NOTE: Subdivision 2 was also amended by Laws 1984, chapter 654, article 2, section 49, to read as follows:

Subd. 2. **Purchases over \$100.** Purchases may also be made under subdivision 1, clause (17) when the amount involved exceeds \$100 if:

(1) the agency making the purchases has adopted a plan to make ten percent of the purchases on an annual basis from businesses owned and operated by socially and economically disadvantaged persons and to make purchases from vendors throughout the state for any agency that has offices located statewide, and to make purchases from local vendors by agency offices. If an agency plan does not provide for making the ten percent of purchases required, it must submit to the commissioner written evidence of the agency's good faith effort to locate vendors that are businesses owned and operated by socially or economically disadvantaged persons. The commissioner of administration may promulgate temporary rules that will define, for purposes of this section, what constitutes a "good faith effort." Before the commissioner approves any agency plan that provides for less than ten percent purchases from socially and economically disadvantaged vendors, the plan must be provided to the small business advisory council for its review;

(2) the amount involved does not exceed \$1,000 from July 1, 1983 to June 30, 1984, and \$1,500 on and after July 1, 1984; and

(3) the purchases are made after solicitation of at least three price quotations, whenever possible, which may be oral quotations, but of which the agency must keep a written record.
