

MINNESOTA STATUTES 1977 SUPPLEMENT

156.09 VETERINARIANS

CHAPTER 156. VETERINARIANS

Sec.

156.09 License filed with clerk of district court.

156.09 License filed with clerk of district court.

Every person licensed by the board of veterinary medicine shall file his license for record with the clerk of the district court in the county in which he resides within 60 days after the date when he commenced to practice veterinary medicine in such county. Upon removal to another county he shall file his license in like manner. It shall not be necessary to record the annual renewal of such license.

The clerk shall keep in the record book of such licenses an index thereof showing the date and page of the record and in January each year shall furnish to the secretary of the board a list of licenses so filed. Upon notice to the clerk of the death or removal of a licensee or of a revocation of a license, he shall note the same upon the record of such license.

Subd. 3. A professional engineer registered pursuant to the provisions of sections 326.02 to 326.15 shall not be required to be licensed as a water well contractor under the provisions of this section to drill test borings or to install piezometer wells for engineering purposes. Test holes and piezometer wells installed for engineering purposes shall be constructed, maintained and abandoned in accordance with this chapter and the rules promulgated thereunder.

[1977 c 213 s 1]

156A.031 Plastic casings.

Subdivision 1. The use of plastic casings in water wells is expressly permitted within the state of Minnesota. Any plastic casing used for water wells must meet the current standard specifications of the American Society for Testing and Materials (ASTM) for thermoplastic water well casing pipe and couplings. All plastic water well casing shall be capable of withstanding pressures equal to or greater than 200 pounds per square inch (p.s.i.).

The state board of health may supplement the provisions of this section with rules relating to the installation of plastic water well casing, providing, however, that such rules shall not delay the use of plastic water well casing meeting the requirements of this section.

Prior to January 31, 1978, the state board of health shall adopt rules pursuant to chapter 15 concerning the installation and use of plastic water well casing pipes and couplings.

Subd. 2. This section applies only to the counties of Traverse, Grant, Douglas, Stevens, Pope, Big Stone, Swift, Lac qui Parle, Chippewa, Kandiyohi, Yellow Medicine, Renville, Lincoln, Lyon, Pipestone, Murray, Rock, and Nobles.

ROADS, GENERAL PROVISIONS 160.22

156A.07 Water well contractors' licenses.

[For text of subds 1 and 2, see M.S.1976]

Subd. 4. All persons licensed under the provisions of sections 156A.01 to 156A.08 shall, within 30 days after completion of any well, submit a verified report to the Minnesota department of health upon forms provided by it containing the following information: (a) the name and address of the owner of such well and the actual location of such well; (b) a well log of the materials and water encountered in connection with drilling such well, together with all pumping tests relating thereto; (c) such other information as the board of health may require concerning the drilling of such well. The board of health shall send one copy of the report to the commissioner of natural resources, the local soil and water conservation district within which the well is located, and one copy to the director of the Minnesota geological survey within 30 days of receipt from the water well contractor. The department of health may: (1) Establish procedures for coordinating well data collection with other state and local governmental agencies; and (2) Establish criteria and procedures for submission of well logs, formation samples or well cuttings, water samples or other special information which may be required for geologic and water resource mapping to protect, develop, and manage, for the public health and welfare and to assist in the development of a state water information system. The license of any person licensed under sections 156A.01 to 156A.08 may be suspended or revoked, as provided in section 156A.03, for violation of any of the provisions of this subdivision.

CHAPTER 160. ROADS, GENERAL PROVISIONS

Sec.
160.22 Trees.
160.265 Bicycle trail program. [New]

Sec.
160.27 Particular uses of right of way; misdemeanors.

160.22 Trees.

[For text of subds 1 to 7, see M.S.1976]

Subd. 8. **Disposition of timber and wood.** Upon written notice of a determination to cut and remove the trees and hedges, the road authority may proceed to cut and remove the same. The timber and wood so cut and removed shall belong to the abutting owners, and the road authority shall cause the wood and timber to be placed upon the abutting owner's property adjacent to the highway, doing no unnecessary damage to such property. In case the abutting owner notifies the road authority that he does not want the timber or wood, the road authority shall dispose of the wood and timber in such manner as it deems proper.

[For text of subd 9, see M.S.1976]

Subd. 10. **Exception; town roads.** Trees, hedges and other shrubs or plants within the limits of any town road and not acquired by the town as provided in subdivision 3, may be cut and removed without regard to the provisions of subdivisions 5 and 6 when they interfere with the maintenance or reconstruction of the road or with the safety and convenience of the public; provided that the town gives written notice to the abutting owner of its intention to cut and remove 14 days before taking such action and the abutting owner does not request a hearing during that period. The notice shall plainly advise the abutting owner of his right to a hearing. If the abutting owner requests a hearing within the time required the town
