626.556 REPORTING OF MALTREATMENT OF MINORS.

Subdivision 1. **Public policy.** The legislature hereby declares that the public policy of this state is to protect children whose health or welfare may be jeopardized through physical abuse, neglect or sexual abuse; to strengthen the family and make the home, school, and community safe for children by promoting responsible child care in all settings; and to provide, when necessary, a safe temporary or permanent home environment for physically or sexually abused children.

In addition, it is the policy of this state to require the reporting of neglect, physical or sexual abuse of children in the home, school, and community settings; to provide for the voluntary reporting of abuse or neglect of children; to require the assessment and investigation of the reports; and to provide protective and counseling services in appropriate cases.

Subd. 2. **Definitions.** As used in this section, the following terms have the meanings given them unless the specific content indicates otherwise:

(a) "Sexual abuse" means the subjection by a person responsible for the child's care, or by a person in a position of authority, as defined in section 609.341, subdivision 10, to any act which constitutes a violation of section 609.342, 609.343, 609.344, or 609.345, or sections 609.364 to 609.3644. Sexual abuse also includes any act which involves a minor which constitutes a violation of sections 609.321 to 609.324 or 617.246.

(b) "Person responsible for the child's care" means (1) an individual functioning within the family unit and having responsibilities for the care of the child such as a parent, guardian, or other person having similar care responsibilities, or (2) an individual functioning outside the family unit and having responsibilities for the care of the child such as a teacher, school administrator, or other lawful custodian of a child having either full-time or short-term care responsibilities including, but not limited to, day care, baby sitting whether paid or unpaid, counseling, teaching, and coaching.

(c) "Neglect" means failure by a person responsible for a child's care to supply a child with necessary food, clothing, shelter or medical care when reasonably able to do so or failure to protect a child from conditions or actions which imminently and seriously endanger the child's physical or mental health when reasonably able to do so. Nothing in this section shall be construed to (1) mean that a child is neglected solely because the child's parent, guardian or other person responsible for his care in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the child, or (2) impose upon persons, not otherwise legally responsible for providing a child with necessary food, clothing, shelter or medical care, a duty to provide that care. Neglect also means "medical neglect" as defined in section 260.015, subdivision 10, clause (e).

(d) "Physical abuse" means any physical injury inflicted by a person responsible for the child's care on a child other than by accidental means, or any physical injury that cannot reasonably be explained by the child's history of injuries.

(e) "Report" means any report received by the local welfare agency, police department or county sheriff pursuant to this section.

(f) "Facility" means a day care facility, residential facility, agency, hospital, sanitorium, or other facility or institution required to be licensed pursuant to sections 144.50 to 144.58, 241.021, or 245.781 to 245.812.

(g) "Operator" means an operator or agency as defined in section 245.782.

(h) "Commissioner" means the commissioner of human services.

(i) "Assessment" includes authority to interview the child, the person or persons responsible for the child's care, the alleged perpetrator, and any other person with knowledge of the abuse or neglect for the purpose of gathering the facts, assessing the risk to the child, and formulating a plan.

(j) "Practice of social services," for the purposes of subdivision 3, includes but is not limited to employee assistance counseling.

Subd. 3. Persons mandated to report. (a) A professional or his delegate who is engaged in the practice of the healing arts, social services, hospital administration, psychological or psychiatric treatment, child care, education, or law enforcement who knows or has reason to believe a child is being neglected or physically or sexually abused shall immediately report the information to the local welfare agency, police department or the county sheriff. The police department or the county sheriff, upon receiving a report, shall immediately notify the local welfare agency orally and in writing. The local welfare agency, upon receiving a report, shall immediately notify the local police department or the county sheriff orally and in writing. The county sheriff and the head of every local welfare agency and police

department shall each designate a person within their agency, department, or office who is responsible for ensuring that the notification duties of this paragraph and paragraph (b) are carried out. Nothing in this subdivision shall be construed to require more than one report from any institution, facility, school or agency.

(b) Any person may voluntarily report to the local welfare agency, police department or the county sheriff if he knows, has reason to believe, or suspects a child is being neglected or subjected to physical or sexual abuse. The police department or the county sheriff, upon receiving a report, shall immediately notify the local welfare agency orally and in writing. The local welfare agency, upon receiving a report, shall immediately notify the local police department or the county sheriff orally and in writing.

(c) A person mandated to report physical or sexual child abuse or neglect occurring within a licensed facility shall report the information to the agency responsible for licensing the facility. A health or corrections agency receiving a report may request the local welfare agency to provide assistance pursuant to subdivisions 10, 10a, and 10b.

(d) Any person mandated to report shall, upon request to the local welfare agency, receive a summary of the disposition of any report made by that reporter, unless release would be detrimental to the best interests of the child. Any person who is not mandated to report shall, upon request to the local welfare agency, receive a concise summary of the disposition of any report made by that reporter, unless release would be detrimental to the best interests of the child.

(e) For purposes of this subdivision, "immediately" means as soon as possible but in no event longer than 24 hours.

[For text of subd 3a, see M.S.1984]

Subd. 4. Immunity from liability. (a) The following persons are immune from any civil or criminal liability that otherwise might result from their actions, if they are acting in good faith:

(1) any person making a voluntary or mandated report under subdivision 3 or assisting in an assessment under this section; and

(2) any public or private school, facility as defined in subdivision 2, or the employee of any public or private school or facility who permits access by a local welfare agency or local law enforcement agency and assists in an investigation or assessment pursuant to subdivision 10.

(b) A person who is a supervisor or social worker employed by a local welfare agency complying with subdivisions 10 and 11 or any related rule or provision of law is immune from any civil or criminal liability that might otherwise result from the person's actions, if the person is acting in good faith and exercising due care.

(c) This subdivision does not provide immunity to any person for failure to make a required report or for committing neglect, physical abuse, or sexual abuse of a child.

Subd. 4a. Retaliation prohibited. (a) An employer of any person required to make reports under subdivision 3 shall not retaliate against the person for reporting in good faith abuse or neglect pursuant to this section, or against a child with respect to whom a report is made, because of the report.

(b) The employer of any person required to report under subdivision 3 who retaliates against the person because of a report of abuse or neglect is liable to that person for actual damages and, in addition, a penalty up to \$1,000.

(c) There shall be a rebuttable presumption that any adverse action within 90 days of a report is retaliatory. For purposes of this paragraph, the term "adverse

action" refers to action taken by an employer of a person required to report under subdivision 3 which is involved in a report against the person making the report or the child with respect to whom the report was made because of the report, and includes, but is not limited to:

- (1) discharge, suspension, termination, or transfer from the facility, institution, school, or agency;
- (2) discharge from or termination of employment;
- (3) demotion or reduction in remuneration for services; or
- (4) restriction or prohibition of access to the facility, institution, school, agency, or persons affiliated with it.

Subd. 5. Falsified reports. Any person who knowingly or recklessly makes a false report under the provisions of this section shall be liable in a civil suit for any actual damages suffered by the person or persons so reported and for any punitive damages set by the court or jury.

Subd. 6. Failure to report. A person mandated by this section to report who knows or has reason to believe that a child is neglected or physically or sexually abused, as defined in subdivision 2, and fails to report is guilty of a misdemeanor.

Subd. 6a. Failure to notify. If a local welfare agency receives a report under subdivision 3, paragraph (a) or (b) and fails to notify the local police department or county sheriff as required by subdivision 3, paragraph (a) or (b), the person within the agency who is responsible for ensuring that notification is made shall be subject to disciplinary action in keeping with the agency's existing policy or collective bargaining agreement on discipline of employees. If a local police department or a county sheriff receives a report under subdivision 3, paragraph (a) or (b) and fails to notify the local welfare agency as required by subdivision 3, paragraph (a) or (b), the person within the police department or county sheriff's office who is responsible for ensuring that notification is made shall be subject to disciplinary action in keeping with the agency's existing policy or collective bargaining agreement on discipline of employees.

[For text of subds 7 and 8, see M.S.1984]

Subd. 9. Mandatory reporting to a medical examiner or coroner. When a person required to report under the provisions of subdivision 3 knows or has reason to believe a child has died as a result of neglect or physical or sexual abuse, he shall report that information to the appropriate medical examiner or coroner instead of the local welfare agency, police department or county sheriff. Medical examiners or coroners shall notify the local welfare agency or police department or county sheriff in instances in which they believe that the child has died as a result of neglect or physical or sexual abuse. The medical examiner or coroner shall complete an investigation as soon as feasible and report the findings to the police department or county sheriff and the local welfare agency.

Subd. 10. Duties of local welfare agency and local law enforcement agency upon receipt of a report. (a) If the report alleges neglect, physical abuse, or sexual abuse by a parent, guardian, or individual functioning within the family unit as a person responsible for the child's care, the local welfare agency shall immediately conduct an assessment and offer protective social services for purposes of preventing further abuses, safeguarding and enhancing the welfare of the abused or neglected minor, and preserving family life whenever possible. When necessary the local welfare agency shall seek authority to remove the child from the custody of his parent, guardian or adult with whom he is living. In performing any of these duties, the local welfare agency shall maintain appropriate records.

(b) Authority of the local welfare agency responsible for assessing the child abuse report and of the local law enforcement agency for investigating the alleged abuse includes, but is not limited to, authority to interview, without parental consent, the alleged victim and any other minors who currently reside with or who have resided with the alleged perpetrator. The interview may take place at school or at any facility or other place where the alleged victim or other minors might be found and may take place outside the presence of the perpetrator or parent, legal custodian, guardian, or school official. Except as provided in this clause, the parent, legal custodian, or guardian shall be notified by the responsible local welfare or law enforcement agency no later than the conclusion of the investigation or assessment that this interview has occurred. Notwithstanding rule 49.02 of the Minnesota Rules of Procedure for Juvenile Courts, the juvenile court may, after hearing on an ex parte motion by the local welfare agency, order that, where reasonable cause exists, the agency withhold notification of this interview from the parent, legal custodian, or guardian. If the interview took place or is to take place on school property, the order shall specify that school officials may not disclose to the parent, legal custodian, or guardian the contents of the notification of intent to interview the child on school property, as provided under paragraph (c), and any other related information regarding the interview that may be a part of the child's school record. A copy of the order shall be sent by the local welfare or law enforcement agency to the appropriate school official.

(c) When the local welfare or local law enforcement agency determines that an interview should take place on school property, written notification of intent to interview the child on school property must be received by school officials prior to the interview. The notification shall include the name of the child to be interviewed, the purpose of the interview, and a reference to the statutory authority to conduct an interview on school property. For interviews conducted by the local welfare agency, the notification shall be signed by the chairman of the county welfare board or his designee. The notification shall be private data on individuals subject to the provisions of this paragraph. School officials may not disclose to the parent, legal custodian, or guardian the contents of the notification or any other related information regarding the interview until notified in writing by the local welfare or law enforcement agency that the investigation or assessment has been concluded. Until that time, the local welfare or law enforcement agency shall be solely responsible for any disclosures regarding the nature of the assessment or investigation.

Except where the alleged perpetrator is believed to be a school official or employee, the time and place, and manner of the interview on school premises shall be within the discretion of school officials, but the local welfare or law enforcement agency shall have the exclusive authority to determine who may attend the interview. The conditions as to time, place, and manner of the interview set by the school officials shall be reasonable and the interview shall be conducted not more than 24 hours after the receipt of the notification unless another time is considered necessary by agreement between the school officials and the local welfare or law enforcement agency. Where the school fails to comply with the provisions of this paragraph, the juvenile court may order the school to comply. Every effort must be made to reduce the disruption of the educational program of the child, other students, or school staff when an interview is conducted on school premises.

(d) Where the perpetrator or a person responsible for the care of the alleged victim or other minor prevents access to the victim or other minor by the local welfare agency, the juvenile court may order the parents, legal custodian, or guardian to produce the alleged victim or other minor for questioning by the local welfare agency or the local law enforcement agency outside the presence of the

perpetrator or any person responsible for the child's care at reasonable places and times as specified by court order.

(e) Before making an order under paragraph (d), the court shall issue an order to show cause, either upon its own motion or upon a verified petition, specifying the basis for the requested interviews and fixing the time and place of the hearing. The order to show cause shall be served personally and shall be heard in the same manner as provided in other cases in the juvenile court. The court shall consider the need for appointment of a guardian ad litem to protect the best interests of the child. If a guardian ad litem is appointed, he shall be present at the hearing on the order to show cause.

(f) The commissioner, the local welfare agencies responsible for investigating reports, and the local law enforcement agencies have the right to enter facilities as defined in subdivision 2 and to inspect and copy the facility's records, including medical records, as part of the investigation. Notwithstanding the provisions of chapter 13, they also have the right to inform the facility under investigation that they are conducting an investigation, to disclose to the facility the names of the individuals under investigation for abusing or neglecting a child, and to provide the facility with a copy of the report and the investigative findings.

[For text of subd 10a, see M.S.1984]

Subd. 10b. Duties of commissioner; neglect or abuse in a facility. (a) If the report alleges that a child in the care of a facility as defined in subdivision 2 is neglected, physically abused, or sexually abused by an individual in that facility, the commissioner shall immediately investigate. The commissioner shall arrange for the transmittal to him of reports received by local agencies and may delegate to a local welfare agency the duty to investigate reports. In conducting an investigation under this section, the commissioner has the powers and duties specified for local welfare agencies under this section. The commissioner or local welfare agency may interview any children who are or have been in the care of a facility under investigation and their parents, guardians, or legal custodians.

(b) Prior to any interview, the commissioner or local welfare agency shall provide the following information to the parent, guardian, or legal custodian of a child who will be interviewed: the name of the facility; the fact that a report alleging neglect, physical abuse, or sexual abuse of a child in the facility has been received; the nature of the alleged neglect, physical abuse, or sexual abuse; that the agency is conducting an investigation; any protective or corrective measures being taken pending the outcome of the investigation; and that a written memorandum will be provided when the investigation is completed. If reasonable efforts to reach the parent, guardian, or legal custodian of a child in an out-of-home placement have failed, the child may be interviewed if there is reason to believe the interview is necessary to protect the child or other children in the facility. The commissioner or local agency must provide the information required in this subdivision to the parent, guardian, or legal custodian of a child interviewed without parental notification as soon as possible after the interview.

Subd. 10c. Duties of the local social service agency upon receipt of a report of medical neglect. If the report alleges medical neglect as defined in section 260.015, subdivision 10, clause (e), the local welfare agency shall, in addition to its other duties under this section, immediately consult with designated hospital staff and with the parents of the infant to verify that appropriate nutrition, hydration, and medication are being provided; and shall immediately secure an independent medical review of the infant's medical charts and records and, if necessary, seek a court order for an independent medical examination of the infant. If the review or

examination leads to a conclusion of medical neglect, the agency shall intervene on behalf of the infant by initiating legal proceedings under section 260.131 and by filing an expedited motion to prevent the withholding of medically indicated treatment.

Subd. 10d. **Notification of neglect or abuse in a facility.** (a) When a report is received that alleges neglect, physical abuse, or sexual abuse of a child while in the care of a facility required to be licensed pursuant to sections 245.781 to 245.812, the commissioner or local welfare agency investigating the report shall provide the following information to the parent, guardian, or legal custodian of a child alleged to have been neglected, physically abused, or sexually abused: the name of the facility; the fact that a report alleging neglect, physical abuse, or sexual abuse of a child in the facility has been received; the nature of the alleged neglect, physical abuse, or sexual abuse; that the agency is conducting an investigation; any protective or corrective measures being taken pending the outcome of the investigation; and that a written memorandum will be provided when the investigation is completed.

(b) The commissioner or local welfare agency may also provide the information in paragraph (a) to the parent, guardian, or legal custodian of any other child in the facility if the investigative agency knows or has reason to believe the alleged neglect, physical abuse, or sexual abuse has occurred. In determining whether to exercise this authority, the commissioner or local welfare agency shall consider the seriousness of the alleged neglect, physical abuse, or sexual abuse; the number of children allegedly neglected, physically abused, or sexually abused; the number of alleged perpetrators; and the length of the investigation. The facility shall be notified whenever this discretion is exercised.

(c) When the commissioner or local welfare agency has completed its investigation, every parent, guardian, or legal custodian notified of the investigation by the commissioner or local welfare agency shall be provided with the following information in a written memorandum: the name of the facility investigated; the nature of the alleged neglect, physical abuse, or sexual abuse; the investigator's name; a summary of the investigation findings; a statement whether the report was found to be substantiated, inconclusive, or false; and the protective or corrective measures that are being or will be taken. The memorandum shall be written in a manner that protects the identity of the reporter and the child and shall not contain the name, or to the extent possible, reveal the identity of the alleged perpetrator or of those interviewed during the investigation. The commissioner or local welfare agency shall also provide the written memorandum to the parent, guardian, or legal custodian of each child in the facility if the report is substantiated. The commissioner or local welfare agency may also provide the written memorandum to the parent, guardian, or legal custodian of any other child in the facility if the investigation is inconclusive. The facility shall be notified whenever this discretionary authority is exercised.

Subd. 11. **Records.** All records concerning individuals maintained by a local welfare agency under this section, including any written reports filed under subdivision 7, shall be private data on individuals, except insofar as copies of reports are required by subdivision 7 to be sent to the local police department or the county sheriff, and except as otherwise provided in subdivisions 10b and 10d. Report records maintained by any police department or the county sheriff shall be private data on individuals except the reports shall be made available to the investigating, petitioning, or prosecuting authority. The welfare board shall make available to the investigating, petitioning, or prosecuting authority any records which contain information relating to a specific incident of neglect or abuse which is under investigation, petition, or prosecution and information relating to any prior incidents of

neglect or abuse involving any of the same persons. The records shall be collected and maintained in accordance with the provisions of chapter 13. In conducting investigations and assessments pursuant to this section, the notice required by section 13.04, subdivision 2, need not be provided to a minor under the age of ten who is the alleged victim of abuse or neglect. An individual subject of a record shall have access to the record in accordance with those sections, except that the name of the reporter shall be confidential while the report is under assessment or investigation except as otherwise permitted by this subdivision. Any person conducting an investigation or assessment under this section who intentionally discloses the identity of a reporter prior to the completion of the investigation or assessment is guilty of a misdemeanor. After the assessment or investigation is completed, the name of the reporter shall be confidential but shall be accessible to the individual subject of the record upon court order.

Notwithstanding sections 138.163 and 138.17, records maintained by local welfare agencies, the police department or county sheriff under this section shall be destroyed as described in clauses (a) to (d):

(a) If upon assessment or investigation a report is found to be false, notice of intent to destroy records of the report shall be mailed to the individual subject of the report. At the subject's request the records shall be maintained as private data. If no request from the subject is received within 30 days of mailing the notice of intent to destroy, the records shall be destroyed.

(b) All records relating to reports which, upon assessment or investigation, are found to be substantiated shall be destroyed seven years after the date of the final entry in the case record.

(c) All records of reports which, upon initial assessment or investigation, cannot be substantiated or disproved to the satisfaction of the local welfare agency, local police department or county sheriff may be kept for a period of one year. If the local welfare agency, local police department or county sheriff is unable to substantiate the report within that period, each agency unable to substantiate the report shall destroy its records relating to the report in the manner provided by clause (a).

(d) Any notification of intent to interview which was received by a school under subdivision 10, paragraph (c), shall be destroyed by the school when ordered to do so by the agency conducting the assessment or investigation. The agency shall order the destruction of the notification when other records relating to the report under investigation or assessment are destroyed under this subdivision.

Subd. 11a. Disclosure of information not required in certain cases. When interviewing a minor under subdivision 10, an individual does not include the parent or guardian of the minor for purposes of section 13.04, subdivision 2, when the parent or guardian is the alleged perpetrator of the abuse or neglect.

pursuant to section 144A.02; an agency, day care facility, or residential facility required to be licensed to serve adults pursuant to sections 245.781 to 245.812; or a home health agency certified for participation in Titles XVIII or XIX of the Social Security Act, United States Code, title 42, sections 1395 et seq.

(b) "Vulnerable adult" means any person 18 years of age or older:

(1) who is a resident or inpatient of a facility;

(2) who receives services at or from a facility required to be licensed to serve adults pursuant to sections 245.781 to 245.812, except a person receiving outpatient services for treatment of chemical dependency or mental illness;

(3) who receives services from a home health agency certified for participation under Titles XVIII or XIX of the Social Security Act, United States Code, title 42, sections 1395 et seq and 1396 et seq; or

(4) who, regardless of residence or type of service received, is unable or unlikely to report abuse or neglect without assistance because of impairment of mental or physical function or emotional status.

(c) "Caretaker" means an individual or facility who has responsibility for the care of a vulnerable adult as a result of a family relationship, or who has assumed responsibility for all or a portion of the care of a vulnerable adult voluntarily, by contract, or by agreement.

(d) "Abuse" means:

(1) any act which constitutes a violation under sections 609.221 to 609.223, 609.23 to 609.235, 609.322, 609.342, 609.343, 609.344, or 609.345;

(2) nontherapeutic conduct which produces or could reasonably be expected to produce pain or injury and is not accidental, or any repeated conduct which produces or could reasonably be expected to produce mental or emotional distress;

(3) any sexual contact between a facility staff person and a resident or client of that facility; or

(4) the illegal use of a vulnerable adult's person or property for another person's profit or advantage, or the breach of a fiduciary relationship through the use of a person or a person's property for any purpose not in the proper and lawful execution of a trust, including but not limited to situations where a person obtains money, property, or services from a vulnerable adult through the use of undue influence, harassment, duress, deception, or fraud.

(e) "Neglect" means:

(1) failure by a caretaker to supply a vulnerable adult with necessary food, clothing, shelter, health care or supervision;

(2) the absence or likelihood of absence of necessary food, clothing, shelter, health care, or supervision for a vulnerable adult; or

(3) the absence or likelihood of absence of necessary financial management to protect a vulnerable adult against abuse as defined in paragraph (d), clause (4). Nothing in this section shall be construed to require a health care facility to provide financial management or supervise financial management for a vulnerable adult except as otherwise required by law.

(f) "Report" means any report received by a local welfare agency, police department, county sheriff, or licensing agency pursuant to this section.

(g) "Licensing agency" means:

Subd. 3a. Report not required. (a) Where federal law specifically prohibits a person from disclosing patient identifying information in connection with a report of suspected abuse or neglect under Laws 1983, chapter 273, section 3, that person need not make a required report unless the vulnerable adult, or the vulnerable adult's guardian, conservator, or legal representative, has consented to disclosure in a manner which conforms to federal requirements. Facilities whose patients or residents are covered by such a federal law shall seek consent to the disclosure of suspected abuse or neglect from each patient or resident, or his guardian, conservator, or legal representative, upon his admission to the facility. Persons who are prohibited by federal law from reporting an incident of suspected abuse or neglect shall promptly seek consent to make a report.

(b) Except as defined in subdivision 2, paragraph (d), clause (1), verbal or physical aggression occurring between patients, residents, or clients of a facility, or self-abusive behavior of these persons does not constitute "abuse" for the purposes of subdivision 3 unless it causes serious harm. The operator of the facility or a designee shall record incidents of aggression and self-abusive behavior in a manner that facilitates periodic review by licensing agencies and county and local welfare agencies.

(c) Nothing in this section shall be construed to require a report of abuse, as defined in subdivision 2, paragraph (d), clause (4), solely on the basis of the transfer of money or property by gift or as compensation for services rendered.

[For text of subd 4, see M.S.1984]

Subd. 5. Immunity from liability. (a) A person making a voluntary or mandated report under subdivision 3 or participating in an investigation under this section is immune from any civil or criminal liability that otherwise might result from the person's actions, if the person is acting in good faith.

(b) A person employed by a local welfare agency or a state licensing agency who is conducting or supervising an investigation or enforcing the law in compliance with subdivision 10, 11, or 12 or any related rule or provision of law is immune from any civil or criminal liability that might otherwise result from the person's actions, if the person is acting in good faith and exercising due care.

[For text of subds 6 to 8, see M.S.1984]

Subd. 9. Mandatory reporting to a medical examiner or coroner. A person required to report under the provisions of subdivision 3 who has reasonable cause to believe that a vulnerable adult has died as a direct or indirect result of abuse or neglect shall report that information to the appropriate medical examiner or coroner in addition to the local welfare agency, police department, or county sheriff or appropriate licensing agency or agencies. The medical examiner or coroner shall complete an investigation as soon as feasible and report the findings to the police department or county sheriff, the local welfare agency, and, if applicable, each licensing agency.

Subd. 10. **Duties of local welfare agency upon a receipt of a report.** (a) The local welfare agency shall immediately investigate and offer emergency and continuing protective social services for purposes of preventing further abuse or neglect and for safeguarding and enhancing the welfare of the abused or neglected vulnerable adult. Local welfare agencies may enter facilities and inspect and copy records as part of investigations. In cases of suspected sexual abuse, the local welfare agency shall immediately arrange for and make available to the victim appropriate medical examination and treatment. The investigation shall not be limited to the written records of the facility, but shall include every other available source of information. When necessary in order to protect the vulnerable adult from further harm, the local welfare agency shall seek authority to remove the vulnerable adult from the situation in which the neglect or abuse occurred. The local welfare agency shall also investigate to determine whether the conditions which resulted in the reported abuse or neglect place other vulnerable adults in jeopardy of being abused or neglected and offer protective social services that are called for by its determination. In performing any of these duties, the local welfare agency shall maintain appropriate records.

(b) If the report indicates, or if the local welfare agency finds that the suspected abuse or neglect occurred at a facility, or while the vulnerable adult was or should have been under the care of or receiving services from a facility, or that the suspected abuse or neglect involved a person licensed by a licensing agency to provide care or services, the local welfare agency shall immediately notify each appropriate licensing agency, and provide each licensing agency with a copy of the report and of its investigative findings.

(c) When necessary in order to protect a vulnerable adult from serious harm, the local agency shall immediately intervene on behalf of that adult to help the family, victim, or other interested person by seeking any of the following:

(1) a restraining order or a court order for removal of the perpetrator from the residence of the vulnerable adult pursuant to section 518B.01;

(2) the appointment of a guardian or conservator pursuant to sections 525.539 to 525.6198, or guardianship or conservatorship pursuant to chapter 252A;

(3) replacement of an abusive or neglectful guardian or conservator and appointment of a suitable person as guardian or conservator, pursuant to sections 525.539 to 525.6198; or

(4) a referral to the prosecuting attorney for possible criminal prosecution of the perpetrator under chapter 609.

The expenses of legal intervention must be paid by the county in the case of indigent persons, under section 525.703 and chapter 563.

In proceedings under sections 525.539 to 525.6198, if a suitable relative or other person is not available to petition for guardianship or conservatorship, a county employee shall present the petition with representation by the county attorney. The county shall contract with or arrange for a suitable person or nonprofit organization to provide ongoing guardianship services. If the county presents evidence to the probate court that it has made a diligent effort and no other suitable person can be found, a county employee may serve as guardian or conservator. The county shall not retaliate against the employee for any action taken on behalf of the ward or conservatee even if the action is adverse to the county's interest. Any person retaliated against in violation of this subdivision shall have a cause of action against the county and shall be entitled to reasonable attorney fees and costs of the action if the action is upheld by the court.

Subd. 10a. **Notification of neglect or abuse in a facility.** (a) When a report is received that alleges neglect, physical abuse, or sexual abuse of a vulnerable adult

The local welfare agency shall notify the person, if any, designated to be notified in case of an emergency by a vulnerable adult not under guardianship or conservatorship of the person who is alleged to have been abused or neglected, unless consent is denied by the vulnerable adult. The notice shall contain the following information: the name of the facility; the fact that a report of alleged abuse or neglect of a vulnerable adult in the facility has been received; the nature of the alleged abuse or neglect; that the agency is conducting an investigation; any protective or corrective measures being taken pending the outcome of the investigation; and that a written memorandum will be provided when the investigation is completed.

(b) In a case of alleged neglect, physical abuse, or sexual abuse of a vulnerable adult while in the care of a facility required to be licensed under sections 245.781 to 245.812, the local welfare agency may also provide the information in paragraph (a) to the guardian or conservator of the person of any other vulnerable adult in the facility who is under guardianship or conservatorship of the person, to any other vulnerable adult in the facility who is not under guardianship or conservatorship of the person, and to the person, if any, designated to be notified in case of an emergency by any other vulnerable adult in the facility who is not under guardianship or conservatorship of the person, unless consent is denied by the vulnerable adult, if the investigative agency knows or has reason to believe the alleged neglect, physical abuse, or sexual abuse has occurred.

(c) When the investigation required under subdivision 10 is completed, the local welfare agency shall provide a written memorandum containing the following information to every guardian or conservator of the person or other person notified by the agency of the investigation under paragraph (a) or (b): the name of the facility investigated; the nature of the alleged neglect, physical abuse, or sexual abuse; the investigator's name; a summary of the investigative findings; a statement of whether the report was found to be substantiated, inconclusive, or false; and the protective or corrective measures that are being or will be taken. The memorandum shall be written in a manner that protects the identity of the reporter and the alleged victim and shall not contain the name or, to the extent possible, reveal the identity of the alleged perpetrator or of those interviewed during the investigation.

(d) In a case of neglect, physical abuse, or sexual abuse of a vulnerable adult while in the care of a facility required to be licensed under sections 245.781 to 245.812, the local welfare agency may also provide the written memorandum to the guardian or conservator of the person of any other vulnerable adult in the facility who is under guardianship or conservatorship of the person, to any other vulnerable adult in the facility who is not under guardianship or conservatorship of the person, and to the person, if any, designated to be notified in case of an emergency by any other vulnerable adult in the facility who is not under guardianship or conservatorship of the person, unless consent is denied by the vulnerable adult, if the report is substantiated or if the investigation is inconclusive and the report is a second or subsequent report of neglect, physical abuse, or sexual abuse of a vulnerable adult while in the care of the facility.

(e) In determining whether to exercise the discretionary authority granted under paragraphs (b) and (d), the local welfare agency shall consider the seriousness and extent of the alleged neglect, physical abuse, or sexual abuse and the impact of

notification on the residents of the facility. The facility shall be notified whenever this discretion is exercised.

(f) Where federal law specifically prohibits the disclosure of patient identifying information, the local welfare agency shall not provide any notice under paragraph (a) or (b) or any memorandum under paragraph (c) or (d) unless the vulnerable adult has consented to disclosure in a manner which conforms to federal requirements.

The investigation memorandum shall be written in a manner which protects the identity of the reporter and of the vulnerable adult and may not contain the name or, to the extent possible, the identity of the alleged perpetrator or of those interviewed during the investigation. During the licensing agency's investigation, all data collected pursuant to this section shall be classified as investigative data pursuant to section 13.39. After the licensing agency's investigation is complete, the data on individuals collected and maintained shall be private data on individuals. All data collected pursuant to this section shall be made available to prosecuting authorities and law enforcement officials, local welfare agencies, and licensing agencies investigating the alleged abuse or neglect. Notwithstanding any law to the contrary, the name of the reporter shall be disclosed only upon a finding by the court that the report was false and made in bad faith.

(b) Notwithstanding the provisions of section 138.163:
