*[For text of subds 1 to 2, see M.S.1986]*

**Subd. 3. Partnership; partner.** The terms "partnership" and "partner" have the meanings given in section 7701(a)(2) of the Internal Revenue Code of 1986, as amended through December 31, 1986.

**Subd. 3a. Trust.** The term "trust" has the meaning given in the Internal Revenue Code of 1986, as amended through December 31, 1986.

Subd. 4. **Corporations.** The term "corporation" shall include every entity which is a corporation under section 7701(a)(3) of the Internal Revenue Code of 1986, as amended through December 31, 1986, and financial institutions. A corporation's franchise is its authorization to exist and conduct business, whether created by legislation, by executive order, by a governmental agency, by contract or other private action, or by some combination thereof. Every corporation is deemed to have a corporate franchise. An entity described in section 646(b) of the Tax Reform Act of 1986, Public Law Number 99-514, shall be classified in the same manner for purposes of this chapter as it is for federal income tax purposes.

Subd. 4a. **Financial institution.** (a) "Financial institution" means:

- (1) a holding company;
- (2) any regulated financial corporation; or
- (3) any other corporation organized under the laws of the United States or organized under the laws of this state or any other state or country that is carrying on the business of a financial institution.

(b) "Holding company" means any corporation registered under the Federal Bank Holding Company Act of 1956, as amended, or registered as a savings and loan holding company under the Federal National Housing Act, as amended.

(c) "Regulated financial corporation" means an institution, the deposits or accounts of which are insured under the Federal Deposit Insurance Act or by the Federal Savings and Loan Insurance Corporation, any institution which is a member of a Federal Home Loan Bank, any other bank or thrift institution incorporated or organized under the laws of any state or any foreign country which is engaged in the business of receiving deposits, any corporation organized under the provisions of United States Code, title 12, sections 611 to 631 (Edge Act Corporations), and any agency of a foreign depository as defined in United States Code, title 12, section 3101.

(d) "Business of a financial institution" means:

(1) the business that a regulated financial corporation may be authorized to do under state or federal law or the business that its subsidiary is authorized to do by the proper regulatory authorities;

(2) the business that any corporation organized under the authority of the United States or organized under the laws of this state or any other state or country does or has authority to do which is substantially similar to the business which a corporation may be created to do under chapters 46 to 55 or any business which a corporation or its subsidiary is authorized to do by those laws; or

(3) the business that any corporation organized under the authority of the United States or organized under the laws of this state or any other state or country does or has authority to do if the corporation derives more than 50 percent of its gross income from lending activities (including discounting obligations) in substantial competition with the businesses described in clauses (1) and (2). For purposes of this clause, the computation of the gross income of a corporation does not include income from nonrecurring, extraordinary items.

Subd. 5. **Domestic and foreign corporations.** The term "domestic" when applied to a corporation means a corporation created or organized in Minnesota or under its laws; and the term "foreign" when thus applied means a corporation other than a domestic corporation.

For purposes of this subdivision, presence within the state for any part of a calendar day constitutes a day spent in the state. Individuals shall keep adequate records to substantiate the days spent outside the state.

*[For text of subds 7a to 18, see M.S.1986]*

**Subd. 19. Net income.** The term "net income" means the federal taxable income, as defined in section 63 of the Internal Revenue Code of 1986, as amended through the date named in this subdivision, incorporating any elections made by the taxpayer in accordance with the Internal Revenue Code in determining federal taxable income for federal income tax purposes, and with the modifications provided in subdivisions 19a to 19f.

The Internal Revenue Code of 1986, as amended through December 31, 1986, shall be in effect for taxable years beginning after December 31, 1986.

Except as otherwise provided, references to the Internal Revenue Code in subdivisions 19a to 19f mean the code in effect for purposes of determining net income for the applicable year.

**Subd. 19a. Additions to federal taxable income.** For individuals, estates, and trusts, there shall be added to federal taxable income:

(1)(i) interest income on obligations of any state other than Minnesota or a political or governmental subdivision, municipality, or governmental agency or instrumentality of any state other than Minnesota exempt from federal income taxes under the Internal Revenue Code or any other federal statute, and

(ii) exempt-interest dividends as defined in section 852(b)(5)(A) of the Internal Revenue Code of 1986, except the portion of the exempt-interest dividends derived from interest income on obligations of the state of Minnesota or its political or governmental subdivisions, municipalities, governmental agencies or instrumentalities, but only if the portion of the exempt-interest dividends from such Minnesota sources paid to all shareholders represents 95 percent or more of the exempt-interest dividends that are paid by the fund or series of funds making the payment; and

(2) the amount of income taxes paid or accrued within the taxable year under this chapter and income taxes paid to any other state or to any province or territory of Canada, to the extent allowed as a deduction under section 63(d) of the Internal Revenue Code, but the addition may not be more than the amount by which the itemized deductions as allowed under section 63(d) of the Internal Revenue Code exceeds the amount of the standard deduction as defined in section 63(c) of the Internal Revenue Code.

**Subd. 19b. Subtractions from federal taxable income.** For individuals, estates, and trusts, there shall be subtracted from federal taxable income:

(1) interest income on obligations of any authority, commission, or instrumentality of the United States to the extent includable in taxable income for federal income tax purposes but exempt from state income tax under the laws of the United States;

(2) if included in federal taxable income, the amount of any overpayment of income tax to Minnesota or to any other state, for any previous taxable year, whether the amount is received as a refund or as a credit to another taxable year's income tax liability; and

(3) the amount paid to others not to exceed \$650 for each dependent in grades kindergarten to six and \$1,000 for each dependent in grades seven to 12, for tuition, textbooks, and transportation of each dependent in attending an elementary or secondary school situated in Minnesota, North Dakota, South Dakota, Iowa, or Wisconsin, wherein a resident of this state may legally fulfill the state's compulsory attendance

laws, which is not operated for profit, and which adheres to the provisions of the Civil Rights Act of 1964 and chapter 363. As used in this clause, "textbooks" includes books and other instructional materials and equipment used in elementary and secondary schools in teaching only those subjects legally and commonly taught in public elementary and secondary schools in this state. "Textbooks" does not include instructional books and materials used in the teaching of religious tenets, doctrines, or worship, the purpose of which is to instill such tenets, doctrines, or worship, nor does it include books or materials for, or transportation to, extracurricular activities including sporting events, musical or dramatic events, speech activities, driver's education, or similar programs. In order to qualify for the subtraction under this clause the taxpayer must elect to itemize deductions under section 63(e) of the Internal Revenue Code of 1986, as amended through December 31, 1986.

**Subd. 19c. Corporations; additions to federal taxable income.** For corporations, there shall be added to federal taxable income:

(1) the amount of any deduction taken for federal income tax purposes for income, excise, or franchise taxes based on net income or related minimum taxes paid by the corporation to Minnesota, another state, a political subdivision of another state, the District of Columbia, or any foreign country or possession of the United States;

(2) interest upon obligations of: the United States, its possessions, its agencies, or its instrumentalities to the extent the obligations are not subject to federal tax; the state of Minnesota or any other state, any of its political or governmental subdivisions, any of its municipalities, or any of its governmental agencies or instrumentalities; or the District of Columbia;

(3) exempt interest dividends as defined in section 852(b)(5) of the Internal Revenue Code of 1986, as amended through December 31, 1986;

(6) the amount of any special deductions taken for federal income tax purposes under sections 241 to 247 of the Internal Revenue Code of 1986, as amended through December 31, 1986;

(7) losses from the business of mining, as defined in section 290.05, subdivision 1, clause (a), that are not subject to Minnesota income tax;

(8) the amount of any capital losses deducted for federal income tax purposes under sections 1211 and 1212 of the Internal Revenue Code of 1986, as amended through December 31, 1986;

(9) the amount of any charitable contributions deducted for federal income tax purposes under section 170 of the Internal Revenue Code of 1986, as amended through December 31, 1986;

(10) the exempt foreign trade income of a foreign sales corporation under sections 921(a) and 291 of the Internal Revenue Code of 1986, as amended through December 31, 1986;

(11) the amount of percentage depletion deducted under sections 611 through 614 and 291 of the Internal Revenue Code of 1986, as amended through December 31, 1986; and

(12) for certified pollution control facilities placed in service in a taxable year beginning before December 31, 1986, and for which amortization deductions were elected under section 169 of the Internal Revenue Code of 1954, as amended through December 31, 1985, the amount of the amortization deduction allowed in computing federal taxable income for those facilities.

**Subd. 19d. Corporations; modifications decreasing federal taxable income.** For corporations, there shall be subtracted from federal taxable income after the increases provided in subdivision 19c:

(1) the amount of foreign dividend gross-up added to gross income for federal income tax purposes under section 78 of the Internal Revenue Code;

(2) the decrease in salary expense for federal income tax purposes due to claiming the federal jobs credit under section 51 of the Internal Revenue Code;

(3) any dividend (not including any distribution in liquidation) paid within the taxable year by a national or state bank to the United States, or to any instrumentality of the United States exempt from federal income taxes, on the preferred stock of the bank owned by the United States or the instrumentality;

(4) amounts disallowed for intangible drilling costs due to differences between this chapter and the Internal Revenue Code in taxable years beginning before January 1, 1987, as follows:

(i) to the extent the disallowed costs are represented by physical property, an amount equal to the allowance for depreciation under Minnesota Statutes 1986, section 290.09, subdivision 7, subject to the modifications contained in subdivision 19e; and

(ii) to the extent the disallowed costs are not represented by physical property, an amount equal to the allowance for cost depletion under Minnesota Statutes 1986, section 290.09, subdivision 8;

(5) the deduction for capital losses pursuant to sections 1211 and 1212 of the Internal Revenue Code of 1986, as amended through December 31, 1986, except that:

(i) capital loss carrybacks shall not be allowed; and

(ii) a capital loss carryover to each of the 15 taxable years succeeding the loss year shall be allowed;

(6) an amount for interest and expenses relating to income not taxable for federal income tax purposes, if (i) the income is taxable under this chapter and (ii) the interest and expenses were disallowed as deductions under the provisions of section 265 or 291 of the Internal Revenue Code of 1986, as amended through December 31, 1986, in computing federal taxable income;

(7) in the case of mines, oil and gas wells, other natural deposits, and timber for which percentage depletion was disallowed pursuant to subdivision 19c, clause (11), a reasonable allowance for depletion based on actual cost. In the case of leases the deduction must be apportioned between the lessor and lessee in accordance with rules prescribed by the commissioner. In the case of property held in trust, the allowable deduction must be apportioned between the income beneficiaries and the trustee in accordance with the pertinent provisions of the trust, or if there is no provision in the instrument, on the basis of the trust's income allocable to each;

(8) for certified pollution control facilities placed in service in a taxable year beginning before December 31, 1986, and for which amortization deductions were elected under section 169 of the Internal Revenue Code of 1954, as amended through December 31, 1985, an amount equal to the allowance for depreciation under Minnesota Statutes 1986, section 290.09, subdivision 7.

**Subd. 19e. Depreciation modifications for corporations.** In the case of corporations, a modification shall be made for the accelerated cost recovery system. The allowable deduction for the accelerated cost recovery system is the same amount as provided in section 168 of the Internal Revenue Code with the following modifications. The modifications apply to taxable years beginning after December 31, 1986, and to property for which deductions under the Tax Reform Act of 1986, Public Law Number 99-514, are elected or apply.

(a) For property placed in service after December 31, 1980, and before January 1, 1987, 40 percent of the allowance pursuant to section 168 of the Internal Revenue Code of 1954, as amended through December 31, 1985, for 15-, 18-, or 19-year real property shall not be allowed and for all other property 20 percent shall not be allowed.

(b) For property placed in service after December 31, 1987, no modification shall be made.

(c) For property placed in service after July 31, 1986, and before January 1, 1987,

for which the taxpayer elects the deduction pursuant to section 203 of the Tax Reform Act of 1986, Public Law Number 99-514, and for property placed in service after December 31, 1986, and before January 1, 1988, 15 percent of the allowance pursuant to section 168 of the Internal Revenue Code of 1986 shall not be allowed.

(d) For property placed in service after December 31, 1980, and before January 1, 1987, for which the taxpayer elects to use the straight line method provided in section 168(b)(3), (f)(12), or (j)(1) or a method provided in section 168(e)(2) of the Internal Revenue Code of 1986, as amended through December 31, 1986, but excluding property for which the taxpayer elects the deduction pursuant to section 203 of the Tax Reform Act of 1986, Public Law Number 99-514, the modifications provided in paragraph (a) do not apply.

(e) For property subject to the modifications contained in paragraphs (a) and (b) and Minnesota Statutes 1986, section 290.09, subdivision 7, clause (c), the following modification shall be made after the entire amount of the allowable deduction has been allowed for federal tax purposes for that property under the provisions of section 168 of the Internal Revenue Code of 1986, as amended through December 31, 1986. The remaining depreciable basis in those assets for Minnesota purposes, including the amount of any basis reduction to reflect the investment tax credit for federal purposes under sections 48(q) and 49(d) of the Internal Revenue Code of 1986, as amended through December 31, 1986, shall be a depreciation allowance computed using the straight line method over the following number of years:

- (1) three-year property, one year;
- (2) five-year and seven-year property, two years;
- (3) ten-year property, five years; and
- (4) all other property, seven years.

(f) For property placed in service after December 31, 1987, the remaining depreciable basis for Minnesota purposes that is attributable to the basis reduction for federal purposes to reflect the investment tax credit under sections 48(q) and 49(d) of the Internal Revenue Code of 1986, as amended through December 31, 1986, shall be allowed as a deduction in the first taxable year after the entire amount of the allowable deduction for that property under the provisions of section 168 of the Internal Revenue Code of 1986, has been allowed, except that where the straight line method provided in section 168(b)(3) is used, the deduction provided in this clause shall be allowed in the last taxable year in which an allowance for depreciation is allowed for that property.

(g) For qualified timber property for which the taxpayer made an election under section 194 of the Internal Revenue Code of 1986, the remaining depreciable basis for Minnesota purposes is allowed as a deduction in the first taxable year after the entire allowable deduction has been allowed for federal tax purposes.

(h) The basis of property to which section 168 of the Internal Revenue Code applies is its basis as provided in this chapter including the modifications provided in this subdivision and in Minnesota Statutes 1986, section 290.09, subdivision 7, paragraph (c). The recapture tax provisions provided in sections 1245 and 1250 of the Internal Revenue Code of 1986, as amended through December 31, 1986, apply but must be calculated using the basis provided in the preceding sentence.

(i) The basis of an asset acquired in an exchange of assets, including an involuntary conversion, is the same as its federal basis under the provisions of the Internal Revenue Code of 1986, except that the difference in basis due to the modifications in this subdivision and in Minnesota Statutes 1986, section 290.09, subdivision 7, paragraph (c), is a deduction as provided in paragraph (e).

**Subd. 19f. Basis modifications affecting gain or loss on disposition of property.** (a) For individuals, estates, and trusts, the basis of property is its adjusted basis for federal income tax purposes except as set forth in paragraphs (f) and (g). For corporations, the basis of property is its adjusted basis for federal income tax purposes, without regard to the time when the property became subject to tax under this chapter or to whether out-of-state losses or items of tax preference with respect to the property were not

deductible under this chapter, except that the modifications to the basis for federal income tax purposes set forth in paragraphs (b) to (j) are allowed to corporations, and the resulting modifications to federal taxable income must be made in the year in which gain or loss on the sale or other disposition of property is recognized.

(b) The basis of property shall not be reduced to reflect federal investment tax credit.

(c) The basis of property subject to the accelerated cost recovery system under section 168 of the Internal Revenue Code shall be modified to reflect the modifications in depreciation with respect to the property provided for in subdivision 19e. For certified pollution control facilities for which amortization deductions were elected under section 169 of the Internal Revenue Code of 1954, the basis of the property must be increased by the amount of the amortization deduction not previously allowed under this chapter.

(d) For property acquired before January 1, 1933, the basis for computing a gain is the fair market value of the property as of that date. The basis for determining a loss is the cost of the property to the taxpayer less any depreciation, amortization, or depletion, actually sustained before that date. If the adjusted cost exceeds the fair market value of the property, then the basis is the adjusted cost regardless of whether there is a gain or loss.

(e) The basis is reduced by the allowance for amortization of bond premium if an election to amortize was made pursuant to Minnesota Statutes 1986, section 290.09, subdivision 13, and the allowance could have been deducted by the taxpayer under this chapter during the period of the taxpayer's ownership of the property.

(f) For assets placed in service before January 1, 1987, corporations, partnerships, or individuals engaged in the business of mining ores other than iron ore or taconite concentrates subject to the occupation tax under chapter 298 must use the occupation tax basis of property used in that business.

(g) For assets placed in service before January 1, 1990, corporations, partnerships, or individuals engaged in the business of mining iron ore or taconite concentrates subject to the occupation tax under chapter 298 must use the occupation tax basis of property used in that business.

(h) In applying the provisions of sections 301(c)(3)(B), 312(f) and (g), and 316(a)(1) of the Internal Revenue Code of 1986, as amended through December 31, 1986, the dates December 31, 1932, and January 1, 1933, shall be substituted for February 28, 1913, and March 1, 1913, respectively.

(i) In applying the provisions of section 362(a) and (c) of the Internal Revenue Code of 1986, as amended through December 31, 1986, the date December 31, 1956, shall be substituted for June 22, 1954.

(j) The basis of property shall be increased by the amount of intangible drilling costs not previously allowed due to differences between this chapter and the Internal Revenue Code.

(k) The adjusted basis of any corporate partner's interest in a partnership is the same as the adjusted basis for federal income tax purposes modified as required to reflect the basis modifications set forth in paragraphs (b) to (j). The adjusted basis of a partnership in which the partner is an individual, estate, or trust is the same as the adjusted basis for federal income tax purposes modified as required to reflect the basis modifications set forth in paragraphs (f) and (g).

(l) The modifications contained in paragraphs (b) to (j) also apply to the basis of property that is determined by reference to the basis of the same property in the hands of a different taxpayer or by reference to the basis of different property.

**Subd. 20. Gross income.** For tax years beginning after December 31, 1986, the term "gross income" means the gross income as defined in section 61 of the Internal Revenue Code of 1986, as amended through the date named in subdivision 19 for the applicable taxable year, plus any additional items of income taxable under this chapter but not taxable under the Internal Revenue Code, less any items included in federal

gross income but of a character exempt from state income tax under the laws of the United States. For tax years beginning before January 1, 1987, except as otherwise provided in this chapter, the term "gross income," as applied to corporations includes every kind of compensation for labor or personal services of every kind from any private or public employment, office, position or services; income derived from the ownership or use of property; gains or profits derived from every kind of disposition of, or every kind of dealing in, property; income derived from the transaction of any trade or business; and income derived from any source.

For tax years beginning before January 1, 1987, the term "gross income" in its application to individuals, estates, and trusts shall mean the adjusted gross income as defined in the Internal Revenue Code of 1954, as amended through the date specified herein for the applicable taxable year, with the modifications specified in this subdivision and in Minnesota Statutes 1986, section 290.01, subdivisions 20a to 20f. For estates and trusts the adjusted gross income for purposes of the preceding sentence shall be their federal taxable income as defined in the Internal Revenue Code of 1954, as amended through the date specified herein for the applicable taxable year, with the modifications specified in this subdivision and in Minnesota Statutes 1986, section 290.01, subdivisions 20a to 20f.

(i) The Internal Revenue Code of 1954, as amended through December 31, 1981, shall be in effect for taxable years beginning after December 31, 1981. The provisions of sections 205(a), 214 to 222, 231, 232, 236, 247, 251, 252, 253, 265, 266, 285, 288, and 335 of the Tax Equity and Fiscal Responsibility Act of 1982, Public Law Number 97-248, section 6(b)(2) and (3) of the Subchapter S Revision Act of 1982, Public Law Number 97-354, section 517 of Public Law Number 97-424, sections 101(c) and (d), 102(a), (aa), (f)(4), (g), (j), (l), 103(c), 104(b)(3), 105, 305(d), 306(a)(9) of Public Law Number 97-448, sections 101 and 102 of Public Law Number 97-473, and section 243 of the Tax Reform Act of 1986, Public Law Number 99-514, shall be effective at the same time that they become effective for federal income tax purposes. The Payment-in-Kind Tax Treatment Act of 1983, Public Law Number 98-4, shall be effective at the same time that it becomes effective for federal income tax purposes.

(ii) The Internal Revenue Code of 1954, as amended through January 15, 1983, shall be in effect for taxable years beginning after December 31, 1982. (d) In lieu of a tax computed according to the rates set forth in this subdivision, the tax of any individual taxpayer whose taxable net income for the taxable year is less than an amount determined by the commissioner must be computed in accordance with tables prepared and issued by the commissioner of revenue based on income brackets of not more than \$100. The amount of tax for each bracket shall be computed at the rates set forth in this subdivision, provided that the commissioner may disregard a fractional part of a dollar unless it amounts to 50 cents or more, in which case it may be increased to \$1.

(e) An individual who is not a Minnesota resident for the entire year must compute the individual's Minnesota income tax as provided in this subdivision. After the application of the nonrefundable credits provided in this chapter, the tax liability must then be multiplied by a fraction in which:

(1) The numerator is the individual's Minnesota sourced federal adjusted gross income as defined in section 62 of the Internal Revenue Code of 1986, as amended through December 31, 1986, after applying the allocation and assignability provisions of section 290.081, clause (a), or 290.17; and

**Subd. 2d. Inflation adjustment of brackets.** (a) For taxable years beginning after December 31, 1990, the minimum and maximum dollar amounts for each rate bracket for which a tax is imposed in subdivision 2c shall be adjusted for inflation by the percentage determined under paragraph (b). For the purpose of making the adjustment as provided in this subdivision all of the rate brackets provided in subdivision 2c shall be the rate brackets as they existed for taxable years beginning after December 31, 1987, and before January 1, 1991. The rate applicable to any rate bracket must not be changed. The dollar amounts setting forth the tax shall be adjusted to reflect the changes in the rate brackets. The rate brackets as adjusted must be rounded to the nearest \$10 amount. If the rate bracket ends in \$5, it must be rounded up to the nearest \$10 amount.

(b) The commissioner shall adjust the rate brackets by the percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code of 1986, as amended through December 31, 1986, except that in section 1(f)(3)(B) the word "1989" shall be substituted for the word "1987." For 1991, the commissioner shall then determine the percent change from the 12 months ending on August 31, 1989, to the 12 months ending on August 31, 1990, and in each subsequent year, from the 12 months ending on August 31, 1989, to the 12 months ending on August 31 of the year preceding the taxable year. The determination of the commissioner pursuant to this subdivision shall not be considered a "rule" and shall not be subject to the administrative procedure act contained in chapter 14.

No later than December 15 of each year, the commissioner shall announce the specific percentage that will be used to adjust the tax rate brackets.

Subd. 20. **Elderly and disabled persons.** An individual may take a credit against the tax due under this chapter equal to 40 percent of the credit for which the individual qualifies under section 22 of the Internal Revenue Code of 1986, as amended through December 31, 1986.

Subd. 21. **Alternative minimum tax.** (a) A corporation is allowed a credit for alternative minimum tax previously paid for any taxable year in which the corporation has no tax liability under section 290.092, and has an alternative minimum tax credit carryover from a previous year. The credit shall be equal to the lesser of (1) the excess of the tax under section 290.06 for the taxable year over the amount computed under section 290.092, subdivision 1, clause (a), for the taxable year, or (2) the alternative minimum tax credit carryover to the taxable year.

(b) The tax imposed under section 290.092 for any taxable year is a credit for alternative minimum tax previously paid which is a carryover to each of the five taxable years succeeding the taxable year. The entire amount of the alternative minimum tax credit must be carried to the earliest of the taxable years to which such amount may be carried. The portion of the alternative minimum tax credit which is carried to each of the other taxable years to which the credit may be carried is the excess, if any, of the credit over the amount allowable under paragraph (a) for each of the taxable years to which the credit may be carried. In each taxable year in which a credit is allowable under paragraph (a), the credit for alternative minimum tax previously paid must be used beginning with the earliest taxable year from which the credit may be carried.

Subd. 2. **Limitations.** The credit for expenses incurred for the care of each dependent shall not exceed \$720 in any taxable year, and the total credit for all dependents of a claimant shall not exceed \$1,440 in a taxable year. The maximum total credit shall be reduced according to the amount of the income of the claimant and a spouse, if any, as follows:

income up to \$12,200, \$720 maximum for one dependent, \$1,440 for all dependents;

income over \$12,200, the maximum credit for one dependent shall be reduced by \$12 for every \$200 of additional income, \$24 for all dependents;

for income of \$24,001 and over, no credit shall be received.

The commissioner shall construct and make available to taxpayers tables showing the amount of the credit at various levels of income and expenses. (v) any pension or annuity (including railroad retirement benefits, all payments received under the federal Social Security Act, supplemental security income, and veterans benefits), which was not exclusively funded by the claimant or spouse, or which was funded exclusively by the claimant or spouse and which funding payments were excluded from federal adjusted gross income in the years when the payments were made;

(vi) interest received from the federal or a state government or any instrumentality or political subdivision thereof;

(vii) workers' compensation;

(viii) nontaxable strike benefits;

(ix) the gross amounts of payments received in the nature of disability income or sick pay as a result of accident, sickness, or other disability, whether funded through insurance or otherwise;

## **290.068 CREDIT FOR RESEARCH AND EXPERIMENTAL EXPENDITURES.**

Subdivision 1. **Credit allowed.** A corporation, other than a corporation with a valid election in effect under section 290.9725, is allowed a credit against the tax imposed by this chapter for the taxable year equal to:

(a) 5 percent of the first \$2 million of the excess (if any) of

(1) the qualified research expenses for the taxable year, over

(2) the base period research expenses; and

(b) 2.5 percent on all of such excess expenses over \$2 million.

**Subd. 2. Definitions.** For purposes of this section, the following terms have the meanings given.

(a) "Qualified research expenses" means (i) qualified research expenses as defined in section 41(b) and (e) of the Internal Revenue Code, except it shall not include expenses incurred for basic research conducted outside the state of Minnesota pursuant to section 41(e); or (ii) contributions to a nonprofit corporation established and operated pursuant to the provisions of chapter 317 for the purpose of promoting the establishment and expansion of business in this state, provided the contributions are invested by the nonprofit corporation for the purpose of providing funds for small, technologically innovative enterprises in Minnesota during the early stages of their development.

(b) "Qualified research" means qualified research as defined in section 41(d) of the Internal Revenue Code, except that the term shall not include qualified research conducted outside the state of Minnesota.

(c) "Base period research expenses" means base period research expenses as defined in section 41(c) of the Internal Revenue Code, except that "December 31, 1981" shall be substituted for "June 30, 1981" in subparagraph (B) of paragraph (2) and the definitions contained in clauses (a) and (b) shall apply.

(d) "Internal Revenue Code" means the Internal Revenue Code of 1986, as amended through December 31, 1986.

**Subd. 3. Limitation; carryover.** (a)(1) The credit for the taxable year shall not exceed the liability for tax. "Liability for tax" for purposes of this section means the tax imposed under this chapter for the taxable year reduced by the sum of the nonrefundable credits allowed under this chapter.

(2) In the case of a corporation which is a partner in a partnership, the credit allowed for the taxable year shall not exceed the lesser of the amount determined under clause (1) for the taxable year or an amount (separately computed with respect to the corporation's interest in the trade or business or entity) equal to the amount of tax attributable to that portion of taxable income which is allocable or apportionable to the corporation's interest in the trade or business or entity.

(b) If the amount of the credit determined under this section for any taxable year exceeds the limitation under clause (a), the excess shall be a research credit carryover to each of the 15 succeeding taxable years. The entire amount of the excess unused credit for the taxable year shall be carried first to the earliest of the taxable years to which the credit may be carried and then to each successive year to which the credit may be carried. The amount of the unused credit which may be added under this clause shall not exceed the taxpayer's liability for tax less the research credit for the taxable year.

**Subd. 4. Partnerships.** In the case of partnerships the credit shall be allocated in the same manner provided by section 41(f)(2) of the Internal Revenue Code.

**Subd. 5. Adjustments; acquisitions and dispositions.** If a taxpayer acquires or disposes of the major portion of a trade or business or the major portion of a separate unit of a trade or business in a transaction with another taxpayer, the taxpayer's qualified research expenses and base period shall be adjusted in the same manner provided by section 41(f)(3) of the Internal Revenue Code, except that "December 31, 1980" shall be substituted for "June 30, 1980."

**Subd. 6. Additional credit.** (a) For taxable years beginning after December 31, 1986, and before January 1, 1988, in addition to the credit allowed by subdivision 1, a credit shall be allowed against the tax imposed by this chapter for the taxable year equal to five percent of the amount of qualified research expenses paid or incurred for qualified research performed by a Minnesota-domiciled corporation for or on behalf of one or more of its wholly-owned subsidiary corporations which has in effect during the taxable year a valid election under section 936 of the Internal Revenue Code, including any expenses paid or incurred that are attributable to a wholly-owned subsidiary corporation by reason of paragraph (h) of section 936 for purposes of determining each corporation's combined taxable income.

(b) The maximum credit allowed by clause (a) for the taxable year shall be the excess of

(1) the total amount of tax imposed by this chapter on all members of the unitary group for the taxable year, over

(2) the sum of (A) the total amount of tax which would be imposed on the unitary group, if the corporation or corporations with valid elections under section 936 of the Internal Revenue Code were excluded from the unitary group, plus (B) the tax, if any, which would be imposed on the corporation or corporations with valid elections under section 936 of the Internal Revenue Code without regard to the other members of the unitary group.

(c)(1) If the amount of the credit determined under clause (a) for any taxable year exceeds the limitation provided in clause (b), the excess shall be a research credit carryover to each of the 15 succeeding taxable years. The entire amount of the excess unused credit for the taxable year shall be carried first to the earliest of the taxable years to which the credit may be carried and then to each successive year to which the credit may be carried.

(2) The amount of the unused credit which may be added under subparagraph (1) for any preceding taxable year shall not exceed the amount by which the limitation provided by clause (b) for the taxable year exceeds the sum of

(i) the credit allowable under this subdivision for the taxable year, and

(ii) the amounts, which, by reason of subparagraph (1), are added to the amount allowable for the taxable year and which are attributable to taxable years preceding the taxable year in which an excess credit arises.

Subd. 2a. **Recapture; technology transfer credit.** (a) A corporation which receives a tax reduction pursuant to Minnesota Statutes 1986, section 290.069, subdivision 2, shall repay to the commissioner an amount of the tax reduction as specified in paragraph (b) if any of the following conditions occur within a three-year period after the date of transfer of the technology.

(1) The transferee ceases operations in the technology corridor project area.

(2) The transferee becomes a subsidiary or affiliate of the transferor.

(3) The transferee sells, transfers, or otherwise disposes of the rights to technology.

(4) The transferee fails to make the necessary payments or expenditures required by Minnesota Statutes 1986, section 290.069, subdivision 2, paragraph (g).

(5) The transferee grants an interest to the transferor in violation of Minnesota Statutes 1986, section 290.069, subdivision 2, paragraph (h).

(b) The amount of the repayment is determined pursuant to the following schedule:

Subd. 4b. **Multistate businesses.** If a qualified small business is engaged in a

business partly within and partly without the state, the credit allowable pursuant to subdivision 2 for technology transferred to the business must be apportioned. The credit determined pursuant to Minnesota Statutes 1986, section 290.069, subdivision 2, must be multiplied by the arithmetical average of the qualified small business' property and payrolls, determined as provided by section 290.19, subdivision 1, clauses (2)(a)(2) and (2)(a)(3), using data from the most recently available year. After the technology is transferred, the qualified small business shall certify to the transferor taxpayer its factors under section 290.19, subdivision 1, clauses (2)(a)(2) and (2)(a)(3) for each of the succeeding two tax years. If the factors for either of these years would result in at least a 25 percent change in the allowable credit, the taxpayer shall file an amended return repaying or claiming the difference in the credit. The preceding sentence does not apply if the qualified small business ceases operations in Minnesota and the recapture provisions of subdivision 2a or 4a apply.

Subdivision 1. **Inclusion in gross income.** Notwithstanding any other provision of law, income in respect of a decedent set forth in section 691(a) of the Internal Revenue Code of 1986, as amended through December 31, 1986, shall be included in the gross income of the estate in the year any right to receive it is transferred to a nonresident by the personal representative of an estate. The fair market value of the right at the date of the transfer shall be included in the gross income of the estate for the year in which the transfer occurs and the value of the right shall not be allowed as a deduction in computing the taxable net income of the estate. A bond required under clause (2) shall be considered sufficient if in an amount equivalent to the tax that would be due if the method provided in clause (1) were followed.

**290.081 INCOME OF NONRESIDENTS, RECIPROCITY; CREDIT FOR TAXES PAID TO ANOTHER STATE.**

(a) The compensation received for the performance of personal or professional services within this state by an individual whose residence, place of abode, and place customarily returned to at least once a month is in another state, shall be excluded from gross income to the extent such compensation is subject to an income tax imposed by the state of residence; provided that such state allows a similar exclusion of compensation received by residents of Minnesota for services performed therein, or

(b) If any taxpayer who is a resident of this state, or a domestic corporation or corporation commercially domiciled therein, has become liable for taxes on or measured by net income to another state or a province or territory of Canada upon, if the taxpayer is an individual, or if the taxpayer is an athletic team and all of the team's income is apportioned to Minnesota, any income, or if it is a corporation, estate, or trust, upon income derived from the performance of personal or professional services within such other state or province or territory of Canada and subject to taxation under this chapter the taxpayer shall be entitled to a credit against the amount of taxes payable under this chapter, of such proportion thereof, as such gross income subject to taxation in such state or province or territory of Canada bears to the taxpayer's entire gross income subject to taxation under this chapter; provided (1) that such credit shall in no event exceed the amount of tax so paid to such other state or province or territory of Canada on the gross income earned within such other state or province or territory of Canada and subject to taxation under this chapter, and (2) the allowance of such credit shall not operate to reduce the taxes payable under this chapter to an amount less than would have been payable if the gross income earned in such other state or province or territory of Canada had been excluded in computing net income under this chapter. A taxpayer who is a resident of this state pursuant to section 290.01, subdivision 7a, clause (2), and is subject to income tax as a resident in the state of the individual's domicile is not allowed this credit unless the state of domicile does not allow a similar credit.

(c) The commissioner shall by rule determine with respect to gross income earned in any other state the applicable clause of this section. When it is deemed to be in the best interests of the people of this state, the commissioner may determine that the provisions of clause (a) shall not apply. As long as the provisions of clause (a) apply between Minnesota and Wisconsin, the provisions of clause (a) shall apply to any individual who is domiciled in Wisconsin.

(d) "Tax So Paid" as used in this section means taxes on or measured by net income payable to another state or province or territory of Canada on income earned within the taxable year for which the credit is claimed, provided that such tax is actually paid in that taxable year, or subsequent taxable years.

For purposes of clause (b), where a Minnesota resident reported an item of income to Minnesota and is assessed tax in another state or a province or territory of Canada on that same item of income after the Minnesota statute of limitations has expired, the taxpayer shall be allowed to receive a credit for that year based on clause (b), notwithstanding the provisions of sections 290.49, 290.50, and 290.56. For purposes of the preceding sentence, the burden of proof shall be on the taxpayer to show entitlement to a credit.

(e) For the purposes of clause (a), whenever the Wisconsin tax on Minnesota residents which would have been paid Wisconsin without clause (a) exceeds the Minnesota tax on Wisconsin residents which would have been paid Minnesota without clause (a), or vice versa, then the state with the net revenue loss resulting from clause (a) shall receive from the other state the amount of such loss. This provision shall be effective for all years beginning after December 31, 1972. The data used for computing the loss to either state shall be determined on or before September 30 of the year following the close of the previous calendar year.

Interest shall be payable on all delinquent balances relating to taxable years beginning after December 31, 1977. The commissioner of revenue is authorized to

enter into agreements with the state of Wisconsin specifying the reciprocity payment due date, conditions constituting delinquency, interest rates, and a method for computing interest due on any delinquent amounts.

If an agreement cannot be reached as to the amount of the loss, the commissioner of revenue and the taxing official of the state of Wisconsin shall each appoint a member of a board of arbitration and these members shall appoint the third member of the board. The board shall select one of its members as chair. Such board may administer oaths, take testimony, subpoena witnesses, and require their attendance, require the production of books, papers and documents, and hold hearings at such places as are deemed necessary. The board shall then make a determination as to the amount to be paid the other state which determination shall be final and conclusive.

Notwithstanding the provisions of section 290.61, the commissioner may furnish copies of returns, reports, or other information to the taxing official of the state of Wisconsin, a member of the board of arbitration, or a consultant under joint contract with the states of Minnesota and Wisconsin for the purpose of making a determination as to the amount to be paid the other state under the provisions of this section. Prior to the release of any information under the provisions of this section, the person to whom the information is to be released shall sign an agreement which provides that the person will protect the confidentiality of the returns and information revealed thereby to the extent that it is protected under the laws of the state of Minnesota.

## **290.091 ALTERNATIVE MINIMUM TAX ON PREFERENCE ITEMS.**

**Subdivision 1. Imposition of tax.** In addition to all other taxes imposed by this chapter a tax is imposed on individuals, estates, and trusts equal to the excess (if any) of

- (a) an amount equal to six percent of alternative minimum taxable income after subtracting the exemption amount, over
- (b) the regular tax for the taxable year.

**Subd. 2. Definitions.** For purposes of the tax imposed by this section, the following terms have the meanings given:

(a) "Alternative minimum taxable income" means the sum of the following for the taxable year:

(1) the taxpayer's federal alternative minimum taxable income as defined in section 55(b)(2) of the Internal Revenue Code;

(2) the taxpayer's itemized deductions allowed in computing federal alternative minimum taxable income, but excluding the portion of the charitable contribution deduction that constitutes an item of tax preference under section 57(a)(6) of the Internal Revenue Code;

(3) to the extent not included in federal alternative minimum taxable income, the amount of interest income as provided by section 290.01, subdivision 19a, clause (1); less the sum of

- (i) interest income as defined in section 290.01, subdivision 19b, clause (1);
- (ii) an overpayment of state income tax as provided by section 290.01, subdivision 19b, clause (2); and
- (iii) the amount of investment interest paid or accrued within the taxable year on indebtedness to the extent that the amount does not exceed net investment income, as defined in section 163(d)(4) of the Internal Revenue Code. Interest does not include amounts deducted in computing federal adjusted gross income.

In the case of an estate or trust, alternative minimum taxable income must be computed as provided in section 59(c) of the Internal Revenue Code.

(b) "Internal Revenue Code" means the Internal Revenue Code of 1986, as amended through December 31, 1986.

(c) "Investment interest" means investment interest as defined in section 163(d)(3) of the Internal Revenue Code.

(d) "Regular tax" means the tax that would be imposed under this chapter (without regard to this section and section 290.032), reduced by the sum of the nonrefundable credits allowed under this chapter.

**Subd. 3. Exemption amount.** For purposes of computing the alternative minimum tax, the exemption amount is the exemption determined under section 55(d) of the Internal Revenue Code, except that alternative minimum taxable income as determined under this section must be substituted in the computation of the phase out under section 55(d)(3).

**Subd. 4. Part year residents; estates and trusts.** (a) An individual who is not a Minnesota resident for the entire year must compute alternative minimum tax liability using a regular tax liability determined under section 290.06, subdivision 2c, paragraph (e), without regard to the provision for allocation to Minnesota. The resulting alternative minimum tax liability must be multiplied by the fraction defined in section 290.06, subdivision 2c, paragraph (e).

(b) In the case of an estate or trust, the alternative minimum tax liability must be computed by multiplying alternative minimum taxable income and the exemption amount by a fraction, the numerator of which is the amount of the taxpayer's alternative minimum taxable income allocated to this state pursuant to the provisions of sections 290.17 to 290.20, and the denominator of which is the taxpayer's total alternative minimum taxable income.

**Subd. 5. Tax benefit rule.** The tax benefit rule contained in section 59(g) of the Internal Revenue Code applies to the computation of the tax under this section only to the extent that it determines if there is an item of tax preference for purposes of subdivision 2, clause (a)(1).

## 290.092 ALTERNATIVE MINIMUM TAX FOR CORPORATIONS.

**Subdivision 1. Imposition of tax.** For taxable years beginning after December 31, 1986, and before January 1, 1990, in addition to the taxes computed under this chapter without regard to this section, the franchise tax imposed on corporations includes a tax equal to the excess, if any, of:

- (1) .001 multiplied by the alternative minimum tax base, over
- (2) the amount of tax computed under this chapter without regard to this section.

**Subd. 2. Exemptions.** Corporations subject to tax under sections 290.05, subdivision 3; or 60A.15, subdivision 1 and 290.35; real estate investment trusts; regulated investment companies; cooperatives taxable under subchapter T of the Internal Revenue Code of 1986 or organized under chapter 308 or a similar law of another state; and entities having a valid election in effect under section 1362 or 860D(b) of the Internal Revenue Code of 1986, as amended through December 31, 1986, are not subject to the tax imposed in subdivision 1 or subdivision 5.

**Subd. 3. Alternative minimum tax base.** The alternative minimum tax base equals the sum of:

- (1) the total amount of Minnesota sales and receipts;
- (2) the amount of the taxpayer's total Minnesota property; and
- (3) the taxpayer's total Minnesota payrolls;

less the exemption amount, if any.

**Subd. 4. Definitions.** (a) "Minnesota sales and receipts" means the total sales apportioned to Minnesota pursuant to section 290.191, subdivision 5, the total receipts

attributed to Minnesota pursuant to section 290.191, subdivisions 6 to 8, and/or the total sales or receipts apportioned or attributed to Minnesota pursuant to any other apportionment formula applicable to the taxpayer.

(b) "Minnesota property" means total Minnesota tangible property as provided in section 290.191, subdivisions 9 to 11, and any other tangible property located in Minnesota. Intangible property shall not be included in Minnesota property for purposes of this section. Taxpayers who do not utilize tangible property to apportion income shall nevertheless include Minnesota property for purposes of this section. For the first five taxable years during which a corporation is subject to taxation under this chapter, the amount of its Minnesota property and payrolls shall be deemed to be zero for purposes of this section.

(c) "Minnesota payrolls" means total Minnesota payrolls as provided in section 290.191, subdivision 12. Taxpayers who do not utilize payrolls to apportion income shall nevertheless include Minnesota payrolls for purposes of this section.

(d) The "exemption amount" equals the lesser of (1) the sum of the taxpayer's Minnesota sales and receipts, property, and payrolls or (2) \$5,000,000 reduced by one-half of the amount of the taxpayer's total sales and receipts, property, and payrolls in excess of \$10,000,000. Total sales and receipts, property, and payroll means the total determined under section 290.191 as the denominator of the apportionment formula. In the case of a unitary business, the amount must reflect the factors of the entire unitary business as reported on the combined report. A corporation that has as its sole or primary business activity (1) the providing of professional services; (2) operation as a financial institution; (3) sales or management of real estate; or (4) operation as an insurance agency does not have an exemption amount.

**Subd. 5. Imposition of tax after 1989.** For taxable years beginning after December 31, 1989, in addition to the taxes computed under this chapter without regard to this section, the franchise tax imposed on corporations includes a tax equal to the excess, if any, of:

(1) 40 percent of the tax imposed upon the corporation under section 55(a) of the Internal Revenue Code of 1986, as amended through December 31, 1986, apportioned to Minnesota under section 290.191. In computing the amount of the liability under section 55(a) of the Internal Revenue Code of 1986, the regular federal tax liability under section 55(a)(2) of the Internal Revenue Code of 1986, must be determined using federal taxable income as modified by sections 290.01, subdivisions 19c and 19d, 290.095, and 290.21, and alternative minimum taxable income under section 56 of the Internal Revenue Code of 1986 must be computed as if the section 290.095 restrictions on net operating losses applied.

(2) the amount of tax computed under this chapter without regard to this section.

**Subd. 6. Credits.** In computing the tax under this section, the following credits are allowed:

- (1) the enterprise zone credits allowed by section 273.1314, subdivision 9;
- (2) the credits for estimated taxes paid; and
- (3) the research and development credit allowed by section 290.068.

**History:** 1987 c 268 art 1 s 54

(1) a tax computed on the taxable income determined without regard to any items of gross income or deductions properly allocable to the business of the life insurance department, at the rates and in the manner as if this section did not apply; and

(2) a tax computed on the income of the life insurance department determined

without regard to any items of gross income or deductions not properly allocable to the department computed in the manner provided in section 290.35 and at the rate provided in section 290.06.

This section applies only if the life insurance department would, if it were treated as a separate corporation, qualify as a life insurance company under section 816 of the Internal Revenue Code of 1986, as amended through December 31, 1986.

**Subdivision 1. Allowance of deduction.** (a) There shall be allowed as a deduction for the taxable year the amount of any net operating loss deduction as provided in section 172 of the Internal Revenue Code of 1986, as amended through December 31, 1986, subject to the limitations and modifications provided in this section.

(b) A net operating loss deduction shall be available under this section only to corporate taxpayers except that subdivisions 7, 9, and 11 hereof apply only to individuals, estates, and trusts.

**Subd. 2. Defined and limited.** (a) The term "net operating loss" as used in this section shall mean a net operating loss as defined in section 172(c) of the Internal Revenue Code of 1986, as amended through December 31, 1986, with the modifications specified in subdivision 4. The deductions provided in section 290.21 cannot be used in the determination of a net operating loss.

(b) The term "net operating loss deduction" as used in this section means the aggregate of the net operating loss carryovers to the taxable year, computed in accordance with subdivision 3. The provisions of section 172(b) of the Internal Revenue Code of 1986, as amended through December 31, 1986, relating to the carryback of net operating losses, do not apply.

**Subd. 3. Carryover.** (a) A net operating loss for any taxable year shall be a net operating loss carryover to each of the 15 taxable years following the taxable year of such loss.

(b) The entire amount of the net operating loss for any taxable year shall be carried to the earliest of the taxable years to which such loss may be carried. The portion of such loss which shall be carried to each of the other taxable years shall be the excess, if any, of the amount of such loss over the sum of the taxable net income, adjusted by the modifications specified in subdivision 4, for each of the taxable years to which such loss may be carried.

(c) Where a corporation does business both within and without Minnesota, and apportions its income under the provisions of section 290.191, the net operating loss deduction shall be allowed to the extent of the apportionment ratio of the loss year.

(d) No additional net operating loss deduction is allowed in a subsequent taxable year for the portion of a net operating loss deduction used to offset Minnesota income in a year in which the taxpayer is subject to the alternative minimum tax in section 290.092.

**Subd. 4. Computation and modifications.** The following modifications shall be made in computing a net operating loss in any taxable year and also in computing the taxable net income for any taxable year before a net operating loss deduction shall be allowed:

(a) No deduction shall be allowed for or with respect to losses connected with income producing activities if the income therefrom would not be required to be either assignable to this state or included in computing the taxpayer's taxable net income.

(b) A net operating loss deduction shall not be allowed.

(c) The amount deductible on account of losses from sales or exchanges of capital assets shall not exceed the amount includable on account of gains from sales or exchanges of capital assets.

(d) Renegotiation of profits for a prior taxable year under the renegotiation laws

of the United States of America, including renegotiation of the profits with a subcontractor, shall not enter into the computation.

(e) Federal income and excess profits taxes shall not be allowed as a deduction.

*[For text of subd 5, see M.S.1986]*

**Subd. 7. Tentative carryback adjustments.** (a) Application for adjustment. An individual, estate or trust may file an application for a tentative carryback adjustment of the tax for the prior taxable year affected by a loss carryback from any taxable year. The application shall be signed and verified as provided in section 290.37, subdivision 1, and shall be filed on or after the date of filing of the return for the taxable year from which the carryback results and within a period of 12 months from the end of such taxable year, in the manner and form required by rules prescribed by the commissioner. The application shall set forth in such detail and with such supporting data and explanation as such rules shall require:

- (1) the amount of the loss;
- (2) the amount of the tax previously determined for the prior taxable year affected by such carryback;
- (3) the amount of decrease in such tax, attributable to such carryback, such decrease being determined by applying the carryback in the manner provided by law to the items on the basis of which such tax was determined;
- (4) the unpaid amount of such tax;
- (5) such other information for purposes of carrying out the provisions of this subdivision as may be required by such rules.

An application under this subdivision shall not constitute a claim for refund until 90 days from the date on which the application was filed, at which time it will become a claim for refund under the provisions of section 290.50.

(b) Allowance of adjustments. Within a period of 90 days from the date on which an application for a tentative carryback adjustment is filed under (a), or from the last day of the month in which falls the last date prescribed by law (including any extension of time granted the taxpayer) for filing the return for the taxable year from which such carryback results, whichever is the later, the commissioner shall make, to the extent the commissioner deems practicable in such period a limited examination of the application, to discover omissions and errors of computation therein, and shall determine the amount of the decrease in the tax attributable to such carryback upon the basis of the application and the examination, except that the commissioner may disallow, without further action, any application on finding that it contains errors of computation which the commissioner deems cannot be corrected by the commissioner within such 90-day period or material omissions. Such decrease shall be applied against any unpaid amount of tax decreased and any remainder shall, within such 90-day period, be either credited against any tax or installment thereof then due from the taxpayer, or refunded to the taxpayer.

(c) The provisions of this subdivision shall apply to net operating loss carrybacks as provided in subdivision 11; capital loss carrybacks as provided in section 290.01, subdivisions 19, 19a, and 19b; and to any other carrybacks which may be provided in this chapter.

**Subd. 8.** [Repealed, 1987 c 268 art 1 s 127]

**Subd. 9. Special period of limitation with respect to net operating loss carrybacks.** For the purposes of sections 290.46 and 290.50 if the claim for refund relates to an overpayment attributable to a net operating loss carryback under this section, in lieu of the period of limitation prescribed in sections 290.46 and 290.50, the period shall be that period which ends with the expiration of the 15th day of the 46th month following the end of the taxable year of the net operating loss which results in such carryback, plus any extension of time granted for filing the return, but only if the return was filed within the extended time. During this extended period, for taxable years beginning before January 1, 1985, married individuals who elected to file separate returns or a combined return may change their election and file a joint return.

Subd. 10. [Repealed, 1987 c 268 art 1 s 127]

Subd. 11. **Carryback or carryover adjustments.** (a) For individuals, estates, and trusts the amount of a net operating loss that may be carried back or carried over shall be the same dollar amount allowable in the determination of federal taxable income, provided that, notwithstanding any other provision, estates and trusts must apply the following adjustments to the amount of the net operating loss that may be carried back or carried over:

(1) Nonassignable income or losses as required by section 290.17.

(2) Deductions not allocable to Minnesota under section 290.17.

(b) The net operating loss carryback or carryover applied as a deduction in the taxable year to which the net operating loss is carried back or carried over shall be equal to the net operating loss carryback or carryover applied in the taxable year in arriving at federal taxable income provided that trusts and estates must apply the following modifications:

(1) Increase the amount of carryback or carryover applied in the taxable year by the amount of losses and interest, taxes and other expenses not assignable or allowable to Minnesota incurred in the taxable year.

(2) Decrease the amount of carryback or carryover applied in the taxable year by the amount of income not assignable to Minnesota earned in the taxable year. For estates and trusts, the net operating loss carryback or carryover to the next consecutive taxable year shall be the net operating loss carryback or carryover as calculated in clause (b) less the amount applied in the earlier taxable year(s). No additional net operating loss carryback or carryover shall be allowed to estates and trusts if the entire amount has been used to offset Minnesota income in a year earlier than was possible on the federal return. However, if a net operating loss carryback or carryover was allowed to offset federal income in a year earlier than was possible on the Minnesota return, an estate or trust shall still be allowed to offset Minnesota income but only if the loss was assignable to Minnesota in the year the loss occurred.

**History:** 1987 c 268 art 1 s 56-62

## 290.10 NONDEDUCTIBLE ITEMS.

Notwithstanding any other provision of law, in computing the net income of a corporation no deduction shall in any case be allowed for expenses, interest and taxes connected with or allocable against the production or receipt of all income not included in the measure of the tax imposed by this chapter, except that for corporations engaged in the business of mining or producing iron ore, the mining of which is subject to the occupation tax imposed by section 298.01, subdivision 1, this shall not prevent the deduction of expenses and other items to the extent that the expenses and other items are allowable under this chapter and are not deductible, capitalizable, retainable in basis, or taken into account by allowance or otherwise in computing the occupation tax and do not exceed the amounts taken for federal income tax purposes for that year. Occupation taxes imposed under chapter 298, royalty taxes imposed under chapter 299, or depletion expenses may not be deducted under this clause.

In addition to other adjustments provided in this chapter, the adjusted basis of property for federal income tax purposes shall be increased by the amount of accelerated cost recovery system depreciation which was allowed for federal income tax purposes but not allowed for Minnesota income tax purposes under Minnesota Statutes

1986, section 290.01, subdivision 20f or 290.09, subdivision 7, paragraph (A)(c). The basis shall be diminished by the allowance for amortization of bond premium if an election to amortize was made in accordance with Minnesota Statutes 1986, section 290.09, subdivision 13, which could, during the period of the taxpayer's ownership thereof, have been deducted by the taxpayer under this chapter in respect of such property. In addition, if the property was acquired before January 1, 1933, the basis, if other than the fair market value as of such date, shall be diminished by the amount of exhaustion, wear and tear, obsolescence, amortization, or depletion actually sustained before such date. In respect of any period since December 31, 1932, during which property was held by a person or an organization not subject to income taxation under this chapter, the basis of the property is its adjusted basis for federal income tax purposes, except as otherwise provided in this chapter.

**Subd. 2. Income not derived from conduct of a trade or business.** The income of a taxpayer subject to the allocation rules that is not derived from the conduct of a trade or business must be assigned in accordance with paragraphs (a) to (f):

(a)(1) Subject to paragraphs (a)(2) and (a)(3), income from labor or personal or professional services is assigned to this state if, and to the extent that, the labor or services are performed within it; all other income from such sources is treated as income from sources without this state.

(2) In the case of an individual who is a nonresident of Minnesota and who is an athlete or entertainer, income from compensation for labor or personal services performed within this state shall be determined in the following manner:

(i) The amount of income to be assigned to Minnesota for an individual who is a nonresident salaried athletic team employee shall be determined by using a fraction in which the denominator contains the total number of days in which the individual is under a duty to perform for the employer, and the numerator is the total number of those days spent in Minnesota; and

(ii) The amount of income to be assigned to Minnesota for an individual who is a nonresident, and who is an athlete or entertainer not listed in clause (i), for that person's athletic or entertainment performance in Minnesota shall be determined by assigning to this state all income from performances or athletic contests in this state.

(3) For purposes of this section, amounts received by a nonresident from the United States, its agencies or instrumentalities, the Federal Reserve Bank, the state of Minnesota or any of its political or governmental subdivisions, or a Minnesota volunteer firefighters' relief association, by way of payment as a pension, public employee retirement benefit, or any combination of these, or as a retirement or survivor's benefit made from a plan qualifying under section 401, 403, 408, or 409, or as defined in section 403(b) or 457 of the Internal Revenue Code of 1986, as amended through December 31, 1986, are not considered income derived from carrying on a trade or business or from performing personal or professional services in Minnesota, and are not taxable under this chapter.

Gain on the sale of a partnership interest is allocable to this state in the ratio of the original cost of partnership tangible property in this state to the original cost of partnership tangible property everywhere, determined at the time of the sale. If more than 50 percent of the value of the partnership's assets consists of intangibles, gain or loss from the sale of the partnership interest is allocated to this state in accordance with the sales factor of the partnership for its first full tax period immediately preceding the tax period of the partnership during which the partnership interest was sold.

(d) Income from the operation of a farm shall be assigned to this state if the farm is located within this state and to other states only if the farm is not located in this state.

(e) Income from winnings on Minnesota pari-mutuel betting tickets shall be assigned to this state.

**Subd. 3. Trade or business income; general rule.** Income derived from carrying on a trade or business must be assigned to this state if the trade or business is conducted wholly within this state, assigned outside this state if conducted wholly without this state and apportioned between this state and other states and countries under this subdivision if conducted partly within and partly without this state. For purposes of determining whether a trade or business is carried on exclusively within or without this state:

(a) A trade or business physically located exclusively within this state is nevertheless carried on partly within and partly without this state if any of the principles set forth in section 290.191 for the allocation of sales or receipts within or without this state when applied to the taxpayer's situation result in the allocation of any sales or receipts without this state.

(b) A trade or business physically located exclusively without this state is nevertheless carried on partly within and partly without this state if any of the principles set forth in section 290.191 for the allocation of sales or receipts within or without this state when applied to the taxpayer's situation result in the allocation of any sales or receipts without this state. The jurisdiction to tax such a business under this chapter must be determined in accordance with sections 290.014 and 290.015.

**Subd. 4. Unitary business principle.** (a) If a trade or business conducted wholly within this state or partly within and partly without this state is part of a unitary business, the entire income of the unitary business is subject to apportionment pursuant to section 290.191. Notwithstanding subdivision 2, paragraph (c), none of the income of a unitary business is considered to be derived from any particular source and none may be allocated to a particular place except as provided by the applicable apportionment formula. The provisions of this subdivision do not apply to farm income subject to subdivision 5, paragraph (a), business income subject to subdivision 5, paragraph (b) or (c), income of an insurance company determined under section 290.35, or income of an investment company determined under section 290.36.

(b) The term "unitary business" means business activities or operations which are of mutual benefit, dependent upon, or contributory to one another, individually or as a group. The term may be applied within a single legal entity or between multiple entities and without regard to whether each entity is a corporation, a partnership or a trust.

(c) Unity is presumed whenever there is unity of ownership, operation, and use, evidenced by centralized management or executive force, centralized purchasing, advertising, accounting, or other controlled interaction, but the absence of these centralized activities will not necessarily evidence a nonunitary business.

(d) Where a business operation conducted in Minnesota is owned by a business entity that carries on business activity outside the state different in kind from that conducted within this state, and the other business is conducted entirely outside the state, it is presumed that the two business operations are unitary in nature, interrelated, connected, and interdependent unless it can be shown to the contrary.

(e) Unity of ownership is not deemed to exist when a corporation is involved unless that corporation is a member of a group of two or more business entities and more than 50 percent of the voting stock of each member of the group is directly or indirectly owned by a common owner or by common owners, either corporate or noncorporate, or by one or more of the member corporations of the group.

(f) For purposes of determining the net income of a unitary business and the factors to be used in the apportionment of net income pursuant to section 290.191 or 290.20, there must be included only the income and apportionment factors of corporations or other entities created or organized in the United States or under the laws of the United States or of any state, the District of Columbia, the commonwealth of Puerto Rico, any possession of the United States, or any political subdivision of any the foregoing and of any FSC as defined in section 922 of the Internal Revenue Code of 1986, as amended through December 31, 1986, that are determined to be part of the unitary business pursuant to this subdivision, notwithstanding that other corporations

or other entities organized in foreign countries might be included in the unitary business.

(g) Each corporation or other entity that is part of a unitary business must file combined reports as the commissioner determines. On the reports, all intercompany transactions between entities included pursuant to paragraph (f) must be eliminated and the entire net income of the unitary business determined in accordance with this subdivision is apportioned among the entities by using each entity's Minnesota factors for apportionment purposes in the numerators of the apportionment formula and the total factors for apportionment purposes of all entities included pursuant to paragraph (f) in the denominators of the apportionment formula.

**Subd. 5. Special rules.** Notwithstanding subdivisions 3 and 4, all income from the operation of the following types of businesses must be allocated as follows:

(a) All income from the operation of a farm is assigned to this state if the farm is located within this state and no such income is assigned to this state if the farm is located without this state.

(b) Income from a trade or business consisting principally of the performance of personal or professional services is assigned to this state if, and to the extent that, the services are performed within this state.

(c) For athletic teams when the visiting team does not share in the gate receipts, all of the team's income is assigned to the state in which the team's operation is based.

**Subd. 6. Nonbusiness income.** For a trade or business for which allocation of income within and without this state is required, if the taxpayer has any income not connected with the trade or business carried on partly within and partly without this state that income must be allocated under subdivision 2. Intangible property is employed in a trade or business if the owner of the property holds it as a means of furthering the trade or business.

#### Organization and Management.

1. (a) The multistate tax commission is hereby established. If there is more than one such agency the state shall provide by law for the selection of the commission member from the heads of the relevant agencies. State law may

provide that a member of the commission be represented by an alternate but only if there is on file with the commission written notification of the designation and identity of the alternate. The attorney general of each party state or his designee, or other counsel if the laws of the party state specifically provide, shall be entitled to attend the meetings of the commission, but shall not vote. Such attorneys general, designees, or other counsel shall receive all notices of meetings required under paragraph 1(e) of this article.

(b) Each party state shall provide by law for the selection of representatives from its subdivisions affected by this compact to consult with the commission member from that state.

(c) Each member shall be entitled to one vote. The commission shall not act unless a majority of the members are present, and no action shall be binding unless approved by a majority of the total number of members.

(d) The commission shall adopt an official seal to be used as it may provide.

(e) The commission shall hold an annual meeting and such other regular meetings as its bylaws may provide and such special meetings as its executive committee may determine. The commission bylaws shall specify the dates of the annual and any other regular meetings, and shall provide for the giving of notice of annual, regular and special meetings. Notices of special meetings shall include the reasons therefor and an agenda of the items to be considered.

(f) The commission shall elect annually, from among its members, a chairman, a vice-chairman and a treasurer. The commission shall appoint an executive director who shall serve at its pleasure, and it shall fix his duties and compensation. The executive director shall be secretary of the commission. The commission shall make provision for the bonding of such of its officers and employees as it may deem appropriate.

(g) Irrespective of the civil service, personnel or other merit system laws of any party state, the executive director shall appoint or discharge such personnel as may be necessary for the performance of the functions of the commission and shall fix their duties and compensation. The commission bylaws shall provide for personnel policies and programs.

(h) The commission may borrow, accept or contract for the services of personnel from any state, the United States, or any other governmental entity.

(i) The commission may accept for any of its purposes and functions any and all donations and grants of money, equipment, supplies, materials and services, conditional or otherwise, from any governmental entity, and may utilize and dispose of the same.

(j) The commission may establish one or more offices for the transacting of its business.

(k) The commission shall adopt bylaws for the conduct of its business. The commission shall publish its bylaws in convenient form, and shall file a copy of the bylaws and any amendments thereto with the appropriate agency or officer in each of the party states.

(l) The commission annually shall make to the governor and legislature of each party state a report covering its activities for the preceding year. Any donation or grant accepted by the commission or services borrowed shall be reported in the annual report of the commission, and shall include the nature, amount and conditions, if any, of the donation, gift, grant or services borrowed and the identity of the donor or lender. The commission may make additional reports as it may deem desirable.

#### Committees.

2. (a) To assist in the conduct of its business when the full commission is not meeting, the commission shall have an executive committee of seven members, including the chairman, vice chairman, treasurer and four other members elected annually by the commission. The executive committee, subject to the provisions of this compact

and consistent with the policies of the commission, shall function as provided in the bylaws of the commission.

(b) The commission may establish advisory and technical committees, membership on which may include private persons and public officials, in furthering any of its activities. Such committees may consider any matter of concern to the commission, including problems of special interest to any party state and problems dealing with particular types of taxes.

(c) The commission may establish such additional committees as its bylaws may provide.

#### Powers.

3. In addition to powers conferred elsewhere in this compact, the commission shall have power to:

(a) Study state and local tax systems and particular types of state and local taxes.

(b) Develop and recommend proposals for an increase in uniformity or compatibility of state and local tax laws with a view toward encouraging the simplification and improvement of state and local tax law and administration.

(c) Compile and publish information as in its judgment would assist the party states in implementation of the compact and taxpayers in complying with state and local tax laws.

(d) Do all things necessary and incidental to the administration of its functions pursuant to this compact.

#### Finance.

4. (a) The commission shall submit to the governor or designated officer or officers of each party state a budget of its estimated expenditures for such period as may be required by the laws of that state for presentation to the legislature thereof.

(b) Each of the commission's budgets of estimated expenditures shall contain specific recommendations of the amounts to be appropriated by each of the party states. The total amount of appropriations requested under any such budget shall be apportioned among the party states as follows: one-tenth in equal shares; and the remainder in proportion to the amount of revenue collected by each party state and its subdivisions from income taxes, capital stock taxes, gross receipts taxes, sales and use taxes. In determining such amounts, the commission shall employ such available public sources of information as, in its judgment, present the most equitable and accurate comparisons among the party states. Each of the commission's budgets of estimated expenditures and requests for appropriations shall indicate the sources used in obtaining information employed in applying the formula contained in this paragraph.

(c) The commission shall not pledge the credit of any party state. The commission may meet any of its obligations in whole or in part with funds available to it under paragraph 1(i) of this article, provided that the commission takes specific action setting aside such funds prior to incurring any obligation to be met in whole or in part in such manner. Except where the commission makes use of funds available to it under paragraph 1(i), the commission shall not incur any obligation prior to the allotment of funds by the party states adequate to meet the same.

(d) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its bylaws. All receipts and disbursements of funds handled by the commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the commission.

(e) The accounts of the commission shall be open at any reasonable time for inspection by duly constituted officers of the party states and by any persons authorized by the commission.

(f) Nothing contained in this article shall be construed to prevent commission compliance with laws relating to audit or inspection of accounts by or on behalf of any government contributing to the support of the commission.

#### Article VII. Uniform Regulations and Forms.

1. Whenever any two or more party states, or subdivisions of party states, have uniform or similar provisions of law relating to an income tax, capital stock tax, gross receipts tax, sales or use tax, the commission may adopt uniform regulations for any phase of the administration of such law, including assertion of jurisdiction to tax, or prescribing uniform tax forms.

2. Prior to the adoption of any regulation, the commission shall:

(a) As provided in its bylaws, hold at least one public hearing on due notice to all affected party states and subdivisions thereof and to all taxpayers and other persons who have made timely request of the commission for advance notice of its regulation-making proceedings.

(b) Afford all affected party states and subdivisions and interested persons an opportunity to submit relevant written data and views, which shall be considered fully by the commission.

3. The commission shall submit any regulations adopted by it to the appropriate officials of all party states and subdivisions to which they might apply. Each such state and subdivision shall consider any such regulation for adoption in accordance with its own laws and procedures.

#### Article VIII. Interstate Audits.

1. Any party state or subdivision thereof desiring to make or participate in an audit of any accounts, books, papers, records or other documents may request the commission to perform the audit on its behalf. In responding to the request, the commission shall have access to and may examine, at any reasonable time, such accounts, books, papers, records, and other documents and any relevant property or stock of merchandise. The commission may enter into agreements with party states or their subdivisions for assistance in performance of the audit. The commission shall make charges, to be paid by the state or local government or governments for which it performs the service, for any audits performed by it in order to reimburse itself for the actual costs incurred in making the audit.

2. The commission may require the attendance of any person within the state where it is conducting an audit or part thereof at a time and place fixed by it within such state for the purpose of giving testimony with respect to any account, book, paper, document, other record, property or stock of merchandise being examined in connection with the audit. If the person is not within the jurisdiction, he may be required to attend for such purpose at any time and place fixed by the commission within the state of which he is a resident, provided that such state has adopted this article.

3. The commission may apply to any court having power to issue compulsory process for orders in aid of its powers and responsibilities pursuant to this article and any and all such courts shall have jurisdiction to issue such orders. Failure of any person to obey any such order shall be punishable as contempt of the issuing court. If the party or subject matter on account of which the commission seeks an order is within the jurisdiction of the court to which application is made, such application may be to a court in the state or subdivision on behalf of which the audit is being made or a court in the state in which the object of the order being sought is situated. The provisions of this paragraph apply only to courts in a state that has adopted this article.

4. The commission may decline to perform any audit requested if it finds that its available personnel or other resources are insufficient for the purpose or that, in the terms requested, the audit is impracticable of satisfactory performance. If the commission, on the basis of its experience, has reason to believe that an audit of a particular

taxpayer, either at a particular time or on a particular schedule, would be of interest to a number of party states or their subdivisions, it may offer to make the audit or audits, the offer to be contingent on sufficient participation therein as determined by the commission.

5. Information obtained by any audit pursuant to this article shall be confidential and available only for tax purposes to party states, their subdivisions or the United States. Availability of information shall be in accordance with the laws of the states or subdivisions on whose account the commission performs the audit, and only through the appropriate agencies or officers of such states or subdivisions. Nothing in this article shall be construed to require any taxpayer to keep records for any period not otherwise required by law.

6. Other arrangements made or authorized pursuant to law for cooperative audit by or on behalf of the party states or any of their subdivisions are not superseded or invalidated by this article.

7. In no event shall the commission make any charge against a taxpayer for an audit.

8. As used in this article, "tax," in addition to the meaning ascribed to it in article II, means any tax or license fee imposed in whole or in part for revenue purposes.

#### Article IX. Arbitration.

1. Whenever the commission finds a need for settling disputes concerning apportionments and allocations by arbitration, it may adopt a regulation placing this article in effect, notwithstanding the provisions of article VII.

2. The commission shall select and maintain an arbitration panel composed of officers and employees of state and local governments and private persons who shall be knowledgeable and experienced in matters of tax law and administration.

3. Whenever the laws of the party states or subdivisions thereof are substantially identical with the relevant provisions of this chapter, the taxpayer, by written notice to the commission and to each party state or subdivision thereof that would be affected, may secure arbitration of an apportionment or allocation, if he is dissatisfied with the final administrative determination of the tax agency of the state or subdivision with respect thereto on the ground that it would subject him to double or multiple taxation by two or more party states or subdivisions thereof. Each party state and subdivision thereof hereby consents to the arbitration as provided herein, and agrees to be bound thereby.

4. The arbitration board shall be composed of one person selected by the taxpayer, one by the agency or agencies involved, and one member of the commission's arbitration panel. If the agencies involved are unable to agree on the person to be selected by them, such person shall be selected by lot from the total membership of the arbitration panel. The two persons selected for the board in the manner provided by the foregoing provisions of this paragraph shall jointly select the third member of the board. If they are unable to agree on the selection, the third member shall be selected by lot from among the total membership of the arbitration panel. No member of a board selected by lot shall be qualified to serve if he is an officer or employee or is otherwise affiliated with any party to the arbitration proceeding. Residence within the jurisdiction of a party to the arbitration proceeding shall not constitute affiliation within the meaning of this paragraph.

5. The board may sit in any state or subdivision party to the proceeding, in the state of the taxpayer's incorporation, residence or domicile, in any state where the taxpayer does business, or in any place that it finds most appropriate for gaining access to evidence relevant to the matter before it.

6. The board shall give due notice of the times and places of its hearings. The parties shall be entitled to be heard, to present evidence, and to examine and cross-examine witnesses. The board shall act by majority vote.

7. The board shall have power to administer oaths, take testimony, subpoena and require the attendance of witnesses and the production of accounts, books, papers, records, and other documents, and issue commissions to take testimony. Subpoenas may be signed by any member of the board. In case of failure to obey a subpoena, and upon application by the board, any judge of a court of competent jurisdiction of the state in which the board is sitting or in which the person to whom the subpoena is directed may be found may make an order requiring compliance with the subpoena, and the court may punish failure to obey the order as a contempt. The provisions of this paragraph apply only in states that have adopted this article.

8. Unless the parties otherwise agree the expenses and other costs of the arbitration shall be assessed and allocated among the parties by the board in such manner as it may determine. The commission shall fix a schedule of compensation for members of arbitration boards and of other allowable expenses and costs. No officer or employee of a state or local government who serves as a member of a board shall be entitled to compensation therefor unless he is required on account of his service to forego the regular compensation attaching to his public employment, but any such board member shall be entitled to expenses.

9. The board shall determine the disputed apportionment or allocation and any matters necessary thereto. The determinations of the board shall be final for purposes of making the apportionment or allocation, but for no other purpose.

10. The board shall file with the commission and with each tax agency represented in the proceeding: the determination of the board; the board's written statement of its reasons therefor; the record of the board's proceedings; and any other documents required by the arbitration rules of the commission to be filed.

11. The commission shall publish the determinations of boards together with the statements of the reasons therefor.

12. The commission shall adopt and publish rules of procedure and practice and shall file a copy of such rules and of any amendment thereto with the appropriate agency or officer in each of the party states.

13. Nothing contained herein shall prevent at any time a written compromise of any matter or matters in dispute, if otherwise lawful, by the parties to the arbitration proceedings.

#### Article X. Entry Into Force and Withdrawal.

1. This compact shall become effective as to any other state upon its enactment. The commission shall arrange for notification of all party states whenever there is a new enactment of the compact.

2. Any party state may withdraw from this compact by enacting a statute repealing the same. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal.

3. No proceeding commenced before an arbitration board prior to the withdrawal of a state and to which the withdrawing state or any subdivision thereof is a party shall be discontinued or terminated by the withdrawal, nor shall the board thereby lose jurisdiction over any of the parties to the proceeding necessary to make a binding determination therein.

#### Article XI. Effect on Other Laws and Jurisdictions.

Nothing in this compact shall be construed to:

- (a) Affect the power of any state or subdivision thereof to fix rates of taxation.
- (b) Apply to any tax or fixed fee imposed for the registration of a motor vehicle or any tax on motor fuel, other than a sales tax, provided that the definition of "tax" in article VIII 9 may apply for the purposes of that article and the commission's powers of study and recommendation pursuant to article VI 3 may apply.

(c) Withdraw or limit the jurisdiction of any state or local court or administrative officer or body with respect to any person, corporation or other entity or subject matter, except to the extent that such jurisdiction is expressly conferred by or pursuant to this compact upon another agency or body.

(d) Supersede or limit the jurisdiction of any court of the United States.

## Article XII. Construction and Severability.

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the constitution of any state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the state affected as to all severable matters.

**290.18** [Repealed, 1987 c 268 art 1 s 127]

**290.19** [Repealed, 1987 c 268 art 1 s 127]

### **290.191 APPORTIONMENT OF NET INCOME.**

**Subdivision 1. General rule.** Except as otherwise provided in section 290.17, subdivision 5, the net income from a trade or business carried on partly within and partly without this state must be apportioned to this state as provided in this section.

**Subd. 2. Apportionment formula of general application.** Except for those trades or businesses required to use a different formula under subdivision 3 or section 290.35 or 290.36, and for those trades or businesses that receive permission to use some other method under section 290.20 or under subdivision 4, a trade or business required to apportion its net income must apportion its income to this state on the basis of the percentage obtained by taking the sum of:

(1) 70 percent of the percentage which the sales made within this state in connection with the trade or business during the tax period are of the total sales wherever made in connection with the trade or business during the tax period;

(2) 15 percent of the percentage which the total tangible property used by the taxpayer in this state in connection with the trade or business during the tax period is of the total tangible property, wherever located, used by the taxpayer in connection with the trade or business during the tax period; and

(3) 15 percent of the percentage which the taxpayer's total payrolls paid or incurred in this state or paid in respect to labor performed in this state in connection with the trade or business during the tax period are of the taxpayer's total payrolls paid or incurred in connection with the trade or business during the tax period.

**Subd. 3. Apportionment formula for financial institutions.** Except for an investment company required to apportion its income under section 290.36, a financial institution that is required to apportion its net income must apportion its net income to this state on the basis of the percentage obtained by taking the sum of:

(1) 70 percent of the percentage which the receipts from within this state in connection with the trade or business during the tax period are of the total receipts in connection with the trade or business during the tax period, from wherever derived;

(2) 15 percent of the percentage which the sum of the total tangible property used by the taxpayer in this state and the intangible property owned by the taxpayer and attributed to this state in connection with the trade or business during the tax period

is of the sum of the total tangible property, wherever located, used by the taxpayer and the intangible property owned by the taxpayer and attributed to all states in connection with the trade or business during the tax period; and

(3) 15 percent of the percentage which the taxpayer's total payrolls paid or incurred in this state or paid in respect to labor performed in this state in connection with the trade or business during the tax period are of the taxpayer's total payrolls paid or incurred in connection with the trade or business during the tax period.

**Subd. 4. Apportionment formula for certain mail order businesses.** If the business consists exclusively of the selling of tangible personal property and services in response to orders received by United States mail or telephone, and 100 percent of the taxpayer's property and payroll is within Minnesota, then the taxpayer may apportion net income to Minnesota based solely upon the percentage that the sales made within this state in connection with the trade or business during the tax period are of the total sales wherever made in connection with the trade or business during the tax period. Property and payroll factors are disregarded. In determining eligibility for this subdivision, the sale not in the ordinary course of business of tangible or intangible assets used in conducting business activities must be disregarded. This subdivision is repealed effective for taxable years beginning after December 31, 1988.

**Subd. 5. Determination of sales factor.** (a) For purposes of this section, the following rules apply in determining the sales factor.

(b) Sales of tangible personal property are made within this state if the property is received by a purchaser at a point within this state, and the taxpayer is taxable in this state, regardless of the f.o.b. point, other conditions of the sale, or the ultimate destination of the property.

(c) Tangible personal property delivered to a common or contract carrier or foreign vessel for delivery to a purchaser in another state or nation is a sale in that state or nation, regardless of f.o.b. point or other conditions of the sale.

(d) Notwithstanding paragraphs (b) and (c), when intoxicating liquor, wine, fermented malt beverages, cigarettes, or tobacco products are sold to a purchaser who is licensed by a state or political subdivision to resell this property only within the state of ultimate destination, the sale is made in that state.

(e) Sales made by or through a corporation that is qualified as a domestic international sales corporation under section 992 of the Internal Revenue Code are not considered to have been made within this state.

(f) Sales, other than sales of tangible personal property, are made in this state if the property is used, or the benefits of the services are consumed, in this state. If the property is used or the benefits of the services are consumed in more than one state, the sales must be apportioned pro rata according to the portion of use or consumption of benefits in this state.

**Subd. 6. Determination of receipts factor for financial institutions.** (a) For purposes of this section, the rules in this subdivision and subdivisions 7 and 8 apply in determining the receipts factor for financial institutions.

(b) "Receipts" for this purpose means gross income, including net taxable gain on disposition of assets, including securities and money market transactions, when derived from transactions and activities in the regular course of the taxpayer's trade or business.

(c) "Money market instruments" means federal funds sold and securities purchased under agreements to resell, commercial paper, banker's acceptances, and purchased certificates of deposit and similar instruments to the extent that the instruments are reflected as assets under generally accepted accounting principles.

(d) "Securities" means United States Treasury securities, obligations of United States government agencies and corporations, obligations of state and political subdivisions, corporate stock and other securities, participations in securities backed by mortgages held by United States or state government agencies, loan-backed securities and similar investments to the extent the investments are reflected as assets under generally accepted accounting principles.

(e) Receipts from the lease or rental of real or tangible personal property, including both finance leases and true leases, must be attributed to this state if the property is located in this state. Tangible personal property that is characteristically moving property, such as motor vehicles, rolling stock, aircraft, vessels, mobile equipment, and the like, is considered to be located in a state if:

(1) the operation of the property is entirely within the state; or

(2) the operation of the property is in two or more states, but the principal base of operations from which the property is sent out is in the state.

(f) Interest income and other receipts from assets in the nature of loans that are secured primarily by real estate or tangible personal property must be attributed to this state if the security property is located in this state under the principles stated in paragraph (e).

(g) Interest income and other receipts from consumer loans not secured by real or tangible personal property that are made to residents of this state, whether at a place of business, by traveling loan officer, by mail, by telephone or other electronic means, must be attributed to this state.

(h) Interest income and other receipts from commercial loans and installment obligations not secured by real or tangible personal property must be attributed to this state if the proceeds of the loan are to be applied in this state. If it cannot be determined where the funds are to be applied, the income and receipts are attributed to the state in which the business applied for the loan. "Applied for" means initial inquiry (including customer assistance in preparing the loan application) or submission of a completed loan application, whichever occurs first.

(i) Interest income and other receipts from a participating financial institution's portion of participation loans must be attributed under paragraphs (e) to (h). A participation loan is a loan in which more than one lender is a creditor to a common borrower.

(j) Interest income and other receipts including service charges from financial institution credit card and travel and entertainment credit card receivables and credit card holders' fees must be attributed to the state to which the card charges and fees are regularly billed.

(k) Merchant discount income derived from financial institution credit card holder transactions with a merchant must be attributed to the state in which the merchant is located. In the case of merchants located within and outside the state, only receipts from merchant discounts attributable to sales made from locations within the state are attributed to this state. It is presumed, subject to rebuttal, that the location of a merchant is the address shown on the invoice submitted by the merchant to the taxpayer.

(l) Receipts from the performance of fiduciary and other services must be attributed to the state in which the benefits of the services are consumed. If the benefits are consumed in more than one state, the receipts from those benefits must be apportioned to this state pro rata according to the portion of the benefits consumed in this state.

(m) Receipts from the issuance of travelers checks and money orders must be attributed to the state in which the checks and money orders are purchased.

(n) Receipts from investments of a financial institution in securities of this state, its political subdivisions, agencies, and instrumentalities must be attributed to this state.

**Subd. 7. Receipts from investments in nonstate securities; how apportioned.** Receipts from investments of a financial institution in other securities and from money market instruments must be apportioned to this state based on the ratio that total deposits from this state, its residents, including any business with an office or other place of business in this state, its political subdivisions, agencies, and instrumentalities bear to the total deposits from all states, their residents, their political subdivisions, agencies, and instrumentalities. In the case of an unregulated financial institution subject to this

section, these receipts are apportioned to this state based on the ratio that its gross business income earned from sources within this state bears to gross business income earned from sources within all states. For purposes of this subdivision, deposits made by this state, its residents, its political subdivisions, agencies, and instrumentalities must be attributed to this state, whether or not the deposits are accepted or maintained by the taxpayer at locations within this state.

**Subd. 8. Deposit; definition.** (a) "Deposit," as used in subdivision 7, has the meanings in this subdivision.

(b) "Deposit" means the unpaid balance of money or its equivalent received or held by a financial institution in the usual course of business and for which it has given or is obligated to give credit, either conditionally or unconditionally, to a commercial, checking, savings, time, or thrift account whether or not advance notice is required to withdraw the credited funds, or which is evidenced by its certificate of deposit, thrift certificate, investment certificate, or certificate of indebtedness, or other similar name, or a check or draft drawn against a deposit account and certified by the financial institution, or a letter of credit or a traveler's check on which the financial institution is primarily liable. However, without limiting the generality of the term "money or its equivalent," any such account or instrument must be regarded as evidencing the receipt of the equivalent of money when credited or issued in exchange for checks or drafts or for a promissory note upon which the person obtaining the credit or instrument is primarily or secondarily liable, or for a charge against a deposit account, or in settlement of checks, drafts, or other instruments forwarded to the bank for collection.

(c) "Deposit" means trust funds received or held by the financial institution, whether held in the trust department or held or deposited in any other department of the financial institution.

(d) "Deposit" means money received or held by a financial institution, or the credit given for money or its equivalent received or held by a financial institution, in the usual course of business for a special or specific purpose, regardless of the legal relationship so established. Under this paragraph, "deposit" includes, but is not limited to, escrow funds, funds held as security for an obligation due to the financial institution or others, including funds held as dealers reserves, or for securities loaned by the bank, funds deposited by a debtor to meet maturing obligations, funds deposited as advance payment on subscriptions to United States government securities, funds held for distribution or purchase of securities, funds held to meet its acceptances or letters of credit, and withheld taxes. It does not include funds received by the financial institution for immediate application to the reduction of an indebtedness to the receiving financial institution, or under condition that the receipt of the funds immediately reduces or extinguishes the indebtedness.

(e) "Deposit" means outstanding drafts, including advice or authorization to charge a financial institution's balance in another such institution, cashier's checks, money orders, or other officer's checks issued in the usual course of business for any purpose, but not including those issued in payment for services, dividends, or purchases or other costs or expenses of the financial institution itself.

(f) "Deposit" means money or its equivalent held as a credit balance by a financial institution on behalf of its customer if the entity is engaged in soliciting and holding such balances in the regular course of its business.

(g) Interinstitution fund transfers are not deposits.

**Subd. 9. Determination of property factor; general rules.** For all taxpayers, the property factor includes tangible property, real, personal, and mixed, owned or rented, and used by the taxpayer in connection with the trade or business, as set forth in subdivision 10. For financial institutions only, the property factor also includes intangible property, as set forth in subdivision 11. For both tangible and intangible property, the property included in the property factor is the average of the total property used by the taxpayer in connection with its business during the tax period. Such averages must be on a commensurate basis for property within and without the state.

Subd. 10. **Property factor; tangible property.** (a) Tangible property includes land, buildings, machinery and equipment, inventories, and other tangible personal property actually used by the taxpayer during the taxable year in carrying on the business activities of the taxpayer. Tangible property which is separately allocated under section 290.17 is not includable in the property factor.

(b) Cash on hand or in banks, shares of stock, notes, bonds, accounts receivable, or other evidences of indebtedness, special privileges, franchises, and goodwill, are specifically excluded from the property factor, except as otherwise provided for financial institutions in subdivision 11.

(c) The value of tangible property that is owned by the taxpayer and that is to be used in the apportionment fraction is the original cost adjusted for any later capital additions or improvements and partial disposition by reason of sale, exchange, or abandonment.

(d) For purposes of computing the property factor, United States government property that is used by the taxpayer must be considered owned by the taxpayer.

(e) Property that is rented by the taxpayer is valued at eight times the net annual rental. Net annual rental is the annual rental paid by the taxpayer less any annual rental received by the taxpayer from subrentals. If the subrents taken into account in determining the net annual rental produce a negative or clearly inaccurate value for any item of property, another method that will properly reflect the value of rented property may be required by the commissioner or requested by the taxpayer. In no case, however, shall the value be less than an amount which bears the same ratio to the annual rental paid by the taxpayer for such property as the fair market value of that portion of the property used by the taxpayer bears to the total fair market value of the rented property. Rents paid during the year cannot be averaged.

(f) A person filing a combined report shall use this method of calculating the property factor for all members of the group.

Subd. 11. **Financial institutions; property factor.** (a) For financial institutions, the property factor includes, as well as tangible property, intangible property as set forth in this subdivision.

(b) Intangible personal property must be included at its tax basis for federal income tax purposes.

(c) Goodwill must not be included in the property factor.

(d) Coin and currency located in this state must be attributed to this state.

(e) Lease financing receivables must be attributed to this state if and to the extent that the property is located within this state.

(f) Assets in the nature of loans that are secured by real or tangible personal property must be attributed to this state if and to the extent that the security property is located within this state.

(g) Assets in the nature of consumer loans and installment obligations that are unsecured or secured by intangible property must be attributed to this state if the loan was made to a resident of this state.

(h) Assets in the nature of commercial loan and installment obligations that are unsecured or secured by intangible property must be attributed to this state if the loan proceeds of the loan are to be applied in this state. If it cannot be determined where the funds are to be applied, the assets must be attributed to the state in which the business applied for the loan. "Applied for" means initial inquiry (including customer assistance in preparing the loan application) or submission of a completed loan application, whichever occurs first.

(i) A participating financial institution's portion of a participation loan must be attributed under paragraphs (e) to (h).

(j) Financial institution credit card and travel and entertainment credit card receivables must be attributed to the state to which the credit card charges and fees are regularly billed.

(k) Receivables arising from merchant discount income derived from financial institution credit card holder transactions with a merchant are attributed to the state in which the merchant is located. In the case of merchants located within and without the state, only receipts from merchant discounts attributable to sales made from locations within the state are attributed to this state. It is presumed, subject to rebuttal, that the location of a merchant is the address shown on the invoice submitted by the merchant to the taxpayer.

(l) Assets in the nature of securities and money market instruments are apportioned to this state based upon the ratio that total deposits from this state, its residents, its political subdivisions, agencies and instrumentalities bear to the total deposits from all states, their residents, their political subdivisions, agencies and instrumentalities. In the case of an unregulated financial institution subject to this regulation, the receipts are apportioned to this state based upon the ratio that its gross business income earned from sources within this state bears to gross business income earned from sources within all states. For purposes of this subsection, deposits made by this state, its residents, its political subdivisions, agencies, and instrumentalities are attributed to this state, whether or not the deposits are accepted or maintained by the taxpayer at locations within this state.

Subd. 12. **Determination of payroll factor.** (a) The payroll factor must be determined in the same way for all taxpayers.

(b) Wages or salaries must be determined to be paid or incurred in this state if the individual with respect to whom the wages or salaries are paid is either employed within this state or is actually engaged in work in the territorial confines of this state, or if working without this state, is identified with or accountable to an office within this state.

(c) The wages or salaries paid to officers and employees working from offices within this state are considered payroll within this state even though the officer's and employee's employment requires them to spend working time without this state. Officers and employees whose employment requires them to work without the state entirely and who are assigned to an office without the state, are not considered employees within the state for the purpose of apportionment even though their salaries are paid from the taxpayer's general offices within the state.

## **290.20 NET INCOME; ALLOCATION TO STATE, PETITION FOR OTHER METHODS.**

Subdivision 1. The methods prescribed by section 290.191 shall be presumed to determine fairly and correctly the taxpayer's taxable net income allocable to this state. If the methods prescribed by section 290.191 do not fairly reflect all or any part of taxable net income allocable to this state, the taxpayer may petition for or the commissioner may require the determination of net income by the use of another method, if that method fairly reflects net income. These other methods may include:

- (1) separate accounting;
- (2) excluding any one or more of the factors;
- (3) including one or more additional factors; or
- (4) some other method.

Subd. 1a. A petition within the meaning of this section must be filed by the taxpayer in the form required by the commissioner.

## **290.21 DEDUCTIONS ALLOWED TO CORPORATIONS.**

*[For text of subd 1, see M.S.1986]*

Subd. 3. An amount for contribution or gifts made within the taxable year:

(a) to or for the use of the state of Minnesota, or any of its political subdivisions for exclusively public purposes,

(b) to or for the use of any community chest, corporation, organization, trust, fund, association, or foundation located in and carrying on substantially all of its activities within this state, organized and operating exclusively for religious, charitable, public cemetery, scientific, literary, artistic, or educational purposes, or for the prevention of cruelty to children or animals, no part of the net earnings of which inures to the benefit of any private stockholder or individual,

(c) to a fraternal society, order, or association, operating under the lodge system located in and carrying on substantially all of their activities within this state if such contributions or gifts are to be used exclusively for the purposes specified in clause (b), or for or to posts or organizations of war veterans or auxiliary units or societies of such posts or organizations, if they are within the state and no part of their net income inures to the benefit of any private shareholder or individual,

(d) to or for the use of the United States of America for exclusively public purposes if the contribution or gift consists of real property located in Minnesota,

(e) the total deduction hereunder shall not exceed 15 percent of the taxpayer's taxable net income less the deductions allowable under this section other than those for contributions or gifts,

(f) in the case of a corporation reporting its taxable income on the accrual basis, if: (A) the board of directors authorizes a charitable contribution during any taxable year, and (B) payment of such contribution is made after the close of such taxable year and on or before the fifteenth day of the third month following the close of such taxable year; then the taxpayer may elect to treat such contribution as paid during such taxable year. The election may be made only at the time of the filing of the return for such taxable year, and shall be signified in such manner as the commissioner shall by rules prescribe.

Subd. 4. (a) Eighty percent of dividends received by a corporation during the taxable year from another corporation, when the corporate stock with respect to which dividends are paid does not constitute the stock in trade of the taxpayer or would not be included in the inventory of the taxpayer, or does not constitute property held by the taxpayer primarily for sale to customers in the ordinary course of the taxpayer's trade or business, or when the trade or business of the taxpayer does not consist principally of the holding of the stocks and the collection of the income and gains therefrom. The remaining 20 percent shall be allowed if the recipient owns 80 percent or more of all the voting stock of the other corporation and the dividends were paid from income arising out of business done in this state by the corporation paying the dividends. If the dividends were declared from income arising out of business done within and without this state, then a proportion of the remainder shall be allowed as a deduction. The proportion must be that which the amount of the taxable net income of the corporation paying the dividends assignable or allocable to this state bears to the entire net income of the corporation. The amounts must be determined by the returns under this chapter of the corporation paying the dividends for the taxable year preceding their distribution. The burden is on the taxpayer to show that the amount of remainder claimed as a deduction has been received from income arising out of business done in this state.

(b) If the trade or business of the taxpayer consists principally of the holding of the stocks and the collection of the income and gains therefrom, dividends received by a corporation during the taxable year from another corporation, if the recipient owns 80 percent or more of all the voting stock of the other corporation, from income arising out of business done in this state by the corporation paying the dividends. If the dividends were declared from income arising out of business done within and without this state, then a proportion of the dividends shall be allowed as a deduction. The proportion must be that which the amount of the taxable net income of the corporation paying the dividends assignable or allocable to this state bears to the entire net income

of the corporation. The amounts must be determined by the returns under this chapter of the corporation paying the dividends for the taxable year preceding their distribution. The burden is on the taxpayer to show that the amount of dividends claimed as a deduction has been received from income arising out of business done in this state.

(c) The dividend deduction provided in this subdivision shall be allowed only with respect to dividends that are included in a corporation's Minnesota taxable net income for the taxable year.

The dividend deduction provided in this subdivision does not apply to a dividend from a corporation which, for the taxable year of the corporation in which the distribution is made or for the next preceding taxable year of the corporation, is a corporation exempt from tax under section 501 of the Internal Revenue Code of 1986, as amended through December 31, 1986.

The dividend deduction provided in this subdivision applies to the amount of regulated investment company dividends only to the extent determined under section 854(b) of the Internal Revenue Code of 1986, as amended through December 31, 1986.

The dividend deduction provided in this subdivision shall not be allowed with respect to any dividend for which a deduction is not allowed under the provisions of section 246(c) of the Internal Revenue Code of 1986, as amended through December 31, 1986.

(d) If dividends received by a corporation that does not have nexus with Minnesota under the provisions of Public Law Number 86-272 are included as income on the return of an affiliated corporation permitted or required to file a combined report under section 290.34, subdivision 2, then for purposes of this subdivision the determination as to whether the trade or business of the corporation consists principally of the holding of stocks and the collection of income and gains therefrom shall be made with reference to the trade or business of the affiliated corporation having a nexus with Minnesota.

(e) The deduction provided by this subdivision does not apply if the dividends are paid by a FSC as defined in section 922 of the Internal Revenue Code of 1986, as amended through December 31, 1986.

Subd. 5. [Repealed, 1987 c 268 art 1 s 127]

Subd. 6. [Repealed, 1987 c 268 art 1 s 127]

Subd. 8. **Foreign source royalties.** (a) An amount equal to 35 percent of rentals, fees, and royalties accrued or received from a foreign corporation for the use of or for the privilege of using outside of the United States patents, copyrights, secret processes and formulas, good will, know-how, trademarks, trade brands, franchises, and other like property. Rentals, fees, or royalties deducted under this subdivision shall not be included in the taxpayer's apportionment factors under section 290.19, subdivision 1, clause (1)(a) or (2)(a)(1). The preceding sentence shall not be construed to imply that nondeductible rentals, fees, and royalties from such properties are or were included in or excluded from the apportionment factors under any other provision of law.

(b) The deduction provided by this subdivision is allowed only if the corporation receiving the income received or accrued at least 80 percent of its gross income during the taxable year from sources as defined in clause (a) and from dividends received from foreign corporations. A corporation's gross income for purposes of paragraphs (b) and (c) shall be computed without regard to the requirement of section 290.34, subdivision 2, that a combined report be filed reflecting the entire income of the unitary business.

(c) For purposes of this subdivision, a foreign corporation is (i) a corporation organized under the laws of a foreign country or the political subdivision of a foreign country or (ii) a corporation which for the taxable year derives at least 80 percent of its gross income from sources without the United States, the commonwealth of Puerto Rico, and the possessions of the United States. A foreign corporation does not include a DISC as defined in section 992(a) of the Internal Revenue Code of 1954, as amended through December 31, 1985, or a FSC as defined in section 922 of the Internal Revenue Code of 1954, as amended through December 31, 1985.

(d) The deduction provided in this subdivision is allowed only with respect to

rentals, fees, and royalties that are included in a corporation's Minnesota taxable net income for the taxable year.

(e) In the case of a unitary business required to file a combined report, one or more members of which meet the requirements of paragraph (b) and received rentals, fees or royalties as defined in paragraph (a), the deduction under this subdivision for each member of the unitary business required to file a return under this chapter is the product of (1) 100 percent of the rentals, fees, and royalties as defined in paragraph (a) received by the members of the unitary business meeting the requirements of paragraph (b); (2) 35 percent; and (3) the percentage of business income of the unitary business apportionable to this state for the deducting corporation for the taxable year under this chapter.

## **290.23 ESTATES AND TRUSTS; COMPUTATION OF NET INCOME, CREDITS; DEDUCTIONS.**

**Subd. 3. Unused loss carryovers and excess deductions on termination available to beneficiaries.** If on the termination of an estate or trust, the estate or trust has

(1) a net operating loss carryover under section 290.095, or any other loss or credit carryover allowed under this chapter; or

(2) for the last taxable year of the estate or trust deductions (other than the charitable deduction) in excess of gross income for such year,

then such carryover or such excess shall be allowed as a deduction, in accordance with rules prescribed by the commissioner, to the beneficiaries succeeding to the property of the estate or trust. This provision does not apply to individuals, and carryovers and deductions must be reported as provided in section 290.01, subdivisions 19 to 19b.

**Subd. 5. Distributable net income, income, beneficiary; defined.** (1) For purposes of sections 290.22 through 290.25, the term "distributable net income" means the same as that term is defined in section 643(a) of the Internal Revenue Code of 1986, as amended through December 31, 1986 with the following modification:

There shall be included any tax-exempt interest to which section 290.01, subdivision 19b, clause (1) applies.

If the estate or trust is allowed a deduction under section 642(c) of the Internal Revenue Code of 1986, as amended through December 31, 1986, the amount of the modification shall be reduced to the extent that the amount of income which is paid, permanently set aside, or to be used for the purposes specified in that section of the Internal Revenue Code is deemed to consist of items specified in the modification. For this purpose, such amount shall (in the absence of specific provisions in the governing instrument) be deemed to consist of the same proportion of each class of items of income of the estate or trust as the total of each class bears to the total of all classes.

(2) The term "income," and the term "beneficiary" have the same meaning as those terms are defined in section 643(b) and (c) of the Internal Revenue Code of 1986, as amended through December 31, 1986. The treatment of property distributed in kind and of multiple trusts shall be the same as provided in section 643 of the Internal Revenue Code of 1986, as amended through December 31, 1986.

(b) gains and losses from sales or exchanges of long-term capital assets as defined in section 290.16, subdivision 3,

(f) other items of income, gain, loss, deduction, or credit, to the extent provided by rules prescribed by the commissioner, and

(g) taxable net income or loss, exclusive of items requiring separate computation under other subparagraphs of this paragraph (1).

(2) The character of any item of income, gain, loss, deduction, or credit included in a partner's distributive share under paragraphs (a) through (f) of paragraph (1) shall be determined as if such item were realized directly from the source from which realized by the partnership, or incurred in the same manner as incurred by the partnership.

(3) In any case where it is necessary to determine the gross income of a partner for purposes of this chapter, such amount shall include the partner's distributive share of the gross income of the partnership.

**Subd. 2a.** The provisions of subdivisions 2 and 5 do not apply to individuals, and items of income, gain, loss, or deduction must be reported as provided in section 290.01, subdivisions 19 to 19b.

**Subd. 3. Partnership computations.** The taxable net income of a partnership shall be computed as provided in section 703(a) of the Internal Revenue Code of 1986, as amended through December 31, 1986, except that, in the case of a corporate partner, the deduction for depletion shall be computed under section 290.01, subdivisions 19c and 19d.

Any election affecting the computation of taxable net income derived from a partnership shall be made by the partnership except as provided in section 703(b) of the Internal Revenue Code of 1986, as amended through December 31, 1986.

*[For text of subd 4, see M.S.1986]*

**Subd. 5. Determination of basis of partner's interest.** The adjusted basis of a partner's interest in a partnership shall, except as provided in the last paragraph of this subdivision, be the basis of such interest determined under section 722 or 742 of the Internal Revenue Code of 1986, as amended through December 31, 1986, relating to contributions to a partnership or transfers of partnership interests

(1) increased by the sum of the partner's distributive share for the taxable year and prior taxable years of

(b) income of the partnership exempt from tax under this chapter,

(c) the excess of the deductions for depletion over the basis of the property subject to depletion, and

(2) decreased (but not below zero) by distributions by the partnership as provided in section 733 of the Internal Revenue Code of 1986, as amended through December 31, 1986, and by the sum of the partner's distributive share for the taxable year and prior taxable years of

(a) losses of the partnership, and

(b) expenditures of the partnership not deductible in computing its taxable net income and not properly chargeable to capital account, and

(3) decreased, but not below zero, by the amount of the partner's deduction for depletion for any partnership oil and gas property to the extent the deduction does not exceed the proportionate share of the adjusted basis of the property allocated to the partner under section 613A(c)(7)(D) of the Internal Revenue Code of 1986, as amended through December 31, 1986. For corporate partners, the deduction for depletion with respect to oil and gas wells shall be computed as provided in section 290.01, subdivisions 19c and 19d.

The commissioner shall prescribe by rule the circumstances under which the adjusted basis of a partner's interest in a partnership may be determined by reference to the partner's proportionate share of the adjusted basis of partnership property upon a termination of the partnership.

## **290.34 CORPORATIONS, SPECIAL PROVISIONS.**

*[For text of subd 1, see M.S.1986]*

**Subd. 2. Affiliated or related corporations, combined report.** (a) When a corporation which is required to file an income tax return is affiliated with or related to any other corporation through stock ownership by the same interests or as parent or subsidiary corporations, or has its income regulated through contract or other arrangement, the commissioner of revenue may permit or require such combined report as, in the commissioner's opinion, is necessary in order to determine the taxable net income of any one of the affiliated or related corporations.

(b) If a corporation has been divested from the unitary group and is included in a combined report for a fractional part of the common accounting period that the report is based on, then the sales, property, and payroll attributed to the corporation in the apportionment formula must be prorated or separately accounted and must show for what part of the accounting period the corporation is included in the report.

(c) The combined report shall reflect the income of the entire unitary business as provided in section 290.17, subdivision 4. If a corporation has been divested from the unitary group and is included in the combined report for a fractional part of the common accounting period that the combined report is based on, its income includable in the combined report is its income for that part of the year.

**History:** 1987 c 268 art 1 s 87

## **290.35 INSURANCE COMPANIES; REPORT OF NET INCOME; COMPUTATION OF AMOUNT OF INCOME ALLOCABLE TO STATE.**

**Subdivision 1. Computation of taxable net income.** The taxable net income of insurance companies taxable under this chapter shall be computed as follows:

Each such company shall report to the commissioner the net income returned by it for the taxable year to the United States under the provisions of the act of congress, known as the revenue act of 1936, or that it would be required to return as net income thereunder if it were in effect. Notwithstanding the provisions of the Revenue Act of 1936, whether or not an insurance company is exempt from taxation must be determined under section 290.05.

**Subd. 2. Apportionment of taxable net income.** The commissioner shall compute

therefrom the taxable net income of such companies by assigning to this state that proportion thereof which the gross premiums collected by them during the taxable year from old and new business within this state bears to the total gross premiums collected by them during that year from their entire old and new business, including reinsurance premiums; provided, the commissioner shall add to the taxable net income so apportioned to this state the amount of any taxes on premiums paid by the company by virtue of any law of this state (other than the surcharge on premiums imposed by sections 69.54 to 69.56) which shall have been deducted from gross income by the company in arriving at its total net income under the provisions of such act of congress.

(a) For purposes of determining the Minnesota apportionment percentage, premiums from reinsurance contracts assumed from companies domiciled in Minnesota and premiums in connection with property in or liability arising out of activity in, or in connection with the lives or health of Minnesota residents shall be assigned to Minnesota and premiums from reinsurance contracts assumed from companies domiciled outside of Minnesota and premiums in connection with property in or liability arising out of activity in, or in connection with the lives or health of non-Minnesota residents shall be assigned outside of Minnesota.

(b) The apportionment method prescribed by paragraph (a) shall be presumed to fairly and correctly determine the taxpayer's taxable net income. If the method prescribed in paragraph (a) does not fairly reflect all or any part of taxable net income, the taxpayer may petition for or the commissioner may require the determination of taxable net income by use of another method if that method fairly reflects taxable net income. A petition within the meaning of this section must be filed by the taxpayer on such form as the commissioner shall require.

Subd. 3. **Credit.** An insurance company shall receive a credit against the tax equal to any taxes based on premiums paid by it that are attributable to the period for which the tax under this chapter is imposed by virtue of any law of this state, other than the surcharge on premiums imposed by sections 69.54 to 69.56.

Subd. 4. **Nonprofit health service corporation.** For purposes of this section, a nonprofit health service corporation is not an insurance company and the taxable income of a nonprofit health service corporation must be determined as provided under the Internal Revenue Code of 1986 and section 290.01, subdivisions 19c and 19d.

**History:** 1987 c 268 art 1 s 88

## **290.36 INVESTMENT COMPANIES; REPORT OF NET INCOME; COMPUTATION OF AMOUNT OF INCOME ALLOCABLE TO STATE.**

The taxable net income of investment companies shall be computed as follows:

Each investment company transacting business as such in this state shall report to the commissioner the net income returned by the company for the taxable year to the United States under the provisions of the Internal Revenue Code of 1986, as amended through December 31, 1986, less the credits provided therein and subject to the adjustments required by this chapter. The commissioner shall compute therefrom the taxable net income of the investment company by assigning to this state that proportion of such net income, less such credits which the aggregate of the gross payments collected by the company during the taxable year from old and new business upon investment contracts issued by the company and held by residents of this state, bears to the total amount of the gross payments collected during such year by the company from such business upon investment contracts issued by the company and held by persons residing within the state and elsewhere.

As used in this section, the term "investment company" means any person, copartnership, association, or corporation, whether local or foreign, coming within the purview of section 54.26, and who or which is registered under the Investment Company Act of 1940 (United States Code, title 15, section 80a-1 and following), as amended through December 31, 1986, and who or which solicits or receives payments to be made to itself and which issues therefor, or has issued therefor and has or shall have

outstanding so-called bonds, shares, coupons, certificates of membership, or other evidences of obligation or agreement or pretended agreement to return to the holders or owners thereof money or anything of value at some future date; and as to whom the gross payments received during the taxable year in question upon outstanding investment contracts, plus interest and dividends earned on investment contracts determined by prorating the total dividends and interest for the taxable year in question in the same proportion that certificate reserves as defined by the Investment Company Act of 1940, as amended through December 31, 1986, is to total assets, shall be at least 50 percent of the company's gross payments upon investment contracts plus gross income from all other sources except dividends from subsidiaries for the taxable year in question. The term "investment contract" shall mean any such so-called bonds, shares, coupons, certificates of membership, or other evidences of obligation or agreement or pretended agreement issued by an investment company.

### **290.37 FILING REQUIREMENTS.**

**Subdivision 1. Persons making returns.** (a) A taxpayer shall file a return for each taxable year the taxpayer is required to file a return under section 6012 of the Internal Revenue Code of 1986, as amended through December 31, 1986, except that an individual who is not a Minnesota resident for any part of the year is not required to file a Minnesota income tax return if the individual's gross income derived from Minnesota sources under sections 290.081, paragraph (a), and 290.17, is less than the filing requirements for a single individual who is a full year resident of Minnesota.

The decedent's final income tax return, and all other income tax returns for prior years where the decedent had gross income in excess of the minimum amount at which an individual is required to file and did not file, shall be filed by the decedent's personal representative, if any. If there is no personal representative, the return or returns shall be filed by the transferees as defined in section 290.29, subdivision 3, who receive any property of the decedent.

The trustee or other fiduciary of property held in trust shall file a return with respect to the taxable net income of such trust if that exceeds an amount determined by the commissioner if such trust belongs to the class of taxable persons.

Every corporation shall file a return, if the corporation is subject to the state's jurisdiction to tax under section 290.014, subdivision 5. The return in the case of a corporation must be signed by a person designated by the corporation. The commissioner may adopt rules for the filing of one return on behalf of the members of an affiliated group of corporations that are required to file a combined report if the affiliated group includes a bank subject to tax under this chapter. Members of an affiliated group that elect to file one return on behalf of the members of the group under rules adopted by the commissioner may modify or rescind the election by filing the form required by the commissioner.

The receivers, trustees in bankruptcy, or assignees operating the business or property of a taxpayer shall file a return with respect to the taxable net income of such taxpayer if a return is required.

(b) Such return shall (1) contain a written declaration that it is correct and complete, and (2) shall contain language prescribed by the commissioner providing a confession of judgment for the amount of the tax shown due thereon to the extent not timely paid.

*[For text of subd 2, see M.S.1986]*

**Subd. 3. Information included in return.** The return shall require a statement of the name of the taxpayer, or taxpayers, if the return is a joint return, and the address of the taxpayer in the same name or names and same address as the taxpayer has used

in making the taxpayer's income tax return to the United States, and shall include the social security number of the taxpayer, or taxpayers, if a social security number has been issued by the United States with respect to the taxpayers, and shall include the amount of the taxable income of the taxpayer as it appears on the federal return for the taxable year to which the Minnesota state return is applicable. The taxpayer shall attach to the taxpayer's Minnesota state income tax return a copy of the federal income tax return which the taxpayer has filed or is about to file for the period.

Filing of the report is not a factor in determining whether a corporation is subject to taxation under this chapter.

**Subd. 2. Activities.** Activities or property maintenance in this state which require corporations to file this report are:

- (1) the maintenance in this state of an office or other place of business;
- (2) the maintenance of personnel in Minnesota, including the presence of employees, agents, representatives, or independent contractors in connection with the corporation's business, even though not residing in or regularly stationed in Minnesota;

- (2) a timely return or report has been filed under section 290.05, subdivision 4; or 290.37; or

**Subd. 5. Failure to file timely report.** (a) Any corporation required to file a notice of business activities report does not have any cause of action upon which it may bring suit under Minnesota law unless the corporation has filed a notice of business activities report.

(b) The failure of a corporation to file a timely report prevents the use of the courts in this state for all contracts executed and all causes of action that arose at any time before the end of the last accounting period for which the corporation failed to file a required report.

(c) The court in which the issues arise has the power to excuse the corporation for its failure to file a report when due, and restore the corporation's cause of action under the laws of this state, if the corporation has paid all taxes, interest, and civil penalties due the state for all periods, or provided for payment of them by adequate security or bond approved by the commissioner.

A person, corporation, or cooperative required to file returns under this subdivision on interest, dividends, or patronage dividend payments with respect to more than 50 payees for any calendar year must file all of these returns on magnetic media unless the person establishes to the satisfaction of the commissioner that compliance with this requirement would be an undue hardship.

Subd. 3. **By brokers.** The commissioner of revenue may require every person doing business as a broker to furnish the commissioner with the name and address of each customer for whom they have transacted business, and with such details regarding gross proceeds and other information as to transactions of any customer as will enable the commissioner to determine whether all income tax due on profits or gains of such customers has been paid. (5) If the due date for any return required under this chapter falls upon:

The term "legal holiday" means any day made a holiday in Minnesota by section 645.44, subdivision 5, or by the laws of the United States.

(6) In case of sickness, absence, or other disability, or when, in the commissioner's judgment, good cause exists, the commissioner may extend the time for filing these returns for not more than six months, except as provided for corporations and except that where the failure is due to absence outside the United States the commissioner may extend the period as provided in section 6081 of the Internal Revenue Code of 1954, as amended through December 31, 1985. The commissioner may require each taxpayer in any of such cases to file a tentative return at the time fixed for filing the regularly required return from the taxpayer, and to pay a tax on the basis of such tentative return at the times required for the payment of taxes on the basis of the regularly required return from such taxpayer. The commissioner may grant an extension of up to seven months for filing the return of a corporation subject to tax under this chapter if the corporation files a tentative return at the time fixed for filing the regularly required return and pays the tax on the basis of the tentative return in accordance with this section and section 290.45.

#### **290.46 EXAMINATION OF RETURNS; ASSESSMENTS, REFUNDS.**

The commissioner shall, as soon as practicable after the return is filed, examine the same and make any investigation or examination of the taxpayer's records and accounts that the commissioner may deem necessary for determining the correctness of the return. The tax computed by the commissioner on the basis of such examination and investigation shall be the tax to be paid by such taxpayer. If the tax found due shall be greater than the amount reported as due on the taxpayer's return, the commissioner shall assess a tax in the amount of such excess and the whole amount of such excess shall be paid to the commissioner within 60 days after notice of the amount and demand for its payment shall have been mailed to the taxpayer by the commissioner. If the understatement of the tax on the return was false and fraudulent with intent to evade the tax, the installments of the tax shown by the taxpayer on the return which have not yet been paid shall be paid to the commissioner within 60 days after notice of the amount thereof and demand for payment shall have been mailed to the taxpayer by the commissioner. If the amount of the tax found due by the commissioner shall be less than that reported as due on the taxpayer's return, the excess shall be refunded

to the taxpayer in the manner provided by section 290.50 (except that no demand therefor shall be necessary), if the taxpayer has already paid the whole of such tax, or credited against any unpaid installment thereof; provided, that no refundment shall be made except as provided in section 290.50.

The commissioner, on examining returns of a taxpayer for more than one year, may issue one order covering the several years under consideration reflecting the aggregate refund or additional tax due.

The notices and demands provided for by sections 290.46 to 290.48 shall be in such form as the commissioner may determine (including a statement) and shall contain a brief explanation of the computation of the tax and shall be sent by mail to the taxpayer at the address given in the return, or to the taxpayer's last known address.

In cases where there has been an overpayment of a self-assessed liability as shown on the return filed by the taxpayer, the commissioner may refund such overpayment to the taxpayer and no demand therefor shall be necessary; further, written findings by the commissioner, notice by mail to the taxpayer and certificate for refundment by the commissioner shall not be necessary and the provisions of section 270.10, in such case, shall not be applicable.

The commissioner may audit and adjust the taxpayer's computation of federal taxable income to make it properly conform with the provisions of section 290.01, subdivisions 19 to 19e, or the items of federal tax preferences or federal credit amounts to make them properly conform with the provisions of this chapter.

## **290.48 DELINQUENT TAXES, COLLECTION.**

*[For text of subds 3 to 8, see M.S.1986]*

**Subd. 10. Presumptions where owner of large amount of cash is not identified.** (a) If the individual who is in physical possession of cash in excess of \$10,000 does not claim such cash, or does not claim it belongs to another person whose identity the commissioner can readily ascertain and who acknowledges ownership of such cash, then, for purposes of subdivisions 3 and 4, it shall be presumed that the cash represents gross income of a single individual for the taxable year in which the possession occurs, and that the collection of tax will be jeopardized by delay.

(b) In the case of any assessment resulting from the application of clause (a), the entire amount of the cash shall be treated as taxable income for the taxable year in which the possession occurs, such income shall be treated as taxable at an eight percent rate, and except as provided in clause (c), the possessor of the cash shall be treated (solely with respect to the cash) as the taxpayer for purposes of this chapter and the assessment and collection of the tax.

(c) If, after an assessment resulting from the application of clause (a), the assessment is abated and replaced by an assessment against the owner of the cash, the later assessment shall be treated for purposes of all laws relating to lien, levy, and collection as relating back to the date of the original assessment.

(d) For purposes of this subdivision, the definitions contained in section 6867 of the Internal Revenue Code of 1986, as amended through December 31, 1986, shall apply.

**History:** 1987 c 268 art 1 s 101

## **290.491 TAX ON GAIN; DISCHARGE IN BANKRUPTCY.**

(a) Any tax due under this chapter on a gain realized on a forced sale pursuant to foreclosure of a mortgage or other security interest in agricultural production property, other real property, or equipment, used in a farm business that was owned and operated by the taxpayer shall be a dischargeable debt in a bankruptcy proceeding under United States Code, title 11, section 727.

(b) For purposes of this section, any tax due under this chapter specifically includes, but is not limited to, tax imposed under sections 290.02 and 290.03 on income derived from a sale or exchange, whether constituting gain, discharge of indebtedness or recapture of depreciation deductions, or the alternative minimum tax imposed under section 290.091.

**History:** 1987 c 268 art 1 s 102

### **290.50 OVERPAYMENTS, CLAIMS FOR REFUND OR CREDITS.**

**Subdivision 1. Procedure, time limit.** (a) A taxpayer who has paid or from whom there has been collected an amount of tax for any year in excess of the amount legally due for that year, may file with the commissioner a claim for a refund of such excess. Except as otherwise provided in this section, no claim or refund shall be allowed or made after 3-1/2 years from the date prescribed for filing the return (plus any extension of time granted for filing the return, but only if filed within the extended time) or after two years from the date of overpayment, whichever period is longer, unless before the expiration of the period a claim is filed by the taxpayer. For this purpose an income tax return or amended return claiming an overpayment shall constitute a claim for refund.

(b) If no claim was filed, the credit or refund shall not exceed the amount which would be allowable if a claim was filed on the date the credit or refund is allowed.

(c) If a claim relates to an overpayment on account of a failure to deduct a loss due to a bad debt or to a security becoming worthless, the claim shall be allowed if filed within seven years from the date prescribed in section 290.42 for the filing of the return, and the refund or credit shall be limited to the amount of overpayment attributable to the loss.

(d) For purposes of this section, the prepayment of tax made through the withholding of tax at the source, or payment of estimated tax, prior to the due date of the tax are considered as having been paid on the last day prescribed by law for the payment of the tax by the taxpayer. A return filed before the due date shall be considered as filed on the due date.

(e) Except as provided in sections 273.1314, subdivision 10a, 290.92, subdivision 13, 290.93, subdivision 9, and 290.936, interest on the overpayment refunded or credited to the taxpayer shall be allowed at the rate specified in section 270.76 computed from the date of payment of the tax until the date the refund is paid or credit is made to the taxpayer. However, to the extent that the basis for the refund is a net operating loss carryback or a capital loss carryback, interest shall be computed only from the end of the taxable year in which the loss occurs.

(f) If a taxpayer reports a change in federal gross income, items of tax preference, deductions, credits, or a renegotiation, or files a copy of the taxpayer's amended federal return, within 90 days as provided by section 290.56, subdivision 2, a refund may be made of any overpayment within one year after such report or amended return is filed except as provided in subdivision 2.

(g) There is hereby appropriated from the general fund to the commissioner of revenue the amounts necessary to make payments of refunds allowed pursuant to this section.

### **290.53 PENALTIES, INTEREST.**

**Subdivision 1. Failure to pay tax.** If any tax imposed by this chapter is not paid within the time herein specified for the payment thereof, or within 30 days after final determination of an appeal to the tax court relating thereto if the taxpayer is not required to pay the amount in dispute pending appeal under section 290.531, there shall be added to the amount required to be shown as tax a penalty of three percent of

the amount of tax not paid on or before the date prescribed for payment of the tax if the failure is for not more than 30 days, with an additional penalty of three percent of the amount of tax remaining unpaid during each additional 30 days or fraction thereof, not exceeding 24 percent in the aggregate. Such penalty shall be collected as part of said tax, and the amount of said tax not timely paid, together with said penalty shall bear interest at the rate specified in section 270.75 from the time such tax should have been paid until paid. Interest accruing upon the tax due as disclosed by the return or upon the amount determined as a deficiency from the date prescribed for the payment of the tax (if the tax is payable in installments, from the date the installment or installments become due and payable under the provisions of section 290.45, subdivision 1) shall be added to the tax and be collected as a part thereof. Where an extension of time for payment has been granted under section 290.45, subdivision 2, interest shall be paid at the rate specified in section 270.75 from the date when such payment should have been made if no extension had been granted, until such tax is paid. If payment is not made at the expiration of the extended period the penalties provided in this section shall apply.

**Subd. 1a. Applicability to corporations.** In the case of a corporation, the penalty under subdivision 1 does not apply when:

(1) the corporation fulfills the requirements of section 290.42, paragraph (6), relating to a seven-month extension for filing the regularly required return and the filing of a tentative return;

(2) the amount of tax, determined without regard to any prepayment of tax, shown on the tentative return, or the amount of tax paid on or before the regular due date of the return, is at least 90 percent of the amount shown on the corporation's regularly required return;

(3) any balance due shown on the regularly required return is paid on or before the due date of the return, including any extensions of time for filing; and

(4) interest on any balance due is paid at the rate specified in section 270.75 from the regular due date of the return until the tax is paid.

**Subd. 2. Failure to make and file return.** In case of any failure to make and file a return as required by this chapter within the time prescribed by law or prescribed by the commissioner in pursuance of law, there shall be added to the tax three percent of the amount of tax not paid on or before the date prescribed for payment of the tax if the failure is for not more than 30 days with an additional five percent of the amount of tax remaining unpaid during each additional 30 days or fraction thereof during which such failure continues, not exceeding 23 percent in the aggregate.

In addition to the penalty imposed above, in the case of a failure to file a return of tax imposed by this chapter, other than a tax return of an individual, within 60 days of the date prescribed for filing of the return (determined with regard to any extensions of time for filing), the addition to tax under this subdivision shall not be less than the lesser of (i) \$200 or (ii) the greater of (a) 25 percent of the amount required to be shown as tax on the return without reduction for any payments made or refundable credits allowable against the tax or (b) \$50.

The amount so added to any tax shall be collected at the same time and in the same manner and as a part of the tax, and the amount of said tax together with the amount so added shall bear interest at the rate specified in section 270.75 from the time such tax should have been paid until paid unless the tax has been paid before the discovery of the neglect, in which case the amount so added shall be collected in the same manner as the tax.

**Subd. 2a. Combined penalties.** Where penalties are imposed under subdivisions 1 and 2, the penalties imposed under both subdivisions combined, except for the minimum penalty under subdivision 2, shall not exceed 38 percent in the aggregate.

*[For text of subd 3, see M.S.1986]*

**Subd. 3a. Intentional disregard of law or rules.** If any part of any underpayment

resulting from an additional assessment is due to negligence or intentional disregard of the provisions of this chapter or rules of the commissioner of revenue (but without intent to defraud), there shall be added to the tax an amount equal to ten percent of such additional assessment. The penalty imposed by this subdivision shall be collected as part of the tax and shall be in addition to any other penalties provided by this chapter. The amount of the tax together with this amount shall bear interest at the rate specified in section 270.75 from the time the tax should have been paid until paid.

**Subd. 4. Failure to file, filing false or fraudulent return; intent to evade tax; criminal provisions.** In addition to any other penalties prescribed, (a) any person required by this chapter to make a return, who knowingly fails to make it at the time required by law, is guilty of a gross misdemeanor; (b) any person who willfully makes and subscribes any return, statement, or other document knowing it to be false as to any material matter is guilty of a felony; (c) any person who willfully attempts in any manner to evade or defeat any tax imposed by this chapter is guilty of a felony; and (d) any person who willfully fails to pay the tax at the time required by law, with the intent to evade or defeat the tax, is guilty of a gross misdemeanor unless the tax involved exceeds \$300, in which event the person is guilty of a felony. Notwithstanding the provisions of section 628.26, or any other provision of the criminal laws of this state, an indictment may be found and filed, or a complaint filed, upon any criminal offense specified in this subdivision, in the proper court within six years after the commission of the offense. The term "person" as used in this subdivision includes any officer or employee of a corporation or a member or employee of a partnership who as an officer, member or employee is under a duty to perform the act in respect to which the violation occurs.

## **290.56 EXAMINATION OF TAXPAYER'S RECORDS; FEDERAL RETURNS; EXTENSIONS.**

*[For text of subd 1, see M.S.1986]*

**Subd. 2. Change in federal return.** If the amount of income, items of tax preference, deductions, or credits for any year of any taxpayer as reported to the Internal Revenue Service is changed or corrected by the Commissioner of Internal Revenue or other officer of the United States or other competent authority, or where a renegotiation of a contract or subcontract with the United States results in a change in income, items of tax preference, deductions, or credits, such taxpayer shall report in writing to the commissioner, in such form as the commissioner may require, such change or correction, or the results of such renegotiation, within 90 days after the final determination of the change, correction, or renegotiation, and shall concede the accuracy of such determination or state wherein it is erroneous. Any taxpayer filing an amended federal income tax return shall also file within 90 days thereafter a copy of such amended return with the commissioner of revenue.

**Subd. 3. Failure to report change or correction of federal return.** If a taxpayer fails to report a change or correction or renegotiation by the Commissioner of Internal Revenue or other officer of the United States or other competent authority or fails to file a copy of an amended return as required by subdivision 2, the commissioner may, within six years after the report should have been filed, recompute the tax, including a refund, based upon information as may be available to the commissioner, notwithstanding any period of limitations to the contrary.

**Subd. 4. Report made of change or correction of federal return.** If a taxpayer is required to report a change or correction or renegotiation by the Commissioner of Internal Revenue or other officer of the United States or other competent authority or to file an amended return as required by subdivision 2 and does report the change or

files a copy of the amended return, the commissioner may recompute and reassess the tax due under this chapter, including a refund (a) within one year after the report or amended return is filed with the commissioner, notwithstanding any period of limitations to the contrary or (b) within the period set forth in section 290.49, whichever period is greater. The period provided for the carryback of any amount of loss or credit is also extended as provided in this subdivision, notwithstanding any other law to the contrary.

## **290.61 PUBLICITY OF RETURNS, INFORMATION.**

It shall be unlawful for the commissioner or any other public official or employee to divulge or otherwise make known in any manner any particulars set forth or disclosed in any report or return required by this chapter, or any information concerning, the taxpayer's affairs acquired from the taxpayer's records, officers, or employees while examining or auditing any taxpayer's liability for taxes imposed hereunder, except in connection with a proceeding involving taxes due under this chapter from the taxpayer making such return or to comply with the provisions of sections 256.978, 268.12, subdivision 12, 270A.11, 469.173, subdivision 5, 290.612 and 302A.821. The commissioner may furnish a copy of any taxpayer's return, including audit documents and information, to any official of the United States or of any state having duties to perform in respect to the assessment or collection of any tax imposed upon or measured by income, if such taxpayer is required by the laws of the United States or of such state to make a return therein. Prior to the release of any information to any official of the United States or any other state under the provisions of this section, the person to whom the information is to be released shall sign an agreement which provides that the person will protect the confidentiality of the returns and information revealed thereby to the extent that it is protected under the laws of the state of Minnesota. The commissioner and all other public officials and employees shall keep and maintain the same secrecy in respect to any information furnished by any department, commission, or official of the United States or of any other state in respect to the income of any person as is required by this section in respect to information concerning the affairs of taxpayers under this chapter. Nothing herein contained shall be construed to prohibit the commissioner from publishing statistics so classified as not to disclose the identity of particular returns or reports and the items thereof. Upon request of a majority of the members of the senate tax committee or of the house tax committee or the tax study commission, the commissioner shall furnish abstracted financial information to those committees for research purposes from returns or reports filed pursuant to this chapter, without disclosing the name, address, social security number, business identification number or any other item of information associated with any return or report which the commissioner believes is likely to identify the taxpayer. The commissioner shall not furnish the actual return, or a portion thereof, or a reproduction or copy of any return or portion thereof. "Abstracted financial information" means only the dollar amounts set forth on each line on the form including the filing status.

Any person violating the provisions of this section shall be guilty of a gross misdemeanor.

In order to locate the named payee on state warrants issued pursuant to this chapter or chapter 290A and undeliverable by the United States postal service, the commissioner may publish in any newspaper of general circulation in this state or make available to radio or television stations a list of the name and last known address of the payee as shown on the reports or returns filed with the commissioner. The commissioner may exclude the names of payees whose refunds are in an amount which is less than a minimal amount to be determined by the commissioner. The list shall not contain any particulars set forth on any report or return. The publication or announcement shall include instructions on claiming the warrants.

An employee of the department of revenue may, in connection with official duties relating to any audit, collection activity, or civil or criminal tax investigation or any other offense under this chapter, disclose return information to the extent that such disclosure is necessary in obtaining information, which is not otherwise reasonably available, with respect to the correct determination of tax, liability for tax, or the amount to be collected or with respect to the enforcement of any other provision of this chapter.

In order to facilitate processing of returns and payments of taxes required by this chapter, or to facilitate the development, implementation, and use of computer programs and automated procedures for purposes of administering this chapter or chapter 290A, the commissioner may contract with outside vendors and may disclose private and nonpublic data to the vendor. The data disclosed will be administered by the vendor consistent with this section, and the vendor must agree to subject the vendor and the vendor's employees to the civil and criminal penalties provided by law for unlawful disclosure.

Information from a tax return required under this chapter on a holder of a license issued by the Minnesota racing commission or an owner of a horse may be provided by the commissioner to the Minnesota racing commission.

The commissioner may provide to the Minnesota supreme court and the board of professional responsibility information regarding the amount of any uncontested delinquent taxes due under this chapter or a failure to file a return due under this chapter by an attorney admitted to practice law in this state under chapter 481.

## 290.92 TAX WITHHELD AT SOURCE UPON WAGES.

*[For text of subd 1, see M.S.1986]*

**Subd. 2a. Collection at source. (1) Deductions.** Every employer making payment of wages shall deduct and withhold upon such wages a tax as provided in this section.

**(2) Withholding on payroll period.** The employer shall withhold the tax on the basis of each payroll period or as otherwise provided in this section.

**(3) Withholding tables.** Unless the amount of tax to be withheld is determined as provided in subdivision 3, the amount of tax to be withheld for each individual shall be based upon tables to be prepared and distributed by the commissioner. The tables shall be computed for the several permissible withholding periods and shall take account of exemptions allowed under this section; and the amounts computed for withholding shall be such that the amount withheld for any individual during the individual's taxable year shall approximate in the aggregate as closely as possible the tax which is levied and imposed under this chapter for that taxable year, upon the individual's salary, wages, or compensation for personal services of any kind for the employer.

**(4) Miscellaneous payroll period.** If wages are paid with respect to a period which is not a payroll period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days, including Sundays and holidays, equal to the number of days in the period with respect to which such wages are paid.

**(5) Miscellaneous payroll period. (a)** In any case in which wages are paid by an employer without regard to any payroll period or other period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days equal to the number of days, including Sundays and holidays, which have elapsed since the date of the last payment of such wages by such employer during the calendar year, or the date of commencement of employment with such employer during such year, or January 1 of such year, whichever is the later.

**(b)** In any case in which the period, or the time described in clause (a), in respect of any wages is less than one week, the commissioner, under rules prescribed by the

commissioner, may authorize an employer to determine the amount to be deducted and withheld under the tables applicable in the case of a weekly payroll period, in which case the aggregate of the wages paid to the employee during the calendar week shall be considered the weekly wages.

(6) **Wages computed to nearest dollar.** If the wages exceed the highest bracket, in determining the amount to be deducted and withheld under this subdivision, the wages may, at the election of the employer, be computed to the nearest dollar.

(7) **Rules on withholding.** The commissioner may, by rule, authorize employers:

(a) to estimate the wages which will be paid to any employee in any quarter of the calendar year;

(b) to determine the amount to be deducted and withheld upon each payment of wages to such employee during such quarter as if the appropriate average of the wages so estimated constituted the actual wages paid; and

(c) to deduct and withhold upon any payment of wages to such employee during such quarter such amount as may be necessary to adjust the amount actually deducted and withheld upon wages of such employee during such quarter to the amount required to be deducted and withheld during such quarter without regard to this paragraph (7).

(8) **Additional withholding.** The commissioner is authorized to provide by rule for increases or decreases in the amount of withholding otherwise required under this section in cases where the employee requests the changes. Such additional withholding shall for all purposes be considered tax required to be deducted and withheld under this section.

(9) **Tips.** In the case of tips which constitute wages, this subdivision shall be applicable only to such tips as are included in a written statement furnished to the employer pursuant to section 6053 of the Internal Revenue Code of 1986, as amended through December 31, 1986, and only to the extent that the tax can be deducted and withheld by the employer, at or after the time such statement is so furnished and before the close of the calendar year in which such statement is furnished, from such wages of the employee (excluding tips, but including funds turned over by the employee to the employer for the purpose of such deduction and withholding) as are under the control of the employer; and an employer who is furnished by an employee a written statement of tips (received in a calendar month) pursuant to section 6053 of the Internal Revenue Code of 1986 as amended through December 31, 1986, to which subdivision 1 is applicable may deduct and withhold the tax with respect to such tips from any wages of the employee (excluding tips) under the employer's control, even though at the time such statement is furnished the total amount of the tips included in statements furnished to the employer as having been received by the employee in such calendar month in the course of employment by such employer is less than \$20. Such tax shall not at any time be deducted and withheld in an amount which exceeds the aggregate of such wages and funds as are under the control of the employer minus any tax required by other provisions of state or federal law to be collected from such wages and funds.

(10) **Vehicle fringe benefits.** An employer shall not deduct and withhold any tax under this section with respect to any vehicle fringe benefit provided to an employee if the employer has so elected for federal purposes and the requirement of and the definition contained in section 3402(s) of the Internal Revenue Code of 1986, as amended through December 31, 1986, are complied with.

*[For text of subds 3 and 4, see M.S.1986]*

**Subd. 4a. Tax withheld from nonresidents.** (1) **"wages" paid to nonresident employees.** For the purposes of this section: The term "wages" means all remuneration taxable under this chapter including all remuneration paid to a nonresident employee for services performed in this state.

(2) **"Employer," "wages" and "employee" concerning nonresidents.** Notwithstanding any other provision of this section, under rules to be prescribed by the commission-

er of revenue, for purposes of this section any person having control, receipt, custody, disposal or payment of compensation taxable under this chapter and earned by a nonresident for personal services, shall be deemed an employer, any compensation taxable under this chapter and earned by a nonresident for personal services shall be deemed wages, and a nonresident entitled to compensation taxable under this chapter and earned by the nonresident for personal services shall be deemed an employee.

When compensation for personal services is paid to a corporation in which all or substantially all of the shareholders are individual entertainers, performers or athletes who gave an entertainment or athletic performance in this state for which the compensation was paid, the compensation shall be deemed wages of the individual entertainers, performers or athletes and shall be subject to the provisions of this section. Advance payments of compensation for personal services to be performed in Minnesota shall be deemed wages and subject to the provisions of this section.

(3) **Nonresidents, employer's duty.** The employer of any employee domiciled in a state with which Minnesota has reciprocity under section 290.081 is not required to withhold under this chapter from the wages earned by such employee in this state if the employee annually submits to the employer an affidavit of residency in the form prescribed by the commissioner. The affidavit must be submitted by the later of

- (i) 30 days after the employment date or
- (ii) August 31 for calendar year 1987 and February 28 for subsequent calendar years.

**Subd. 5. Exemptions. (1) Entitlement.** An employee receiving wages shall on any day be entitled to claim withholding exemptions in a number not to exceed the number of withholding exemptions that the employee claims and that are allowable pursuant to section 3402(f)(1), (m), and (n) of the Internal Revenue Code of 1986, as amended through December 31, 1986, for federal withholding purposes.

(2) **Withholding exemption certificate.** The provisions concerning exemption certificates contained in section 3402(f)(2) and (3) of the Internal Revenue Code of 1986, as amended through December 31, 1986, shall apply.

(3) **Form of certificate.** Withholding exemption certificates shall be in such form and contain such information as the commissioner may by rule prescribe.

**Subd. 5a. Verification of withholding exemptions; appeal. (1)** An employer shall submit to the commissioner a copy of any withholding exemption certificate or any affidavit of residency received from an employee on which the employee claims any of the following:

(a) a total number of withholding exemptions in excess of ten or a number prescribed by the commissioner, or

(b) a status that would exempt the employee from Minnesota withholding, including where the employee is a nonresident exempt from withholding under subdivision 4a, clause (3), except where the employer reasonably expects, at the time that the certificate is received, that the employee's wages under subdivision 1 from the employer will not then usually exceed \$200 per week, or

(c) any number of withholding exemptions which the employer has reason to believe is in excess of the number to which the employee is entitled.

(2) Copies of exemption certificates and affidavits of residency required to be submitted by clause (1) shall be submitted to the commissioner within 30 days after receipt by the employer unless the employer is also required by federal law to submit copies to the Internal Revenue Service, in which case the employer may elect to submit the copies to the commissioner at the same time that the employer is required to submit them to the Internal Revenue Service.

(3) An employer who submits a copy of a withholding exemption certificate in accordance with clause (1) shall honor the certificate until notified by the commissioner that the certificate is invalid. The commissioner shall mail a copy of any such notice to the employee. Upon notification that a particular certificate is invalid, the employer shall not honor that certificate or any subsequent certificate unless instructed to do so

by the commissioner. The employer shall allow the employee the number of exemptions and compute the withholding tax as instructed by the commissioner in accordance with clause (4).

(4) The commissioner may require an employee to verify entitlement to the number of exemptions or to the exempt status claimed on the withholding exemption certificate or, to verify nonresidency. The employee shall be allowed at least 30 days to submit the verification, after which time the commissioner shall, on the basis of the best information available to the commissioner, determine the employee's status and allow the employee the maximum number of withholding exemptions allowable under this chapter. The commissioner shall mail a notice of this determination to the employee at the address listed on the exemption certificate in question or to the last known address of the employee. Notwithstanding the provisions of section 290.61, the commissioner may notify the employer of this determination and instruct the employer to withhold tax in accordance with the determination.

However, where the commissioner has reasonable grounds for believing that the employee is about to leave the state or that the collection of any tax due under this chapter will be jeopardized by delay, the commissioner may immediately notify the employee and the employer, notwithstanding section 290.61, that the certificate is invalid, and the employer must not honor that certificate or any subsequent certificate unless instructed to do so by the commissioner. The employer shall allow the employee the number of exemptions and compute the withholding tax as instructed by the commissioner.

(5) The commissioner's determination under clause (4) shall be appealable to tax court in accordance with section 271.06, and shall remain in effect for withholding tax purposes pending disposition of any appeal.

**Subd. 6. Returns, deposits.** (1)(a) **Returns.** Every employer who is required to deduct and withhold tax under subdivision 2a or 3 and every person required to deduct and withhold tax under section 290.923, subdivision 2, shall file a return with the commissioner for each quarterly period, on or before the last day of the month following the close of each quarterly period, unless otherwise prescribed by the commissioner. Any tax required to be deducted and withheld during the quarterly period shall be paid with the return unless an earlier time for payment is provided. However, any return may be filed on or before the tenth day of the second calendar month following the period if the return shows timely deposits in full payment of the taxes due for that period. For the purpose of the preceding sentence, a deposit which is not required to be made within the return period, may be made on or before the last day of the first calendar month following the close of the period. Every employer, in preparing a quarterly return, shall take credit for monthly deposits previously made in accordance with this subdivision.

The return shall be in the form and contain the information prescribed by the commissioner. The commissioner may grant a reasonable extension of time for filing the return, but no extension shall be granted for more than 60 days.

(b) **Advance deposits required in certain cases.** (i) Unless clause (ii) is applicable, if during any calendar month, other than the last month of the calendar quarter, the aggregate amount of the tax withheld during that quarter under subdivision 2a or 3, or under section 290.923, subdivision 2, exceeds \$500, the employer shall deposit the aggregate amount with the commissioner within 15 days after the close of the calendar month. (ii) If at the close of any eighth-monthly period the aggregate amount of undeposited taxes is \$3,000 or more, the employer, or person withholding tax under section 290.923, subdivision 2, shall deposit the undeposited taxes with the commissioner within three banking days after the close of the eighth-monthly period. For purposes of this subparagraph, the term "eighth-monthly period" means the first three days of a calendar month, the fourth day through the seventh day of a calendar month, the eighth day through the 11th day of a calendar month, the 12th day through the 15th day of a calendar month, the 16th day through the 19th day of a calendar month, the 20th day through the 22nd day of a calendar month, the 23rd day through the 25th day

of a calendar month, or the portion of a calendar month following the 25th day of the month.

(c) **Other methods.** The commissioner may by rule prescribe other return periods or deposit requirements. In prescribing the reporting period, the commissioner may classify payors according to the amount of their tax liability and may adopt an appropriate reporting period for each class which the commissioner deems to be consistent with efficient tax collection. In no event shall the duration of the reporting period be more than one year.

(2) If less than the correct amount of tax is paid to the commissioner, proper adjustments, with respect to both the tax and the amount to be deducted, shall be made, without interest, in the manner and at the times as the commissioner prescribes. If the underpayment cannot be adjusted, the amount of the underpayment shall be assessed and collected in the manner and at the times as the commissioner prescribes.

(3) If any employer fails to make and file any return required by paragraph (1) at the time prescribed, or makes and files a false or fraudulent return, the commissioner shall make for the employer a return from the commissioner's own knowledge and from information the commissioner obtains through testimony, or otherwise, and assess a tax on the basis of it. The amount of tax shown on it shall be paid to the commissioner at the times as the commissioner prescribes. Any return or assessment made by the commissioner shall be prima facie correct and valid, and the employer shall have the burden of establishing its incorrectness or invalidity in any action or proceeding in respect to it.

(4) The commissioner, in any case, on having reason to believe that the collection of the tax provided for in paragraph (1), and any added penalties and interest, if any, will be jeopardized by delay, may immediately assess the tax, whether or not the time otherwise prescribed by law for making and filing the return and paying the tax has expired.

(5) Any assessment under this subdivision shall be made by recording the liability of the employer, or person withholding tax under section 290.923, subdivision 2, in the office of the commissioner in accordance with rules prescribed by the commissioner. Upon request of the employer, the commissioner shall furnish the employer a copy of the record of assessment.

(6) Any assessment of tax under this subdivision shall be made within 3-1/2 years after the due date of the return required by paragraph (1), or the date the return was filed, whichever is later. In the case of a false or fraudulent return or failure to file a return, the tax may be assessed at any time. The tax may be assessed within 6-1/2 years after the due date of the return or the date the return was filed, whichever is later, where the employer omitted withholding tax from the return which is properly includable therein and the omitted withholding tax is in excess of 25 percent of the amount of withholding tax stated on the return.

(7)(a) Except as provided in (b) of this paragraph, every employer, or person withholding tax under section 290.923, subdivision 2, who fails to pay to or deposit with the commissioner any sum or sums required by this section to be deducted, withheld and paid, shall be personally and individually liable to the state for the sum or sums (and any added penalties and interest). Any sum or sums deducted and withheld in accordance with the provisions of subdivision 2a or 3, or section 290.923, subdivision 2, shall be held to be a special fund in trust for the state of Minnesota.

(b) If the employer, or person withholding tax under section 290.923, subdivision 2, in violation of this section, fails to deduct and withhold the tax under this section, and thereafter the taxes against which the tax may be credited are paid, the tax required to be deducted and withheld shall not be collected from the employer; but this does not relieve the employer from liability for any penalties and interest otherwise applicable for failure to deduct and withhold.

(8) Upon the failure of any employer, or person required to withhold tax under section 290.923, subdivision 2, to pay to or deposit with the commissioner, within the

time provided by paragraph (1), (2), or (3), any tax required to be withheld in accordance with the provisions of subdivision 2a or 3, or section 290.923, subdivision 2, if the commissioner has assessed a tax pursuant to paragraph (4), the tax shall become immediately due and payable, and the commissioner may deliver to the attorney general a certified statement of the tax, penalties and interest due from the employer. The statement shall also give the address of the employer owing the tax, the period for which the tax is due, the date of the delinquency, and any other information required by the attorney general. The attorney general shall institute legal action in the name of the state to recover the amount of the tax, penalties, interest, and costs. The commissioner's certified statement to the attorney general shall for all purposes and in all courts be prima facie evidence of the facts stated in it and that the amount shown in it is due from the employer named in the statement. If an action is instituted, the court shall, upon application of the attorney general, appoint a receiver of the property and business of the delinquent employer for the purpose of impounding it as security for any judgment which has been or may be recovered. Any action must be brought within five years after the date of assessment of any tax under this subdivision.

(8a) The period of time during which a tax must be assessed or collection proceedings commenced under this subdivision shall be suspended during the period from the date of filing of a petition in bankruptcy until 30 days after the commissioner of revenue receives notice that the bankruptcy proceedings have been closed or dismissed or the automatic stay has been terminated or has expired.

The suspension of the statute of limitations under this subdivision shall apply to the person against whom the petition in bankruptcy is filed and all other persons who may also be wholly or partially liable for the tax under this chapter.

(9) Either party to an action for the recovery of any tax, interest or penalties under this subdivision may appeal the judgment as in other civil cases.

(10) No suit shall lie to enjoin the assessment or collection of any tax imposed by this section, or the interest and penalties added to it.

*[For text of subd 6a, see M.S.1986]*

**Subd. 7. Withholding statement to employee or payee and to commissioner.** (1) Every person required to deduct and withhold from an employee a tax under subdivision 2a or 3, or section 290.923, subdivision 2, or who would have been required to deduct and withhold a tax under subdivision 2a or 3, or persons required to withhold tax under section 290.923, subdivision 2, determined without regard to subdivision 19, if the employee or payee had claimed no more than one withholding exemption, or who paid wages or made payments not subject to withholding under subdivision 2a or 3, or section 290.923, subdivision 2, to an employee or person receiving royalty payments in excess of \$600, or who has entered into a voluntary withholding agreement with a payee pursuant to subdivision 20, shall furnish to each such employee or person receiving royalty payments in respect to the remuneration paid by such person to such employee or person receiving royalty payments during the calendar year, on or before January 31 of the succeeding year, or, if employment is terminated before the close of such calendar year, within 30 days after the date of receipt of a written request from the employee if the 30-day period ends before January 31, a written statement showing the following:

- (a) Name of such person,
- (b) The name of the employee or payee and the employee's or payee's social security account number,
- (c) The total amount of wages as that term is defined in subdivision 1(1), and/or the total amount of remuneration subject to withholding pursuant to subdivision 20, and the amount of sick pay as required under section 6051(f) of the Internal Revenue Code of 1954, as amended through December 31, 1985,
- (d) The total amount deducted and withheld as tax under subdivision 2a or 3, or section 290.923, subdivision 2.

(2) The statement required to be furnished by this subdivision in respect of any remuneration shall be furnished at such other times, shall contain such other information, and shall be in such form as the commissioner may prescribe.

(3) The commissioner may prescribe rules providing for reasonable extensions of time, not in excess of 30 days, to employers or payers required to furnish such statements to their employees or payees under this subdivision.

(4) A duplicate of any statement made pursuant to this subdivision and in accordance with rules prescribed by the commissioner, along with a reconciliation in such form as the commissioner may prescribe of all such statements for the calendar year (including a reconciliation of the quarterly returns required to be filed pursuant to subdivision 6), shall be filed with the commissioner on or before February 28 of the year after the payments were made.

*[For text of subd 8, see M.S.1986]*

**Subd. 9. Determination of tax due.** The commissioner may grant permission to employers, or persons withholding tax under section 290.923, subdivision 2, who do not desire to use the withholding tax tables provided in accordance with paragraph (3) of subdivision 2a, or section 290.923, subdivision 2, to determine the amount of tax to be withheld by use of a method of withholding other than withholding tax tables, provided such method will withhold from each employee or person receiving royalty payments substantially the same amount of tax as would be withheld by use of the withholding tax tables. Employers, or persons withholding tax under section 290.923, subdivision 2, who desire to determine the amount of tax to be withheld by a method other than by use of the withholding tax tables shall obtain permission from the commissioner before the beginning of a payroll period for which the employer, or person withholding tax under section 290.923, subdivision 2, desires to withhold the tax by such other method. Applications to use such other method must be accompanied by evidence establishing the need for the use of such method.

*[For text of subd 10, see M.S.1986]*

**Subd. 11. Refunds.** Where there has been an overpayment of tax imposed by this section, refund of such overpayment or credit shall be made to the employer, or person withholding tax under section 290.923, subdivision 2, in accordance with rules prescribed by the commissioner, but only to the extent that the amount of such overpayment was not deducted and withheld under subdivision 2a or 3, or section 290.923, subdivision 2, by the employer or other person subject to withholding. Any overpayment which is refunded shall bear interest at the rate specified in section 270.76, computed from the date of payment until the date the refund is paid to the employer. The commissioner of finance shall cause any such refund of tax and interest to be paid out of the general fund in accordance with the provisions of section 290.62 and so much of said fund as may be necessary is hereby appropriated for that purpose. Notwithstanding the provisions of section 290.50, written findings by the commissioner, notice by mail to the taxpayer, and certificate for refundment by the commissioner, shall not be necessary. The provisions of section 270.10, shall not be applicable.

**Subd. 12. Withheld amount, credit against tax.** The amount deducted and withheld as tax under subdivision 2a or 3, or section 290.923, subdivision 2, during any calendar year upon the wages of any individual or person receiving royalty payments shall be allowed as a credit to the recipient of the income against the taxes imposed by this chapter or by chapter 298, for a taxable year beginning in such calendar year. If more than one taxable year begins in such calendar year, such amount shall be allowed as a credit against the taxes for the last taxable year so beginning.

**Subd. 13. Refunds.** (1) Where the amount of the tax withheld at the source under subdivision 2a or 3, or section 290.923, subdivision 2, exceeds by \$1 or more the taxes (and any added penalties and interest) reported in the return of the taxpayer or imposed upon the taxpayer by this chapter, the amount of such excess shall be refunded to the taxpayer. If the amount of such excess is less than \$1 the commissioner shall not be

required to refund that amount. Where any amount of such excess to be refunded exceeds \$10, such amount on the original return shall bear interest at the rate specified in section 270.76, computed from 90 days after (a) the due date of the return of the taxpayer or (b) the date on which the return is filed, whichever is later, to the date the refund is paid to the taxpayer. A return shall not be treated as filed until it is in processible form. A return is in processible form when it is filed on a permitted form containing the taxpayer's name, address, social security account number, the required signature, and sufficient required information (whether on the return or on required attachments) to permit the mathematical verification of tax liability shown on the return. Notwithstanding the provisions of section 290.50, written findings by the commissioner, notice by mail to the taxpayer, and certificate for refundment by the commissioner, shall not be necessary. The provisions of section 270.10, shall not be applicable.

(2) Any action of the commissioner in refunding the amount of such excess shall not constitute a determination of the correctness of the return of the taxpayer within the purview of section 290.46.

(3) The commissioner of finance shall cause any such refund of tax and interest, to be paid out of the general fund in accordance with the provisions of section 290.62, and so much of said fund as may be necessary is hereby appropriated for that purpose.

**Subd. 14. Records must be kept.** Every person liable for any tax imposed by this section, or for the collection thereof, shall keep such records, render such statements, make such returns, and comply with such rules, as the commissioner may from time to time prescribe. The amount of the tax together with this amount shall bear interest at the rate specified in section 270.75 from the time the tax should have been paid until paid. The amount added to the tax shall be collected at the same time and in the same manner and as a part of the tax unless the tax has been paid before the discovery of the negligence, in which case the amount added shall be collected in the same manner as the tax.

(1a) In the case of a failure to make and file quarterly returns with the commissioner as required by this section, there shall be added to the tax a penalty equal to three percent of the amount of tax not properly withheld and paid over to or deposited with the commissioner if the failure is for not more than 30 days with an additional five percent of the amount of tax remaining unpaid during each additional 30 days or fraction thereof during which the failure continues, not exceeding 23 percent in the aggregate. (1c) Where penalties are imposed under paragraphs (1) and (1a), except for the minimum penalty under paragraph (1b), the combined penalty percentage shall not exceed 38 percent in the aggregate.

(2) If any employer required to withhold a tax on wages, make deposits, make and file quarterly returns and make payments to the commissioner of amounts withheld, as required by sections 290.92 to 290.97, willfully fails to withhold the tax or make the deposits, files a false or fraudulent return, willfully fails to make the payment or deposit, or willfully attempts in any manner to evade or defeat the tax or the payment or deposit of it, there shall also be imposed on the employer as a penalty an amount equal to 50 percent of the amount of tax, less any amount paid or deposited by the employer on the basis of the false or fraudulent return or deposit, that should have been properly withheld and paid over or deposited with the commissioner. The amount of the tax together with this amount shall bear interest at the rate specified in section 270.75 from the time the tax should have been paid until paid. The penalty imposed by this paragraph shall be collected as a part of the tax, and shall be in addition to any other penalties civil and criminal, prescribed by this subdivision.

(3) If any person required under the provisions of subdivision 7 to furnish a statement to an employee or payee and a duplicate statement to the commissioner, or to furnish a reconciliation of the statements, and quarterly returns, to the commissioner, willfully furnishes a false or fraudulent statement to an employee or payee or a false or fraudulent duplicate statement or reconciliation of statements, and quarterly returns, to the commissioner, or willfully fails to furnish a statement or the reconciliation in the manner, at the time, and showing the information required by the provisions of subdivision 7, or rules prescribed by the commissioner thereunder, there shall be imposed on the person a penalty of \$50 for each act or failure to act, but the total amount imposed on the delinquent person for all such failures during any calendar year shall not exceed \$25,000. The penalty imposed by this paragraph is due and payable within ten days after the mailing of a written demand therefor, and may be collected in the manner prescribed in subdivision 6, paragraph (8).

(4) In addition to any other penalties prescribed, any person required to withhold a tax on wages, file quarterly returns, and make payments or deposits to the commissioner of amounts withheld, as required by this section, who attempts to evade the tax by (i) willfully failing to withhold the tax, file the return, or make the payment or deposit, or (ii) willfully preparing or filing a false return, is guilty of a gross misdemeanor unless the tax involved exceeds \$300, in which event the person is guilty of a felony.

(6) Any employee required to supply information to an employer under the provisions of subdivision 5, who willfully fails to supply information or willfully supplies false or fraudulent information thereunder which would require an increase in the tax to be deducted and withheld under subdivision 2a or 3, is guilty of a gross misdemeanor.

(9) In addition to any other penalty provided by law, any employee who furnishes a withholding exemption certificate or a residency affidavit to an employer which the employee has reason to know contains a materially incorrect statement is liable to the commissioner of revenue for a penalty of \$500 for each instance. The penalty is immediately due and payable and may be collected in the same manner as any delinquent income tax.

The penalty is immediately due and payable and may be collected in the manner provided in subdivision 6, paragraph (8).

(11) Any person who willfully aids or assists in, or procures, counsels, or advises the preparation or presentation under, or in connection with any matter arising under this section, of a return, affidavit, claim, or other document, which is fraudulent or false as to any material matter, whether or not the falsity or fraud is with the knowledge or consent of the person authorized or required to present the return, affidavit, claim, or document, is guilty of a gross misdemeanor, unless the tax involved exceeds \$300, in which event the actor is guilty of a felony.

(12) Notwithstanding the provisions of section 628.26, or any other provision of the criminal laws of this state, an indictment may be found and filed, or a complaint filed, upon any criminal offense specified in this subdivision, in the proper court within six years after the commission of the offense.

## 290.93 DECLARATION OF ESTIMATED TAX.

*[For text of subds 1 to 9, see M.S.1986]*

**Subd. 10. Underpayment of estimated tax.** (1) In the case of any underpayment of estimated tax by an individual, except as provided in paragraph (5) or (6), there must be added to and become a part of the taxes imposed by this chapter, for the taxable year an amount determined at the rate specified in section 270.75 upon the amount of the underpayment for the period of the underpayment.

(2) For purposes of the preceding paragraph, the amount of underpayment shall be the excess of

- (a) the amount of the installment required to be paid over
- (b) the amount, if any, of the installment paid on or before the last day prescribed for such payment.

(3) The period of the underpayment shall run from the date the installment was required to be paid to whichever of the following dates is the earlier

- (a) The 15th day of the fourth month following the close of the taxable year.
- (b) With respect to any portion of the underpayment, the date on which such portion is paid. For purposes of this subparagraph, a payment of estimated tax on any installment date shall be considered a payment of any unpaid required installments in the order in which the installments are required to be paid.

(4) The amount of any installment required to be paid shall be 25 percent of the required annual payment except as provided in paragraph (c). The term "required annual payment" means the lesser of

- (a) 90 percent (66-2/3 percent in the case of farmers referred to in subdivision 5, paragraph (2)), of the tax shown on the return for the taxable year or 90 percent (66-2/3 percent in the case of farmers referred to above) of the tax for the year if no return is filed, or

(b) The total tax liability shown on the return of the individual for the preceding taxable year (if a return showing a liability for such taxes was filed by the individual for the preceding taxable year of 12 months), or

(c) An amount equal to the applicable percentage of the tax for the taxable year computed by placing on an annualized basis the taxable income and alternative minimum taxable income for the months in the taxable year ending before the month in which the installment is required to be paid. The applicable percentage of the tax is 22.5 percent in the case of the first installment, 45 percent for the second installment, 67.5 percent for the third installment, and 90 percent for the fourth installment. For purposes of this subparagraph, the taxable income and alternative minimum taxable income shall be placed on an annualized basis by

(i) Multiplying by 12 (or in the case of a taxable year of less than 12 months, the number of months in the taxable year) the taxable income and alternative minimum taxable income computed for the months in the taxable year ending before the month in which the installment is required to be paid.

(ii) Dividing the resulting amount by the number of months in the taxable year ending before the month in which such installment date falls.

(5) No addition to the tax shall be imposed under this subdivision for any taxable year if:

- (a) the individual did not have any liability for tax for the preceding taxable year,
- (b) the preceding taxable year was a taxable year of 12 months, and
- (c) the individual was a resident of Minnesota throughout the preceding taxable year.

(6) No addition to the tax shall be imposed under this subdivision with respect to any underpayment to the extent the commissioner determines that the provisions of section 6654(e)(3) of the Internal Revenue Code of 1954, as amended through December 31, 1985, apply.

(7) For the purposes of applying this subdivision, the estimated tax shall be computed without any reduction for the amount which the individual estimates as the individual's credit under section 290.92, subdivision 12 (relating to tax withheld at source on wages), and any other refundable credits which are allowed against income tax liability, and the amount of such credits for the taxable year shall be deemed a payment of estimated tax, and an equal part of such amounts shall be deemed paid on each installment date (determined under subdivisions 6 and 7) for such taxable year, unless the taxpayer establishes the dates on which all amounts were actually withheld, in which case the amounts so withheld shall be deemed payments of estimated tax on the dates on which such amounts were actually withheld.
