

MINNESOTA STATUTES 1979 SUPPLEMENT

116.18 POLLUTION CONTROL AGENCY.

cost of construction; provided, that not less than six percent of the eligible cost of construction shall be paid by the municipality or agency constructing the project. In the event that a municipality is tendered federal and state grants in a percentage cumulatively exceeding 94 percent of the eligible cost of construction, the state pollution control agency shall reduce the grant to the municipality under this chapter to the extent necessary to assure that the municipality receives no more than 94 percent of the eligible cost of construction.

Subd. 4. **Bond authorization.** For the purpose of providing money appropriated in subdivision 1 for expenditure from the Minnesota state water pollution control fund through grants to municipalities and agencies of the state for the acquisition and betterment of public land, buildings, and improvements of a capital nature needed for the prevention, control, and abatement of water pollution, the commissioner of finance is authorized upon request of the pollution control agency to sell and issue Minnesota state water pollution control bonds in the amount of \$144,000,000, in the manner and upon the conditions prescribed in section 116.17 and in the Constitution, Article 11, Sections 4 to 7. The proceeds of such bonds, except as provided in section 116.17, subdivision 5, are appropriated and shall be credited to the Minnesota state water pollution control fund. The amount of bonds issued pursuant to this authorization shall not exceed at any time the amount needed to produce a balance in the water pollution control fund equal to the aggregate amount of grants then approved and not previously disbursed, plus the amount of grants to be approved in the current and the following fiscal year, as estimated by the pollution control agency.
