The salary of the chief supervisor and the salary of the chief assistant supervisor is fixed by the commissioner of public safety except when such salaries are otherwise expressly provided for by law. The chief assistant supervisor may perform and exercise every power, duty, and responsibility imposed by law upon the chief supervisor when authorized so to do by the commissioner of public safety. If the chief assistant supervisor is removed from his position for other than cause as defined in section 299D.03, he shall be reinstated to the position that he held in the patrol prior to being promoted to the position of chief assistant supervisor and shall otherwise be subject to the provisions of subdivision 12 of said section.

Subd. 3. Subject to the provisions of this section and to other applicable laws the commissioner of public safety shall organize the division, employ such persons for the Minnesota state patrol including assistant supervisors and sergeants in the manner and in the number otherwise authorized by law and such other employees and agents as he may deem necessary to discharge the functions of the division, define the duties of such employees and agents and to delegate to them such of his powers, duties and responsibilities, which are not specifically fixed by law, subject to his control and under such conditions as he may prescribe. not enlarging or increasing the statutory duties of the personnel thereof, and no part of Laws 1969, Chapter 1129 shall be construed as in any way indicating an increase or change in such powers and duties of that organization.

Subd. 8. The commissioner of transportation shall furnish the Minnesota state patrol such quarters as may be necessary for the performance of the duties imposed upon it by law and as the governor shall direct.
