The commission shall also request comments on the application from the city council or town board of the city or town where the track is or will be located, or from the county board if it is to be located outside a city or town and from the appropriate regional development commission or the metropolitan council, as the case may be.

Subd. 3. Investigation. Before granting a class A license the commission shall conduct, or request the bureau of criminal apprehension to conduct, a comprehensive background and financial investigation of the applicant and sources of financing. The commission may charge an applicant an investigation fee to cover the cost of the investigation, and shall from this fee reimburse the bureau for its share of the cost of the investigation. The commission has access to all criminal history data compiled by the bureau of criminal apprehension on class A licensees and applicants.

Subd. 4. License issuance. If after considering the information received at the hearing or hearings and the comments requested under subdivision 2, the commission determines that the license will not adversely affect the public health, welfare, and safety, that the racetrack will be operated in accordance with all applicable laws and rules, that the license will not create a competitive situation that will adversely affect racing and the public interest, and that the applicant is financially able to operate a licensed racetrack, it may issue a class A license to the applicant. The license is effective until revoked or suspended by the commission or relinquished by the licensee.

Subd. 5. Prohibited locations. A class A license may not be issued to any location where the operation of a racetrack is prohibited by a valid local zoning ordinance. Not more than one class A license may be issued by the commission within the seven-county metropolitan area.

If a change in the officers, directors, shareholders, or other persons with a present or future direct or indirect financial or management interest in the licensee, or a change of ownership of more than five percent of the licensee's shares is made after the application is filed or the license issued, the applicant or licensee must notify the commission of the changes within five days of their occurrence and provide the affidavit required by subdivision 1, clause (d).

Subd. 7. License suspension and revocation. The commission may revoke a class A license for a violation of law, order, or rule which in the commission's opinion adversely affects the integrity of horse racing in Minnesota, or for an intentional false statement made in a license application, or for a willful failure to pay any money required to be paid by Laws 1983, chapter 214.

The commission may suspend a class A license for up to one year for a violation of law, order, or rule which in the commission's opinion adversely affects the integrity of horse racing in Minnesota, and may suspend a class A license indefinitely if it determines that the licensee has as an officer, director, shareholder, or other person with a direct, indirect, or beneficial interest a person who is in the commission's opinion inimical to the integrity of horse racing in Minnesota or who cannot be certified under subdivision 1, clause (d).

A license revocation or suspension under this subdivision is a contested case under sections 14.57 to 14.70 of the Administrative Procedure Act, and is in addition to criminal penalties imposed for a violation of law or rule.

Subd. 8. Work areas. A class A licensee must provide at no cost to the commission suitable work areas for commission members, officers, employees, and

If any summons, process, or pleadings is served upon the secretary of state, it must be by duplicate copies. 240.13 PARI-MUTUEL BETTING.

Subdivision 1. **Authorized.** Class B and class D licenses give the licensees authority to conduct pari-mutuel betting on the results of races run at the licensed racetrack, and on other races as authorized by the commission under subdivision 6.

Subd. 2. **Requirements.** A licensee conducting pari-mutuel betting must provide at the licensed track:

(a) the necessary equipment for issuing pari-mutuel tickets; and

(b) mechanical or electronic equipment for displaying information the commission requires. All mechanical or electronic devices must be approved by the commission before being used.

Subd. 3. **Types of betting.** The commission shall by rule designate those types of pari-mutuel pools which are permitted at licensed racetracks, and no licensee may conduct any type of pari-mutuel pool which has not been so designated.

Subd. 4. **Takeout; distribution of winnings.** A licensee conducting pari-mutuel betting must deduct from a straight pari-mutuel pool, before payments to holders of winning tickets, an amount equal to 17 percent of the total money in that pool. The licensee must deduct from a multiple pari-mutuel pool, before payments to the holders of winning tickets, an amount equal to 23 percent of the total money in that pool. The remaining money in each pool must be distributed among the holders of winning tickets in a manner the commission by rule prescribes for each type of pool. Breakage must be computed on the basis of payoffs rounded down to the next lowest increment of 20 cents, with a minimum payoff of \$2.20 on a \$2 ticket, except that the licensee may reduce the minimum payoff to \$2.10 on a \$2 ticket if there is not a sufficient amount in a pool to make a minimum payoff of \$2.20.

Subd. 5. **Purses.** From the amounts deducted from all pari-mutuel pools by a licensee, an amount equal to five percent of all money in all pools must be set aside by the licensee and used for purses for races conducted by him. Subd. 6. **Televised races.** The commission may by rule permit a class B or class D licensee to conduct on the premises of the licensed racetrack pari-mutuel betting on horse races run in other states and broadcast by television on the premises. All provisions of law governing pari-mutuel betting apply to pari-mutuel betting on televised races except as otherwise provided in this subdivision or in the commission's rules. Pari-mutuel pools conducted on such televised races may consist only of money bet on the premises and may not be commingled with any other pool off the premises, except that:

(a) the licensee may pay a fee to the person or entity conducting the race for the privileges of conducting pari-mutuel betting on the race, and

(b) the licensee may pay the costs of transmitting the broadcast of the race.

Pari-mutuel betting on a televised race may be conducted only on a racing day assigned by the commission. The takeout and taxes on pari-mutuel pools on televised races are as provided for other pari-mutuel pools. All televised races under this subdivision must comply with the Interstate Horse Racing Act of 1978 as found in United States Code, title 15, section 3001 and the following relevant sections.

Subd. 7. **Time limit for payments.** The licensee must pay off on an uncashed ticket presented for payment within 90 days of the end of the racing meeting

during which it was issued. A ticket not presented for payment within that period is an unredeemed ticket and shall be reported to the commission as provided in section 240.15, subdivision 5.

Subdivision 1. **Assignment of racing days.** The commission shall assign racing days to each racetrack licensee authorized to conduct racing with pari-mutuel betting, and a licensee may conduct racing with pari-mutuel betting only on a racing day assigned by the commission. The commission may assign racing days for up to three years beyond the year in which the assignment is made. Assignments of racing days in any year must be made by July 1 of the previous year, except that days may be assigned after that date to a licensee whose license is issued after that date.

Subd. 2. **Hearing.** A public hearing is required before the commission may:

(a) make an assignment of racing days;

(b) revise the assignment during the year; or

(c) assign racing days to a licensee whose license is issued after the initial assignment.

240.15 PAYMENTS TO STATE.

Subdivision 1. **Taxes imposed.** (a) There is imposed on the total amount bet on all pari-mutuel pools on each racing day a tax at the following rates:

(1) For each racing day in a calendar year on which the total amount bet, together with the total amount bet at the same licensed racetrack in all previous racing days in the same calendar year does not exceed \$48,000,000, 1-3/4 percent of the total amount bet in all pari-mutuel pools.

(2) For each racing day in a calendar year after the racing day on which the total amount bet in all pari-mutuel pools at the same licensed racetrack in the same calendar year exceeds \$48,000,000, six percent of the total amount bet in all pari-mutuel pools.

In addition to the above tax, the licensee must designate and pay to the commission a tax for deposit in the Minnesota breeders fund, at the following rates:

(1) For racing days on which the state tax under clause (a)(1) is 1-3/4 percent, one-half percent of the total amount bet in all pari-mutuel pools.

(2) For racing days on which the state tax under clause (a)(2) is six percent, one percent of the total amount bet in all pari-mutuel pools.

The taxes imposed by this clause must be paid from the amounts permitted to be withheld by a licensee under section 240.13, subdivision 4.

(b) The commission shall impose on each paid admission to each licensed racetrack on a racing day a tax of 40 cents. It may impose an additional admissions tax of not more than ten cents at any licensed racetrack if:

(1) the additional tax is requested by a local unit of government within whose borders the track is located;

(2) a public hearing is held on the request; and

(3) the commission finds that the local unit of government requesting the additional tax is in need of its revenue to meet extraordinary expenses caused by the racetrack.

Subd. 2. Payment. The licensee must remit the tax to the commission or its representative within seven days of the day on which it was collected. In addition to the tax and at that time the licensee must pay to the commission or its representative a sum equal to one-half the total breakage for each racing day during the period for which the tax is paid. The payments must be accompanied by a detailed statement of the remittance on a form the commission prescribes. The commission may by rule provide for the direct deposit of required payments in the commission's account in a financial institution within the state and for determining the time of applicability of different tax rates under subdivision 1.

Subd. 3. Tax exclusive. The tax imposed by subdivision 1 is in lieu of any tax or license fee, other than taxes on real property, imposed by a political subdivision and in lieu of any other sales or excise tax imposed by the state on racetrack admissions or pari-mutuel pools or pari-mutuel ticket sales.

Subd. 4. Reports. Within 100 days of the end of a racing meeting a licensee subject to the tax imposed by subdivision 1 must file with the commission a certified statement of receipts from all sources during the racing meeting and of expenses and disbursements, itemized on a form the commission prescribes after consultation with the state auditor, showing the licensee's net revenues from all sources. The statement must be prepared by a certified public accountant in accordance with generally accepted auditing standards.

Subd. 5. Unredeemed tickets. Not later than 100 days after the end of a racing meeting a licensee who sells pari-mutuel tickets must remit to the commission or its representative an amount equal to the total value of unredeemed tickets from the racing meeting. The remittance must be accompanied by a detailed statement of the money on a form the commission prescribes.

Subd. 6. Disposition of proceeds. The commission shall distribute all money received under this section, and all money received from license fees and fines it collects, as follows: all money designated for deposit in the Minnesota breeders fund must be paid into that fund for distribution under section 18. Revenue from an additional admissions tax imposed under subdivision 1 must be paid to the local unit of government at whose request it was imposed, at times and in a manner the commission determines. All other revenues received under this section by the commission, and all license fees, fines, and other revenue it receives, must be paid to the state treasurer for deposit in the general fund.
