Subdivision 1. The legislature finds that the unnecessary construction or modification of health care facilities increases the cost of care and threatens the financial ability of the public to obtain necessary medical services. The purposes of sections 145.832 to 145.845 are to promote comprehensive health planning; to assist in providing the highest quality of health care at the lowest possible cost; to avoid unnecessary duplication by ensuring that only those health care facilities and services which are needed will be de-
