor is hereby authorized to make application as may be necessary to secure any advance of funds by the secretary of the treasury of the United States in accordance with the authority extended under section 1201 of the social security act, as amended.

(2) Any amount transferred to the Minnesota unemployment compensation fund by the secretary of the treasury of the United States under the terms of any applica-

tion made pursuant to this subdivision shall be repayable, without interest, in the manner provided in sections 901(d) 1, 903(b) 2 and 1202 of the social security act, as amended.

268.06 EMPLOYERS CONTRIBUTIONS. Subdivision 1. **Payments.** (1) Contributions shall accrue and become payable by each employer for each calendar year in which he is subject to sections 268.03 to 268.24 with respect to wages (as defined in section 268.04, subdivision 25) for employment. Such contributions shall become due and be paid by each employer to the department of employment services for the fund in accordance with such regulations as the commissioner may prescribe, and shall not be deducted, in whole or in part, from the wages of individuals in such employer's employ. No rule of the commissioner shall be put in force which will permit the payment of such contributions at a time or under conditions which will not allow the employer to take credit for such contribution against the tax imposed by section 3301 of the Internal Revenue Code.

(2) In the payment of any contribution, a fractional part of a cent shall be disregarded unless it amounts to one-half cent or more in which case it shall be increased to one cent.

(3) When the contribution rate applied to an employer's taxable payroll for any given calendar quarter results in a computed contribution of less than \$1, the contribution shall be disregarded.

Subd. 2. **Rates.** Each employer shall pay contributions equal to two and seven-tenths percent of wages paid and wages overdue and delayed beyond the usual time of payment from him with respect to employment occurring during each calendar year, except as may be otherwise prescribed in subdivisions 3 and 4.

Subd. 3. [Repealed, 1969 c 854 s 14]

Subd. 3a. **Rate for new employers.** Notwithstanding the provisions of subdivision 2, each employer, subsequent to December 31, 1971, who becomes subject to this law, shall pay contributions at a rate, not exceeding two and seven-tenths percent, that is the higher of (a) one percent and (b) the state's three-year benefit cost rate for the 36 consecutive month period immediately preceding July 1 of each year. For purposes of this subdivision, the state's three-year benefit cost rate shall be computed annually and shall be derived by dividing the total dollar amount of benefits paid to claimants under this law during the 36 consecutive calendar months immediately preceding July 1 of each year by the total dollar amount of wages subject to contributions under this law during the same period. The rate so determined shall be applicable for the calendar year next succeeding each computation date.

Subd. 4. **Rates; schedules.** The commissioner shall for the year 1943 and for each calendar year thereafter determine the contribution rate of each employer whose unemployment experience as an employer under these sections is equivalent to the minimum requirements of section 3303 of the federal internal revenue code for the purpose of obtaining additional credit thereunder with respect to any reduced rates of state contributions.

Subd. 5. **Benefits charged as and when paid.** (1) Benefits paid to an individual pursuant to a valid claim filed subsequent to June 30, 1941, shall be charged against the account of his employer as and when paid, except that benefits paid to an individual who during his base period earned wages for part time employment with an employer who continues to give the employee part time employment substantially equal to the part time employment previously furnished such employee by such employer shall not be charged to such employer's account. The amount of benefits so chargeable against each base period employer's account shall bear the same ratio to the total benefits paid to an individual as the base period wage credits of the individual earned from such employer bear to the total amount of base period wage credits of the individual earned from all his base period employers.

(2) When, however, the base period earnings of an individual to whom benefits are paid are less than \$520, then the proportional benefits which would ordinarily be charged to such employer shall not be charged to him, except that this provision shall not apply if the commissioner finds that the employment practices of an employer result in his separation of employees for whom work is available solely for the purpose

MINNESOTA STATUTES 1976

of evading charges to his account.

In making computations under this provision, the amount of wage credits if not a multiple of \$1, shall be computed to the nearest multiple of \$1.

Subd. 6. Computation of each employer's experience ratio. The commissioner shall, for the calendar year 1966, and for each calendar year thereafter, compute an experience ratio for each employer whose account has been chargeable with benefits during the 36 consecutive calendar months immediately preceding July 1 of the preceding calendar year; except that, for any employer who has not been subject to the Minnesota employment services law for a period of time sufficient to meet the 36 consecutive months requirement, the commissioner shall compute an experience ratio if his account has been chargeable with benefits during at least the 12 consecutive calendar months immediately preceding July 1 of the preceding calendar year. Such experience ratio shall be the quotient obtained by dividing $1\frac{1}{4}$ times the total benefits charged to the employer's account during the period his account has been chargeable but not less than the 12 or more than the 36 consecutive calendar months ending on June 30 of the preceding calendar year, by his total taxable payroll for the same period on which all contributions due have been paid to the department of employment services on or before July 31 of the preceding calendar year. Such experience ratio shall be computed to the nearest one-tenth of a percent.

Subd. 7. [Repealed, 1949 c 605 s 15]

Subd. 8. Determination of contribution rates. For the year 1976 and for each calendar year thereafter the commissioner shall determine the contribution rate of each employer by adding the minimum rate to the experience ratio, except that if the ratio for the current calendar year exceeds the experience ratio for the preceding calendar year by more than one and one-half percentage points, the increase for the current year shall be limited to one and one-half percentage points. The minimum rate for all employers shall be nine-tenths of one percent if the amount in the unemployment compensation fund is less than \$90,000,000 on June 30 of the preceding calendar year; or eight-tenths of one percent if the fund is more than \$90,000,000 but less than \$110,000,000; or seven-tenths of one percent if the fund is more than \$110,000,000 but less than \$130,000,000; or six-tenths of one percent if the fund is more than \$130,000,000 but less than \$150,000,000; or five-tenths of one percent if the fund is more than \$150,000,000 but less than \$170,000,000; or three-tenths of one percent if the fund is more than \$170,000,000 but less than \$200,000,000; or one-tenth of one percent if the fund is \$200,000,000 or more; provided that no employer shall have a contribution rate of more than five percent except that in the case of an employer whose experience ratio in each of the immediately preceding three calendar years was in excess of five percent, the maximum contribution rate shall be six percent.

Subd. 18. Notice to employer. The commissioner shall at least twice each year notify each employer of the benefits as determined by the department which have been charged to his account subsequent to the last notice. Unless reviewed in the manner hereinafter provided, charges set forth in such notice, or as modified by a redetermination, a decision of a referee, or the commissioner, shall be final and shall be used in determining the contribution rates for all years in which the charges occur within the employer's experience period and shall not be subject to collateral attack by way of review of a rate determination, application for adjustment or refund, or otherwise.

Subd. 19. Notice of rate. The commissioner shall mail to each employer notice of his rate of contributions as determined for any calendar year pursuant to this section. Such notice shall contain the contribution rate, factors used in determining the

individual employer's experience rating, and such other information as the commissioner may prescribe. Unless reviewed in the manner hereinafter provided, the rate as determined or as modified by a redetermination, a decision of a referee, or the commissioner shall be final except for fraud and shall be the rate upon which contributions shall be computed for the calendar year for which such rate was determined, and shall not be subject to collateral attack for any errors, clerical or otherwise, whether by way of claim for adjustment or refund, or otherwise.

Subd. 20. Protest, review, redetermination, appeal. A review of the charges made to an employer's account as set forth in the notice of charges referred to in subdivision 18 and a review of an employer's contribution rate as set forth in the notice of his rate for any calendar year as provided in subdivision 19, may be had by such employer if he files with the commissioner a written protest setting forth his reasons therefor within 30 days from the date of the mailing of the notice of charges or contribution rate to him, which date shall appear on such notice. Upon receipt of such protest the commissioner shall refer the matter to an official designated by him to review the charges appearing on such notice appealed from or the computations of the protesting employer's rate, as the case may be, to determine whether or not there has been any clerical error or error in computation in either case, and he shall either affirm or make a redetermination rectifying said charges or rate as the case may be, and a notice of such affirmation or redetermination shall immediately be mailed to said employer. If the employer is not satisfied with such affirmation or redetermination, he may appeal therefrom by filing a notice thereof with the department within ten days after the date of mailing appearing upon said redetermination. Upon the receipt of such appeal the commissioner shall refer the matter to a referee for a hearing and after opportunity for a fair hearing, the referee shall affirm, modify or set aside the original determination with its affirmation or the redetermination, as appears just and proper. The commissioner may at any time upon his own motion correct any clerical error of the department resulting in charges against an employer's account or any error in the computation of an employer's contribution rate. The referee may order the consolidation of two or more appeals whenever, in his judgment, such consolidation will not be prejudicial to any interested party. At any such hearing a written report of any employee of the department which has been authenticated shall be admissible in evidence. Appeals from the decision of the referee shall be made in the same manner as appeals from the decision of an appeal tribunal. Decisions of the commissioner made upon appeal from a decision of the referee shall be reviewed by the supreme court upon certiorari in accordance with the procedure outlined therefor with respect to benefit decisions.

Subd. 21. Separate account. The commissioner shall maintain a separate account for each employer, and shall credit his account with all the contributions paid by him. Nothing in sections 268.03 to 268.24 shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by the employer into the fund.

Subd. 22. Employment experience record transfer. (a) When an employing unit succeeds to or acquires the organization, trade or business or substantially all the assets of another employing unit which at the time of the acquisition was an employer subject to this law, the employment experience of the predecessor employer shall be transferred as of the date of acquisition to the successor employer for the purpose of rate determination.

(b) When an employing unit succeeds to or acquires a distinct severable portion of the organization, trade, business or assets which is less than substantially all of the employing enterprises of another employing unit, the successor employing unit shall acquire the experience rating record attributable to the portion to which it has succeeded, and the predecessor employing unit shall retain the experience rating record attributable to the portion which it has retained, if (1) the successor files a written application for the experience rating record; (2) the application contains the information the commissioner shall by regulation prescribe to show that the experience rating record is identifiable and segregable; and (3) the application is filed prior to whichever of the following dates is the latest: (a) 60 days after the date of the succession; or (b) the date that the rate determination of the employing unit which has applied for the experience rating record has become final for the calendar year immediately following the calendar year in which the succession occurs.

(c) An employing unit which succeeds to or acquires the organization, trade or business or substantially all of the assets of an employer shall notify the department by registered mail of the acquisition not later than ten days succeeding the acquisition. Failure to give notice shall render the predecessor and successor employing unit jointly and severally liable for contributions due and unpaid by the predecessor.

(d) Credits due to a predecessor as a result of overpayment of contributions under this subdivision may be granted to the successor upon assignment thereof by such predecessor in such form and in accordance with such regulations as may be prescribed by the commissioner. Employment with a predecessor employer shall not be deemed to have been terminated if similar employment is offered by the successor employer and accepted by the employee.

Subd. 23. [Repealed, 1955 c 380 s 5]

Subd. 24. **Reassignment.** Notwithstanding any inconsistent provisions of law any employer who has been assigned a contribution rate pursuant to subdivisions 4, 6, and 8 of this section may, for the calendar year 1967, or any calendar year thereafter, upon the voluntary payment of an amount equivalent to any portion or all of the benefits charged to his account during the period ending June 30 of the preceding year used for the purpose of computing an employer's experience ratio as authorized by said subdivisions 4, 6, and 8, obtain a cancellation of benefits charged to his account during such period equal to such payment so voluntarily made. Upon the payment of such voluntary contribution, plus a surcharge of 25 percent of such benefit charged, within the applicable period prescribed by the provisions of this subdivision, the commissioner shall cancel the benefits equal to such payment, excluding the 25 percent surcharge, so voluntarily made and compute a new experience ratio for such employer. The employer then shall be assigned the contribution rate applicable to the category within which his recomputed experience ratio is included. Such voluntary payments may be made only during the 30-day period immediately following the date of mailing to the employer of the notice of his contribution rate as prescribed in this section; provided that the commissioner may extend this period if he finds that the employer's failure to make such payment within such 30-day period was for good cause; and provided further that notwithstanding any of the foregoing provisions of this subdivision, in no event shall any new experience ratio be computed for any employer or his contribution rate be reduced as a result of any such voluntary payment which he made after the expiration of the 120-day period commencing with the first day of the calendar year for which such rate is effective. Any adjustments under this subdivision shall be used only in the form of credits against accrued or future contributions.

When all or a part of the benefits charged to an employer's account are for the unemployment of 75 percent or more of the employees in an employing unit and the unemployment is caused by damages to the unit by fire, flood, wind or other act of God, the employer may obtain a cancellation of benefits incurred because of that unemployment in the manner provided by this subdivision without being subject to the surcharge of 25 percent otherwise required.

Subd. 25. **Payments to fund by state and political subdivisions in lieu of contributions.** In lieu of contributions required of employers under this law, the state of Minnesota or its political subdivisions governed by this law shall pay into the unemployment compensation fund an amount equivalent to the amount of benefits paid and one half of the extended benefits paid to individuals based on wages paid by the state of Minnesota or such political subdivisions. If benefits paid an individual are based on wages paid by both the state of Minnesota or such political subdivisions and one or more other employers, the amount payable by the state of Minnesota or such political subdivisions to the fund shall bear the same ratio to total benefits paid to the individual as the base-period wages paid to the individual by the state of Minnesota or such political subdivisions bear to the total amount of base-period wages paid to the individual by all his base-period employers. The amount of payment required under this subdivision shall be ascertained by the commissioner semi-annually. If the amount of benefits paid in any fiscal year from the fund to former employees paid from any one account from which salaries are paid as ascertained by the commissioner exceeds three percent of the total wages paid to all employees from that salary account during the preceding completed fiscal year, the excess amount shall be paid to the fund by including such sum in the biennial budget as submitted by the commissioner of the department of administration and shall be paid from such moneys in the state treasury that have not otherwise been appropriated.

Subd. 26. **Reimbursement of fund by state.** To facilitate the discharge by the state of Minnesota and its wholly owned instrumentalities of their obligations under subdivision 25 of this section, the state and its wholly owned instrumentalities shall reimburse the unemployment compensation fund as provided in the following clauses:

(1) Every self-sustaining department, institution and wholly owned instrumentality of the state shall pay into the unemployment compensation fund semi-annually such amounts as the department of employment services shall certify has been paid from the fund to eligible individuals. For the purposes of this clause a "self-sustaining department, institution or wholly owned instrumentality" is one in which the dedicated income and revenue substantially offsets its cost of operation.

(2) Every partially self-sustaining department, institution and wholly owned instrumentality of the state shall pay semi-annually to the unemployment compensation fund such proportion of the sum which the department of employment services certifies has been paid from the fund during the preceding six months to eligible individuals as the total of its income and revenue bears to its annual cost of operation.

(3) Every department, institution or wholly owned instrumentality of the state which is not self-sustaining shall pay to the unemployment compensation fund such sums as the department of employment services certifies have been paid from the fund to eligible individuals to the extent funds are available from appropriated funds.

(4) The departments, institutions and wholly owned instrumentalities of the state, including the University of Minnesota, which have money available shall immediately reimburse the unemployment compensation fund for benefits paid which were charged to their accounts upon receiving notification from the department of employment services of such charges. If an individual to whom benefits were paid was paid by a department, institution or wholly owned instrumentality during his base period from a special or administrative account or fund provided by law, the payment into the unemployment compensation fund shall be made from such special or administrative account or fund with the approval of the department of administration and such amounts are hereby appropriated.

(5) For those departments, institutions and wholly owned instrumentalities of the state which cannot immediately reimburse the unemployment compensation fund for benefits that were charged to their accounts, the commissioner of employment services shall certify on November 1 of each even-numbered year to the department of administration as to the unpaid balances due and owing. Upon receipt of the certification the commissioner of the department of administration shall include such unpaid balances in the biennial budget to be submitted to the legislature.

Subd. 27. **Method of payment by political subdivision to fund.** Effective January 1, 1974, a political subdivision or instrumentality thereof is hereby authorized and directed to pay its obligations under subdivision 25 by moneys collected from taxes or other revenues. Each and every political subdivision authorized to levy taxes may include in its tax levy the amount necessary to pay such obligations. If the taxes authorized to be levied under this subdivision cause the total amount of taxes levied to exceed any limitation whatsoever upon the power of a political subdivision to levy taxes, such political subdivision may levy taxes in excess of the limitations in such amounts as is necessary to meet its obligation under subdivision 25. The expenditures authorized to be made under subdivision 25 shall not be included in computing the cost of government as defined in any home rule charter of any city affected thereby. The governing body of a municipality, for the purpose of meeting its liabilities under subdivision 25, in the event of a deficit, may issue its obligations payable in not more than two years, in an amount which may cause its indebtedness to exceed any statutory or charter limitations, without an election, and may levy taxes to pay therefor in the manner provided in section 475.61.

Subd. 28. **Payment to fund by nonprofit corporation and allocation of benefit costs by base period reimbursers.** (1) Benefits paid to employees of nonprofit organizations shall be financed in accordance with the provisions of this subdivision. For the purpose of this subdivision, a nonprofit organization is an organization (or group of organizations) described in section 501(c) (3) of the United States internal revenue code which is exempt from income tax under section 501(a) of such code. Any nonprofit organization which, pursuant to section 268.04, subdivision 10, clause (9) is, or becomes, subject to this law on or after January 1, 1972, shall pay contributions under the provisions of clause (a), unless it elects, in accordance with this paragraph, to pay to the commissioner for the unemployment fund an amount equal to the amount of

regular benefits and of one-half of the extended benefits paid, that is attributable to service in the employ of such nonprofit organization, to individuals for weeks of unemployment which begin during the effective period of such election.

(a) Any nonprofit organization which is, or becomes, subject to this law on January 1, 1972, may elect to become liable for payments in lieu of contributions for a period of not less than two calendar years beginning with January 1, 1972; provided it files with the commissioner a written notice of its election within the 30 day period immediately following such date.

(b) Any nonprofit organization which becomes subject to this law after January 1, 1972, may elect to become liable for payments in lieu of contributions for a period of not less than two calendar years beginning with the date on which such subjectivity begins by filing a written notice of its election with the commissioner not later than 30 days immediately following the date of the determination of such subjectivity.

(c) Any nonprofit organization which makes an election in accordance with clause (a) or clause (b) will continue to be liable for payments in lieu of contributions until it files with the commissioner a written notice terminating its election not later than 30 days prior to the beginning of the calendar year for which such termination shall first be effective.

(d) Any nonprofit organization which has been paying contributions under this law for a period subsequent to January 1, 1972, may change to a reimbursable basis by filing with the commissioner not later than 30 days prior to the beginning of any calendar year a written notice of election to become liable for payments in lieu of contributions. Such election shall not be terminable by the organization for that and the next year.

(e) The commissioner may for good cause extend the period within which a notice of election, or a notice of termination, must be filed and may permit an election to be retroactive but not any earlier than with respect to benefits paid after December 31, 1971.

(f) The commissioner, in accordance with such regulations as he may prescribe, shall notify each nonprofit organization of any determination which he may make of its status as an employer and of the effective date of any election which it makes and of any termination of such election. Such determinations shall be final unless reviewed in accordance with the provisions of section 268.12, subdivision 13.

(2) Payments in lieu of contributions shall be made at the end of each calendar quarter, or at the end of any other period as determined by the commissioner. The commissioner shall bill each nonprofit organization (or group of such organizations) which has elected to make payments in lieu of contributions for an amount equal to the full amount of regular benefits plus one-half of the amount of extended benefits paid during such quarter or other prescribed period that is attributable to service in the employ of such organization.

(3) Past due payments of amounts in lieu of contributions shall be subject to the same interest charges and collection procedures that apply to past due contributions under section 268.16.

(4) If any nonprofit organization is delinquent in making payments in lieu of contributions as required under this subdivision, the commissioner may terminate such organization's election to make payments in lieu of contributions as of the beginning of the next taxable year, and such termination shall be effective for that and the following taxable year.

Subd. 29. Group accounts. Two or more employers that have become liable for payments in lieu of contributions may file a joint application to the commissioner for the establishment of a group account for the purpose of sharing the cost of benefits paid that are attributable to service in the employ of such employers. Each such application shall identify and authorize a group representative to act as the group's agent for the purposes of this subdivision. Upon his approval of the application, the commissioner shall establish a group account for such employers effective as of the beginning of the calendar year in which the application is received by the commissioner and shall notify the group's representative of the effective date of the account. Such account shall remain in effect for not less than two years and thereafter until terminated at the discretion of the commissioner or upon application by the group at least 30 days prior to the end of such two year period or 30 days prior to January 1 of any calendar year subsequent to such two calendar years. Upon establishment of the ac-

count, each member of the group shall be liable for payments in lieu of contributions in the amount that bears the same ratio to the total benefits paid that are attributable to service performed in the employ of all members of the group as the total wage credits for service in employment by such member bear to the total during the base period for service performed in the employ of all members of the group. The commissioner shall prescribe such regulations as he deems necessary with respect to applications for establishment, maintenance and termination of group accounts that are authorized by this subdivision, for addition of new members to, and withdrawal of active members from, such account, and for the determination of the amounts that are payable under this subdivision by members of the group and the time and manner of such payments.

Subd. 30. Payments reimbursed by federal government. Notwithstanding the provisions of subdivisions 25, 26 and 28, clause (1), no employer shall be liable for payments in lieu of contributions with respect to extended benefit payments which are wholly reimbursed to this department by the federal government.

268.07 BENEFITS PAYABLE. Subdivision 1. **Paid from the fund.** All benefits provided herein shall be payable from the fund and shall be paid through employment offices, in accordance with such regulations as the commissioner may prescribe.

Subd. 2. Weekly benefit amount and duration. If the commissioner finds that an individual has earned 18, or more, credit weeks, and \$540 or more in wage credits, within the base period of employment in insured work with one or more employers, benefits shall be payable to such individual during his benefit year as follows:

(1) Weekly benefit amount shall be equal to 60 percent of the first \$85, 40 percent of the next \$85 and 50 percent of the remainder of the average weekly wage of such individual, computed to the nearest whole dollar, subject to a maximum of the lesser of \$116 or 62 percent of the average weekly wage paid to individuals by employers subject to the provisions of sections 268.03 to 268.24.

On or before June 30 of each year the commissioner shall determine the average weekly wage paid by employers subject to sections 268.03 to 268.24 in the following manner:

(a) The sum of the total monthly employment reported for the previous calendar year shall be divided by 12 to determine the average monthly employment.

(b) The sum of the total wages reported for the previous calendar year shall be divided by the average monthly employment to determine the average annual wage.

(c) The average annual wage shall be divided by 52 to determine the average weekly wage.

The maximum weekly benefit amount as so determined computed to the nearest whole dollar shall apply to claims for benefits which establish a benefit year which begins subsequent to June 30 of each year.

(2) An individual's maximum amount of regular benefits payable in a benefit year shall not exceed the lesser of (a) 26 times his weekly benefit amount or (b) 70 percent of the number of credit weeks earned by such an individual computed to the nearest whole week times his weekly benefit amount.

(3) Each eligible individual who is unemployed in any week shall be paid with respect to such week a benefit in an amount equal to his weekly benefit amount less that part of his earnings, including holiday pay, payable to him with respect to such week which is in excess of \$25. Such benefit, if not a multiple of \$1, shall be computed to the next higher multiple of \$1.

(4) The provisions of this subdivision shall apply to claims for benefits which establish a benefit year subsequent to June 30, 1975.

Subd. 3. When wage credits are not available. (1) No individual may receive benefits in a benefit year unless, subsequent to the beginning of the next preceding

benefit year during which he received benefits, he performed service in insured work as defined in section 268.04, subdivision 17, and earned remuneration for such service in an amount equal to not less than the minimum wage credits required to qualify for benefits.

(2) No employer who provided 90 percent or more of the wage credits in a claimant's base period shall be charged for benefits based upon earnings of such claimant during a subsequent base period unless he has employed such claimant in any part of such subsequent base period.

268.071 EXTENDED BENEFITS. Subdivision 1. **Definitions.** As used in this section, unless the context clearly requires otherwise:

(1) Extended benefit period. "Extended benefit period" means a period which

(a) Begins with the third week after whichever of the following weeks occurs first: A week for which there is a national "on" indicator, or a week for which there is a state "on" indicator; and

(b) Ends with either of the following weeks, whichever occurs later: The third week after the first week for which there is both a national "off" indicator and a state "off" indicator; or the 13th consecutive week of such period;

Provided, that no extended benefit period may begin by reason of a state "on" indicator before the 14th week following the end of a prior extended benefit period which was in effect with respect to this state.

(2) National "on" indicator. There is a "national 'on' indicator" for a week if the United States secretary of labor determines that for each of the three most recent completed calendar months ending before such week, the rate of insured unemployment (seasonally adjusted) for all states equaled or exceeded four and one-half percent.

(3) National "off" indicator. There is a "national 'off' indicator" for a week if the United States secretary of labor determines that for each of the three most recent completed calendar months ending before such week, the rate of insured unemployment (seasonally adjusted) for all states was less than four and one-half percent.

(4) State "on" indicator. There is a "state 'on' indicator" for this state for a week if the commissioner determines, in accordance with the regulations of the United States secretary of labor, that for the period consisting of such week and the immediately preceding 12 weeks, the rate of insured unemployment (not seasonally adjusted) under this law equaled or exceeded 120 percent of the average of such rates for the corresponding 13 week period ending in each of the preceding two calendar years, and equaled or exceeded four percent.

(5) State "off" indicator. There is a "state 'off' indicator" for this state for a week if the commissioner determines, in accordance with the regulations of the United States secretary of labor, that for the period consisting of such week and the immediately preceding 12 weeks, the rate of insured unemployment (not seasonally adjusted) under this law was less than 120 percent of the average of such rates for the corresponding 13 week period ending in each of the preceding two calendar years, or was less than four percent.

(6) Rate of insured unemployment. "Rate of insured unemployment," for purposes of clauses (4) and (5), means the percentage derived by dividing the average weekly number of individuals filing claims in this state for weeks of unemployment with respect to the most recent 13 consecutive week period, as determined by the commissioner on the basis of his reports to the United States secretary of labor, by the average monthly employment covered under this law for the first four of the most recent six completed calendar quarters ending before the end of such 13 week period.

(7) Regular benefits. "Regular benefits" means benefits payable to an individual under this law or under any other state law (including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. chapter 85) other than extended benefits and additional benefits.

(8) Extended benefits. "Extended benefits" means benefits (including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. chapter 85) payable to an individual under the provisions of this section for weeks of unemployment in his eligibility period.

(9) Additional benefits. "Additional benefits" means benefits payable to exhaustees by reason of conditions of high unemployment or by reason of other special factors under the provisions of any state law.

(10) Eligibility period. "Eligibility period" of an individual means the period consisting of the weeks in his benefit year which begin in an extended benefit period and, if his benefit year ends within such extended benefit period, any weeks thereafter which begin in such period.

(11) Exhaustee. "Exhaustee" means an individual who, with respect to any week of unemployment in his eligibility period:

(a) Has received, prior to such week, all of the regular benefits that were available to him under this law or any other state law (including dependents' allowances and benefits payable to federal civilian employees and ex-servicemen under 5 U.S.C. chapter 85) in his current benefit year that includes such week;

Provided, that, for the purposes of this paragraph, an individual shall be deemed to have received all of the regular benefits that were available to him although as a result of a pending appeal with respect to wage credits or credit weeks that were not considered in the original monetary determination in his benefit year, he may subsequently be determined to be entitled to added regular benefits; or

(b) His benefit year having expired prior to such week, has no, or insufficient, wages and/or employment on the basis of which he could establish a new benefit year that would include such week or having established a benefit year that includes such week, he is precluded from receiving regular compensation by reason of: (i) a state law provision which meets the requirements of section 3304 (a) (7) of the Internal Revenue Code of 1954, or (ii) a disqualification determination which cancelled wage credits or totally reduced his benefit rights, or (iii) benefits are not payable by reason of a seasonal limitation in a state unemployment insurance law; and

(c) Has no right to unemployment benefits or allowances, as the case may be, under the railroad unemployment insurance act, the trade expansion act of 1962, the automotive products act of 1965 and such other federal laws as are specified in regulations issued by the United States secretary of labor; and has not received and is not seeking unemployment benefits under the unemployment compensation law of the Virgin Islands or of Canada; but if he is seeking such benefits and the appropriate agency finally determines that he is not entitled to benefits under such law he is considered an exhaustee.

(12) State law. "State law" means the unemployment insurance law of any state, approved by the United States secretary of labor under section 3304 of the internal revenue code of 1954.

Subd. 2. Effect of state law provisions relating to regular benefits on claims for, and the payment of, extended benefits. Except when the result would be inconsistent with the other provisions of this section, as provided in the regulations of the commissioner, the provisions of this chapter which apply to claims for, or the payment of, regular benefits shall apply to claims for, and the payment of, extended benefits.

Subd. 3. Eligibility requirements for extended benefits. An individual shall be eligible to receive extended benefits with respect to any week of unemployment in his eligibility period only if the commissioner finds that with respect to such week:

(1) He is an "exhaustee" as defined in subdivision 1, clause (11);

(2) He has satisfied the requirements of this law for the receipt of regular benefits that are applicable to individuals claiming extended benefits, including not being subject to a disqualification for the receipt of benefits.

Subd. 4. Weekly extended benefit amount. The weekly extended benefit amount payable to an individual for a week of total unemployment in his eligibility period shall be an amount equal to the weekly benefit amount payable to him during his ap-

plicable benefit year.

Subd. 5. **Total extended benefit amount.** The total extended benefit amount payable to any eligible individual with respect to his applicable benefit year shall be 50 percent of the total amount of regular benefits which were payable to him under this law in his applicable benefit year.

Subd. 6. **Beginning and termination of extended benefit period.** (1) Whenever an extended benefit period is to become effective in this state (or in all states) as a result of a state or a national "on" indicator, or an extended benefit period is to be terminated in this state as a result of a state "off" indicator and/or state and national "off" indicators, the commissioner shall make an appropriate public announcement.

(2) Computations required by the provisions of subdivision 1, clause (6) shall be made by the commissioner, in accordance with regulations prescribed by the United States secretary of labor.

(3) Except as otherwise provided, benefits paid under this section shall not be charged to the employment experience record of an employer.

Subd. 7. **Effect of federal law.** If the Federal-State Extended Unemployment Compensation Act of 1970 is amended so as to authorize this state to pay benefits for an extended benefit period in a manner other than that currently provided by this section, then, and in such case, all the terms and conditions contained in the amended provisions of such federal law shall become a part of this section to the extent necessary to authorize the payment of benefits to eligible individuals as permitted under such amended provision, provided that the federal share continues to be at least 50 percent of the extended benefits paid to individuals under the extended benefit program. The commissioner shall also pay benefits at the earliest possible date in the manner allowed by the Federal-State Unemployment Compensation Act of 1970, as amended through January 1, 1975, the provisions of which shall become a part of this section to the extent necessary to authorize the payment of benefits to eligible individuals.

268.08 PERSONS ELIGIBLE TO RECEIVE BENEFITS. Subdivision 1. **Eligibility conditions.** An individual shall be eligible to receive benefits with respect to any week of unemployment only if the commissioner finds that:

(1) He has registered for work at and thereafter has continued to report to an employment office, or agent of such office, in accordance with such regulations as the commissioner may prescribe; except that the commissioner may by regulation waive or alter either or both of the requirements of this clause as to types of cases or situations with respect to which he finds that compliance with such requirements would be oppressive or would be inconsistent with the purposes of sections 268.03 to 268.24;

(2) He has made a claim for benefits in accordance with such regulations as the commissioner may prescribe; and

(3) He was able to work and was available for work, and was actively seeking work, provided that individual's weekly benefit amount shall be reduced one-fifth for each day such individual is unable to work or unavailable for work; provided further that benefits after December 31, 1971, shall not be denied by application of this clause to an individual who is in training with the approval of the commissioner;

(4) He has been unemployed for a waiting period of one week during which he is otherwise eligible for benefits under sections 268.03 to 268.24, provided, however, payment for the waiting week shall be made to such individual after he has qualified for and been paid benefits for four weeks of unemployment in a benefit year which period of unemployment is terminated because of such individual's return to employment. No individual shall be required to serve a waiting period of more than one week within the one year period subsequent to filing a valid claim and commencing with the week within which such valid claim was filed.

Subd. 2. **Week of unemployment.** No week shall be counted as a week of unemployment for the purposes of this section:

(1) Unless it occurs subsequent to the filing of a valid claim for benefits;

(2) Unless it occurs after benefits first could become payable to any individual under sections 268.03 to 268.24;

(3) With respect to which he is receiving, has received, or has filed a claim for unemployment compensation benefits under any other law of this state, or of any other state, or the federal government, including readjustment allowances under Title V, Servicemen's Readjustment Act, 1944, but not including benefits under the Veterans Readjustment Assistance Act of 1952 or any other federal or state benefits which are merely supplementary to those provided for under sections 268.03 to 268.24; provided that if the appropriate agency of such other state or the federal government finally determines that he is not entitled to such benefits, this provision shall not apply.

Subd. 3. Not eligible. An individual shall not be eligible to receive benefits for any week with respect to which he is receiving, has received, or has filed a claim for remuneration in an amount equal to or in excess of his weekly benefit amount in the form of

(1) termination, severance, or dismissal payment or wages in lieu of notice whether legally required or not; provided that if a termination, severance, or dismissal payment is made in a lump sum, the employer may allocate such lump sum payment over a period of weeks equal to the lump sum divided by the employee's regular pay while employed by such employer; provided any such payment shall be applied for a period of weeks immediately following the last day of work but not to exceed four weeks; or

(2) vacation allowance, except that vacation allowance paid with respect to periods following termination or indefinite separation from employment shall not be treated as deductible income; or

(3) compensation for loss of wages under the worker's compensation law of this state or any other state or under a similar law of the United States, or under other insurance or fund established and paid for by the employer; or

(4) a primary insurance benefit under Title II of the federal social security act, as amended, or similar old age benefits under any act of congress, or this state or any other state, or benefit payments from any fund, annuity, or insurance provided by or through the employer and to which the employer contributes 50 percent or more of the total of the entire premiums or contributions to the fund, except that remuneration in the form of a pension received as a consequence of service in the armed forces of the United States up to an amount of \$700 monthly or its weekly equivalent shall not effect the eligibility of an employee of the United States to receive benefits.

Provided, that if such remuneration is less than the benefits which would otherwise be due under sections 268.03 to 268.24, he shall be entitled to receive for such week, if otherwise eligible, benefits reduced by the amount of such remuneration; provided, further, that if the appropriate agency of such other state or the federal government finally determines that he is not entitled to such benefits, this provision shall not apply.

Subd. 4. Social security amount deducted from benefits. Any claimant aged 62 or over shall be required to state in writing at the time of the filing of his claim whether he intends to seek Title II social security benefits for any week during which he will receive unemployment benefits, and if he so intends there shall be withheld from his weekly unemployment benefits an amount sufficient to cover the weekly equivalent of his social security benefit. Any claimant disclaiming such intention but who nevertheless receives such social security benefits for weeks for which he previously received unemployment benefits shall be liable for repayment of such unemployment benefits and otherwise subject to the provisions of section 268.18.

Subd. 5. Services performed for state, municipalities or charitable corporations. Benefits based on service in employment defined in section 268.04, subdivision 12, clauses (7), (8), and (9), shall be payable in the same amount, on the same terms and subject to the same conditions as compensation payable on the basis of other service subject to this law except that, (a) benefits based on service in an instructional, research, or principal administrative capacity in an institution of higher education (as defined in section 268.04, subdivision 12, clause (15)) shall not be paid to an individual for any week of unemployment which begins during the period between two successive academic years, or during a similar period between two regular terms, whether or not successive, or during a period of paid sabbatical leave provided for in the individual's contract, if the individual has a contract or contracts to perform services in any such capacity for any institution or institutions of higher education for both such academic years or both such terms; (b) benefits based on wage credits earned in the employment of a public or private school, or a political subdivision for service with re-

spect to a school, or in the classified employment of the state board for community colleges shall not be paid to an individual during any period between two successive school years when the activity in which the wage credits were earned is not normally performed. This provision shall not apply to any individual who, prior to the end of a school year, has voluntarily left or has been indefinitely separated from such employment unless the individual has obtained employment with the same or another public or private school to commence at the beginning of the next school year. For the purposes of this clause, school year means that period established by a school board in accordance with section 126.12.

268.09 UNEMPLOYMENT COMPENSATION; DISQUALIFIED FROM BENEFITS. Subdivision 1. **Disqualifying conditions.** An individual shall be disqualified for benefits:—

(1) Voluntary leaving or discharge for misconduct. If such individual voluntarily and without good cause attributable to the employer discontinued his employment with such employer or was discharged for misconduct, not amounting to gross misconduct, connected with his work or for misconduct which interferes with and adversely affects his employment, if so found by the commissioner, for not less than five nor more than eight weeks of unemployment in addition to and following the waiting period, or was discharged for gross misconduct connected with his work or gross misconduct which interferes with and adversely affects his employment, if so found by the commissioner, for 12 weeks of unemployment in addition to and following the waiting period, which disqualification shall not be removed by subsequent employment, and provided further that the commissioner is empowered to impose a total disqualification for the benefit year and to cancel part or all of the wage credits from the last employer from whom he was discharged for gross misconduct connected with his work, and the maximum benefit amount payable to such individual shall be reduced as follows:

(a) by an amount equal to the weekly benefit amount times the number of weeks for which such individual was disqualified, when the separation occurs because of a voluntary separation as described in this clause or as a result of discharge for misconduct;

(b) by an amount equal to 12 times his weekly benefit amount, when the separation occurs as a result of a discharge for gross misconduct.

For the purpose of this clause "gross misconduct" shall be defined as misconduct involving assault and battery, or an immoral act, or the malicious destruction of property or the theft of money or property of a value of \$50, or more.

This provision shall not apply to any individual who left his employment to accept work offering substantially better conditions of work or substantially higher wages or both, or whose separation from such employment was due to serious illness of such individual.

(2) Separation to assume family obligations. If such individual voluntarily leaves employment because of pregnancy without availing herself of maternity leave rights provided by law, provided that such disqualification shall be removed by subsequent employment in insured work for a period of not less than six weeks.

(3) Limited or no charge of benefits. Benefits paid subsequent to an individual's separation under any of the foregoing clauses or because of his failure, without good cause, to accept an offer of suitable re-employment, shall not be used as a factor in determining the future contribution rate of the employer from whose employment

such individual separated or whose offer of re-employment he refused; provided that this clause shall not apply to an individual involuntarily separated from employment because of pregnancy.

(4) Failure to apply for or accept suitable work. If the commissioner finds that he has failed, without good cause, either to apply for available, suitable work when so directed by the employment office, or the commissioner or to accept suitable work when offered him, or to return to his customary self-employment (if any) when so directed by the commissioner, or to actively seek employment. Such disqualification shall continue for the week in which such refusal or failure occurred and for a period of seven weeks of unemployment immediately following such refusal or failure.

(a) In determining whether or not any work is suitable for an individual, the commissioner shall consider the degree of risk involved to his health, safety, and morals, his physical fitness and prior training, his experience, his length of unemployment and prospects of securing local work in his customary occupation, and the distance of the available work from his residence.

(b) Notwithstanding any other provisions of sections 268.03 to 268.24, no work shall be deemed suitable, and benefits shall not be denied thereunder to any otherwise eligible individual for refusing to accept new work under any of the following conditions:

(1) if the position offered is vacant due directly to a strike, lockout, or other labor dispute;

(2) if the wages, hours, or other conditions of the work offered are substantially less favorable to the individual than those prevailing for similar work in the locality;

(3) if as a condition of being employed the individual would be required to join a union or to resign from or refrain from joining any bona fide labor organization;

(4) if after December 31, 1971, such individual is in training with the approval of the commissioner.

(5) Labor dispute. If such individual has left or partially or totally lost his employment with an employer because of a strike or other labor dispute. Such disqualification shall prevail for each week during which such strike or other labor dispute is in progress at the establishment in which he is or was employed, except that such disqualification shall be for one week following commencement of the strike or other labor dispute for any employee who is not participating in or directly interested in the labor dispute which caused such individual to leave or partially or totally lose such employment. Failure or refusal of an individual to accept and perform available and customary work in the establishment constitutes participation. For the purpose of this section the term "labor dispute" shall have the same definition as provided in the Minnesota labor relations act. Nothing in this subdivision shall be deemed to deny benefits to any employee:

(a) who becomes unemployed because of a strike or lockout caused by an employer's willful failure to observe the terms of the safety and health section of a union contract or failure to comply with an official citation for a violation of federal and state laws involving occupational safety and health; provided, however, that benefits paid in accordance with this provision shall not be charged to the employer's experience rating account if, following official appeal proceedings, it is held that there was no willful failure on the part of the employer,

(b) who becomes unemployed because of a lockout,

(c) who is dismissed during the period of negotiation in any labor dispute and prior to the commencement of a strike, or

(d) unless he is unemployed because of a jurisdictional dispute between two or more unions.

Provided, however, that voluntary separation during the time that such strike or other labor dispute is in progress at such establishment shall not be deemed to terminate such individual's participation in or direct interest in such strike or other labor dispute for purposes of this subdivision.

Benefits paid to an employee who has left or partially or totally lost his employment because of a strike or other labor dispute shall not be charged to his employer's account unless the employer was a party to the particular strike or labor dispute.

Notwithstanding any other provision of this section, an individual whose last separation from employment with an employer occurred prior to the commencement of the strike or other labor dispute and was permanent or for an indefinite period, shall not be denied benefits or waiting week credit solely by reason of his failure to apply for or to accept recall to work or reemployment with the employer during any week in which the strike or other labor dispute is in progress at the establishment in which he was employed.

(6) Refusal of suitable reemployment. If such individual has failed without good cause to accept suitable reemployment offered by a base period employer. Such disqualification shall prevail for the week in which the failure occurred and for a period of seven weeks of unemployment following such failure, provided such disqualification shall not apply if such individual is in training with the approval of the commissioner.

Subd. 2. **Disqualification.** Except with respect to subdivision 1, clause (2), any week of disqualification imposed under the provisions of this section shall be satisfied by wages earned, in employment in insured work in an amount equal to the weekly benefit amount subsequent to the week in which the disqualifying separation occurred.

Subd. 3. **When concurrent.** Weeks of disqualification imposed under the provisions of this section shall be concurrent where two or more disqualifying periods overlap.

Subd. 4. **Defined.** A week of unemployment, as used in this section, shall mean a week during which such individual would be otherwise eligible for benefits.

268.10 DETERMINATION OF CLAIMS FOR BENEFITS; APPEALS. Subdivision 1. **Filing.** Claims for benefits shall be made in accordance with such regulations as the commissioner may prescribe. Each employer shall post and maintain printed statements of such regulations in places readily accessible to individuals in his service and shall make available to each such individual at the time he becomes unemployed, a printed statement of such regulations. Such printed statements shall be supplied by the commissioner to each employer without cost to him.

(1) Any employer upon separation of an employee from his employment for any reason which may result in disqualification for benefits under section 268.09, shall furnish to such employee a separation notice which shall provide the employer's name, address, and employer account number as registered with the department, the employee's name and social security account number, the inclusive dates of his employment, and the reason for the separation. A copy of such separation notice shall be filed with the commissioner within three days of such separation. The commissioner shall require each individual filing a claim for benefits to establish a benefit year to furnish such separation notices which he has received from all employers from whom such individual earned wage credits in the base period.

(2) Upon the filing, by an individual, of a claim for benefits, the commissioner shall give notice to all such base period employers of the filing of such claim and request each such base period employer, within seven days after the mailing of such notice, to furnish the following information:

- (a) The total wage credits earned in the base period;
- (b) The number of credit weeks which end within the base period;

(c) The week ending dates for each calendar week within the base period in which the individual earned less than the amount required to make a credit week and the amount of earnings in each such week;

(d) The reason for the separation or separations of such individual from the employment of the employer in the base period; and

(e) Such employer's protest, if any, relating to the ineligibility or disqualification of such individual.

(3) If any base period employer, after the notice of filing of a claim and the request for wage and separation information has been duly mailed to his last known ad-

dress, fails to file information as provided by items (a) through (e) of clause 2 of this subdivision within seven days, the commissioner shall determine an individual's benefit rights based on the claimant's statements or any other available information. Any employer shall be liable for a late filing fee of not less than \$5 nor more than \$25, as the commissioner may determine, to be paid to the department of employment services and credited to the contingent fund if he has failed without good cause to submit the wage and separation information as required in clause 2 of this subdivision within seven days after the request has been duly mailed to his last known address. In the absence of fraud, if a redetermination of benefit rights based on an employer's late report subsequently cancels or reduces the amount of benefits to which a claimant was entitled under the initial determination, the claimant shall not be required to make repayment to the fund of any benefits paid to him prior to such redetermination.

Subd. 2. Examination of claims; determination; appeal. (1) An official, designated by the commissioner, shall promptly examine each claim for benefits filed to establish a benefit year pursuant to this section, and, on the basis of the facts found, shall determine whether or not such claims are valid, and if valid, the weekly benefit amount payable, the maximum benefit amount payable during the benefit year, and the date the benefit year terminates, and such determination shall be known as the determination of validity. Notice of any such determination of validity or any redetermination as provided for in clause (4) shall be promptly given the claimant and all other interested parties. If within the time specified for the filing of wage and separation information as provided in subdivision 1, clause (2), the employer makes an allegation of disqualification or raises an issue of the chargeability to his account of benefits that may be paid on such claim, if such claim is valid, the issue thereby raised shall be promptly determined by said official and a notification of such determination delivered or mailed to the claimant and the employer. If an initial determination or an appeal tribunal decision or the commissioner's decision awards benefits, such benefits shall be paid promptly regardless of the pendency of any appeal period or any appeal or other proceeding which may thereafter be taken. Except as provided in clause (6), if an appeal tribunal decision modifies or reverses an initial determination awarding benefits, or if a commissioner's decision modifies or reverses an appeal decision awarding benefits, any benefits paid under the award of such initial determination or appeal tribunal decision shall be deemed erroneous payments.

(2) If within the benefit year an official of the department or any interested party or parties raises an issue of claimant's eligibility for benefits for any week or weeks in accordance with the requirements of the provisions of sections 268.03 to 268.24 or any official of the department or any interested party or parties or benefit year employer raises an issue of disqualification in accordance with the regulations of the commissioner, a determination shall be made thereon and a written notice thereof shall be given to the claimant and such other interested party or parties or benefit year employer.

(3) A determination issued pursuant to clauses (1) and (2) may be appealed by a claimant or employer within 15 days after the mailing of the notice of the determination to his last known address or personal delivery of the notice. A timely appeal from a determination of validity in which the issue is whether an employing unit is an employer within the meaning of this chapter or whether services performed for an employer constitute employment within the meaning of this chapter shall be subject to the provisions of section 268.12, subdivision 13.

(4) At any time within one year from the date of the filing of a claim for benefits by an individual, the commissioner on his own motion may reconsider a determination made thereon and make a redetermination thereof if he finds that an error in computation or identity or the crediting of wage credits has occurred in connection therewith or if such determination was made as a result of a nondisclosure or misrepresentation of a material fact.

(5) However, the commissioner may in his discretion refer any disputed claims directly to the appeal tribunal for hearing and determination in accordance with the procedure outlined in subdivision 3 and the effect and status of such determination in such a case shall be the same as though the matter had been determined upon an appeal to such tribunal from an initial determination.

(6) If an appeal tribunal decision affirms an initial determination awarding benefits or the commissioner affirms an appeal tribunal decision awarding benefits, such decision, if finally reversed, shall not result in a disqualification and benefits paid shall

neither be deemed overpaid nor shall they be considered in determining any individual employer's future contribution rate under section 268.06.

Subd. 3. Appeal; hearing. Unless such appeal is withdrawn, the date for hearing before an appeal tribunal shall be set and notice of such hearing shall be mailed to the last known address of all interested parties at least ten days prior to the date set for such hearing. Such hearing shall be a trial de novo, and, upon the evidence presented, the appeal tribunal shall affirm, modify, or set aside the initial determination. The commissioner may, by regulation, provide for the taking of evidence or for the admission of sworn statements in case any interested party is unable to be present at the hearing. The parties shall be duly notified of such tribunal's decision, together with its reason therefor, which shall be deemed to be the final decision unless further appeal is initiated pursuant to subdivision 5.

Subd. 4. Appeal tribunals established. In order to assure the prompt disposition of all claims for benefits, the commissioner shall establish one or more impartial appeal tribunals consisting of a salaried examiner who shall serve as chairman, and two additional members, one of whom shall be a representative of employers and the other of whom shall be a representative of employees; each of the latter two members shall serve at the pleasure of the commissioner and be paid a fee of not more than \$35 per day of active service on such tribunal plus necessary expense. The commissioner shall by regulation prescribe the procedure by which such appeal tribunals shall hear and decide disputed claims, subject to appeal to the commissioner. No person shall participate on behalf of the commissioner in any case in which he is an interested party. The commissioner may designate alternates to serve in the absence or disqualification of any member of any appeal tribunal. The chairman shall act alone in the absence or disqualification of any other member and his alternates. In no case shall a hearing before an appeal tribunal proceed unless the chairman of such tribunal is present. There shall be no charges, fees, transcript costs, or other cost imposed upon the employee in prosecuting his appeal. All decisions of such tribunal, complete as to the names of members of such tribunal, shall be made available to the public in accordance with such regulations as the commissioner may prescribe, except that names of interested parties may be deleted.

Subd. 5. Review by commissioner. Within 30 days after mailing of the notice of an appeal tribunal decision to the claimant or employer at his last known address or personal delivery thereof, any such party may appeal from such decision and obtain a review thereof by the commissioner or his duly authorized representative, and the commissioner within the same period of time may on his own motion order a review of any such decision. Upon review, the commissioner or his duly authorized representative may affirm, modify, or set aside any finding of fact or decision, or both, of the appeal tribunal on the basis of the evidence previously submitted in such case, or remand such matter back to the appeal tribunal for the taking of additional evidence and new findings and decision based on all of the evidence before it. Notice of all hearings on review shall be given to all interested parties in the same manner as provided for by subdivision 3. The commissioner or his representative may remove to himself or transfer to another appeal tribunal the proceedings on any claim pending before an appeal tribunal. Any proceedings so removed to the commissioner or his representative shall be heard upon notice in accordance with the requirements of subdivision 3. The department of employment services shall mail to all interested parties a notice of the filing of and a copy of the findings and decision of the commissioner or his representative.

Subd. 6. Commissioner. The manner in which disputed claims shall be presented, the reports thereon required from the claimant and from employers, and the conduct of hearings and appeals shall be in accordance with the regulations prescribed by the commissioner for determining the rights of the parties, whether or not such regulations conform to common law or statutory rules of evidence and other technical rules of procedure. A full and complete record shall be kept of all proceedings in connection with a disputed claim. All testimony at any hearing shall be reduced to writing, but need not be transcribed unless the disputed claim is further appealed.

Subd. 7. Subpoenaed. Witnesses subpoenaed pursuant to this section shall be allowed fees at a rate fixed by the commissioner. Such fees shall be deemed a part of the expense of administering sections 268.03 to 268.24.

Subd. 8. Certiorari. Any such decision of the commissioner may be reviewed on certiorari by the supreme court provided such writ is issued and served upon the adverse party or parties within 30 days after the date of mailing notice of any decision to him at his last known address.

Any party in interest except a claimant for benefits upon the service of such writ shall furnish a cost bond to be approved by the commissioner and pay to the department of employment services the fee prescribed by rule 103.01 of the rules of civil appellate procedure which shall be disposed of in the manner provided by that rule.

Subd. 9. Representation by attorney. In any proceeding under these sections before an appeal tribunal or the commissioner, a party may be represented by an agent or attorney, but no individual claiming benefits shall be charged fees of any kind in any proceeding thereunder by the appeal tribunal, the commissioner, or his representatives, or by any court or any officers thereof. Any individual claiming benefits in any proceedings before the commissioner or his representatives or a court may be represented by counsel or other duly authorized agent, except that said agent in any court proceedings under these sections, must be an attorney at law; but no such counsel shall either charge or receive for such services more than an amount approved by the commissioner and no fees shall be collected from an individual claiming benefits by any agent unless he is an attorney at law.

Subd. 10. Attorney for commissioner. The commissioner shall be deemed to be a party to any judicial action involving any decision and shall be represented therein by any qualified attorney who is a regular salaried employee of the department of employment services and has been designated by the commissioner for that purpose or, at the commissioner's request, by the attorney general.

268.11 EMPLOYERS COVERAGE. Subdivision 1. **Employer for part of year.** Except as provided in subdivisions 2 and 3, any employing unit which is or becomes an employer subject to sections 268.03 to 268.24 within any calendar year shall be deemed to be an employer during the whole of such calendar year.

Subd. 2. Application for termination of coverage. Except as otherwise provided in subdivision 3, any employing unit shall cease to be an employer subject to sections 268.03 to 268.24 as of the last day of the calendar quarter in which the employing unit files with the commissioner a written application for termination of coverage, if the commissioner finds the employment in the preceding calendar year and during the current calendar year, up to the last day of the calendar quarter in which the application was received, was not sufficient to make the employing unit liable under the provisions of section 268.04, subdivision 10. For the purpose of this subdivision the two or more employing units mentioned in section 268.04, subdivision 10, clause (2), (3), (4), or (5), shall be treated as a single employing unit.

The commissioner shall waive the requirement for an application for termination of coverage whenever it shall appear that the employer was unable to comply with such requirement for the reason that, at the time when he had qualified for release from liability under the provisions of this chapter, he was in good faith not aware of the fact that he was an employer subject to the provisions of this chapter.

Subd. 3. Election agreements; termination powers of commissioner. (1) An employing unit, not otherwise subject to sections 268.03 to 268.24 as an employer, which files with the commissioner its written election to become an employer subject thereto for not less than two calendar years, shall, with the written approval of such election by the commissioner, become an employer subject hereto to the same extent as all other employers, as of the date stated in such approval and cease to be subject hereto as of the first day of January of any calendar year subsequent to such two calendar years, only, if at least 30 days prior to such first day of January, it has filed with the commissioner a written notice to that effect;

(2) Any employing unit for which services that do not constitute employment are performed, may file with the commissioner a written election that all such service performed by individuals in its employ in one or more distinct establishments or places of business shall be deemed to constitute employment for all the purposes of sections 268.03 to 268.24 for not less than two calendar years. Upon the written approval of

such election by the commissioner, such services shall be deemed to constitute employment subject to these sections from and after the date stated in such approval. Such services shall cease to be deemed employment subject hereto as of the first day of January of any calendar year subsequent to such two calendar years only if at least 30 days prior to such first day of January such employing unit has filed with the commissioner a written notice to that effect.

(3) The commissioner in his discretion may on his own motion terminate any election agreement under this subdivision upon 30 days notice to the employer, and he may also in his discretion and on his own motion terminate the coverage of any employer who has had less than 20 weeks of employment in a calendar year.

268.115 [Expired]

268.12 CREATION. Subdivision 1. **Department of employment security; commissioner; succession to division of employment and security.** (1) There is hereby created and established a department of employment security which shall be the successor to the division of employment and security, which said division is hereby abolished as a division of the department of social security as established by Laws 1939, Article VII, Section 1.

(2) A commissioner of employment security shall be appointed by the governor with the advice and consent of the senate for a four year term which shall coincide with the term of the governor and until his successor is duly appointed and has qualified, to administer this chapter as the same may hereafter from time to time be amended. The commissioner, who shall be in unclassified service, may be removed by the governor at any time for cause after notice and hearing. The commissioner shall be selected on the basis of ability and experience and without regard to political affiliations. In case of a vacancy, the governor may appoint a commissioner, who shall immediately take office and shall carry on all of the duties of the office until the next session of the legislature, when his appointment shall be submitted to the senate for approval. On January 4, 1971, the term of the incumbent commissioner shall expire. Subject to the provisions of sections 268.03 to 268.24 and other applicable laws now or hereafter enacted, the commissioner shall have the power to organize his department in such manner as he may deem necessary. Appointments to exercise delegated powers shall be written orders filed with the secretary of state. The salary of the commissioner shall be prescribed by the legislature and he shall give bond in the sum of \$10,000.

(3) All proceedings, court actions, prosecutions or other business undertaken or commenced prior to April 21, 1953, by the division of employment and security and any other matters of the division of employment and security pending at the time of the passage of this act may be conducted and completed by the new department of employment security in the same manner and under the same terms and conditions and with the same effect as though it were undertaken, commenced or conducted or completed by said division of employment and security prior to such change. All functions, powers and duties of such division of employment and security are by this act assigned and transferred to the department of employment security.

(4) All the powers and duties now vested in or imposed upon the director of the division of employment and security as a division of the department of social security are hereby vested in and imposed upon the commissioner of employment security.

All of the employees of said division of employment and security are hereby transferred to the department of employment security created by this section, and said commissioner shall take charge of said employees and shall employ them in the exercise of the respective functions, powers and duties transferred as aforesaid without reduction of compensation or civil service status enjoyed by said employees at the time of such transfer, subject, however, to change or termination of employment, compensation or civil service status as may be otherwise provided by law.

(5) All other acts or parts of acts now in effect inconsistent with the provisions of this section are hereby repealed, superseded, modified or amended so far as necessary to conform to and give full force and effect to the provisions of this section.

(6) Laws 1953, Chapter 603, shall take effect and be in force from and after its passage; provided, that no transfer of functions, rights, powers, duties, or funds made thereby shall take effect until the commissioner of the department to whom the same

are transferred shall have been appointed; taken his oath of office and filed oath and bond in the office of the secretary of state; and until then the former division or agency vested therewith shall continue to exercise and perform such functions, rights, powers, and duties, and to have charge of such funds.

Subd. 1a. Change of name. The name of the department of manpower services is changed to the department of employment services. The name of the commissioner of manpower services is changed to the commissioner of employment services.

Subd. 2. Report; recommendations; studies. (1) Not later than the first day of August each year, the commissioner shall submit to the governor a report covering the administration and operation of these sections during the preceding calendar year and make such recommendations for amendments thereto as the commissioner deems proper. When the commissioner believes that a change in contribution or benefit rates will become necessary to protect the solvency of the fund, he shall promptly so inform the governor and the legislature and make recommendations with respect thereto.

(2) For the purpose of ascertaining the point at which the unemployment compensation fund should be stabilized in order to both avoid possible insolvency and the building up of unnecessary reserves and for the further purpose of ascertaining what might be a stabilized average annual rate of contributions over a period of years thereby eliminating great fluctuations in contribution rates from year to year, the commissioner is hereby authorized and directed to make a study thereof. For such study he is hereby authorized to utilize such funds as may be available to him to contract for the services of specialists in this field, or utilize such public personnel as may be furnished to assist him in making such study. Such study shall be made with the advice and counsel of the state advisory council to the department of employment services, and a report of such study shall be made to the governor and the legislature from time to time.

Subd. 3. Rules, regulations. Notwithstanding any inconsistent provision of law the commissioner is hereby authorized to adopt, amend, or rescind regulations as may be necessary for the administration of sections 268.03 to 268.24. Each proposed regulation, excepting those relating solely to the internal operation of the department, shall be published in one or more newspapers of general circulation in this state and be filed with the secretary of state prior to the time of publication. Any person or association desiring a copy of any proposed regulations shall file with the commissioner a written request therefor, containing his or its name and address. For a period of two years after the filing of such request the commissioner, at or prior to the time of any publication, shall mail to such person or association a copy of such proposed regulations. Each such proposed regulation, if theretofore approved by the attorney general as to form and legality, shall become final and effective 30 days after the publication thereof. Any employer, employee, or other person whose interest is or may be affected thereby may object to any such proposed regulation within ten days after publication thereof by filing with the commissioner a petition setting forth the grounds of objection to the proposed regulation and request a hearing thereon, whereupon a hearing shall thereafter be had before the commissioner or his duly authorized representative at a time and place designated by the commissioner or such representative after due notice of said hearing has been served by registered mail, upon the objecting party or parties not less than ten days before said hearing. In the event that the commissioner elects to amend such regulation after such hearing, then such amended regulation shall be filed with the secretary of state and a copy thereof mailed to each of the persons and associations who have filed a request for copies of proposed regulations as provided herein, and such amended regulation shall become effective five days after such filing and mailing. Judicial notice of any rule, regulation or order duly filed or published under the provisions of this subdivision shall be taken.

Subd. 4. Printing and publication. The commissioner shall cause to be printed for distribution to the public the text of sections 268.03 to 268.24, the commissioner's regulations and general rules, his annual reports to the governor, and any other material the commissioner deems relevant and suitable, provided such printing methods and means are not inconsistent with present statutes.

Subd. 5. Assistance. (1) Subject to the provisions of the state civil service act and to the other provisions of sections 268.03 to 268.24 the commissioner is authorized to appoint, and prescribe the duties and powers of, such officers, accountants, attorneys, experts, and other persons as may be necessary in the performance of his duties thereunder. The commissioner may delegate to any such person so appointed

such power and authority as he deems reasonable and proper for the effective administration of those sections and may, in his discretion, bond any person handling moneys or signing checks thereunder. The commissioner is authorized to adopt such personnel and fiscal regulations as he deems necessary to satisfy fiscal and personnel standards required by the secretary of labor pursuant to the Social Security Act, as amended, and the act of Congress entitled "An act to provide for the establishment of a national employment system and to cooperate with the states in the promotion of such system and for other purposes," approved June 6, 1933, as amended. The commissioner may, subject to the approval of the commissioner of administration, also adopt regulations relating to reimbursement to department employees for travel expenses incurred while traveling on official business including allowances on a per diem basis in lieu of actual subsistence expenses incurred. The commissioner is also hereby authorized to purchase liability and property damage automobile insurance to cover any automobiles owned by the Minnesota department of employment services for the protection of its employees who may be required to operate the same in pursuit of their duties for the department.

The attorney general shall appoint an assistant attorney general and two special assistant attorneys general, to be in addition to the number now authorized by law. The assistant attorney general shall be the attorney and the chief counsel for the department of employment services. Such assistant and special assistant attorneys general shall receive the same salary as the other assistant and special assistant attorneys general, but devote their entire time to this department. Such assistant and special assistant attorneys general shall have the power to act for and represent the attorney general in all matters in which the attorney general is authorized to act for the commissioner by these sections. The compensation and all expenses and disbursements of such assistant and special assistant attorneys general shall be paid from the moneys appropriated to and for the use of the commissioner.

(2) (a) No officer or employee engaged in the administration of these sections shall use his official authority to influence for the purpose of interfering with an election or affecting the results thereof. No person engaged in the administration of these sections who holds a position in the state classified service pursuant to provisions contained in the state civil service act, while retaining the right to vote as he pleases and to express privately his opinion on all political subjects, shall take an active part in political management or campaigns;

(b) No officer or employee engaged in the administration of these sections shall solicit or receive or be in any manner concerned in soliciting or receiving any assessment, subscription, or contribution for any political purpose for any person;

(c) No officer or employee engaged in the administration of these sections shall, for political purposes, furnish or disclose, or aid or assist in furnishing or disclosing, any list or names of persons obtained in the administration of these sections, to a political candidate, committee, campaign manager, or to any person for delivery to a political candidate, committee, or campaign manager, and it shall be unlawful for any person to receive any such list or names for political purposes.

Subd. 6. Advisory councils. The commissioner of employment services shall appoint a state advisory council and may appoint such local advisory councils as he deems advisable, composed in each case of an equal number of employer and employee representatives who shall be selected because of their vocation, employment, or affiliation, and of such members representing the general public as he may designate. The commissioner may also appoint an agricultural employment advisory council and such other advisory councils as may be found necessary for proper administration. Such councils shall aid the commissioner in formulating policies and discussing problems relating to the administration of sections 268.03 to 268.24 and in assuring impartiality and freedom from political influence in the solution of such problems. The councils shall expire and the terms, compensation and removal of members shall be as provided in section 15.059.

Subd. 7. Employment stabilization. The commissioner is authorized to take all appropriate steps to reduce and prevent unemployment; to encourage and assist in the adoption of practical methods of vocational training, retraining, and vocational guidance; to investigate, recommend, advise, and assist in the establishment and operation, by municipalities, counties, school districts, and the state, of reserves for public works to be used in times of business depression and unemployment; to promote the reemployment of unemployed workers throughout the state in every other way that

may be feasible; and to these ends to carry on and publish the results of investigations and research studies.

Subd. 8. Records; reports. (1) Each employing unit shall keep true and accurate work records for such periods of time and containing such information as the commissioner may prescribe. Such records shall be open to inspection, audit, and verification, and be subject to being copied by any authorized representative of the commissioner at any reasonable time and as often as may be necessary. The commissioner, appeal referee, chairman of an appeal tribunal, or any other duly authorized representative of the commissioner, may require from any employing unit any sworn or unsworn reports, with respect to persons employed by it, which the commissioner, appeal referee, chairman of an appeal tribunal, or any other duly authorized representative of the commissioner deems necessary for the effective administration of sections 268.03 to 268.24, provided that quarterly contribution and wage report forms shall be made to correspond wherever possible with the reports required from employers under the federal insurance contributions act, so that such state forms may be prepared as duplicates of such federal forms, except that no employer shall be permitted to submit a duplicate report which is not thoroughly legible.

(2) The commissioner may cause to be made such summaries, compilations, photographs, duplications, or reproductions of any records, reports, or transcripts thereof as he may deem advisable for the effective and economical preservation of the information contained therein, and such summaries, compilations, photographs, duplications or reproductions, duly authenticated, shall be admissible in any proceeding under sections 268.03 to 268.24, if the original record or records would have been admissible therein. Notwithstanding any restrictions contained in section 16.02, except restrictions as to quantity, the commissioner is hereby authorized to duplicate, on equipment furnished by the federal government or purchased with funds furnished for that purpose by the federal government, records, reports, summaries, compilations, instructions, determinations, or any other written matter pertaining to the administration of the Minnesota Employment Services Law.

(3) Notwithstanding any inconsistent provisions elsewhere, the commissioner may provide for the destruction or disposition of any records, reports, transcripts, or reproductions thereof, or other papers in his custody, which are more than two years old, the preservation of which is no longer necessary for the establishment of contribution liability or benefit rights or for any purpose necessary to the proper administration of sections 268.03 to 268.24, including any required audit thereof, provided, that the commissioner may provide for the destruction or disposition of any record, report, or transcript, or other paper in his custody which has been photographed, duplicated, or reproduced in the manner provided in clause (2).

(4) Notwithstanding the provisions of the Minnesota State Archives Act the commissioner shall with the approval of the legislative auditor destroy all benefit checks and benefit check authorization cards that are more than two years old and no person shall make any demand, bring any suit or other proceeding to recover from the state of Minnesota any sum alleged to be due him on any claim for benefits after the expiration of two years from the date of filing such claim.

Subd. 9. Testimonial powers. (1) In the discharge of the duties imposed by sections 268.03 to 268.24, the commissioner, the chairman of the appeal tribunal, appeal referee, or any duly authorized representative of the commissioner, shall have power to administer oaths and affirmations, take depositions, certify to official acts, and issue subpoenas to compel the attendance of witnesses and the production of books, papers, correspondence, memoranda, and other records deemed necessary as evidence in connection with a disputed claim or the administration of these sections;

(2) Witnesses subpoenaed pursuant to this subdivision or sections 268.03 to 268.24, shall be allowed fees at a fixed rate prescribed by regulation by the commissioner, which fees need not be paid in advance of the time of giving of testimony, and such fees of witnesses so subpoenaed shall be deemed part of the expense of administering these sections;

(3) In case of contumacy by, or refusal to obey, a subpoena issued to any person, any court of this state within the jurisdiction of which the inquiry is carried on or within the jurisdiction of which such person guilty of contumacy or refusal to obey is found or resides or transacts business, upon application by the commissioner, chairman of an appeal tribunal, or referee, or any duly authorized representative of the commissioner, shall have jurisdiction to issue to such person an order requiring such

person to appear before the commissioner, the chairman of an appeal tribunal, referee, or any duly authorized representative of the commissioner, there to produce evidence if so ordered or there to give testimony relative to the matter under investigation or in question; and any failure to obey such order of the court may be punished by the court as a contempt thereof.

Subd. 10. Self-incrimination. No person shall be excused from attending and testifying or from producing books, papers, correspondence, memoranda, and other records before the commissioner, the chairman of an appeal tribunal, referee, or any duly authorized representative of the commissioner, or in obedience to the subpoena of any of them in any cause or proceeding before the commissioner, an appeal tribunal, referee, or any duly authorized representative of the commissioner on the grounds that the testimony or evidence, documentary or otherwise, required of him may tend to incriminate him or subject him to a penalty or forfeiture; but no individual shall be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter, or thing concerning which he is compelled, after having claimed his privilege against self-incrimination, to testify or produce evidence, documentary or otherwise, except that such individual so testifying shall not be exempt from prosecution and punishment for perjury committed in so testifying.

Subd. 11. Cooperation with the secretary of labor. (1) In the administration of this law, the commissioner shall cooperate with the United States department of labor to the fullest extent consistent with the provisions of this law, and shall take such action, through the adoption of appropriate rules, regulations, administrative methods and standards, as may be necessary to secure to this state and its citizens all advantages available under the provisions of the Social Security Act that relate to unemployment compensation, the Federal Unemployment Tax Act, the Wagner-Peyser Act, and the Federal-State Extended Unemployment Compensation Act of 1970.

In the administration of the provisions in section 268.071, which are enacted to conform with the requirements of the Federal-State Extended Unemployment Compensation Act of 1970, the commissioner shall take such action as may be necessary to ensure that the provisions are so interpreted and applied as to meet the requirements of such federal act as interpreted by the United States department of labor, and to secure to this state the full reimbursement of the federal share of extended and regular benefits paid under this law that are reimbursable under the federal act.

(2) If section 303(a) (5) of Title III of the Social Security Act and section 3304(a) (4) of the Internal Revenue Code are amended to permit a state agency to use, in financing administrative expenditures incurred in carrying out its employment services functions, some part of the moneys collected or to be collected under the state unemployment compensation law, in partial or complete substitution for grants under said Title III, in that event sections 268.03 to 268.24 shall, by the commissioner's proclamation and rules to be issued with the governor's approval, be modified in the manner and to the extent and within the limits necessary to permit such use by the commissioner under these sections; and such modifications shall become effective on the same date as such use becomes permissible under such federal amendments.

(3) The commissioner is also authorized and directed to apply for an advance to the state unemployment fund and to do any and all acts necessary and lawfully required for the repayment of such advance in accordance with the conditions specified in Title XII of the Social Security Act, as amended, in order to secure to this state and its citizens the advantages available under the provisions of such title.

Subd. 12. Information. Except as hereinafter otherwise provided, information obtained from any employing unit or individual pursuant to the administration of sections 268.03 to 268.24, and from any determination as to the benefit rights of any individual shall be held confidential and shall not be disclosed or be open to public inspection in any manner revealing the individual's or employing unit's identity. Any claimant or other interested party (or his legal representative) shall be supplied with information from the records of the department of employment services, to the extent necessary for the proper presentation of his claim, contention or refutation of any claim in which he is an interested party in any proceeding under these sections with respect thereto. Subject to such restrictions as the commissioner may by regulation prescribe, such information may be made available to any agency of this or any other state, or any federal agency charged with the administration of an employment and security law or the maintenance of a system of public employment offices, any local human rights department within the state which has enforcement powers, or the Bu-

reau of Internal Revenue of the United States Department of the Treasury, and information obtained in connection with administration of the employment service may be made available to persons or agencies for purposes appropriate to the operation of a public employment service. Upon request therefor, the commissioner shall furnish to any agency of the United States charged with the administration of public works or assistance through public employment, and may furnish to any state agency similarly charged, or any local human rights department within the state which has enforcement powers, the name, address, ordinary occupation, and employment status of each recipient of benefits and such recipient's rights to further benefits under these sections. The commissioner may request the Comptroller of the Currency of the United States to cause an examination of the correctness of any return or report of any national banking association rendered pursuant to the provisions of these sections, and may in connection with such request, transmit any such report or return to the Comptroller of the Currency of the United States as provided in section 3305(c) of the federal internal revenue code.

All letters, reports, communications, or any other matters, either oral or written, from an employer or his workers to each other or to the commissioner or any of his agents, representatives, or employees, which shall have been written or made in connection with the requirements and administration of sections 268.03 to 268.24 or the regulations thereunder, shall be absolutely privileged and shall not be made subject matter or basis for any suit for slander or libel in any court of this state.

Subd. 13. Determinations. (1) An official, designated by the commissioner, upon his own motion or upon application of an employing unit shall determine if an employing unit is an employer within the meaning of this chapter or as to whether services performed for it constitute employment within the meaning of this chapter, and shall notify the employing unit of such determination. Such determination shall be final unless the employing unit shall within 30 days after the mailing of notice of the determination to the employing unit's last known address file written appeal therefrom.

(2) The commissioner shall designate one or more representatives, herein referred to as referees, to conduct hearings on appeals. Any person who can show that he has a real interest in the outcome of such determination shall be entitled to appear in person by counsel or representative, at such hearing and present evidence and be heard. The referee shall fix a time and place within this state for such hearing and shall give the employing unit written notice thereof, by registered mail, not less than ten days prior to the time of such hearing. In the discharge of the duties imposed by this subdivision, the referee shall have power to administer oaths and affirmations, take depositions, certify to official acts, and issue subpoenas to compel the attendance of witnesses and the production of books, papers, correspondence, memoranda, and other records deemed necessary as evidence in connection with the subject matter of such hearing. The written report of any employee of the department of employment services, made in the regular course of the performance of such employee's duties, shall be competent evidence of the facts therein contained and shall be prima facie correct, unless refuted by other credible evidence.

(3) Upon the conclusion of such hearing, the referee shall serve upon the employing unit by registered mail findings of fact and decision in respect thereto. The decision of the referee, together with his findings of fact and reasons in support thereof, shall be final unless the employing unit shall within 30 days after the mailing by registered mail of a copy thereof to the employing unit's last known address, file an appeal with the commissioner, or unless the commissioner, within 30 days after mailing of such decision, on his own motion orders the matter certified to him for review. Appeal from and review by the commissioner of the decision of the referee shall be had in the manner provided by regulation. The commissioner may without further hearing affirm, modify, or set aside the findings of fact or decision, or both, of the referee on the basis of the evidence previously submitted in the case, or direct the taking of additional evidence. The commissioner may disregard the findings of fact of the referee and examine the testimony taken and make such findings of fact as the evidence taken before the referee may, in the judgment of the commissioner, require, and make such decision as the facts so found by him may require. The commissioner shall notify the employing unit of his findings and decision by registered mail, mailed to the employing unit's last known address, and notice of such decision shall contain a statement setting forth the cost of certification of the record in the matter. The decision of the commissioner shall become final unless judicial review thereof is sought as provided

by this subdivision. Any interested party to a proceeding before a referee or the commissioner may obtain a transcript of the testimony taken before the referee upon payment to the commissioner of the cost of such transcript to be computed at the rate of ten cents per 100 words.

(4) The district court of the county wherein the hearing before the referee was held shall, by writ of certiorari to the commissioner, have power to review all questions of law and fact presented by the record. The court shall not accept any new or additional evidence and shall not try the matter de novo. Such action shall be commenced within 30 days of the mailing of notice of the findings and decision of the commissioner by registered mail to the employing unit affected thereby mailed to the employing units last known address. The commissioner shall not be required to certify the record to the district court unless the party commencing such proceedings for review, as provided above, shall pay to the commissioner the cost of certification of the record computed at the rate of ten cents per 100 words less such amount as may have been previously paid by such party for a transcript. It shall be the duty of the commissioner upon receipt of such payment to prepare and certify to the court a true and correct typewritten copy of all matters contained in such record. The costs so collected by the commissioner shall be deposited by him in the employment services administration fund provided for in section 268.15.

The party commencing proceedings for review shall file his brief with the court and serve it upon the commissioner within 60 days of commencing proceedings. The commissioner shall file his brief with the court and serve it upon the party within 45 days of the service of the party's brief upon the commissioner. The party may file a reply brief with the court and serve it upon the commissioner within 15 days of the service of the commissioner's brief upon him. The proceedings shall be given precedence over all other civil cases before the court.

The court may confirm or set aside the decision and determination of the commissioner. If the decision and determination is set aside and the facts found in the proceedings before the referee are sufficient, the court may enter such decision as is justified by law, or may remand the cause to the commissioner for further proceedings and may state the questions requiring further hearing, and give such other instructions as may be proper.

(5) A final decision of the commissioner or referee, in the absence of appeal therefrom, shall be conclusive for all the purposes of sections 268.03 to 268.24 except as herein otherwise provided, and, together with the records therein made, shall be admissible in any subsequent judicial proceeding involving liability for contributions. A final decision of the commissioner or referee may be introduced in any proceeding involving a claim for benefits.

(6) In the event a final decision of the commissioner or referee determines the amount of contributions due under sections 268.03 to 268.24, then, if such amount, together with interest and penalties, is not paid within 30 days after such decision, the provisions of section 268.16, subdivision 3, shall apply; and the commissioner shall proceed thereunder, substituting a certified copy of the final decision in place of the contribution report therein provided.

268.13 RECIPROCAL BENEFIT ARRANGEMENTS. Subdivision 1. **Authorization.** The commissioner is hereby authorized to enter into reciprocal arrangements with the appropriate and duly authorized agencies of other states and of the federal government, or both, whereby:

(1) Service performed by an individual or individuals for a single employing unit for which service is customarily performed in more than one state shall be deemed to be service performed entirely within any one of the states:

- (a) in which any part of any such individual's service is performed, or
- (b) in which any such individual has his residence, or
- (c) in which the employing unit maintains a place of business; provided, there is in effect, as to such service, an election, approved by the agency charged with the administration of such state's employment security law, pursuant to which all the service performed by such individual or individuals for such employing unit is deemed to be performed entirely within such state;

(2) The commissioner shall participate in any arrangements for the payment of compensation on the basis of combining an individual's wages and employment covered under this law with his wages and employment covered under the unemployment compensation laws of other states which are approved by the United States secretary of labor in consultation with the state unemployment compensation agencies as reasonably calculated to assure the prompt and full payment of compensation in such situations and which include provisions for applying the base period of a single state law to a claim involving the combining of an individual's wages and employment covered under two or more state unemployment compensation laws, and avoiding the duplicate use of wages and employment by reason of such combining;

(3) Wages or services, upon the basis of which an individual may become entitled to benefits under an employment security law of another state or of the federal government, shall be deemed to be wages for insured work for the purpose of determining his rights to benefits under sections 268.03 to 268.24, and wages for insured work, on the basis of which an individual may become entitled to benefits thereunder shall be deemed to be wages or services on the basis of which unemployment compensation under such law of another state or of the federal government is payable, but no such arrangement shall be entered into unless it contains provisions for reimbursements to the fund for such of the benefits paid thereunder upon the basis of such wages or service, and provisions for reimbursements from the fund for such of the compensation paid under such other law upon the basis of wages for insured work;

(4) Contributions due thereunder with respect to wages for insured work shall for the purpose of section 268.16 be deemed to have been paid to the fund as of the date payment was made as contributions therefor under another state or federal employment security law, but no such arrangement shall be entered into unless it contains provisions for such reimbursement to the fund of such contributions and the actual earnings thereon.

Subd. 2. Reimbursements. Reimbursements paid from the fund pursuant to subdivision 1 shall be deemed to be benefits for the purposes of sections 268.05 to 268.09, except that no charges with respect thereto shall be made to employers' accounts unless so required by standards prescribed by the secretary of labor but in no event shall such charges be in excess of the benefits payable under section 268.07. The commissioner is authorized to make to other state or federal agencies and to receive from such other state or federal agencies, reimbursements from or to the fund, in accordance with arrangements entered into pursuant to subdivision 1.

Subd. 3. Cooperation. The administration of sections 268.03 to 268.24 and of other state and federal employment security and public employment service laws will be promoted by cooperation between this state and such other states and the appropriate federal agencies in exchanging services, and making available facilities and information. The commissioner is therefore authorized to make such investigation and audits, secure and transmit such information, make available such services and facilities and exercise such of the other powers provided herein with respect to the administration of these sections as he deems necessary or appropriate to facilitate the administration of any such employment security or public employment service law, and in like manner, to accept and utilize information, services and facilities made available to this state by the agency charged with the administration of any such other employment security or public employment service law.

If after entering into an arrangement under subdivision 1, clause (2) or (3), the commissioner finds that the unemployment compensation law of any state or of the federal government participating in such arrangement has been changed in a material respect, the commissioner may make new findings and a determination as to whether such arrangement shall be continued with such state or states or with the federal government.

Subd. 4. Utilization of federal benefits. To the extent permissible under the laws and Constitution of the United States, the commissioner is authorized to enter into or cooperate in arrangements whereby facilities and services provided under sections 268.03 to 268.24 and facilities and services provided under the employment security law of any foreign government, may be utilized for the taking of claims and the payment of benefits under the employment security law of this state or under a similar law of such government.

Subd. 5. Cooperate with other states. The commissioner shall fully cooperate with the agencies of other states, and shall make every proper effort within his means to oppose and prevent any further action which would in his judgment tend to effect complete or substantial federalization of state unemployment compensation funds or state employment security programs.

268.14 FREE EMPLOYMENT OFFICES. Subdivision 1. **Acceptance of federal act.** A state employment service is hereby established in the department of employment services. The commissioner in the conduct of such service shall establish and maintain free public employment offices, in such number and in such places as may be necessary for the proper administration of sections 268.03 to 268.24 and for the purpose of performing such functions as are within the purview of the act of Congress entitled "An act to provide for the establishment of a national employment system for the cooperation with the states in the promotion of such system and for other purposes," approved June 6, 1933, as amended. The provisions of such act of Congress are hereby accepted by this state and the department of employment services is hereby designated and constituted the agency of this state for the purposes of such act. The commissioner, pending the return of the employment service, its facilities, property, and personnel, to state control after the war emergency, may loan to the United States employment service facilities, property and personnel.

Subd. 2. Financing. All moneys received by this state under such act of Congress referred to in subdivision 1 shall be paid into the employment services administration fund, and expended solely for the maintenance of state public employment offices. For the purpose of establishing and maintaining free public employment offices and promoting the use of their facilities, the commissioner is authorized to enter into agreements with the railroad retirement board or any other agency of the United States or of this or any other state charged with the administration of any law whose purposes are reasonably related to the purposes of sections 268.03 to 268.24.

Subd. 3. Reciprocal agreements. The commissioner may enter into agreements with any political subdivision of this state or with any private organization or person, and as a part of any such agreements, may accept moneys, services, or quarters as a contribution to the maintenance of the state system of public employment offices or as reimbursement for services performed. All moneys received for such purposes shall be paid into the employment services contingent fund provided for in section 268.15, subdivision 3.

Subd. 4. Auxiliary offices. The commissioner may establish auxiliary employment offices and may, notwithstanding any other law to the contrary, employ individuals as agents or as employment services representatives on a part time or temporary basis to perform services in such offices and for related purposes, compensate such individuals for such services, and reimburse such individuals for necessary expenses incurred by them in the performance of such services. Such individuals shall serve at the pleasure of the commissioner. The employment of such individuals, however, shall not be subject to the various provisions of the Minnesota civil service law nor shall such individuals by reason of such employment become members of the state employees retirement association.

268.15 UNEMPLOYMENT COMPENSATION FUND. Subdivision 1. **Administration fund.** There is hereby created in the state treasury a special fund to be known as the employment services administration fund. All moneys which are deposited or paid into this fund shall be continuously available to the commissioner for expenditure in accordance with the provisions of sections 268.03 to 268.24, and shall not lapse at

any time. The fund shall consist of all moneys received from the United States or any agency thereof, including the United States department of labor, and include any moneys received from any agency of the United States or any other state as compensation for services or facilities supplied to such agency, any amounts received pursuant to any surety bond or insurance policy or from other sources for losses sustained by the employment services administration fund or by reason of damage to equipment or supplies purchased from moneys in such fund, and any proceeds realized from the sale or disposition of any such equipment or supplies which may no longer be necessary for the proper administration of those sections. Notwithstanding any provision of this section, all money requisitioned and deposited in this fund pursuant to section 268.05, subdivision 5, shall remain part of the unemployment fund and shall be used only in accordance with the conditions specified in section 268.05, subdivision 5. All moneys in this fund shall be deposited, administered, and disbursed in the same manner and under the same conditions and requirements as are provided by law for the other special funds in the state treasury. The state treasurer shall be liable on his official bond for the faithful performance of his duties in connection with the employment services administration fund provided for under these sections. Such liability on the official bond shall be effective immediately upon the enactment of this provision, and such liability shall exist in addition to any liability upon any separate bond existent on the effective date of this provision, or which may be given in the future. All sums recovered on any surety bond for losses sustained by the employment services administration fund shall be deposited in this fund. All money in this fund, except money received pursuant to section 268.05, subdivision 5, clause (3) shall be expended solely for the purposes and in the amounts found necessary by the secretary of labor for the proper and efficient administration of the employment services program.

Subd. 2. State to replace moneys wrongfully used. If any moneys received after June 30, 1941, under Title III of the Federal Social Security Act, or any unencumbered balances in the employment services administration fund as of that date, or any moneys granted after that date to the state pursuant to the provisions of the Wagner-Peyser Act, are found by the secretary of labor, because of any action or contingency, to have been lost or been expended for purposes other than, or in amounts in excess of, those found necessary by the secretary of labor for the proper administration of these sections, the commissioner may, with the approval of the commissioner of administration, replace such moneys from the employment services contingent fund hereinafter established. If such moneys are not thus replaced, it is the policy of this state that such moneys shall be replaced by moneys appropriated for such purpose from the general funds of this state to the employment services administration fund for expenditure as provided in subdivision 1. Upon receipt of notice of such a finding by the secretary of labor, the commissioner shall promptly report the amount required for such replacement to the governor and the governor shall, at the earliest opportunity, submit to the legislature a request for the appropriation of such amount. This subdivision shall not be construed to relieve this state of its obligation with respect to funds received prior to July 1, 1941, pursuant to the provisions of Title III of the Social Security Act.

Subd. 3. Contingent account. There is hereby created in the state treasury a special account, to be known as the employment services contingent account, which shall not lapse nor revert to any other fund. Such account shall consist of all moneys appropriated therefor by the legislature, all moneys in the form of interest and penalties collected pursuant to section 268.16 and all moneys received in the form of voluntary contributions to this account and interest thereon. All moneys in such account shall be supplemental to all federal moneys that would be available to the commissioner but for the existence of this account. Moneys in this account are hereby appropriated to the commissioner and shall be expended in accordance with the provisions of section 3.30, in connection with the administration of sections 268.03 to 268.24. Whenever the commissioner expends moneys from said contingent account for the proper and efficient administration of the Minnesota employment services law for which funds have not yet been made available by the federal government, such moneys so withdrawn from the contingent account shall be replaced as hereinafter provided. Upon the deposit in the employment services administration fund of moneys which are received in reimbursement of payments made as above provided for said contingent account, the commissioner shall certify to the state treasurer the amount of such reimbursement and thereupon the state treasurer shall transfer such amount from the employment services administration fund to said contingent account. All moneys in this account shall be deposited, administered, and disbursed in the same

manner and under the same conditions and requirements as is provided by law for the other special accounts in the state treasury. The state treasurer shall be liable on his official bond for the faithful performance of his duties in connection with the employment services contingent account provided for herein. Notwithstanding anything to the contrary contained herein, on June 30 of each year all amounts in excess of \$300,000 in this account shall be paid over to the unemployment compensation fund established under section 268.05 and administered in accordance with the provisions set forth therein.

Subd. 4. Unpaid warrants, cancellation. Notwithstanding the provisions of section 16A.45, any commissioner of finance's warrant payable from the administration fund remaining unpaid for a period of six years shall be canceled into the employment services administration fund and not into the general fund.

268.16 COLLECTION OF CONTRIBUTIONS. Subdivision 1. **Interest on past due contributions.** If contributions are not paid on the date on which they are due the unpaid balance thereof shall bear interest at the rate of one percent per month or any part thereof for the first 12 months of delinquency and one-half of one percent per month thereafter. Contributions received by mail postmarked on a day following the date on which the law requires contributions to be paid shall be deemed to have been paid on the due date if there is substantial evidence tending to prove that the contribution was actually deposited in the United States mails properly addressed to the department with postage prepaid thereon on or before the due date. Interest collected pursuant to this subdivision shall be paid into the contingent account.

Subd. 2. Reports; delinquencies; penalties. (1) Any employer who knowingly fails to make and submit to the department of employment services any report of wages paid by or due from him for insured work in the manner and at the time such report is required by regulations prescribed by the commissioner shall pay to the department of employment services for the contingent account an amount equal to one percent of contributions accrued during the period for which such report is required, for each month from and after such date until such report is properly made and submitted to the department of employment services. In no case shall the amount of the penalty imposed hereby be less than \$5 except that in cases where the contribution is less than \$10 and the commissioner finds that the employer does not habitually fail to report on time the penalty shall be \$1. Any employing unit which fails to make and submit to the commissioner any report, other than one of wages paid or payable for insured work, as and when required by the regulations of the commissioner, shall be subject to a penalty in the sum of \$10 payable to the department of employment services for the contingent account. All such penalties shall be in addition to interest and any other penalties provided for by sections 268.03 to 268.24 and shall be collected by civil action as hereinafter provided.

(2) If any employing unit required by sections 268.03 to 268.24 to make and submit contribution reports shall fail to do so within the time prescribed by these sections or by regulations under the authority thereof, or shall make, wilfully or otherwise, an incorrect, false or fraudulent contribution report, he shall, on the written demand of the commissioner, make such contribution report, or corrected report, within ten days after the mailing of such written demand and at the same time pay the whole contribution, or additional contribution, due on the basis thereof. If such employer shall fail within that time to make such report, or corrected report, the commissioner shall make for him a report, or corrected report, from his own knowledge and from such information as he can obtain through testimony, or otherwise, and assess a contribution on the basis thereof, which contribution, plus penalties and interest which thereafter accrued (less any payments theretofore made) shall be paid within ten days after the commissioner has mailed to such employer a written notice of the amount thereof and demand for its payment. Any such contribution report or assessment made by the commissioner on account of the failure of the employer to make a report or corrected report shall be prima facie correct and valid, and the employer shall have the burden of establishing its incorrectness or invalidity in any action or proceeding in respect thereto. Whenever such delinquent employer shall file a report or corrected report, the commissioner may, if he finds it substantially correct, substitute it for the commissioner's report. If an employer has failed to submit any report of wages paid, or has

filed an incorrect report, and the commissioner finds that such noncompliance with the terms of sections 268.03 to 268.24 was not wilful and that such employer was free from fraudulent intent, the commissioner shall limit the charge against such employer to the period of the year in which such condition has been found to exist and for the preceding calendar year.

(3) Any report required to be made by an employer under this subdivision or a rule or regulation promulgated pursuant thereto shall identify the employer name as it appears on all payroll checks issued by the employer in this state.

Subd. 3. Collection. (1) If, after due notice, any employer defaults in any payment of contributions or interest due thereon or penalties for failure to file returns and other reports as and when required by the provisions of sections 268.03 to 268.24 or by any rule or regulation of the commissioner, the amount due shall be collected by civil action in the name of the state of Minnesota, and any money recovered on account thereof shall be credited to the funds provided for under the provisions of these sections. This remedy shall be in addition to such other remedies as may be herein provided or otherwise provided by law, and the employer adjudged in default shall pay the costs of such action. Civil actions brought under this section to collect contributions, interest due thereon, or penalties from an employer shall be heard by the court at the earliest possible date. No action for the collection of contributions or interest thereon shall be commenced more than four years after the contributions have been reported by the employer or determined by the commissioner to be due and payable. In any action herein provided for, judgment shall be entered against any defendant in default for want of answer or demurrer, for the relief demanded in the complaint without proof, together with costs and disbursements, upon the filing of an affidavit of default.

No action shall be commenced for the collection of contributions with respect to wages paid for services performed prior to the effective date of a subsequent provision of law enacted prior to July 1, 1941, excluding such service from coverage under sections 268.03 to 268.24.

(2) Any employing unit which is not a resident of this state and which exercises the privilege of having one or more individuals perform service for it within this state, and any resident employing unit which exercises that privilege and thereafter removes from this state, shall be deemed thereby to appoint the secretary of state as its agent and attorney for the acceptance of process in any civil action under this subdivision. In instituting such an action against any such employing unit the commissioner shall cause such process or notice to be filed with the secretary of state and such service shall be sufficient service upon such employing unit, and shall be of the same force and validity as if served upon it personally within this state: Provided, that the commissioner shall forthwith send notice of the service of such process or notice, together with a copy thereof, by registered mail, return receipt requested, to such employing unit at its last known address and such return receipt, the commissioner's affidavit of compliance with the provisions of this section, and a copy of the notice of service, shall be appended to the original of the process filed in the court in which such civil action is pending.

Subd. 4. Compromise agreements. The commissioner, or any officer or employee of the state department of employment services authorized in writing by the commissioner, is authorized to enter into an agreement in writing with any employer relating to the liability of such employer in respect to delinquent contributions, interest, penalties, and costs; provided that such agreement shall not be made in respect to liability for the principal sum of delinquent contributions unless the same has been delinquent for a period of at least four years prior to the making of such agreement. The commissioner may also enter into an agreement, with respect to liability for delinquent contributions, interest, penalties and costs, with any employer who has never paid any contributions to the fund and such failure to pay contributions was, in the opinion of the commissioner, due to an honest belief on the part of such employer that he was not covered by sections 268.03 to 268.24. Any agreements made under this subdivision shall be subject to the approval of the attorney general and a summary of any such agreements shall be published in the next succeeding annual report of the commissioner to the governor.

If such agreements are approved by the commissioner and the attorney general, the same shall be final and conclusive; and, except upon a showing of fraud or malfeasance or misrepresentation of a material fact, the case shall not be reopened as to the

matters agreed upon or the agreement modified by any officer, employee or agent of the state; and, in any suit, action or proceeding, such agreement, or any determination, assessment, collection, payment, abatement, refund, or credit made in accordance therewith, shall not be annulled, modified, set aside or destroyed.

Subd. 5. Priorities under legal dissolutions or distributions. In the event of any distribution of an employer's assets pursuant to an order of any court under the laws of this state, including any receivership, assignment for benefit of creditors, adjudicated insolvency, composition, or similar proceeding, contributions then or thereafter due shall be paid in full prior to all other claims except claims for wages of not more than \$250 to each claimant, earned within six months of the commencement of the proceedings. In the event of an employer's adjudication in bankruptcy, judicially confirmed extension proposal, or composition, under the federal bankruptcy act of 1898, as amended, contributions then or thereafter due shall be entitled to such priority as is provided in that act for taxes due any state of the United States.

Subd. 6. Adjustments, refunds. If, not later than three years after the date of payment of any amount as contributions or interest thereon, an employer who has made such payment shall make application for an adjustment thereof in connection with subsequent contribution payments, or for a refund thereof because such adjustment cannot be made, and if the commissioner shall determine that payment of such contributions or interest or any portion thereof was erroneous, the commissioner shall allow such employer to make an adjustment thereof, without interest, in connection with subsequent contribution payments by him, or if such adjustment cannot be made, the commissioner shall refund from the fund to which such payment has been credited, without interest, the amount erroneously paid. For like cause and within the same period, adjustment or refund may be so made on the commissioner's own initiative.

In the event that any application for adjustment or refund is denied in whole or in part, a written notice of such denial shall be mailed to the applicant. Within 30 days after the mailing of such notice of denial to the applicant's last known address, the applicant may request, in writing, that the commissioner grant a hearing for the purpose of reconsidering the facts submitted and to consider any additional information. Proceedings on the appeal shall be had in accordance with section 268.12, subdivision 13.

Subd. 7. Limitation. Nothing in sections 268.03 to 268.24, or any part thereof, shall be construed to authorize any refund of moneys due and payable under the law and regulations in effect at the time such moneys were paid.

Subd. 8. Compromise by attorney general. The attorney general may compromise contributions, penalties, and interest in any case referred to him, whether reduced to judgment or not, when, in his opinion, it shall be in the best interests of the state to do so. A compromise made hereunder shall be in the form the attorney general prescribes and in writing signed by the attorney general, the taxpayer or his representative, and the commissioner or his authorized representative. No compromise is authorized under this subdivision when the amount of contributions, interest, and penalties exceeds \$5,000.

268.17 PROTECTION OF RIGHTS AND BENEFITS. Subdivision 1. **Waiver of rights void.** Any agreement by an individual to waive, release, or commute his rights to benefits or any other rights under sections 268.03 to 268.24 shall be void. Any agreement by any individual in the employ of any person or concern to pay all or any portion of an employer's contributions, required under these sections from such employer, shall be void. No employer shall directly or indirectly make or require or accept any deduction from wages to finance the employer's contributions required from him, require or accept any waiver of any right hereunder by any individual in his employ or in any manner obstruct or impede the filing of claims for benefits. Any employer or officer or agent of any employer who violates any provision of this subdivision shall, for each offense, be guilty of a misdemeanor.

Subd. 2. No assignment of benefits; exemptions. Any assignment, pledge, or encumbrance of any right to benefits which are or may become due or payable under

sections 268.03 to 268.24 shall be void; and such rights to benefits shall be exempt from levy, execution, attachment, or any other remedy provided for the collection of debt; and benefits received by any individual so long as they are not mingled with other funds of the recipient shall be exempt from any remedy for the collection of all debts, except debts incurred for necessities furnished to such individual or his spouse or dependents during the time when such individual was unemployed. Any waiver of any exemption provided for in this subdivision shall be void.

[*Ex 1936 c 2 s 15; 1941 c 554 s 14*] (4337-35)

268.18 RETURN OF BENEFITS; OFFENSES. Subdivision 1. **Erroneous payments.** Any claimant for benefits who, by reason of his own mistake or through the error of any individual engaged in the administration of sections 268.03 to 268.24, has received any sum as benefits to which he was not entitled under these sections, shall promptly return such benefits in cash to the nearest office of the Minnesota department of employment services. If such claimant fails to return such benefits, the department of employment services shall, as soon as it discovers such erroneous payment, determine the amount thereof and notify said individual to return the same, within a period of 20 days from the date of such notification. Unless such claimant files a written protest with the department of employment services within ten days after the delivery of such notice or within 12 days after the date of the mailing thereof, such determination shall become final. If such claimant files a protest with the department in writing within the time aforesaid the matter shall be set for hearing before an appeal tribunal of the department and heard as other benefit matters are heard in accordance with section 268.10 with the same rights of review as outlined for benefit cases in that section. In the event that the claimant fails to return to the department within 20 days after such notification to do so, the benefits he received unlawfully, the commissioner of the department of employment services is hereby authorized to deduct from any future benefits payable to such claimant under these sections in the current or any subsequent benefit year an amount equivalent to such erroneous payment.

Subd. 2. **Fraud.** Any claimant who files a claim for or receives benefits by knowingly and wilfully misrepresenting or misstating any material fact or by knowingly and wilfully failing to disclose any material fact which would make him ineligible for benefits under sections 268.03 to 268.24 and as specifically set forth in section 268.08, in force at the time of filing such claim for benefits, shall be deemed guilty of fraud. Notwithstanding the provisions of Minnesota Statutes 1949, Section 268.09, Subdivision 1, Clause (7), after the discovery of facts by the commissioner indicating such fraud in claiming or obtaining benefits under sections 268.03 to 268.24, he is hereby authorized to make a determination that such claimant was ineligible for each week with reference to which benefits were claimed or obtained by such fraud for such amount as was in excess of what such claimant would have been entitled to had he not made such fraudulent statements or failed to disclose any material facts, and at the discretion of the commissioner, disqualifying such claimant from receiving any unemployment benefits under the Minnesota law for any part or all of the remainder of the current or next subsequent benefit year following the week when such fraud was committed, and that said claimant shall within 20 days from the date of mailing the notice of said determination to him repay in cash to the department of employment services any benefits so fraudulently obtained. Unless such claimant files a written protest with the department of employment services within ten days after the delivery of such notice or within 12 days after the date of mailing thereof, such determination shall become final. If such claimant shall appeal from such determination within the time above specified said matter shall be referred to an appeal tribunal for a hearing as in other benefit cases and thereafter the procedure for review shall be the same as set forth in section 268.10. If such benefits so fraudulently obtained are not repaid to the department in cash within 20 days from the date of mailing the notice to such claimant of such determination, the commissioner is hereby authorized to deduct from future benefits payable to such claimant in either the current or any subsequent benefit year an amount equivalent to the amount of overpayment determined.

Subd. 3. **False representations; concealment of facts.** Whoever makes a false statement or representation knowing it to be false or knowingly fails to disclose a material fact to obtain or increase any benefit or other payment under sections 268.03 to 268.24, or under the employment security law of any state or of the federal government or of a foreign government, either for himself or any other person, shall be guilty of a misdemeanor.

Subd. 4. Cancellation of benefits paid through error or fraud. When benefits paid through error or fraud are not repaid or deducted from subsequent benefit amounts as provided for in subdivisions 1 and 2 within six years after the date of the determination that benefits were paid through error or fraud, the commissioner may, in a manner he prescribes by regulation, cancel as uncollectible the benefit payments, and no administrative or legal proceedings shall be instituted under the Minnesota employment services law to enforce collection of those amounts.
