171.07 DEPARTMENT TO ISSUE LICENSE AND NONQUALIFICATION CERTIFICATES; ANATOMICAL GIFT INDICATION.

Subdivision 1. License; contents. The department shall, upon the payment of the required fee, issue to every applicant qualifying therefor a license designating the type or class of vehicles the applicant is authorized to drive as applied for, which license shall bear thereon a distinguishing number assigned to the licensee, the full name, date of birth, residence address and permanent mailing address if different, a description of the licensee in such manner as the commissioner deems necessary, and a space upon which the licensee shall write the usual signature and the date of birth of the licensee with pen and ink. No license shall be valid until it has been so signed by the licensee. Except in the case of an instruction permit, every license shall bear thereon a colored photograph of the licensee. Every license issued to an applicant under the age of 19 shall be of a distinguishing color and plainly marked "provisional." The department shall use such process or processes in the issuance of licenses that prohibits as near as possible, the ability to alter or reproduce the licenses, or prohibit the ability to superimpose a photo on such licenses without ready detection. A license issued to an applicant of age 65 or over shall be plainly marked "senior" if requested by the applicant.

Subd. 1a. Photographic negatives; filing; data classification. The department shall file, or contract to file, all photographic negatives obtained in the process of issuing driver licenses or Minnesota identification cards. The negatives shall be private data pursuant to section 13.02, subdivision 12. Notwithstanding section 13.04, subdivision 3, the department shall not be required to provide copies of photographic negatives to data subjects. The use of the files is restricted to the issuance and control of driver licenses and for law enforcement purposes in the investigation and prosecution of felonies and violations of section 169.09; 169.121; 169.123; 169.129; 171.22; 171.24; 171.30; 609.41; 609.487, subdivision 3; 609.631, subdivision 4, clause (3); or 609.821, subdivision 3, clauses (1), item (iv), and (3).

Subd. 2. The department shall not issue a Class B or Class A license to anyone who does not have or has not qualified for a Class C license. A Class A license shall not be issued to anyone under 18 years of age.

Subd. 3. Upon payment of the required fee the department shall issue to every applicant therefor a Minnesota identification card. The card must bear a distinguishing number assigned to the applicant, a colored photograph, the full name, date of birth, residence address, a description of the applicant in the manner as the commissioner deems necessary, and a space upon which the applicant shall write the usual signature and the date of birth of the applicant with pen and ink.

Each Minnesota identification card must be plainly marked "Minnesota identification card - not a driver's license." The fee for a Minnesota identification card issued to a person who is mentally retarded, as defined in section 252A.02, subdivision 2, is 50 cents.

Subd. 3a. A Minnesota identification card issued to an applicant 65 years of age

or over shall be of a distinguishing color and plainly marked "senior." The fee for the card issued to an applicant 65 years of age or over shall be one half the required fee for a class C driver's license. A Minnesota identification card or a Minnesota driver's license issued to a person 65 years of age or over shall be valid identification for the purpose of qualifying for reduced rates, free licenses or services provided by any board, commission, agency or institution that is wholly or partially funded by state appropriations.

Subd. 4. The expiration date of Minnesota identification cards of applicants under the age of 65 shall be the birthday of the applicant in the fourth year following the date of issuance of the card. Minnesota identification cards issued to applicants age 65 or over shall be valid for the lifetime of the applicant.

Subd. 5. The department may provide a donor document to each person making application for a driver's license or a Minnesota identification card whereby any such person may execute an anatomical gift, pursuant to the provisions of the uniform anatomical gift act, sections 525.921 to 525.93. The commissioner of public safety shall prescribe the form of the donor document. If the donor is 18 years of age or older, the donor document must be signed by the donor in the presence of two witnesses who must sign the donor document in the donor's presence. If the donor cannot sign, the donor document may be signed for the donor at the donor's direction, in the donor's presence, and in the presence of two witnesses who must sign the donor document in the donor's presence. If the donor is a minor, the donor document must be signed by the minor donor, and both of the minor donor's parents, a legal guardian, or the parent or parents having legal custody. If the minor cannot sign, the donor document may not be signed for the minor. The department shall identify donors of anatomical gifts by the designation "donor" on the front side of the donor's driver's license or Minnesota identification card. The designation "donor" shall constitute sufficient legal authority for the removal of all body organs or parts upon death of the donor for the purpose of transplantation and the designation shall be removed only upon written notice to the department. Delivery of the license or Minnesota identification card during the donor's lifetime is not necessary to make the gift valid.

Subd. 6. **Medical alert identifier.** Upon the written request of the applicant, the department shall issue a driver's license or Minnesota identification card bearing a medical alert identifier. The applicant must request the medical alert identifier at the time the photograph is taken. No specific medical information will be contained on the driver's license or Minnesota identification card.

The commissioner shall have the authority, when good cause appears, to impose restrictions suitable to the licensee's driving ability or such other restrictions applicable to the licensee as the commissioner may determine to be appropriate to assure the safe operation of a motor vehicle by the licensee. The commissioner may, upon receiving satisfactory evidence of any violation of the restrictions of such license, suspend or revoke the same, but the licensee shall be entitled to a hearing, as provided herein.

171.12 FILING.

Subdivision 1. **Licenses filed in alphabetical order.** The department shall file every application for a license received by it and shall maintain suitable indices containing, in alphabetical order:

- (1) All applications denied, and on each thereof the reason for such denial;
- (2) All applications granted; and
- (3) The name of every person whose license has been suspended or revoked by the department, and after each such name the reasons for such action.

Subd. 2. **Accident reports and abstracts of court records of conviction filed.** The department shall file all accident reports and abstracts of court records of convictions

received by it under the laws of this state and its political subdivisions, and in connection therewith maintain convenient records or make suitable notations in order that an individual record of each licensee showing the convictions of such licensee and the traffic accidents in which the licensee has been involved shall be readily ascertainable and available for the consideration of the department upon any application for renewal of license and the revocation, suspension, or limitation of licenses. No record shall be maintained of a conviction of any Minnesota resident for an offense committed while operating a vehicle as a chauffeur in any other state or Canadian province unless such state or province is one with which Minnesota engages in reciprocal reporting of convictions.

Subd. 3. Applications and records, when destroyed. The department may cause the application for drivers' licenses and instruction permits, and records in connection therewith, to be destroyed immediately after the period for which issued, except that the driver's record pertaining to revocations, suspensions, convictions, and accidents shall be cumulative and kept for a period of at least five years.

Subd. 3a. Record destroyed when revocation or suspension rescinded. Notwithstanding subdivision 3 or section 138.163, when an order for revocation or suspension of a driver's license is rescinded and all rights of appeal have been exhausted or have expired, the commissioner shall remove the record of that revocation or suspension from the computer records that are disclosed to persons or agencies outside the driver and vehicle services division, department of public safety.

171.13 EXAMINATION.

Subdivision 1. Applicants. Except as otherwise provided in this section, the commissioner shall examine each applicant for a driver's license by such agency as the commissioner directs. This examination must include a test of applicant's eyesight; ability to read and understand highway signs regulating, warning, and directing traffic; knowledge of traffic laws; knowledge of the effects of alcohol and drugs on a driver's ability to operate a motor vehicle safely and legally; an actual demonstration of ability to exercise ordinary and reasonable control in the operation of a motor vehicle; and other physical and mental examinations as the commissioner finds necessary to determine the applicant's fitness to operate a motor vehicle safely upon the highways, provided, further however, no driver's license shall be denied an applicant on the exclusive grounds that the applicant's eyesight is deficient in color perception. Provided, however, that war veterans operating motor vehicles especially equipped for handicapped persons, shall, if otherwise entitled to a license, be granted such license. The commissioner shall make provision for giving these examinations either in the county where the applicant resides or at a place adjacent thereto reasonably convenient to the applicant.

Subd. 1a. Waiver. The commissioner may waive the requirement that the applicant demonstrate ability to exercise ordinary and reasonable control in the operation of a motor vehicle on determining that the applicant possesses a valid driver's license issued by a jurisdiction that requires a comparable demonstration for license issuance.

Subd. 1b. **Driver's manual.** The commissioner shall include in each edition of the driver's manual published by the department a chapter relating to the effect of alcohol consumption on highway safety and on the ability of drivers to safely operate motor vehicles and a summary of the laws of Minnesota on operating a motor vehicle while under the influence of alcohol or a controlled substance.

Subd. 1c. **Driver's manual; fleeing a peace officer.** The commissioner shall include in each edition of the driver's manual published by the department a section relating to the criminal sanctions and forfeiture provisions applicable to persons who flee a peace officer in a motor vehicle.

Subd. 2. **Examination upon renewal.** A driver's license shall be issued upon renewal when the applicant has passed an examination consisting of a screening of the applicant's eyesight. Screening of eyesight required by this subdivision shall not be construed as the practice of optometry as defined in section 148.56.

Subd. 3. **Examination of licensed driver.** The commissioner may require an examination by such agency as the commissioner directs of any licensed driver, to determine incompetency, physical or mental disability or disease, or any other condition which might affect the driver from exercising reasonable and ordinary control over a motor vehicle, but no examination shall be required only for the reason that any licensed driver has attained a certain age. If as a result of the examination the commissioner believes that the driver is an unsafe person to operate a motor vehicle upon the public highways, the commissioner may cancel the driver's license of the person. The commissioner shall give the person written notice of the cancellation.

Subd. 4. **Penalty; failure to submit to examination.** If a licensee does not submit to any examination required under the provisions of subdivision 3, the commissioner may cancel the driver's license of the licensee. If such license is canceled, the licensee shall immediately surrender to the department all driver's license certificates in possession.

Subd. 5. **Fee for vehicle endorsement.** Any person applying to secure a motorcycle or school bus vehicle endorsement on the person's driver's license shall pay a \$2.50 examination fee at the place of application.

171.131 REPORTING TO COMMISSIONER.

Subdivision 1. Any physician who diagnoses a physical or mental condition which in the physician's judgment will significantly impair the person's ability to operate safely a motor vehicle may voluntarily report the person's name and other information relevant to the condition to the commissioner. The commissioner, upon receiving the report, shall require the person so reported to be examined as provided in section 171.13, subdivision 3.

Subd. 2. Any physician reporting in good faith and exercising due care shall have immunity from any liability, civil or criminal, that otherwise might result by reason of actions pursuant to this section. No cause of action may be brought against any physician for not making a report pursuant to this section.

171.14 CANCELLATION.

The commissioner shall have authority to cancel any driver's license upon determination that the licensee was not entitled to the issuance thereof hereunder, or that the licensee failed to give the required or correct information in the application, or committed any fraud or deceit in making such application. The commissioner may also cancel the driver's license of any person who, at the time of the cancellation, would not have been entitled to receive a license under the provisions of section 171.04. Upon cancellation the licensee shall immediately surrender the license so canceled to the department.

Subdivision 1. The privilege of driving a motor vehicle on the highways of this state given to a nonresident hereunder shall be subject to the suspension or revocation by the commissioner in like manner and for like cause as a driver's license issued hereunder may be suspended or revoked.

The commissioner is further authorized, upon receiving a record of conviction in this state of a nonresident driver of a motor vehicle of any offense under the motor vehicle laws of this state, to forward a certified copy of such record to the motor vehicle administrator in the state wherein the person so convicted is a resident.

Subdivision 1. **Courts to report to commissioner.** Every court having jurisdiction over offenses committed under any law of this state or ordinance of a political subdivision regulating the operation of motor vehicles, shall forward to the department, within ten days, a record of the conviction of any person in the court for a violation of any laws or ordinances, except parking violations and defective vehicle equipment or vehicle size or weight violations, committed by a licensed chauffeur while driving a vehicle for which a chauffeur's license is required.

Subd. 2. **Commissioner shall suspend.** The court may recommend the suspension of the driver's license of the person so convicted, and the commissioner shall suspend such license as recommended by the court, without a hearing as provided herein.

Subd. 3. **Suspension for failure to pay fine.** When any court reports to the commissioner that a person: (1) has been convicted of violating a law of this state or an ordinance of a political subdivision which regulates the operation or parking of motor vehicles, (2) has been sentenced to the payment of a fine or had a penalty assessment levied against that person, or sentenced to a fine upon which a penalty assessment was levied, and (3) has refused or failed to comply with that sentence or to pay the penalty assessment, notwithstanding the fact that the court has determined that the person has the ability to pay the fine or penalty assessment, the commissioner shall suspend the driver's license of such person for 30 days for a refusal or failure to pay or until notified by the court that the fine or penalty assessment, or both if a fine and penalty assessment were not paid, has been paid.

Subd. 4. [Repealed, 1973 c 698 s 8]

Subd. 5. **Juvenile court.** When any judge of a juvenile court, or any of its duly authorized agents, shall determine formally or informally that any person under the age of 18 years has violated any of the provisions of any law of this state, or ordinances of political subdivisions thereof, regulating the operation of motor vehicles on streets and highways, except parking violations, and except traffic offenses involving a violation of section 169.121 that must be reported under section 171.17, such judge, or duly authorized agent, shall immediately report such determination to the department and may recommend the suspension of the driver's license of such person, and the commissioner is hereby authorized to suspend such license, without a hearing.

(7) conviction of an offense in another state which, if committed in this state, would be grounds for the revocation of the driver's license.

When any judge of a juvenile court, or any of its duly authorized agents, determines under a proceeding under chapter 260 that any person under the age of 18 years has committed any offense defined in this section, such judge, or duly authorized agent, shall immediately report this determination to the department, and the commissioner shall immediately revoke the license of that person.

(5) Is incompetent to drive a motor vehicle as determined and adjudged in a judicial proceeding; or

171.181 RESIDENT DRIVING PRIVILEGE.

Subdivision 1. On revoking or suspending the driver license of a Minnesota resident as a result of a foreign state conviction, the commissioner shall notify that foreign state when the driver license is reinstated or a new license issued.

171.182 SUSPENSION; UNINSURED VEHICLES.

Subdivision 1. **Definition.** For the purposes of sections 171.182 to 171.184, the term "judgment" means a judgment which has become final by expiration without appeal within the time which an appeal might have been perfected, or by final affirmation on appeal, rendered by a court of competent jurisdiction, including county, municipal, or conciliation court, of any state of the United States, upon a claim for relief arising out of ownership, maintenance, or use of a motor vehicle, for damages, including damages for care and loss of services, because of bodily injury to or death of a person, or for damages because of injury to or destruction of property, including the loss of use thereof, or upon a claim for relief on an agreement of settlement for the damages.

Subd. 2. **Copy of judgment to commissioner.** If a person fails within 30 days to satisfy a judgment, the court administrator, upon affidavit of the judgment creditor that the judgment has not been satisfied, shall immediately forward to the commissioner a certified copy of the judgment and affidavit of identification.

If the judgment debtor named in a certified copy of a judgment reported to the commissioner is a nonresident, the commissioner shall transmit a certified copy of the judgment to the official in charge of the issuance of drivers licenses of the state of which the judgment debtor is a resident.

Subd. 3. **Conditions.** The commissioner, upon receipt of a certified copy of a judgment, shall forthwith suspend the license or the nonresident's operating privilege, of the person against whom judgment was rendered if:

(a) At the time of the accident the person did not maintain the reparation security required by section 65B.48, and

(b) The judgment has not been satisfied.

Subd. 4. **Duration.** A license or nonresident's operating privilege shall remain

suspended and shall not be renewed, nor shall a license be thereafter issued to the person until every judgment is satisfied in full, or has expired, or to the extent hereinafter provided.

Subd. 5. Statements. A person whose license or nonresident's operating privileges has been suspended or has become subject to suspension because of an unsatisfied judgment may be relieved of the suspension by filing with the commissioner an affidavit stating that at the time of the accident giving rise to the judgment the person was insured, that the insurer is liable for the judgment, and the reason, if known, why the judgment has not been paid. The affidavit shall be accompanied by a copy of the insurance policy and other documents the commissioner requires to show that the loss, injury or damage giving rise to the judgment was covered by the policy. 171.30 LIMITED LICENSE.

Subdivision 1. **Issuance.** In any case where a person's license has been suspended under section 171.18 or revoked under section 169.121, 169.123, or 171.17, the commissioner may issue a limited license to the driver including under the following conditions:

(1) if the driver's livelihood or attendance at a chemical dependency treatment or counseling program depends upon the use of the driver's license;

(2) if the use of a driver's license by a homemaker is necessary to prevent the substantial disruption of the education, medical, or nutritional needs of the family of the homemaker; or

(3) if attendance at a post-secondary institution of education by an enrolled student of that institution depends upon the use of the driver's license.

The commissioner in issuing a limited license may impose such conditions and limitations as in the commissioner's judgment are necessary to the interests of the public safety and welfare including reexamination as to the driver's qualifications. The license may be limited to the operation of particular vehicles, to particular classes and times of operation and to particular conditions of traffic. The commissioner may

require that an applicant for a limited license affirmatively demonstrate that use of public transportation or carpooling as an alternative to a limited license would be a significant hardship.

For purposes of this subdivision, "homemaker" refers to the person primarily performing the domestic tasks in a household of residents consisting of at least the person and the person's dependent child or other dependents.

The limited license issued by the commissioner shall clearly indicate the limitations imposed and the driver operating under the limited license shall have the license in possession at all times when operating as a driver.

In determining whether to issue a limited license, the commissioner shall consider the number and the seriousness of prior convictions and the entire driving record of the driver and shall consider the number of miles driven by the driver annually.

Subd. 2. A limited license shall not be issued for a period of 60 days to an individual whose license or privilege has been revoked or suspended for commission of the following offenses:

(a) Manslaughter or criminal negligence resulting from the operation of a motor vehicle.

Subd. 3. The commissioner shall issue a limited license restricted to the vehicles whose operation is permitted only under a Class A or Class B license whenever a Class A or Class B license has been suspended under section 171.18, or revoked under section 171.17, for violation of the highway traffic regulation act committed in a private passenger motor vehicle. This subdivision shall not apply to any persons described in section 171.04, clauses (4), (5), (6) and (9).

The driver's license of any person who has been classified as legally blind shall be immediately canceled.

Subd. 2. Any person who is notified that the person's driver's license may be canceled because of a defect of visual acuity pursuant to the provisions of this section

may demand and shall receive the standard visual acuity examination required of all driver's license applicants, or may be examined by a qualified physician of the person's choice.

Subd. 3. The results of any visual acuity examination administered because of information received pursuant to this section may be communicated by the commissioner to the department from which the person received a benefit. The information received by the commissioner pursuant to this section must not be divulged or otherwise made known in any manner except in connection with the cancellation of drivers' licenses, and then only to the person involved whose license is canceled, and except for statistical purposes which do not reveal the identity of the individuals involved.
