197.131 BOARD OF GOVERNORS OF BIG ISLAND VETERANS CAMP.

Subdivision 1. Creation and membership. The board of governors of the Big Island Veterans Camp - Lake Minnetonka supervises and manages the camp. The board consists of eight members. Two members each are appointed by the state level organization of the American Legion, the Disabled American Veterans, the Military Order of the Purple Heart, and the Veterans of Foreign Wars provided that at least two appointees are Vietnam veterans. The commissioner of veterans affairs or the commissioner's designee may attend and participate in an advisory capacity at any of the board meetings. The term of each member of the board is two years or until the appointment and qualification of a successor. The board selects a chair and secretary from its membership who serve terms of one year.

Subd. 2. Vacancies and removal. A member of the board may be removed at any time by the organization appointing that member. Also, by written notice to the appointing organization, the board may remove the member if the member has been absent for three consecutive meetings of the board. To remove a member, the board

must notify in writing the appointing organization and the member after the second consecutive missed meeting that the member may be removed if the next meeting is missed. Any vacancy on the board is filled for the remainder of the unexpired term in the same manner as the original appointment.

197.132 POWERS AND DUTIES.

The board of governors of the Big Island Veterans Camp - Lake Minnetonka establishes policies for the proper management of the camp. The board may contract for services needed to operate the camp including the services of a manager, may hire employees, and may make other expenditures for the procurement of materials, services, or equipment necessary for the operation of the camp. Expenditures are made upon the approval of the chair. The board must prepare an annual report detailing a complete report of financial transactions, usage levels, and other activities regarding the management and operation of the camp. Copies of the annual reports must be submitted to each appointing organization and to the commissioner of veterans affairs. The board may accept donations, contributions, gifts, and bequests of real or personal property that may be made for the maintenance or operation of the camp.

The board shall make the camp available to veterans using the following priorities:

- (1) qualified disabled veterans and their dependents;
- (2) qualified veterans, their dependents, and surviving spouses of qualified veterans who were campers prior to the deed transfer; and
- (3) qualified veterans, their dependents, and surviving spouses of qualified veterans.

The camp must be operated as a family camp for the rest and relaxation of veterans and their dependents rather than as a program-oriented camp.

The board must publicize the camp to the greatest extent possible to make the camp's facilities known to Minnesota veterans.

The board is not a state agency. The board shall purchase liability and related insurance sufficient to indemnify the state against all claims arising from the conduct or management of the activities conducted by the board, its agents, or contractors.

History: 1985 c 152 s 2; 1986 c 444

197.133 DISPOSAL OF PROPERTY AND EXPIRATION OF THE BOARD OF GOVERNORS.

If a majority of the board determines that the disposal of the camp or a portion of the camp is in the best interests of Minnesota veterans, or if the camp is not used solely as a camp for and by disabled and other veterans and their families and operated and maintained in compliance with all state, federal, and local laws, the board may dispose of the property at market value as provided in this section. Before disposing of the property, the board shall give notice by certified mail to the commissioner of veterans affairs of its decision to dispose of the property. The commissioner shall publish the notice in the State Register. Interested governmental agencies have until the end of the next legislative session after the notice to appropriate money to purchase the property.

Proceeds realized from the disposal of the property and any assets on hand at the time of the disposal of the property, must be placed in an irrevocable trust to be used for the initiation or maintenance of veterans programs in the state of Minnesota. Trustees must be appointed in the same manner as provided for under section 197.131. The trustees shall consult with the commissioner of veterans affairs to determine the needs of Minnesota veterans and provide the commissioner and the committee on general legislation and veterans affairs of the house of representatives and the committee on veterans and general legislation in the senate with an annual written report on the trust. The commissioner must approve all expenditures from the trust. A certified audit of all assets, expenditures, and property must be conducted prior to any disposi-

tion of any assets under the control of the board. Any board member who would benefit directly or indirectly financially from the sale of this property must be removed by the board and a successor appointed as provided by section 197.131. Upon final disposition of all assets to the trust, the board must disband. Should the assets of the trust be exhausted, the trust must be terminated.

Any marker provided must be used for memorial purposes to permanently mark the grave of a veteran buried within the limits of the state.

Subd. 2. **Account for marker purchase.** An account must be created by the department of finance under the control of the commissioner of veterans affairs that must be used to purchase markers. The commissioner shall provide the available funds for each county in the ratio of the number of markers placed in the county to the total number of markers placed in approximately the same ratio as funds that may be received from that county to the total amount of funds. The funds of each county includes the county government and any donations from organizations and individuals that are headquartered or resident in the county.

197.235 VETERANS' CEMETERY.

Subdivision 1. **Acquisition.** The department of veterans affairs shall acquire a site in this state to be used to establish a cemetery for the interment of veterans of the United States armed forces and for qualified family members of eligible veterans. The approval of the governing body of the county in which the proposed site is to be located must be obtained prior to any acquisition of land for this purpose. The department may receive any land granted to the state or any of its political subdivisions for this purpose.

Subd. 2. **Operation and maintenance.** The department of veterans affairs shall supervise and control the veterans' cemetery established under this section. The department may contract for the maintenance and operation of the cemetery. All personnel, equipment, and support necessary for maintenance and operation of the cemetery must be included in the department's budget.

Subd. 3. **Eligible veterans.** Any veteran who received any discharge, other than a dishonorable discharge, from the armed forces of the United States is eligible for burial in the state veterans' cemetery and any indigent veteran is eligible for burial in the cemetery without charge, except that funds available from the social security burial allowance, if any, must be paid to the cemetery director.

Subd. 4. **Allocation of plots.** Any eligible veteran, qualified family member, or the survivors of an eligible veteran or qualified family member, or a county on the veteran's behalf, may apply for a burial plot in the state veterans' cemetery by submitting a request to the cemetery director on a form supplied by the department and available from the cemetery director. The department shall allot available burial plots on a first come, first served basis. There is no charge for a burial plot or for the interment of any eligible veteran. The cemetery director shall apply to the veterans administration for payment of any allowable plot or interment allowance.

Subd. 5. **Spouse; child.** A spouse or a handicapped or minor child of a veteran who qualifies for burial under subdivision 3 may also qualify for burial in the state veterans' cemetery if the interment of the qualified family member is in the same burial plot as that provided for the veteran and the interment is either above or below the veteran. The commissioner of veterans affairs shall establish a fee schedule which may be adjusted from time to time for burial of family members. The fees shall cover as nearly as practicable the actual costs of interments. The department may accept the social security burial allowance, if any, of the qualified family member in an amount not to exceed the actual cost of the interment.

197.45 [Repealed, 1975 c 45 s 7]

VETERANS, OTHER PROVISIONS

197.455 STATE LAW APPLICABLE.

The provisions of section 43A.11 granting preference to veterans in the state civil service shall also govern preference of a veteran under the civil service laws, charter provisions, ordinances, rules or regulations of a county, city, town, school district, or

other municipality or political subdivision of this state, except that a notice of rejection stating the reasons for rejection of a qualified veteran shall be filed with the appropriate local personnel officer. Any provision in a law, charter, ordinance, rule or regulation contrary to the applicable provisions of section 43A.11 is void to the extent of such inconsistency. Sections 197.46 to 197.48 shall not apply to state civil service.

History: 1975 c 45 s 4; 1981 c 210 s 54

197.46 VETERANS PREFERENCE ACT; REMOVAL FORBIDDEN; RIGHT OF MANDAMUS.

Any person whose rights may be in any way prejudiced contrary to any of the provisions of this section, shall be entitled to a writ of mandamus to remedy the wrong. No person holding a position by appointment or employment in the several counties, cities, towns, school districts and all other political subdivisions in the state, who is a veteran separated from the military service under honorable conditions, shall be removed from such position or employment except for incompetency or misconduct shown after a hearing, upon due notice, upon stated charges, in writing.

Any veteran who has been notified of the intent to discharge the veteran from an appointed position or employment pursuant to this section shall be notified in writing of such intent to discharge and of the veteran's right to request a hearing within 60 days of receipt of the notice of intent to discharge. The failure of a veteran to request a hearing within the provided 60-day period shall constitute a waiver of the right to a hearing. Such failure shall also waive all other available legal remedies for reinstatement.

Request for a hearing concerning such a discharge shall be made in writing and submitted by mail or personal service to the employment office of the concerned employer or other appropriate office or person.

In all governmental subdivisions having an established civil service board or commission, or merit system authority, such hearing for removal or discharge shall be held before such civil service board or commission or merit system authority. Where no such civil service board or commission or merit system authority exists, such hearing shall be held by a board of three persons appointed as follows: one by the governmental subdivision, one by the veteran, and the third by the two so selected. In the event the two persons so selected do not appoint the third person within ten days after the appointment of the last of the two, then the judge of the district court of the county wherein the proceeding is pending, or if there be more than one judge in said county then any judge in chambers, shall have jurisdiction to appoint, and upon application of either or both of the two so selected shall appoint, the third person to the board and the person so appointed by the judge with the two first selected shall constitute the board. The veteran may appeal from the decision of the board upon the charges to the district court by causing written notice of appeal, stating the grounds thereof, to be served upon the governmental subdivision or officer making the charges within 15 days after notice of the decision and by filing the original notice of appeal with proof of service thereof in the office of the court administrator of the district court within ten days after service thereof. Nothing in section 197.455 or this section shall be construed to apply to the position of private secretary, teacher, superintendent of schools, or one chief deputy of any elected official or head of a department, or to any person holding a strictly confidential relation to the appointing officer. The burden of establishing such relationship shall be upon the appointing officer in all proceedings and actions relating thereto.

All officers, boards, commissions, and employees shall conform to, comply with, and aid in all proper ways in carrying into effect the provisions of section 197.455 and this section notwithstanding any laws, charter provisions, ordinances or rules to the contrary. Any willful violation of such sections by officers, officials, or employees is a misdemeanor.

A veteran who has been denied rights by the state or any political subdivision, municipality, or other public agency of the state under sections 43A.11, 197.46, 197.48 or 197.455 may petition the commissioner of veterans affairs for an order directing the agency to grant the veteran such relief the commissioner finds justified by said statutes.

The petition shall contain:

- (1) The name, address and acknowledged signature of the veteran.
- (2) The names and addresses of all agencies and persons that will be directly affected if the petition is granted.
- (3) A concise statement of the facts giving rise to the veteran's rights and a concise statement showing the manner in which rights were denied.

Subd. 2. Service. Upon receipt of a petition herein, the commissioner shall serve a copy of same, by certified mail, on all agencies and persons named therein and on such other agencies or persons as in the judgment of the commissioner should in justice be parties to the proceeding. The veteran and all agencies and persons served shall be parties to the proceeding.

Subd. 3. Subpoenas. The commissioner shall have free access to relevant records of all parties and may issue subpoenas for and compel the attendance of witnesses and the giving of testimony and the production of books, records, accounts, documents and papers; and may administer oaths to witnesses. If any person shall fail or refuse to appear or testify regarding that upon which the person may be lawfully interrogated, or produce any books, records, accounts, documents or papers relevant in the matter under consideration, after having been lawfully required by subpoena, any judge of the district court in any county of the state where the subpoena was made returnable, on application of the commissioner, shall compel obedience or punish disobedience as for contempt as in the case of disobedience of a similar subpoena issued by such court.

Subd. 4. Hearing. The commissioner shall hold a hearing on the petition of any party within 20 days of serving, or being served with the petition. The veteran may demand an opportunity to be heard at a time set by the commissioner. A party who fails to demand such hearing within 20 days shall be heard only by permission of the commissioner, except that if any party demands to be heard all parties shall have the right to be heard. A hearing hereunder shall be conducted and orders issued in accord with sections 14.57 to 14.60 and 14.62, at the office of the commissioner or at a place

the commissioner designates. The commissioner shall notify all parties, by mail, of the time and place of the hearing.

Subd. 5. Personnel. The commissioner may appoint a hearing officer to act in the commissioner's place and to employ such other personnel as are necessary to investigate facts in cases brought under this section.

Subd. 6. Appeals. Appeals of orders issued under this section shall be in accordance with chapter 14.

Subd. 7. Representation. If a veteran receives a favorable decision hereunder and (a) a party to the proceeding appeals such decision to the district court or (b) if an action attacking the decision is begun, the commissioner shall become a party in such appeal or action and with the aid of the attorney general represent the veteran therein.

Subd. 8. Enforcement.
