### CHAPTER 155. COSMETOLOGY

Sec.

155.11 School; approval; instruction.

#### 155.11 School; approval; instruction.

Subdivision 1. Any person, firm, or corporation desiring to establish a hairdressing and beauty culture school shall apply to the board for a certificate of approval for such school, and to have such school rated by the board as an approved school in hairdressing and beauty culture and placed upon its list of such approved schools, upon complying with the following provisions: Each applicant, whether individual, firm, or corporation, shall, prior to the opening of such school, present to such board a verified application containing the following information:

(1) Full name of individual, firm, or corporation; including all the members, owners, partners, and directors of such firm or corporation and, if the corporation is a foreign corporation, or if the individual persons or partners applying for such certificate of approval are not residents of the state of Minnesota, then the application shall designate a resident agent for service;

(2) The past occupation of such individual or individuals, firms, or corporations and complete information concerning the occupations of the directors in the case of a corporation;

(3) A complete financial statement showing all the assets and liabilities of the applicant and, if the applicant is an individual or partnership, a complete financial statement showing all assets and liabilities of the individual or of the individual partners; and

(4) A complete plan of operation setting forth such information relating thereto as the board in its application form may lawfully require. Upon receipt of an application for a certificate of approval, a notice of the filing of the application shall be published in the state register and once in the form prescribed by the board, at the expense of the applicant, in a newspaper published in the municipality in which the proposed school is to be located, or, if there is none in the municipality, in a newspaper published at the county seat of the county in which the school is proposed to be located. The board may grant or deny the certificate of approval 30 days after notice of the filing has been fully published. If the board receives a written objection to the application from any person within 20 days of the notice having been fully published, the certificate of approval shall be granted or denied only after a contested case hearing has been conducted on the application. The board may elect to hold a contested case hearing if no objections to the application are received. If a timely objection is not received and the certificate is denied without hearing, the applicant may request within 30 days of receiving the notice of denial, and shall be granted, a contested case hearing on the application.

Subd. 2. Each new school, before being initially approved, shall pay a fee set by the board. If approval for any reason is not granted, the fee shall be returned to the applicant for such registration.

All existing schools shall register with the board annually on or before June 30, 1949, and annually thereafter, upon blanks provided by the board. The registration shall show the name of the owner and the location of the school. The annual fee for registration shall be set by the board. There shall be one registration for each school accepted by the board. Each school or branch at each location shall be established to teach a complete course in the theory and practice of cosmetology, and no part of such course shall be offered at a separate location from the school without approval of the board.
