Subd. 3. **Compensation of members.** The city or town clerk shall pay a reasonable

compensation to each member of the absentee ballot counting board for services rendered during each election.

Subd. 3a. **Duplicate registration files.** If the election judges of an absentee ballot counting board are authorized to receive, examine, and validate absentee ballots, the county auditor or city clerk shall remove from the duplicate registration files the cards of all persons who have applied for absentee ballots at the election and deliver them to the election judges of the absentee ballot counting board along with the applications for absentee ballots. When a duplicate registration card has been removed from the file for this purpose it shall be replaced with a notification to the election judges that the voter's card has been removed and directing them to contact the election judges of the absentee ballot counting board if that voter should appear at the polling place for the purpose of voting in person. If contacted by the judges of the precinct, the election judges of the absentee ballot counting board shall examine the duplicate registration card of the voter to determine if an absentee ballot has been cast. They shall notify the precinct election judges of their findings and, if the absentee ballot has not yet been cast, the voter shall be allowed to vote in person. The election judges of the absentee ballot counting board shall make a notation on the duplicate registration card that the voter has voted and no absentee ballot shall be counted for that voter.

Only one set of ballots shall be mailed to any applicant for any election. Ballots to be sent outside the United States shall be given priority in mailing. A county auditor may make use of any special service provided by the United States government for the mailing of voting materials under sections 203B.16 to 203B.27.

203B.24 DUTIES OF ELECTION JUDGES.

Subdivision 1. **Check of voter eligibility; proper execution of affidavit.** Upon receipt of an absentee ballot returned as provided in sections 203B.16 to 203B.27, the election judges shall compare the voter's name with the names appearing on their copy of the application records to insure that the ballot is from a voter eligible to cast an absentee ballot under sections 203B.16 to 203B.27. Any discrepancy or disqualifying fact shall be noted on the envelope by the election judges. Failure to return unused ballots shall not invalidate a marked ballot, but a ballot shall not be counted if the affidavit on the return envelope is not properly executed. In all other respects the provisions of the Minnesota election law governing deposit and counting of ballots shall apply.

Subd. 2. **Voting more than once.** The election judges shall compare the voter's name with the names appearing on their copy of the application records to insure that the voter has not already returned a ballot in the election. If a voter whose application has been recorded under section 203B.19 casts a ballot in person on election day, no absentee ballot shall be counted for that voter. If more than one return envelope is received from a voter whose application has been recorded under section 203B.19, the ballots in the return envelope bearing the latest date shall be counted and the uncounted ballots shall be returned by the election judges with the rejected ballots.

Notwithstanding the other provisions of this section, the counting of the absentee ballot of a deceased voter shall not invalidate the election.
