336.9-403 WHAT CONSTITUTES FILING; DURATION OF FILING; EFFECT OF LAPSED FILING; DUTIES OF FILING OFFICER.

(1) Presentation for filing of a financing statement and tender of the filing fee or acceptance of the statement by the filing officer constitutes filing under this article.

(2) Except as provided in subsection (6) a filed financing statement is effective for a period of five years from the date of filing. The effectiveness of a filed financing statement lapses on the expiration of the five year period unless a continuation statement is filed prior to the lapse. If a security interest perfected by filing exists at the time insolvency proceedings are commenced by or against the debtor, the security interest remains perfected until termination of the insolvency proceedings and thereafter for a period of 60 days or until expiration of the five year period, whichever occurs later regardless of whether the financing statement filed as to that security interest is destroyed by the filing officer pursuant to subsection (3). Upon lapse the security interest becomes unperfected, unless it is perfected without filing. If the security interest becomes unperfected upon lapse, it is deemed to have been unperfected as against a person who became a purchaser or lien creditor before lapse.

(3) A continuation statement may be filed by the secured party within six months prior to the expiration of the five year period specified in subsection (2). Any such continuation statement must be signed by the secured party, identify the original statement by file number, and state that the original statement is still effective. A continuation statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of section 336.9-405, including payment of the required fee. Upon timely filing of the continuation statement, the effectiveness of the original statement is continued for five years after the last date to which the filing was effective whereupon it lapses in the same manner as provided in subsection (2) unless another continuation statement is filed prior to such lapse. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the original statement. Unless a statute on disposition of public records provides otherwise, the filing officer may remove a lapsed statement from the files and destroy it immediately if he has retained a microfilm or other photographic record, or in other cases after one year after the lapse. The filing officer shall so arrange matters by physical annexation of financing statements to continuation statements or other related filings, or by other means, that if he physically destroys the financing statements of a period more than five years past, those which have been continued by a continuation statement or which are still effective under subsection (6) shall be retained. If insolvency proceedings are commenced by or against the debtor, the secured party shall notify the filing officer both upon commencement and termination of the proceedings, and the filing officer shall not destroy any financing statements filed with respect to the debtor until termination of the

MINNESOTA STATUTES 1981 SUPPLEMENT

insolvency proceedings. The security interest remains perfected until termination of the insolvency proceedings and thereafter for a period of 60 days or until expiration of the five year period, whichever occurs later.

(4) Except as provided in subsection (7) a filing officer shall mark each statement with a file number and with the date and hour of filing and shall hold the statement or a microfilm or other photographic copy thereof for public inspection. In addition the filing officer shall index the statements according to the name of the debtor and shall note in the index the file number and the address of the debtor given in the statement.

(5) The secretary of state shall prescribe uniform forms for statements and samples thereof shall be furnished to all filing officers in the state. The uniform fee for filing and indexing and for stamping a copy furnished by the secured party to show the date and place of filing for an original financing statement or for a continuation statement shall be \$5 if the statement is in the standard form prescribed by the secretary of state and otherwise shall be \$10, plus in each case, if the financing statement is subject to subsection (5) of section 336.9-402, \$5. An additional fee of \$5 shall be collected if more than one name is required to be indexed or if the secured party, at his option, shows a trade name for any debtor listed. There shall be no fee collected for the filing of an amendment to a financing statement if the amendment is in the standard form prescribed by the secretary of state and otherwise it shall be \$5.

(6) If the debtor is a transmitting utility (subsection (5) of section 336.9-401) and a filed financing statement so states, it is effective until a termination statement is filed. A real estate mortgage which is effective as a fixture filing under subsection (6) of section 336.9-402 remains effective as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real estate.

(7) When a financing statement covers timber to be cut or covers minerals or the like (including oil and gas) or accounts subject to subsection (5) of section 336.9-103, or is filed as a fixture filing, it shall be filed for record and the filing officer shall index it under the names of the debtor and any owner of record shown on the financing statement in the same fashion as if they were the mortgagors in a mortgage of the real estate described, and, to the extent that the law of this state provides for indexing of mortgages under the name of the mortgagee, under the name of the secured party as if he were the mortgagee thereunder, or, for filing offices other than the secretary of state, where indexing is by description in the same fashion as if the financing statement were a mortgage of the real estate described. If requested of the filing officer on the financing statement, a financing statement filed for record as a fixture filing in the same office where nonfixture filings are made is effective, without a dual filing, as to collateral listed thereon for which filing is required in such office pursuant to section 336.9-401 (1) (a); in such case, the filing officer shall also index the recorded statement in accordance with subsection (4) using the recording data in lieu of a file number.

(8) The fees provided for in this article shall supersede the fees for similar services otherwise provided for by law except in the case of security interests filed in connection with a certificate of title on a motor vehicle.

336.9-404 TERMINATION STATEMENT.

(1) If a financing statement covering consumer goods is filed on or after January 1, 1977, then within one month or within ten days following written demand by the debtor after there is no outstanding secured obligation and no commitment to make advances, incur obligations or otherwise give value, the secured party must file with each filing officer with whom the financing statement was filed, a termination statement to the effect that he no longer claims a security interest under the financing statement, which shall be identified by file number. In other cases whenever there is no outstanding secured obligation and no commitment to make advances, incur obligations, or otherwise give value, the secured party must on written demand by the debtor send the debtor, for each filing officer with whom the financing statement was filed, a termination statement to the effect that he no longer claims a security interest under the financing statement, which shall be identified by file number. A termination statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of section 336.9-405, including payment of the required fee. If the affected secured party fails to file such a termination statement as required by this subsection, or to send such a termination statement within ten days after proper demand therefor he shall be liable to the debtor for \$100, and in addition for any loss caused to the debtor by such failure.

(2) On presentation to the filing officer of such a termination statement he must note it in the index. If he has received the termination statement in duplicate, he shall return one copy of the termination statement to the secured party stamped to show the time of receipt thereof. If the filing officer has a microfilm or other photographic record of the financing statement, and of any related continuation statement, statement of assignment and statement of release, he may remove the originals from the files at any time after receipt of the termination statement, or if he has no such record, he may remove them from the files at any time after one year after receipt of the termination statement.

(3) There shall be no fee collected for the filing of a termination if the termination statement is in the standard form prescribed by the secretary of state and otherwise shall be \$5, plus in each case, if the original financing statement was subject to subsection (5) of section 336.9-402, the fee prescribed by section 357.18, subdivision 1, clause (1).

History: 1981 c 356 s 348

336.9-405 ASSIGNMENT OF SECURITY INTEREST; DUTIES OF FILING OFFICER; FEES.

(1) A financing statement may disclose an assignment of a security interest in the collateral described in the financing statement by indication in the financing statement of the name and address of the assignee or by an assignment itself or a copy thereof on the face or back of the statement. On presentation to the filing officer of such a financing statement the filing officer shall mark the same as provided in section 336.9-403(4). The uniform fee for filing, indexing, and furnishing filing data for a financing statement so indicating an assignment shall be the same as the fee prescribed in section 336.9-403, clause (5).

(2) A secured party may assign of record all or a part of his rights under a financing statement by the filing in the place where the original financing statement was filed of a separate written statement of assignment signed by the secured party of record and setting forth the name of the secured party of record

and the debtor, the file number and the date of filing of the financing statement, and the name and address of the assignee and containing a description of the collateral assigned. A copy of the assignment is sufficient as a separate statement if it complies with the preceding sentence. On presentation to the filing officer of such a separate statement, the filing officer shall mark such separate statement with the date and hour of the filing. He shall note the assignment on the index of the financing statement, or in the case of a fixture filing, or a filing covering timber to be cut, or covering minerals or the like (including oil and gas) or accounts subject to subsection (5) of section 336.9-103, he shall index the assignment under the name of the assignor as grantor and, to the extent that the law of this state provides for indexing the assignment of a mortgage under the name of the assignee, he shall index the assignment of the financing statement under the name of the assignee. The uniform fee for filing, indexing, and furnishing filing data about such a separate statement of assignment shall be \$5 if the statement is in the standard form prescribed by the secretary of state and otherwise shall be \$10, plus in each case, if the original financing statement was subject to subsection (5) of section 336.9-402, the fee prescribed by section 357.18, subdivision 1, clause (1). An additional fee of \$5 shall be charged if there is more than one name against which the statement of assignment is required to be indexed. Notwithstanding the provisions of this subsection, an assignment of record of a security interest in a fixture contained in a mortgage effective as a fixture filing (subsection (6) of section 336.9-402) may be made only by an assignment of the mortgage in the manner provided by the law of this state other than Laws 1976, Chapter 135.

(3) After the disclosure or filing of an assignment under this section, the assignee is the secured party of record.

336.9-406 RELEASE OF COLLATERAL; DUTIES OF FILING OFFICER; FEES.

A secured party of record may by his signed statement release all or a part of any collateral described in a filed financing statement. The statement of release is sufficient if it contains a description of the collateral being released, the name and address of the debtor, the name and address of the secured party, and the file number of the financing statement. A statement of release signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of section 336.9-405, including payment of the required fee. Upon presentation of such a statement of release to the filing officer he shall mark the statement with the hour and date of filing and shall note the same upon the margin of the index of the filing of the financing statement. There shall be no fee for filing and noting such a statement of release if the statement is in the standard form prescribed by the secretary of state and otherwise shall be \$5, plus in each case, if the original financing statement was subject to subsection (5) of section 336.9-402, the fee prescribed by section 357.18, subdivision 1, clause (1).
