

CHAPTER 299C

BUREAU OF CRIMINAL APPREHENSION

299C.37 Police communication equipment; use, sale.

299C.46 Establishment, use.

299C.37 POLICE COMMUNICATION EQUIPMENT; USE, SALE.

[For text of subd 1, see M.S.1982]

Subd. 3. The superintendent of the bureau shall, upon written application, issue a written permit, which shall be nontransferable, to a person, firm, or corporation showing good cause to use radio equipment capable of receiving a police emergency frequency, as a necessity, in the lawful pursuit of a business, trade, or occupation.

Subd. 4. [Repealed, 1983 c 293 s 115]

History: 1983 c 293 s 91

299C.46 ESTABLISHMENT, USE.

[For text of subds 1 and 2, see M.S.1982]

Subd. 3. The datacommunications network shall be used exclusively for criminal justice agencies of the state in connection with enforcement of the criminal or traffic laws of the state.

The commissioner of public safety shall establish a monthly network access charge to be paid by each participating criminal justice agency. The network access charge shall be a standard fee established for each terminal, computer, or other equipment directly addressable by the criminal justice datacommunications network, as follows: January 1, 1984 to December 31, 1984, \$40 connect fee per month; January 1, 1985 and thereafter, \$50 connect fee per month.

The commissioner of public safety is authorized to arrange for the connection of the datacommunications network with the criminal justice information system of the federal government, any adjacent state, or Canada.

[For text of subd 4, see M.S.1982]
