297.03 PAYMENT, STAMP ON PACKAGE.

Subdivision 1. **Stamp put on by distributor; exception.** Except as otherwise provided in this section payment of the tax imposed by section 297.02 shall be evidenced by stamps affixed to each package. Before delivering, or causing to be delivered, any package to any person in this state, other than a licensed distributor, every distributor shall firmly affix to each package of cigarettes stamps in amounts equal to the tax on those cigarettes as provided for in section 297.02.

Subd. 2. **Time of affixing stamp.** The commissioner may require, in all cases where cigarettes are shipped into this state by any licensed distributor from without this state, that the stamp shall be affixed to the package at the time the same enters this state.

Subd. 3. **Section 6.22 superseded.** The provisions of sections 297.01 to 297.13 prescribing the powers and duties of the commissioner with relation to stamps supersede all the provisions of Minnesota Statutes 1945, section 6.22 in conflict therewith.

Subd. 4. **Stamps; design, printing.** The commissioner shall adopt the design of the stamps and shall arrange for the printing thereof in such amounts and denominations as the commissioner deems necessary.

Subd. 5. **Sale of stamps.** (a) Except as provided in paragraph (b), the commissioner shall sell stamps to any person licensed as a distributor at a discount of two percent from the face amount of the stamps for the first \$1,000,000 of such stamps purchased in any fiscal year; and at a discount of 1.25 percent on the remainder of such stamps purchased in any fiscal year. The commissioner shall not sell stamps to any other person.

(b) If the tax exceeds 12.5 mills a cigarette, the discount is 1.5 percent from the face amount of the stamps for the first \$1,000,000 of the stamps purchased in a fiscal year and one percent for additional stamps purchased during the fiscal year.

Subd. 6. **Tax meter machines.** (1) Before January 1, 1989, the commissioner may authorize any person licensed as a distributor to stamp packages with a tax meter machine, approved by the commissioner, which shall be provided by the distributor. The commissioner may provide for the use of such a machine by the distributor, supervise and check its operation, provide for the payment of the tax on any package so stamped, subject to the discount provided in subdivision 5, and in that connection require the furnishing of a corporate surety bond in a suitable amount to guarantee the payment of the tax.

(2) Before January 1, 1989, the commissioner may authorize, and after December 31, 1988, the commissioner shall require any person licensed as a distributor to stamp packages with a heat-applied tax stamping machine, approved by the commissioner, which shall be provided by the distributor. The commissioner shall supervise and check the operation of the machines and shall provide for the payment of the tax on any package so stamped, subject to the discount provided in subdivision 5. Subd. 8. **Resale or transfer of stamps prohibited.** No distributor shall resell or transfer any stamps purchased by the distributor from the commissioner. Any distributor who has on hand at the time of discontinuing the business of selling cigarettes any uncanceled stamps may return them to the commissioner and receive a refund of the amount paid for the stamps. Stamps which have become mutilated or unfit for use, or are affixed to cigarettes being returned to the manufacturer, or are affixed to packages which, or the contents of which, have become damaged and unfit for sale, shall be replaced by the commissioner, upon application by the distributor owning the stamps or cigarettes if an investigation discloses that the stamps have not evidenced a taxable transaction, after compliance with rules or orders of the commissioner designed to prevent use of the stamps replaced.

Subd. 9. **Railroad or sleeping car company as a distributor.** The commissioner may authorize any railroad or sleeping car company licensed as a distributor to sell cigarettes upon its cars without affixing stamps to the packages of same provided that

Subd. 10. Distribution of free sample packages. The commissioner may authorize distribution in Minnesota of free packages of cigarettes without affixing stamps to said packages by the following persons provided that monthly reports and payment of a tax at the same rates prescribed by section 297.02, subdivision 1, shall be made directly to the commissioner under the terms provided for by the commissioner:

(1) Any manufacturer, providing such packages contain not more than 20 cigarettes each;

(2) Any person engaged as a common carrier in the transportation of persons, who purchases packages of cigarettes from a manufacturer for distribution without charge, provided that no such package shall contain more than 20 cigarettes.

All packages distributed pursuant to this section shall be marked "Complimentary - Not For Sale." The commissioner shall promulgate rules providing for the procedures to be complied with by any person distributing free sample packages.

Subd. 11. Ocean-going vessels, tax free sale. The commissioner may promulgate rules for the sale by licensed distributors of tax free cigarettes to the masters of ocean-going vessels for use aboard ship outside the continental limits of the United States, provided such cigarettes are also exempt from the taxes imposed on cigarettes by the United States government.

Subd. 12. Setting of tax meters. The commissioner may designate the county treasurer of any county or any banking institution as defined by section 48.01, as the representative of the commissioner in the setting of a tax meter machine of any particular distributor and the collection of the cigarette tax upon such setting. The county treasurer or banking institution so designated shall be required to set tax meter machines following the method prescribed by the commissioner of revenue and to transmit the amount of tax collected and to report the setting of each tax meter to the commissioner on or before the next business day. For purposes of this paragraph, a business day shall not include Saturday. Such duties shall be within the coverage of the official bond of the county treasurer. The commissioner shall prescribe the form and amount of a surety bond which shall be furnished by a banking institution designated pursuant to this subdivision. The commissioner shall have the right to withdraw this designation without cause.

297.04 LICENSE.

Subdivision 1. Selling without license illegal. From and after July 1, 1947, no person shall engage in the business of a distributor or subjobber at any place of business without first having received a license from the commissioner to engage in that business at that place of business.

Subd. 2. Application. Every application for such a license shall be made on a form prescribed by the commissioner and shall state the name and address of the applicant; if the applicant is a firm, partnership, or association, the name and address of each of its members; if the applicant is a corporation, the name and address of each of its officers; the address of its principal place of business; the place where the business to be licensed is to be conducted; and such other information as the commissioner may require for the purpose of the administration of sections 297.01 to 297.13.

Subd. 3. Nonresident. A person without this state who ships or transports cigarettes to retailers in this state, to be sold by those retailers, may make application

for license as a distributor, be granted such a license by the commissioner, and thereafter be subject to all the provisions of sections 297.01 to 297.13 and entitled to act as a licensed distributor, on filing proof with the application of having appointed the secretary of state for service of process relating to any matter of issue arising under sections 297.01 to 297.13.

Subd. 4. Distributor's application; fee, bond; subjobber's license. (a) Except as otherwise provided in clause (b), each application for a distributor's license shall be accompanied by a fee of \$150 and a corporate surety bond issued by a surety licensed to do business in this state in the sum of \$1,000, conditioned upon the true and faithful compliance by the licensee with all of the provisions of this act. This bond, or a reissue thereof, or a substitute therefor, shall be kept in full force and effect during the entire period covered by the license. A separate application for license shall be made for each place of business at which a distributor proposes to engage in business as such under sections 297.01 to 297.13, provided that a separate application for a subjobber's license may be made by a licensed distributor for each place of business (other than that licensed in the distributor's license) to which the distributor delivers and from which the distributor sells or distributes stamped cigarettes.

Each application for a subjobber's license shall be accompanied by a fee of \$12.

A distributor or subjobber applying for a license between July 1 and December 31 of any year shall be required to pay only one-half of the license fee provided for herein.

(b) Each application for a distributor's license for the period beginning July 1, 1971 shall be accompanied by a fee of \$75 and the corporate surety bond prescribed by clause (a). Each application for a subjobber's license for the period beginning July 1, 1971 shall be accompanied by a fee of \$6. Each license issued for the period beginning July 1, 1971 shall expire on December 31, 1971.

Subd. 5. Issuance. The commissioner, upon receipt of the application and bond in proper form, and payment of the license fee required by subdivision 4, shall, unless otherwise provided by sections 297.01 to 297.13, issue the applicant a license in form as prescribed by the commissioner, which said license shall permit the applicant to whom it is issued to engage in business as a distributor or subjobber at the place of business shown in the application.

Subd. 6. Expiration. Each license issued for any period subsequent to June 30, 1971, shall expire on December 31 following its date of issue unless sooner revoked by the commissioner or unless the business with respect to which the license was issued is transferred. In either case the holder of the license shall immediately surrender it to the commissioner.

Subd. 7. Display. Each license shall be prominently displayed on the premises covered by the license.

Subd. 8. Transfer. No license shall be transferable to any other person.

Subd. 9. Revocation. The commissioner may revoke, cancel, or suspend the license or licenses of any distributor or subjobber for violation of sections 297.01 to 297.13, or any other act applicable to the sale of cigarettes, or any rule promulgated by the commissioner, and may also revoke any such license or licenses of any distributor or subjobber for the violation of sections 297.31 to 297.39, or any other act applicable to the sale of tobacco products, or any rule promulgated by the commissioner in furtherance of sections 297.31 to 297.39. No license shall be revoked, canceled, or suspended except after notice and a hearing by the commissioner as provided in section 297.09.

Subd. 10. License, revoked; bond, forfeited. If a distributor or subjobber is convicted of the violation of any of the provisions of sections 297.01 to 297.13, or has a license revoked and no review is had of the order of revocation, or if on review thereof the decision is adverse to the distributor or subjobber, any bond filed pursuant to this section shall thereupon be forfeited, and the commissioner may institute a suit upon such bond, in the name of the state, for the entire amount of that bond and costs. Such a suit upon the bond shall be in addition to any other remedy provided for herein.

Subd. 11. **Revocation, new license not granted for year.** No license shall be issued under sections 297.01 to 297.13 to any person within one year of the date of final determination of a revocation of any previous license held.

History: 1947 c 619 s 4; 1953 c 652 s 2; 1961 c 419 s 1; 1969 c 1148 s 42; 1971 c 243 s 1,2; 1984 c 618 s 8; 1985 c 248 s 70; 1986 c 444

297.041 SALES TO INDIAN TRIBES.

Subdivision 1. **Wholesalers.** Any wholesaler who furnishes a surety bond in a sum satisfactory to the commissioner shall be permitted to set aside, without affixing the stamps required by this chapter, that part of the wholesaler's stock necessary for the conduct of business in making sales to the established governing body of any Indian tribe recognized by the United States Department of Interior. The unstamped stock shall be kept separate and apart from stamped stock. Every wholesaler shall, at the time of shipping or delivering any of the unstamped stock to an Indian tribal organization, make a true duplicate invoice which shall show the complete details of the sale or delivery and shall transmit the duplicate to the commissioner not later than the fifteenth day of the following calendar month. Failure to comply with the requirements of this section shall cause the commissioner to revoke the permission granted to the wholesaler to maintain a stock of goods which may be unstamped. The commissioner may also revoke this permission to maintain a stock of unstamped goods for sale to a specific Indian tribal organization when it appears that sales of unstamped cigarettes to persons who are not enrolled members of a recognized Indian tribe are taking place, or have taken place, within the exterior boundaries of the reservation occupied by that tribe.

Subd. 2. **Retailers.** Retailers who are Indian tribal organizations may maintain unstamped stock intended for sale to qualified purchasers.

Subd. 3. **Qualified purchasers.** A qualified purchaser of unstamped cigarettes means only an enrolled member of the Indian tribe which is offering the cigarettes for sale.

Subd. 4. **Sales to nonqualified buyers.** Any retailer who sells or otherwise disposes of any unstamped cigarettes other than to a qualified purchaser shall collect from the buyer or transferee the tax imposed by section 297.02, subdivision 1, and remit the tax to the department of revenue at the same time and manner as required by section 297.07. In the event the retailer fails to collect the tax from the buyer or transferee, or fails to remit the tax, the retailer shall be personally responsible for the tax and the commissioner may seize any cigarettes destined to be delivered to the retailer. The cigarettes so seized shall be considered contraband and be subject to the procedures outlined in section 297.08, subdivision 3. The proceeds of the sale of any such cigarettes may, after deducting all costs and expenses, be applied to any tax liability owed by the retailer.

The provisions of this section shall not relieve the buyer or possessor of unstamped cigarettes from personal liability for the tax.

History: 1982 c 523 art 19 s 5; 1986 c 444

297.05 VIOLATIONS.

Subdivision 1. **Package without stamp affixed presumed to be a violation.** Except as provided in subdivision 2, whenever a package of cigarettes is found in the place of business or in the possession of any person without a proper stamp affixed as required by sections 297.01 to 297.13, it shall be presumed that those cigarettes are kept there or held by that person in violation thereof.

Subd. 2. **Presumption, exceptions.** This presumption shall not apply to:

- (1) Cigarettes in the place of business or in the possession of a licensed distributor;
- (2) Cigarettes in the possession of a common carrier or sleeping car company engaged in interstate commerce;
- (3) Cigarettes held in a public warehouse of first destination in this state, subject

to the provisions of and licensed under Minnesota Statutes 1945, chapter 231, as amended, in the unbroken, original shipping containers, subject to delivery or shipping instructions from the manufacturer or a distributor;

(4) Cigarettes in the possession of a person other than a distributor in quantities of 200 cigarettes or less, when those cigarettes have had the individual packages or seals thereof broken, and when they are intended for personal use by that person and not to be sold or offered for sale;

(5) Packages of not more than ten cigarettes each, in the possession of a representative of either a manufacturer or a person authorized pursuant to section 297.03, subdivision 10, to distribute such packages.

Subd. 3. Warehouse, record of deliveries and shipments. Records of all deliveries or shipments of cigarettes from a licensed warehouse to persons within this state shall be kept by the warehouse and be available to the commissioner for inspection. They shall show the name and address of the consignee, the date, the quantity of cigarettes delivered, and such other information as the commissioner may require. These records shall be preserved for one year from the date of delivery of the cigarettes.

History: 1947 c 619 s 5; 1951 c 569 s 2; 1969 c 882 s 2,3

297.06 KEEPING OF RECORDS.

Subdivision 1. Distributor to keep records. Every distributor shall keep at each licensed place of business complete and accurate records, for that place of business, including itemized invoices, of cigarettes held, purchased, manufactured, or brought in or caused to be brought in from without the state, and of all sales of cigarettes made, except sales to the ultimate consumer. These records shall show the names and addresses of purchasers, the inventory at the close of each period for which a return is required of all cigarettes on hand, and of all stamps, affixed and unaffixed, and other pertinent papers and documents relating to the purchase, sale, or disposition of cigarettes. When a licensed distributor sells cigarettes exclusively to the ultimate consumer at the address given in the license, no invoice of those sales shall be required, but itemized invoices shall be made of all cigarettes transferred to other retail outlets owned or controlled by that licensed distributor. All books, records, and other papers and documents required by sections 297.01 to 297.13 to be kept shall be preserved for a period of at least one year after the date of the documents, as aforesaid, or the date of the entries thereof appearing in the records, unless the commissioner, in writing, authorizes their destruction or disposal at an earlier date. At any time during usual business hours the commissioner, or duly authorized agents or employees, may enter any place of business of a distributor, without a search warrant, and inspect the premises, the records required to be kept under sections 297.01 to 297.13, and the packages of cigarettes and the vending devices contained therein, to determine whether or not all the provisions of these sections are being fully complied with. If the commissioner, or any such agent or employee, is denied free access or is hindered or interfered with in making such examination, the license of the distributor at such premises shall be subject to revocation by the commissioner.

Subd. 2. Distributor to preserve copies of invoices. Every person who sells cigarettes to persons other than the ultimate consumer shall render with each sale itemized invoices showing the seller's name and address, the purchaser's name and address, the date of sale, and all prices and discounts and shall preserve legible copies of all such invoices for one year from the date of sale.

Subd. 3. Retailer and subjobber to preserve purchase invoices. Every retailer and subjobber shall procure itemized invoices of all cigarettes purchased. The invoices shall show the name and address of the seller and the date of purchase. The retailer and subjobber shall preserve a legible copy of each such invoice for one year from the date of purchase. Invoices shall be available for inspection by the commissioner or authorized agents or employees at the retailer's or subjobber's place of business.

297.07 DISTRIBUTOR TO FILE RETURNS.

Subdivision 1. **Monthly return filed with commissioner.** On or before the 25th day of each calendar month every distributor with a place of business in this state shall file a return with the commissioner showing the quantity of cigarettes manufactured or brought in from without the state or purchased during the preceding calendar month and the quantity of cigarettes sold or otherwise disposed of in this state and outside this state during that month. Every licensed distributor outside this state shall in like manner file a return showing the quantity of cigarettes shipped or transported into this state during the preceding calendar month. Returns shall be made upon forms furnished and prescribed by the commissioner and shall contain such other information as the commissioner may require. The return shall be accompanied by a remittance for the full unpaid tax liability shown by it.

Subd. 2. **Commissioner to examine and correct return; collection of deficiency.** As soon as practicable after any return is filed, the commissioner shall examine the return and correct it, if necessary, according to the commissioner's best judgment and information. The return, together with the commissioner's corrections, if any, shall be prima facie correct and shall be prima facie evidence of the correctness of the amount of tax due, as shown therein. Proof of any such correction by the commissioner may be made at any hearing before the commissioner or in any legal proceeding by a copy of the pertinent record of the commissioner under the certificate of the custodian of the original official record. Such a certified copy shall, without further proof, be admitted into evidence before the commissioner or in any legal proceeding and shall be prima facie proof of the correctness of the amount of tax due, as shown therein. The commissioner, on finding that any amount of tax is due from the distributor and unpaid, shall notify the distributor of the deficiency, stating an intention to assess the amount due together with interest and penalties as hereinafter provided. If a deficiency disclosed by the commissioner's examination cannot be allocated to a particular month or months, the commissioner shall notify the distributor of the deficiency, stating an intention to assess the amount due for a given period without allocating it to any particular month or months, together with the penalty provided in the case of other corrected returns. If any distributor making any return shall die or shall become incompetent at any time before the commissioner issues the notice of intention to assess an amount due, that notice shall be issued to the administrator, executor, or other legal representative, as such, of that distributor.

Subd. 3. **Dealer may protest; hearing.** If, within 20 days after mailing of notice of the proposed assessment, the distributor or a legal representative shall file a protest to said proposed assessment and request a hearing thereon, the commissioner shall give notice to that distributor or legal representative of the time and place fixed for the hearing, shall hold a hearing in conformity with the provisions of sections 297.01 to 297.13, and pursuant thereto shall issue a final assessment to the distributor or legal representative for the amount found to be due as a result of the hearing. This hearing shall be held within 45 days after filing of the protest. If a protest is not filed within the time herein prescribed, the commissioner shall issue a final assessment to the distributor or legal representative, as such. Any tax due and owing after a final assessment order has been issued to the distributor or legal representative of such distributor shall be paid within 60 days.

Subd. 4. **Monthly tax payments; penalty for nonpayment.** (a) Except as provided in paragraph (b), all taxes shall be due and payable not later than the twenty-fifth day of the month following the calendar month in which they were incurred, and thereafter shall bear interest at the rate specified in section 270.75. The commissioner in issuing the final assessment pursuant to subdivision 3 shall add to the amount of tax found due and unpaid a penalty of ten percent thereof, except that, on finding that the distributor has made a false and fraudulent return with intent to evade the tax imposed by sections 297.01 to 297.13, the penalty shall be 25 percent of the entire tax as shown by the corrected return. If any such tax is not paid within the time herein specified for the payment thereof or within 30 days after final determination of an appeal to the

Minnesota tax court relating thereto, there shall be added thereto a specific penalty equal to ten percent of the amount so remaining unpaid, but in no event shall the penalty for failure to pay such tax within the time provided for such payment be less than \$10. The commissioner is authorized to extend the time for paying such tax without penalty for good cause shown.

(b) Every distributor having a liability of \$1,500 or more in May 1987 or in May of each subsequent year, shall remit the June liability in the manner required by this section.

297.08 CONTRABAND.

Subdivision 1. Contraband defined. The following are declared to be contraband:

(1) All packages which do not have stamps affixed to them as provided in sections 297.01 to 297.13 and all devices for the vending of cigarettes in which such unstamped packages are found.

(2) Any device for the vending of cigarettes and all packages of cigarettes contained therein, where the device does not afford at least partial visibility of contents. Where any package exposed to view does not carry the stamp or imprint required by sections 297.01 to 297.13, it shall be presumed that all packages contained in the device are unstamped and contraband.

(3) Any device for the vending of cigarettes to which the commissioner or authorized agents have been denied access for the inspection of contents. In lieu of seizure, the commissioner or an agent may seal the device to prevent its use until inspection of contents is permitted.

(4) Any device for the vending of cigarettes which does not carry the name and address of the owner, plainly marked and visible from the front of the machine.

(5) Any device including, but not limited to, motor vehicles, trailers, snowmobiles, airplanes and boats used with the knowledge of the owner or of a person operating with the consent of the owner for the storage or transportation of more than 5,000 cigarettes which are contraband under this subdivision. When cigarettes are being transported in the course of interstate commerce; or are in movement from either a public warehouse to a distributor upon orders from a manufacturer or distributor, or from one distributor to another, the cigarettes are not contraband, notwithstanding the provisions of clause (1).

Subd. 2. Seizure. Any cigarettes or other property made contraband by subdivision 1 may be seized by the commissioner or authorized agents or by any sheriff or other police officer, with or without process, and shall be subject to forfeiture as provided in subdivisions 3 and 4.

Subd. 3. Inventory; judicial determination; appeal; disposition of seized property. Within two days after the seizure of any alleged contraband, the person making the seizure shall deliver an inventory of the property seized to the person from whom the seizure was made, if known, and file a copy with the commissioner. Within ten days after the date of service of the inventory, the person from whom the property was seized or any person claiming an interest in the property may file with the commissioner a demand for a judicial determination of the question as to whether the property was lawfully subject to seizure and forfeiture. The commissioner, within 30 days, shall institute an action in the district court of the county where the seizure was made to determine the issue of forfeiture. The action shall be brought in the name of the state and shall be prosecuted by the county attorney or by the attorney general. The court shall hear the action without a jury and shall try and determine the issues of fact and law involved. Whenever a judgment of forfeiture is entered, the commissioner may, unless the judgment is stayed pending an appeal, either (1) deliver the forfeited property to the commissioner of human services for use by patients in state institutions; (2) cause it to be destroyed; or (3) cause it to be sold at public auction as provided by law. If a demand for judicial determination is made and no action is commenced as provided in this subdivision, the property shall be released by the commissioner and redelivered to the person entitled to it. If no demand is made, the property seized shall be deemed forfeited to the state by operation of law and may be disposed of by the commissioner as provided where there has been a judgment of forfeiture. Whenever the commissioner is satisfied that any person from whom property is seized under sections 297.01 to 297.13 was acting in good faith and without intent to evade the tax imposed by sections 297.01 to 297.13, the commissioner shall release the property seized, without further legal proceedings.

Subd. 4. Disposal. The property described in subdivision 1, clause 5 shall be confiscated after conviction of the person from whom it was seized, upon compliance with the following procedure: the commissioner or agents shall file with the court a separate complaint against the property, describing it and charging its use in the specified violation, and specifying substantially the time and place of the unlawful use. A copy of the complaint shall be served upon the defendant or person in charge of the property at the time of seizure, if any. If the person arrested is acquitted, the court shall dismiss the complaint against the property and order it returned to the persons legally entitled to it. Upon conviction of the person arrested, the court shall issue an order directed to any person known or believed to have any right or title or interest in, or lien upon, any of the property, and to persons unknown claiming any right, title, interest or lien in it, describing the property and (1) stating that it was seized and that a complaint against it, charging the specified violation, has been filed with the court, (2) requiring the persons to file with the court administrator their answer to the complaint, setting forth any claim they may have to any right or title to, interest in, or lien upon the property, within 30 days after the service of the order, and (3) notifying them in substance that if they fail to file their answer within the time, the property will be ordered sold by the commissioner or agents. The court shall cause the order to be served upon any person known or believed to have any right, title, interest or lien as in the case of a summons in a civil action, and upon unknown persons by publication, as provided for service of summons in a civil action. If no answer is filed within the time prescribed, the court shall, upon affidavit by the court administrator, setting forth the fact, order the property sold by the commissioner or agents. The proceeds of the sale, after deducting the expense of keeping the property and fees and costs of sale, paid into the state treasury to be credited to the general fund. If answer is filed within the time provided, the court shall fix a time for hearing, which shall be not less than ten nor more than 30 days after the time for filing answer expires. At the time fixed for hearing, unless continued for cause, the matter shall be heard and determined by the

court, without a jury, as in other civil actions. If the court finds that the property, or any part of it, was used in the violation specified in the complaint, it shall order the property unlawfully used, sold as provided by law, unless the owner shows to the satisfaction of the court that the owner had no notice or knowledge or reason to believe that the property was used or intended to be used in the violation. The officer making a sale, after deducting the expense of keeping the property, the fee for seizure, and the costs of the sale, shall pay all liens according to their priority, which are established at the hearing as being bona fide and as existing without the lienor having any notice or knowledge that the property was being used or was intended to be used for or in connection with the violation specified in the order of the court, shall pay the balance of the proceeds into the state treasury to be credited to the general fund. Any sale under the provisions of this section shall operate to free the property sold from any and all liens on it. Appeal from the order of the district court will lie as in other civil cases. At any time after seizure of the articles specified in this subdivision, and before the hearing provided for, the property shall be returned to the owner or person having a legal right to its possession, upon execution of a good and valid bond to the state, with corporate surety, in the sum of not less than \$100 and not more than double the value of the property seized, to be approved by the court in which the case is triable, or a judge of it, conditioned to abide any order and the judgment of the court, and to pay the full value of the property at the time of seizure. The commissioner may dismiss the proceedings outlined in this subdivision when the commissioner deems it to be in the best interests of the state to do so.

297.33 LICENSES; DISTRIBUTORS, SUBJOBBER.

Subdivision 1. From and after 12:01 a.m. on July 1, 1955, no person shall engage in the business of a distributor or subjobber of tobacco products at any place of business without first having received a license from the commissioner to engage in that business at that place of business.

Subd. 2. Every application for such a license shall be made on a form prescribed by the commissioner and shall state the name and address of the applicant; if the applicant is a firm, partnership, or association, the name and address of each of its members; if the applicant is a corporation, the name and address of each of its officers; the address of its principal place of business; the place where the business to be licensed is to be conducted; and such other information as the commissioner may require for the purpose of the administration of sections 297.31 to 297.39.

Subd. 3. A person without this state who ships or transports tobacco products to retailers in this state, to be sold by those retailers, may make application for license as a distributor, be granted such a license by the commissioner, and thereafter be subject to all the provisions of sections 297.31 to 297.39 and entitled to act as a licensed distributor, on filing proof with the application of having appointed the secretary of state for service of process relating to any matter or issue arising under sections 297.31 to 297.39. A foreign corporation applying for a distributor's license need not qualify as such if it files the proof of appointment of the secretary of state for service of process as provided in this subdivision.

Subd. 4. (a) Except as otherwise provided in clause (b), each application for a distributor's license shall be accompanied by a fee of \$37.50. The application shall also be accompanied by a corporate surety bond issued by a surety licensed to do business in this state, in the sum of \$1,000, conditioned upon the true and faithful compliance by the distributor with all the provisions of sections 297.31 to 297.39 and the payment when due of all taxes, penalties and accrued interest arising in the ordinary course of business or by reason of any delinquent money which may be due the state of Minnesota. This bond shall be in a form to be fixed by the commissioner and approved by the attorney general. Whenever it is the opinion of the commissioner that the bond given by a licensee is inadequate in amount to fully protect the state, the commissioner shall require either an increase in the amount of said bond or additional bond, in such amount as the commissioner deems sufficient. Any bond required by this subdivision, or a reissue thereof, or a substitute therefor, shall be kept in full force and effect during the entire period covered by the license.

A separate application for license shall be made for each place of business at which a distributor proposes to engage in business as such under sections 297.31 to 297.39. A separate application for a subjobber's license may be made by a licensed distributor for each place of business, other than that licensed in the distributor's license, to which

the distributor sells or distributes tobacco products upon which the tax imposed by this chapter has been imposed to other than the ultimate consumer.

(b) Each application for a distributor's license for the period beginning July 1, 1971 shall be accompanied by a fee of \$18.75 and the corporate surety bond prescribed by clause (a) of this subdivision. Each license issued for the period beginning July 1, 1971 shall expire on December 31, 1971.

Subd. 5. (a) Except as otherwise provided in clause (b), each application for a subjobber's license shall be accompanied by a fee of \$10.

(b) Each application for a subjobber's license for the period beginning July 1, 1971 shall be accompanied by a fee of \$5. Each license issued for the period beginning July 1, 1971 shall expire on December 31, 1971.

Subd. 6. A distributor or subjobber applying for a license between July 1 and December 31 of any year shall be required to pay only one-half of the license fee provided for herein.

Subd. 7. The commissioner, upon receipt of the application (and bond, in the case of the distributor) in proper form, and payment of the license fee required by subdivision 4 or subdivision 5, shall, unless otherwise provided by sections 297.31 to 297.39, issue the applicant a license in form as prescribed by the commissioner, which license shall permit the applicant to whom it is issued to engage in business as a distributor or subjobber at the place of business shown in the application. The commissioner shall assign a permit number to each person licensed as a distributor at the time of issuance of the first license, which shall be inscribed upon all licenses issued to that distributor.

Subd. 8. Each license issued for any period subsequent to June 30, 1971 shall expire on December 31 following its date of issue unless sooner revoked by the commissioner or unless the business with respect to which the license was issued is transferred. In either case the holder of the license shall immediately surrender it to the commissioner.

Subd. 9. Each license shall be prominently displayed on the premises covered by the license.

Subd. 10. No license shall be transferable to any other person.

Subd. 11. The commissioner may revoke, cancel, or suspend the license or licenses of any distributor or subjobber for violation of any of the provisions of sections 297.31 to 297.39; or any other act applicable to the sale of tobacco products, or any rule promulgated by the commissioner in furtherance of sections 297.31 to 297.39. No license shall be revoked, canceled, or suspended except after notice and a hearing by the commissioner as provided in section 297.37.

Subd. 12. No license shall be issued under sections 297.31 to 297.39 to any person within one year of the date of final determination of a revocation of any previous license held.

Subd. 13. When the surety upon any bond issued pursuant to the provisions of sections 297.31 to 297.39 shall have fulfilled the conditions of such bond and compensated the state for any loss occasioned by any act or omission of the person bonded under sections 297.31 to 297.39, such surety shall be subrogated to all the rights of the state in connection with the transaction wherein such loss occurred.

297.34 LICENSEES, DUTIES.

Subdivision 1. Every distributor shall keep at each licensed place of business complete and accurate records for that place of business, including itemized invoices, of tobacco products held, purchased, manufactured, brought in or caused to be brought in from without the state, or shipped or transported to retailers in this state, and of all sales of tobacco products made, except sales to the ultimate consumer.

When a licensed distributor sells tobacco products exclusively to the ultimate

consumer at the address given in the license, no invoice of those sales shall be required, but itemized invoices shall be made of all tobacco products transferred to other retail outlets owned or controlled by that licensed distributor. All books, records and other papers and documents required by this subdivision to be kept shall be preserved for a period of at least one year after the date of the documents, as aforesaid, or the date of the entries thereof appearing in the records, unless the commissioner, in writing, authorizes their destruction or disposal at an earlier date. At any time during usual business hours the commissioner, or duly authorized agents or employees, may enter any place of business of a distributor, without a search warrant, and inspect the premises, the records required to be kept under this subdivision, and the tobacco products contained therein, to determine whether or not all the provisions of sections 297.31 to 297.39 are being fully complied with. If the commissioner, or any such agent or employee, is denied free access or is hindered or interfered with in making such examination, the license of the distributor at such premises shall be subject to revocation by the commissioner.

Subd. 2. Every person who sells tobacco products to persons other than the ultimate consumer shall render with each sale itemized invoices showing the seller's name and address, the purchaser's name and address, the date of sale, and all prices and discounts and shall preserve legible copies of all such invoices for one year from the date of sale.

Subd. 3. Every retailer and subjobber shall procure itemized invoices of all tobacco products purchased. The invoices shall show the name and address of the seller and the date of purchase. The retailer and subjobber shall preserve a legible copy of each such invoice for one year from the date of purchase. Invoices shall be available for inspection by the commissioner or authorized agents or employees at the retailer's or subjobber's place of business.

Subd. 4. Records of all deliveries or shipments of tobacco products from any public warehouse of first destination in this state which is subject to the provisions of and licensed under chapter 231, shall be kept by the warehouse and be available to the commissioner for inspection. They shall show the name and address of the consignee, the date, the quantity of tobacco products delivered, and such other information as the commissioner may require. These records shall be preserved for one year from the date of delivery of the tobacco products.

Subd. 5. The transportation of tobacco products into this state by means other than common carrier must be reported to the commissioner of revenue within 30 days with the following exceptions:

(1) The transportation of not more than 50 cigars, not more than ten ounces of snuff or snuff powder, or not more than one pound of smoking or chewing tobacco or other tobacco products not specifically mentioned herein;

(2) Transportation by a person with a place of business outside the state, who is licensed as a distributor under section 297.33, of tobacco products sold by such person to a retailer in this state.

Such report shall be made on forms provided by the commissioner.

Common carriers transporting tobacco products into this state shall file with the commissioner reports of all such shipments other than those which are delivered to public warehouses of first destination in this state which are licensed under the provisions of chapter 231. Such reports shall be filed on or before the tenth day of each month and shall show with respect to deliveries made in the preceding month: the date, point of origin, point of delivery, name of consignee, description and quantity of tobacco products delivered, and such information as the commissioner may otherwise require.

All common carriers transporting tobacco products into Minnesota shall permit examination by the commissioner of their records relating to the shipment of tobacco products.

Any person who fails or refuses to transmit to the commissioner the required

reports or whoever refuses to permit the examination of the records by the commissioner shall be guilty of a misdemeanor.

297.35 DISTRIBUTORS, MONTHLY RETURNS.

Subdivision 1. On or before the twenty-fifth day of each calendar month every distributor with a place of business in this state shall file a return with the commissioner showing the quantity and wholesale sales price of each tobacco product (1) brought, or caused to be brought, into this state for sale; and (2) made, manufactured or fabricated in this state for sale in this state, during the preceding calendar month. Every licensed distributor outside this state shall in like manner file a return showing the quantity and wholesale sales price of each tobacco product shipped or transported to retailers in this state to be sold by those retailers, during the preceding calendar month. Returns shall be made upon forms furnished and prescribed by the commissioner and shall contain such other information as the commissioner may require. Each return shall be accompanied by a remittance for the full tax liability shown therein, less two percent of such liability as compensation to reimburse the distributor for expenses incurred in the administration of sections 297.31 to 297.39.

Subd. 2. As soon as practicable after any return is filed, the commissioner shall examine each return and correct it, if necessary, according to the commissioner's best judgment and information. On finding that any amount of tax is due from the taxpayer and unpaid, the commissioner shall notify the taxpayer of the deficiency, and of the intention to assess the amount due together with interest and penalties as hereinafter provided. If a deficiency disclosed by the commissioner's examination cannot be allocated to a particular month or months, the commissioner shall notify the taxpayer of the deficiency, stating the intention to assess the amount due for a given period without allocating it to any particular month or months. If any taxpayer making any return shall die or shall become incompetent at any time before the commissioner issues the notice of intention to assess an amount due, that notice shall be issued to the administrator, executor, or other legal representative, as such, of that taxpayer.

Subd. 3. If, within 20 days after mailing of notice of the proposed assessment, the taxpayer or a legal representative shall file a protest to said proposed assessment and request a hearing thereon, the commissioner shall give notice to that taxpayer or legal representative of the time and place fixed for the hearing, shall hold a hearing on such protest, and shall issue a final assessment to the taxpayer or legal representative for the amount found to be due as a result of the hearing. This hearing shall be held within 45 days after filing of the protest. If a protest is not filed within the time herein prescribed, the commissioner shall issue a final assessment to the taxpayer or legal representative, as such. Any tax due and owing after a final assessment order has been issued to the distributor or legal representative of such distributor shall be paid within 60 days. Any such assessment made by the commissioner shall be prima facie correct and valid, and the taxpayer shall have the burden of establishing its incorrectness or invalidity in any action or proceeding in respect thereto.

Subd. 4. If any taxpayer required by sections 297.31 to 297.39 to file any return shall fail to do so within the time prescribed by sections 297.31 to 297.39, the taxpayer shall, on the written demand of the commissioner, file such return within 20 days after the mailing of such written demand and at the same time pay the tax due on the basis thereof. If such taxpayer shall fail within that time to file such return, the commissioner shall make for the taxpayer a return, from the commissioner's own knowledge and from such information as the commissioner can obtain through testimony, or otherwise, and assess a tax on the basis thereof, which tax shall be paid within ten days after the commissioner has mailed to such taxpayer a written notice of the amount thereof and demand for its payment. Any such return or assessment made by the commissioner on account of the failure of the taxpayer to make a return shall be prima facie correct and valid, and the taxpayer shall have the burden of establishing its incorrectness or invalidity in any action or proceeding in respect thereto.

Subd. 5. (a) Except as provided in paragraph (b), all taxes shall be due and payable not later than the 25th day of the month following the calendar month in which they were incurred, and thereafter shall bear interest at the rate specified in section 270.75. If any tax required to be paid under the provisions of this section is not paid within the time herein specified, a penalty of five percent of the unpaid tax remaining each month up to a maximum of 25 percent is herein imposed but in no event shall the penalty for failing to pay such tax within the time so provided be less than \$10. The commissioner of revenue is authorized to extend the time for paying such tax without penalty for good cause shown.

Where, under the provisions of subdivisions 2 and 3, the amount of tax due for a given period is assessed without allocating it to any particular month or months, the interest shall commence to run from the date of such assessment.

The commissioner shall have power to reduce or abate the penalty or interest when in the commissioner's opinion the facts warrant such reduction or abatement. The exercise of this power shall be subject to the provisions of chapter 270 if the reduction or abatement exceeds \$500.

(b) Every distributor having a liability of \$1,500 or more in May 1987 or in May of each subsequent year, shall remit the June liability in the manner required by this section.

On or before June 25, 1987, or June 25 of each subsequent year, the distributor shall remit the actual May liability and one-half of the estimated June liability to the commissioner and file the return on a form prescribed by the commissioner.

On or before August 25, 1987, or August 25 of each subsequent year, the distributor shall submit a return showing the actual June liability and paying any additional amount of tax not remitted in June. A penalty is imposed equal to ten percent of the amount of June liability required to be paid in June less the amount remitted in June. However, the penalty is not imposed if the amount remitted in June equals the lesser of (a) 45 percent of the actual June liability, or (b) 50 percent of the preceding May's liability.

Subd. 6. The commissioner in issuing a final assessment pursuant to subdivision 3 shall add to the amount of tax found due and unpaid a penalty of ten percent thereof, except that, if the commissioner finds that the taxpayer has made a false and fraudulent return with intent to evade the tax imposed by sections 297.31 to 297.39, the penalty shall be 25 percent of the entire tax as shown by the return as corrected. The commissioner in assessing a tax on the basis of a return made pursuant to subdivision 4 shall add to the amount of tax found due and unpaid a penalty of 25 percent thereof.

The commissioner shall have power to abate penalties, when of the opinion that their enforcement would be unjust and inequitable. The exercise of this power shall be subject to the approval of the attorney general if the abatement exceeds \$500.

Subd. 7. The commissioner may recover the amount of any tax due and unpaid, interest, and any penalty in a civil action. The collection of such a tax, interest, or penalty shall not be a bar to any prosecution under sections 297.31 to 297.39.

Subd. 8. On or before the twenty-fifth day of each calendar month, every consumer who, during the preceding calendar month, has acquired title to or possession of tobacco products for use or storage in this state, upon which tobacco products the tax imposed by section 297.32 has not been paid, shall file a return with the commissioner showing the quantity of tobacco products so acquired. The return shall be made upon a form furnished and prescribed by the commissioner, and shall contain such other information as the commissioner may require. The return shall be accompanied by a remittance for the full unpaid tax liability shown by it.

Subd. 9. If any return required to be filed under the provisions of this section is not filed within the time herein specified, a penalty of five percent of the tax, with an additional five percent each additional 30 days or fraction thereof up to a maximum of 25 percent is herein imposed but in no event shall the penalty for failing to file such return timely be less than \$10. The commissioner of revenue is authorized to extend the time for filing such return without penalty for good cause shown.
