LOCAL EMERGENCY TELEPHONE SERVICES

403.11 System costs.

403.11 SYSTEM COSTS.

Subdivision 1. **Emergency telephone service fee.** (a) Each customer of a local exchange company is assessed a fee to cover the costs of ongoing maintenance and related improvements for trunking and central office switching equipment for minimum 911 emergency telephone service, plus administrative and staffing costs of the department of administration related to managing the 911 emergency telephone service program.

(b) The fee may not be less than eight cents nor more than 30 cents a month for each customer access line, including trunk equivalents as designated by the public utilities commission for access charge purposes. The fee must be the same for all customers.

(c) The fee must be collected by each utility providing local exchange telephone service. Fees are payable to and must be submitted to the commissioner of administration monthly before the 25th of each month following the month of collection, except that fees may be submitted quarterly if less than \$250 a month is due, or annually if less than \$25 a month is due. Receipts must be deposited in the state treasury and credited to the special revenue fund.

(d) The commissioner of administration, with the approval of the commissioner of finance, shall establish the amount of the fee within the limits specified and inform the utilities of the amount to be collected. Utilities must be given a minimum of 45 days notice of fee changes.
