NURSING HOMES

376.55 COUNTY NURSING HOME.

Subdivision 1. **Authority.** (a) Any county, or any group of counties acting jointly may establish a county nursing home, in sections 376.55 to 376.60 also termed "nursing home," for the care and treatment of chronically ill or convalescent persons or persons who need nursing home care because old age or infirmity makes them unable to properly care for themselves, with the consent of a majority of the county board.

(b) Any county, or group of counties, which owns a nursing home, may establish and operate an attached or related facility for the purpose of providing supportive services to elderly persons who are not yet in need of nursing home care. Supportive services may include congregate housing, adult day care, and respite care services.

Subd. 2. **Establishment.** A county, or a group of counties acting jointly, may establish a nursing home and a facility for supportive services under sections 376.55 to 376.60, by converting suitable existing county owned buildings, by leasing suitable premises, or by acquiring a suitable site by gift, purchase, or condemnation proceedings instituted in the name of the county or counties and constructing suitable buildings which are equipped, maintained, enlarged or otherwise modified to be the same as a nursing home.

Subd. 3. **Financing.** The county board may transfer surplus funds from any fund except the road and bridge, sinking or drainage ditch funds for the purpose of establishing, maintaining, enlarging, or adding to a county nursing home. When surplus funds are not available for transfer, a county board may issue bonds to pay the cost of establishing, equipping, furnishing, enlarging, or adding to a county nursing home, subject to section 376.56.

Subd. 4. **Purchase of interest in existing home.** A county, or a group of counties, not maintaining a nursing home, may purchase an interest in an existing county nursing home if the county board or boards owning the nursing home decide by majority vote of each county board to admit the county. The county board or boards owning the home shall set the cost for admission to ownership, taking into consideration their investment in the home. Any county admitted under this provision shall have all the rights and privileges provided for in sections 376.55 to 376.60.

Subd. 5. **County defined.** Where in sections 376.55 to 376.57 and 376.58 to 376.60 the word "county" is used, it refers to a county acting singly, or as one of a group of counties acting jointly, unless the context clearly indicates otherwise.

Subd. 6. **Withdrawal of interest.** Any county board may withdraw its interest in a county nursing home if the county board or boards owning the nursing home decide by majority vote of each county board to allow the withdrawal. The county board or boards owning the home shall set the amount to be paid to the withdrawing county, taking into consideration their investment in the home.

376.56 TAX LEVIES AND BONDS.

Subdivision 1. The county board establishing or participating in establishing a nursing home under section 376.55 may annually levy a tax to pay all or its proportion of the net costs of maintenance and operation of the nursing home after taking into consideration payments received for care of residents. The board may levy an additional tax to repay the cost of acquiring, establishing, equipping, furnishing, enlarging, or adding to a county nursing home, and to pay the principal of and interest on general obligation bonds issued for that purpose.

Subd. 2. The proceeds of taxes for costs of maintenance and operation shall be paid into a county nursing home fund, which, in the case of counties operating jointly, shall be kept in the treasury of the county in which the nursing home is located and spent as provided in sections 376.55 to 376.66.

Subd. 3. Bonds issued under section 376.55, subdivision 3, may be general obligations of the county and may be issued and sold, and taxes levied for their payment as provided under chapter 475. No election shall be required to authorize the bond issue for improving, remodeling, or replacing an existing nursing home without increasing the number of accommodations for residents. The revenues of the nursing home shall also be pledged for the payment of the bonds and for any interest and premium. Part of the proceeds may be deposited in the debt service fund for the issue, to capitalize interest and create a reserve to reduce or eliminate the tax otherwise required by section 475.61 to be levied before issuing the bonds. The remaining proceeds from the sale of the bonds and any surplus funds transferred under section 376.55, subdivision 3 must be credited to and deposited in the county nursing home building fund of the county in which the nursing home is located.

Subd. 4. The county treasurer of the county in which the nursing home is located shall make payments out of the county nursing home fund and county nursing home building fund on properly authenticated vouchers of the county nursing home administrative board, as provided in sections 376.58 and 376.59. The county treasurer of each county issuing general obligation bonds under subdivision 3 shall pay the bonds and interest from the county's debt service fund and be the custodian of net revenues transmitted by the administrative board for the payment of the bonds.

376.57 DETERMINATION TO ESTABLISH.

In establishing a jointly owned and operated county nursing home or facility for supportive services, each of the cooperating counties shall determine by a majority vote of the county board that it is in favor of the establishment of the home or of the facility, the place of its location, and the approximate amount to be spent for the establishment of the proposed nursing home or facility. Each county shall authorize the payment by that county of its proportionate share of the cost of the establishment. The proportion of costs of the establishment, and of costs of maintenance and operation of the nursing home or facility to be paid by each county shall be set by terms agreed upon by each of the participating counties.

376.58 SUPERVISION.

Subdivision 1. **Designation of county nursing home administrative board.** The county board of any county establishing a county nursing home and facility for supportive services may designate any board under the jurisdiction and control of the county board to supervise the nursing home and facility, and that board shall constitute the nursing home's administrative board for that county.

Subd. 2. **Nursing home administrative board; creation; compensation.** Whenever two or more counties, through their county boards, have agreed to maintain a county nursing home and facility for supportive services under section 376.55, the county commissioners of each county shall designate a board from each of the cooperating counties as the county nursing home administrative board. Immediately after their designation as the county nursing home administrative board, the boards of the cooperating counties shall hold a joint meeting and elect a chair, vice-chair and secretary who shall be the executive committee. Each county shall have at least one representative on the executive committee, and where more than three counties participate in establishing a nursing home, the executive committee shall be expanded by one member for each additional county above three so that no county will have less than one member on the executive committee. The first joint meeting of the county boards that have been designated as the county nursing home administrative board shall be called by the chair of the county board of the county in which the county commissioners have agreed to locate the proposed home and facility. The board shall meet annually,

and at other times considered necessary. Members of the county nursing home administrative board, and its executive committee, other than members of the county board, shall be paid for each day spent in transacting the business of the board or the committee. Each member, including members of the county board, may be reimbursed for necessary expenses incurred by them in connection with their official duties. Compensation and reimbursement for expenses shall be paid from the county nursing home fund in a manner and amounts agreed upon by the county boards. This subdivision does not prohibit the payment of a per diem to county commissioners under section 375.055, subdivision 1.

Subd. 3. Nursing home administrative board; powers, duties. The county nursing home administrative board may establish, operate and maintain a county nursing home and facility for supportive services under sections 376.55 to 376.60. The county nursing home administrative board may authorize payment of incidental expenses of the nursing home under section 375.16.

Subd. 4. Expenditures, approval. The county nursing home administrative board, or its executive committee, if delegated to do so, shall approve by a majority vote all expenditure vouchers, and the chair of the board or committee shall then transmit them to the county auditor of the county in which the home and facility are located for payment.

Subd. 5. Estimates of cost. Preparation of estimates of costs for the operation of the nursing home and the facility for supportive services shall be submitted as required by the administrative board of the nursing home or as called for by the county board. The fiscal year for the nursing home, and the facility for supportive services if it is appropriate, may be the reporting year designated by the commissioner of human services.

Subd. 6. Acceptance of gifts. The county's nursing home administrative board may accept as a trust any gift, donation, or endowment from any source, whether subject to special provisions of the donor or not. The gifts, donations, or endowments shall be credited to the county nursing home fund in the treasury of the county in which the home and facility are located and the county nursing home administrative board shall disburse the principal or income as the donors may have indicated.

Subd. 7. Resident funds; unclaimed money. The administrator of a county nursing home shall have the care and custody of all money belonging to residents as allowed by law and shall keep accurate accounting records of all transactions concerning the money as required by the commissioner of health and the commissioner of human services.

The county board shall order the county treasurer of that county to pay the treasurer of the county in which the nursing home is to be located the county nursing home building funds in the possession of the county treasurer. The county nursing home administrative board shall then carry out the purposes of sections 376.55 to 376.60.
