History: 1955 c 690 s 3; 1974 c 306 s 3; 1988 c 469 art 1 s 1

3.088 LEAVE OF ABSENCE.

Subdivision 1. Leave of absence without pay. Subject to this section, any appointed officer or employee of a political subdivision, municipal corporation, or school district of the state or an institution of learning maintained by the state who serves as a legislator during a session or is elected to a full-time city or county office in Minnesota is entitled to a leave of absence from the public office or to employment without pay during any part or all of the service, with right of reinstatement as provided in this section.

Subd. 2. Reinstatement. Except as provided in this section, upon the completion of the last legislative day in each calendar year, or, in the case of an elected city or county official, on the completion of the final day of the term to which the official was elected, the officer or employee shall be reinstated in the public position held at the time of entry into the legislature or taking city or county office, or be placed in a public position of like seniority, status, and pay if it is available at the same salary which would have been received if the leave had not been taken, upon the following conditions:

(1) that the position has not been abolished or that its term, if limited, has not expired;

(2) that the legislator makes a written application for reinstatement to the appointing authority within 30 days after the last legislative day in a calendar year or, in the case of an elected city or county official, within 30 days after the expiration of the elected term; and

(3) that the request for reinstatement is made not later than ten years after the granting of the leave.

Upon reinstatement, the officer or employee shall have the same rights with respect to accrued and future seniority status, efficiency rating, vacation, insurance benefits, sick leave, and other benefits as if actually employed during the time of the leave. No public employer is required to compensate a reinstated employee or officer for time spent by that employee or officer away from work for the employer and on the business of the state legislature during the period between the first and last legislative day in each calendar year or on the business of an elected city or county office. No officer or employee reinstated shall be removed or discharged within one year after reinstatement except for cause and after notice and hearing, but this does not extend a term of service limited by law.

A public officer or employee who receives leave of absence under this section or is elected as a state constitutional officer and has rights in a state, municipal, or other public pension, retirement, or relief system shall retain all the rights accrued up to the time of taking leave. Time spent by the employee as a member of the legislature or as an elected city or county official or state constitutional officer shall be calculated in the same manner as if the employee had spent that time in the service of the public employer for the purpose of determining vesting of the employee's rights in the employer's pension, retirement, or relief system. Under no circumstances shall two governmental units pay the employee's share of pension

contributions when the employee is on leave of absence to serve in the legislature or as an elected city or county official.

Subd. 4. Vacancies to be filled temporarily. When a public officer or employee is absent with leave under this section and it is necessary to provide for the performance of the duties of the absentee's position during the absence, the authority having power to fill a vacancy in the position may appoint an acting incumbent, who shall qualify as required for the regular incumbent, receive the same compensation as fixed by law or proper authority, and have the powers and perform the duties of the position until the return of the regular incumbent. This section does not preclude making other lawful provision for the discharge of the duties of the position.

Subd. 5. Supplementary. The rights and privileges granted by this section do not apply if the elected office is constitutionally or legally incompatible with the public office or employment or the elected person chooses to take leave as provided by other law.

Subd. 6. Pensions. Notwithstanding any other law or ordinance or state, municipal, or other public retirement or relief association rule or bylaw, a person shall not be disqualified from receiving a legislative retirement pension or allowance because the person is entitled to receive a public pension or retirement benefit as a result of employment by another public employer. The person shall receive both the legislative retirement pension or allowance and any state, municipal, or other public pension or retirement benefit for which the person has qualified.

Subdivision 1. **Appropriation; transfers.** A general contingent appropriation for

each year of the biennium is authorized in the amount the legislature deems sufficient. Additional special contingent appropriations as the legislature deems necessary are authorized. Transfers from the appropriations to the appropriations of the various departments and agencies may be made by the commissioner of finance subject to the following provisions:

(a) Transfers may be authorized by the commissioner of finance not exceeding \$5,000 for the same purpose for any quarterly period.

(b) Transfers exceeding \$5,000 but not exceeding \$10,000 may be authorized by the commissioner of finance with the approval of the governor.

(c) Transfers exceeding \$10,000 may be authorized by the governor but no transfer exceeding \$10,000 may be made until the governor has consulted the legislative advisory commission and it has made its recommendation on the transfer. Its recommendation is advisory only. Failure or refusal of the commission to make a recommendation promptly is a negative recommendation.

The commissioner of finance shall return to the appropriate contingent account any funds transferred under this subdivision that the commissioner determines are not needed.

Subd. 2. Members; duties. purpose in that fiscal year has been submitted by the governor to the legislature as a part of a budget request, or unless specifically authorized by law or as provided by this section.

Subd. 3. If a request to spend federal money is included in the governor's budget or spending the money is authorized by law but the amount of federal money received requires a state match greater than that included in the budget request or authorized by law, the amount that requires an additional state match may be allotted for expenditure after the requirements of subdivision 5 are met.

Subd. 4. If federal money becomes available to the state for expenditure while the legislature is not in session, and the availability of money from that source or for that purpose or in that fiscal year could not reasonably have been anticipated and included in the governor's budget request, and an urgency requires that all or part of the money be allotted before the legislature reconvenes, it may be allotted to a state agency after the requirements of subdivision 5 are met.

Subd. 5. Federal money that becomes available under subdivisions 3 and 4 may be allotted after the commissioner of finance has submitted the request to the members of the legislative advisory commission for their review and recommendation for further review. If a recommendation is not made within ten days, no further review by the legislative advisory commission is required, and the commissioner shall approve or disapprove the request. If a recommendation by any member is for further review the governor shall submit the request to the legislative advisory commission for its review and recommendation. It does not include

a city, town, county, school district, or other local governmental body corporate and politic.

(2) "Employee of the state" means all present or former officers, members, directors, or employees of the state, members of the Minnesota national guard, members of a bomb disposal unit approved by the commissioner of public safety and employed by a municipality defined in section 466.01 when engaged in the disposal or neutralization of bombs outside the jurisdiction of the municipality but within the state, or persons acting on behalf of the state in an official capacity, temporarily or permanently, with or without compensation. It does not include either an independent contractor or members of the Minnesota national guard while engaged in training or duty under United States Code, title 10, or title 32, section 316, 502, 503, 504, or 505, as amended through December 31, 1983. "Employee of the state" includes a public defender appointed by the state board of public defense or a court-appointed guardian ad litem, whether paid by the state or by a political subdivision.

(3) "Scope of office or employment" means that the employee was acting on behalf of the state in the performance of duties or tasks lawfully assigned by competent authority.

Subd. 2. The head of each department or agency of the state, or a designee, acting on behalf of the state, shall attempt to determine, adjust and settle, at any time, any claim for money damages of \$2,500 or less against the state for injury to or loss of property or personal injury or death caused by an act or omission of any employee of the state while acting within the scope of office or employment, under circumstances where the state, if a private person, would be liable to the claimant. The settlement is final and conclusive on all officers of the state, unless procured by fraud. The acceptance by the claimant of a settlement is final and conclusive on the claimant and constitutes a complete release of any claim against the state and the employee of the state whose act or omission gave rise to the claim, by reason of the same subject matter.

Subd. 3. A settlement made under this section is not valid unless it is supported by a claim in writing, and is approved in writing by the attorney general as to its form and legality. The claim shall be in the form that the attorney general prescribes.

Subd. 4. [Repealed, 1978 c 793 s 98]

Subd. 5. Nothing in this section is to be construed to deny a claimant who is not paid under this section from bringing an action at law in the courts of this state.

Subd. 6. The head of each department or agency, or a designee, acting on behalf of the state, may enter into structured settlements, through the negotiation, creation, and use of annuities or similar financial plans for claimants, to resolve claims arising from the alleged negligence of the state, its agencies, or employees. Sections 16B.06, 16B.07, 16B.08, and 16B.09 do not apply to the state's selection of and contracts with structured settlement consultants or purveyors of structured settlement plans.

3.735 [Repealed, 1976 c 331 s 42]

3.736 TORT CLAIMS.

Subdivision 1. **General rule.** The state will pay compensation for injury to or loss of property or personal injury or death caused by an act or omission of an employee of the state while acting within the scope of office or employment or a peace officer who is not acting on behalf of a private employer and who is acting in good faith under section 629.40, subdivision 4, under circumstances where the state, if a private person, would be liable to the claimant, whether arising out of a governmental or proprietary function. Nothing in this section waives the defense of judicial or legislative immunity except to the extent provided in subdivision 8.

Subd. 2. Procedure. Claims of various kinds shall be considered and paid only in accordance with the statutory procedures provided. If there is no other applicable statute, a claim shall be brought under this section as a civil action in the courts of the state.

Subd. 3. Exclusions. Without intent to preclude the courts from finding additional cases where the state and its employees should not, in equity and good conscience, pay compensation for personal injuries or property losses, the legislature declares that the state and its employees are not liable for the following losses:

(a) a loss caused by an act or omission of a state employee exercising due care in the execution of a valid or invalid statute or rule;

(b) a loss caused by the performance or failure to perform a discretionary duty, whether or not the discretion is abused;

(c) a loss in connection with the assessment and collection of taxes;

(d) a loss caused by snow or ice conditions on a highway or public sidewalk that does not abut a publicly owned building or a publicly owned parking lot, except when the condition is affirmatively caused by the negligent acts of a state employee;

(e) a loss caused by wild animals in their natural state, except as provided in section 3.7371;

(f) a loss other than injury to or loss of property or personal injury or death;

(g) a loss caused by the condition of unimproved real property owned by the state, which means land that the state has not improved, state land that contains idled or abandoned mine pits or shafts, and appurtenances, fixtures, and attachments to land that the state has neither affixed nor improved;

(h) a loss incurred by a user within the boundaries of the outdoor recreation system and arising from the construction, operation, or maintenance of the system, as defined in section 86A.04, or from the clearing of land, removal of refuse, and creation of trails or paths without artificial surfaces, or from the construction, operation, or maintenance of a water access site created by the iron range resources and rehabilitation board, except that the state is liable for conduct that would entitle a trespasser to damages against a private person. For the purposes of this clause, a water access site, as defined in section 86A.04 or created by the iron range resources and rehabilitation board, that provides access to an idled, water filled mine pit, also includes the entire water filled area of the pit and, further, includes losses caused by the caving or slumping of the mine pit walls;

(i) a loss of benefits or compensation due under a program of public assistance or public welfare, except if state compensation for loss is expressly required by federal law in order for the state to receive federal grants-in-aid;

(j) a loss based on the failure of a person to meet the standards needed for a license, permit, or other authorization issued by the state or its agents;

(k) a loss based on the usual care and treatment, or lack of care and treatment, of a person at a state hospital or state corrections facility where reasonable use of available appropriations has been made to provide care;

(l) loss, damage, or destruction of property of a patient or inmate of a state institution;

(m) a loss for which recovery is prohibited by section 169.121, subdivision 9; and

(n) a loss caused by an aeration, bubbler, water circulation, or similar system used to increase dissolved oxygen or maintain open water on the ice of public waters, that is operated under a permit issued by the commissioner of natural resources.

The state will not pay punitive damages.

Subd. 4. Limits. The total liability of the state and its employees acting within the scope of their employment on any tort claim shall not exceed:

(a) \$200,000 when the claim is one for death by wrongful act or omission and \$200,000 to any claimant in any other case;

(b) \$600,000 for any number of claims arising out of a single occurrence.

If the amount awarded to or settled upon multiple claimants exceeds \$600,000, any party may apply to the district court to apportion to each claimant a proper share of the \$600,000. The share apportioned to each claimant shall be in the proportion that the ratio of the award or settlement bears to the aggregate awards and settlements for all claims arising out of the occurrence.

The limitation imposed by this subdivision on individual claimants includes damages claimed for loss of services or loss of support arising out of the same tort.

Subd. 4a. Securities claims limits. The total liability of the state and its employees acting within the scope of their employment on any claim of whatever matter arising from the issuance and sale of securities by the state shall not exceed:

(a) \$100,000 to any one person or

(b) \$500,000 to all claimants in respect of the securities of the same series.

The limitations in clauses (a) and (b) shall not affect the obligation of the issuing state entity to pay the indebtedness under the securities in accordance with their terms and from the sources pledged to their payment.

Subd. 5. Notice required. Except as provided in subdivision 6, every person, whether plaintiff, defendant or third party plaintiff or defendant, who claims compensation from the state or a state employee acting within the scope of employment for or on account of any loss or injury shall present to the attorney general or, in the case of a claim against the University of Minnesota, to the person designated by the regents of the university as the university attorney, and any state employee from whom the claimant will seek compensation, within 180 days after the alleged loss or injury is discovered, a notice stating its time, place and circumstances, the names of any state employees known to be involved, and the amount of compensation or other relief demanded. Actual notice of sufficient facts to reasonably put the state or its insurer on notice of a possible claim complies with the notice requirements of this section. Failure to state the amount of compensation or other relief demanded does not invalidate the notice, but the claimant shall furnish full information available regarding the nature and extent of the injuries and damages within 15 days after demand by the state. The time for giving the notice does not include the time during which the person injured is incapacitated by the injury from giving the notice.

Subd. 6. Claims for wrongful death; notice. When the claim is one for death by wrongful act or omission, the notice may be presented by the personal representative, surviving spouse, or next of kin, or the consular officer of the foreign country of which the deceased was a citizen, within one year after the alleged injury or loss resulting in the death. If the person for whose death the claim is made has presented a notice that would have been sufficient had the person lived, an action for wrongful death may be brought without additional notice.

Subd. 7. Payment. A state agency, including an entity defined as part of the state in section 3.732, subdivision 1, clause (1), incurring a tort claim judgment or settlement obligation or whose employees acting within the scope of their employment incur the obligation shall seek approval to make payment by submitting a written request to the commissioner of finance. The request shall contain a description of the tort claim that causes the request, specify the amount of the obligation and be accompanied by copies of judgments, settlement agreements or other documentation relevant to the obligation for which the agency seeks payment. Upon receipt of the request and review of the claim, the commissioner of finance shall determine the proper appropriation from which to make payment. If there is enough money in an appropriation or combination of appropriations to the agency for its general operations and management to pay the claim without unduly hindering the operation of the agency, the commissioner shall direct that payment be made from that source. Claims relating to activities paid for by appropriations of dedicated receipts shall be paid from those appropriations if practicable. On determining that an agency has sufficient money in these appropriations to pay only part of a claim, the commissioner shall pay the remainder of the claim

from the money appropriated to the commissioner for the purpose. On determining that the agency does not have enough money to pay any part of the claim, the commissioner shall pay all of the claim from money appropriated to the commissioner for the purpose. On January 1 and July 1 of each year, the commissioner of finance shall transmit to the legislature and to the chair of the house appropriations and senate finance committees copies of all requests in the preceding six months together with a report on the payments made with respect to each request. Payment shall be made only upon receipt of a written release by the claimant in a form approved by the attorney general, or the person designated as the university attorney, as the case may be.

No attachment or execution shall issue against the state.

Subd. 8. Liability insurance. A state agency, including an entity defined as a part of the state in section 3.732, subdivision 1, clause (1), may procure insurance against liability of the agency and its employees for damages resulting from the torts of the agency and its employees. Procurement of the insurance is a waiver of the defense of governmental immunity to the extent of the liability stated in the policy but has no effect on the liability of the agency and its employees beyond the coverage provided by the policy.

Subd. 9. Indemnification. The state shall defend, save harmless, and indemnify any employee of the state against expenses, attorneys' fees, judgments, fines, and amounts paid in settlement actually and reasonably incurred by the employee in connection with any tort, civil, or equitable claim or demand, or expenses, attorneys' fees, judgments, fines, and amounts paid in settlement actually and reasonably incurred by the employee in connection with any claim or demand arising from the issuance and sale of securities by the state, whether groundless or otherwise, arising out of an alleged act or omission occurring during the period of employment if the employee provides complete disclosure and cooperation in the defense of the claim or demand and if the employee was acting within the scope of employment. Except for elected employees, an employee is conclusively presumed to have been acting within the scope of employment if the employee's appointing authority issues a certificate to that effect. This determination may be overruled by the attorney general. The determination of whether an employee was acting within the scope of employment is a question of fact to be determined by the trier of fact based upon the circumstances of each case:

- (i) in the absence of a certification,
- (ii) if a certification is overruled by the attorney general,
- (iii) if an unfavorable certification is made, or
- (iv) with respect to an elected official.

The absence of the certification or an unfavorable certification is not evidence relevant to a determination by the trier of fact. It is the express intent of this provision to defend, save harmless, and indemnify any employee of the state against the full amount of any final judgment rendered by a court of competent jurisdiction arising from a claim or demand described herein, regardless of whether the limitations on liability specified in subdivision 4 or 4a are, for any reason, found to be inapplicable. This subdivision does not apply in case of malfeasance in office or willful or wanton actions or neglect of duty, nor does it apply to expenses, attorneys' fees, judgments, fines, and amounts paid in settlement of claims for proceedings brought by or before responsibility or ethics boards or committees.

Subd. 9a. Peace officer indemnification. The state shall defend, save harmless, and indemnify a peace officer who is not acting on behalf of a private employer and who is acting in good faith under section 629.40, subdivision 4, the same as if the officer were an employee of the state.

Subd. 10. Judgment as bar. The judgment in an action under this section is a complete bar to any action by the claimant, by reason of the same subject matter, against the state employee whose act or omission gave rise to the claim.

Subd. 11. Statute of limitation. The statute of limitations for all tort claims brought against the state is as provided in chapter 541 and other laws.

3.737 LIVESTOCK OWNERS; COMPENSATION FOR DESTROYED OR CRIPPLED ANIMALS.

Subdivision 1. Notwithstanding section 3.736, subdivision 3, paragraph (e), or any other law, a livestock owner shall be compensated by the commissioner of agriculture for livestock that is destroyed or is crippled so that it must be destroyed by an animal classified as endangered under the federal endangered species act of 1973. The owner is entitled to the fair market value of the destroyed livestock, not to exceed \$400 per animal destroyed, as determined by the commissioner, upon recommendation of the county extension agent for the owner's county and a conservation officer. The commissioner, upon recommendation of the agent and conservation officer, shall determine whether the livestock was destroyed by an animal described in this subdivision. The owner shall file a claim on forms provided by the commissioner and available at the county extension agent's office.

Subd. 2. Payments made under this section shall be reduced by amounts received by the owner as proceeds from an insurance policy covering livestock losses, or from any other source for the same purpose including, but not limited to, a federal program.

Subd. 3. The commissioner shall adopt and may amend rules to carry out this section which shall include: methods of valuation of livestock destroyed; criteria for determination of the cause for livestock loss; notice requirements by the owner of destroyed livestock; and other matters determined necessary by the commissioner to carry out this section.

Subd. 4. If the commissioner finds that the livestock owner has shown that the loss of the livestock was caused more probably than not by an animal classified as an endangered species, the commissioner shall pay compensation as provided in this section and in the rules of the department.

If the commissioner denies compensation claimed by an owner under this section, the commissioner shall issue a written decision based upon the available evidence. It shall include specification of the facts upon which the decision is based and the conclusions on the material issues of the claim. A copy of the decision shall be mailed to the owner.

A decision to deny compensation claimed under this section is not subject to the contested case review procedures of chapter 14, but may be reviewed upon a trial de novo in a court in the county where the loss occurred. The decision of the court may be appealed as in other civil cases. Review in court may be obtained by filing a petition for review with the administrator of the court within 60 days following receipt of a decision under this section. Upon the filing of a petition, the administrator shall mail a copy to the commissioner and set a time for hearing within 90 days of the filing.

3.7371 COMPENSATION FOR CROP DAMAGE CAUSED BY ELK.

Subdivision 1. **Authorization.** Notwithstanding section 3.736, subdivision 3, paragraph (e), or any other law, a person who owns an agricultural crop shall be compensated by the commissioner of agriculture for an agricultural crop that is damaged or destroyed by elk as provided in this section.

Subd. 2. **Claim form.** The crop owner must prepare a claim on forms provided by the commissioner and available at the county extension agent's office. The claim form must be filed with the commissioner. A claim form may not be filed for crop damage or destruction that occurs before June 3, 1987.

Subd. 3. **Compensation.** The crop owner is entitled to the target price or the market price, whichever is greater, of the damaged or destroyed crop plus adjustments

for yield loss determined according to agricultural stabilization and conservation service programs for individual farms, adjusted annually, as determined by the commissioner, upon recommendation of the county extension agent for the owner's county or a federal crop adjuster. The commissioner, upon recommendation of the agent or adjuster, shall determine whether the crop damage or destruction is caused by elk and, if so, the amount of the crop that is damaged or destroyed. In any calendar year, a crop owner may not be compensated for a damaged or destroyed crop that is less than \$100 in value and may be compensated up to \$20,000, as determined under this section, if normal harvest procedures for the area are followed.

Subd. 4. Insurance deduction. Payments authorized by this section must be reduced by amounts received by the owner as proceeds from an insurance policy covering crop losses, or from any other source for the same purpose including, but not limited to, a federal program.

Subd. 5. Decision on claims; opening land to hunting. If the commissioner finds that the crop owner has shown that the damage or destruction of the owner's crop was caused more probably than not by elk, the commissioner shall pay compensation as provided in this section and the rules of the commissioner. Total compensation to all claimants shall not exceed the amount of funds appropriated for Laws 1987, chapter 373. A crop owner who receives compensation under this section may, by written permission, permit hunting on the land at the landowner's discretion.

Subd. 6. Denial of claim; appeal. (a) If the commissioner denies compensation claimed by a crop owner under this section, the commissioner shall issue a written decision based upon the available evidence including a statement of the facts upon which the decision is based and the conclusions on the material issues of the claim. A copy of the decision must be mailed to the crop owner.

(b) A decision denying compensation claimed under this section is not subject to the contested case review procedures of chapter 14, but a crop owner may have the claim reviewed in a trial de novo in a court in the county where the loss occurred. The decision of the court may be appealed as in other civil cases. Review in court may be obtained by filing a petition for review with the administrator of the court within 60 days following receipt of a decision under this section. Upon the filing of a petition, the administrator shall mail a copy to the commissioner and set a time for hearing within 90 days after the filing.

Subd. 7. Rules. The commissioner shall adopt rules and may adopt emergency rules and amend rules to carry out this section. The rules must include:

- (1) methods of valuation of crops damaged or destroyed;
- (2) criteria for determination of the cause of the crop damage or destruction;
- (3) notice requirements by the owner of the damaged or destroyed crop; and
- (4) any other matters determined necessary by the commissioner to carry out this section.

3.738 INJURY OR DEATH OF PATIENT OR INMATE.

Subdivision 1. Legislative authority. Claims and demands arising out of injury to or death of a patient of a state institution under the control of the commissioner of human services or an inmate of a state correctional facility while performing assigned duties shall be presented to, heard, and determined by the legislature.

Subd. 2. Evaluation of claims. Claims under this section shall be paid pursuant to legislative appropriation following evaluation of each claim by the appropriate committees of the senate and house of representatives. Compensation will not be paid for pain and suffering.

Subd. 3. Exclusive remedy. The procedure established by this section is exclusive of all other legal, equitable, and statutory remedies.

History: 1977 c 450 s 6; 1979 c 260 s 1; 1984 c 654 art 5 s 58; 1988 c 469 art 1 s 1

3.739 INJURY OR DEATH OF CONDITIONALLY RELEASED INMATE.

Subdivision 1. Permissible claims. Claims and demands arising out of the circumstances described in this subdivision shall be presented to, heard, and determined as provided in subdivision 2:

(1) an injury to or death of an inmate of a state, regional, or local correctional facility or county jail who has been conditionally released and ordered to perform uncompensated work for a state agency, a political subdivision or public corporation of this state, a nonprofit educational, medical, or social service agency, or a private business or individual, as a condition of the release, while performing the work;

(2) an injury to or death of a person sentenced by a court, granted a suspended sentence by a court, or subject to a court disposition order, and who, under court order, is performing work (a) in restitution, (b) in lieu of or to work off fines or court ordered costs, (c) in lieu of incarceration, or (d) as a term or condition of a sentence, suspended sentence, or disposition order, while performing the work;

(3) an injury to or death of a person, who has been diverted from the court system and who is performing work as described in paragraph (1) or (2) under a written agreement signed by the person, and if a juvenile, by a parent or guardian; or

(4) an injury to or death of any person caused by an individual who was performing work as described in paragraph (1), (2), or (3).

Subd. 2. Evaluation and payment of claims. Claims of \$500 or less subject to this section shall be investigated by the state or local agency responsible for supervising the work to determine if the claim is valid and if the loss is covered by the claimant's insurance. The investigating agency shall submit all appropriate claims to the department of corrections. The department shall pay the portion of an approved claim that is not covered by the claimant's insurance within a reasonable time. On or before the first day of each legislative session, the department shall submit to the appropriate committees of the senate and the house of representatives a list of the claims paid by it during the preceding calendar year and shall be reimbursed by legislative appropriation for the claims paid. For the purposes of this paragraph, in the case of a juvenile claimant the term "claimant's insurance" includes the insurance of the juvenile's parents if the juvenile is covered by the insurance.

A claim in excess of \$500, and a claim that was not paid by the department may be presented to, heard, and determined by the appropriate committees of the senate and the house of representatives and, if approved, shall be paid pursuant to legislative claims procedure.

No juvenile claimant receiving payment under this section may be identified by name either in the list of claimants submitted by the department or in the legislative appropriation.

Subd. 2a. Limitations. Compensation paid under this section is limited to reimbursement for medical expenses and compensation for permanent total or partial disability or death. No compensation shall be paid under this section for pain and suffering. Payments made under this section shall be reduced by any proceeds received by the claimant from any insurance policy covering the loss. For the purposes of this section, "insurance policy" does not include the medical assistance program authorized under chapter 256B or the general assistance medical care program authorized under chapter 256D.

Subd. 3. Exclusive remedy. The procedure established by this section is exclusive of all other legal, equitable, and statutory remedies against the state, its political subdivisions, or employees of the state or its political subdivisions.

3.751 CONTRACT CLAIMS.

Subdivision 1. When a controversy arises out of a contract for work, services, the delivery of goods, or debt obligations of the state incurred under article XI of the Minnesota Constitution entered into by a state agency through established procedure, in respect to which controversy a party to the contract would be entitled to redress against the state in a court, if the state were suable, and no claim against the state has been made in a bill pending in the legislature for the same redress against it, the state waives immunity from suit in connection with the controversy and confers jurisdiction on the district court to determine it in the manner provided for civil actions in the district court. Only a party to the contract may bring action against the state.

Subd. 2. No action shall be maintained unless it is commenced within 90 days after the plaintiff has been furnished by the state with a final estimate under the contract, or, at the election of the plaintiff, within six months after the work provided for under the contract is completed.

Subd. 3. The action may be brought in the district court in the county where the cause of action or some part of it arose or in the district court in Ramsey county. The action shall be commenced by filing a complaint with the administrator of court and serving a summons and copy of the complaint upon the attorney general at the state capitol. The state shall have 40 days from the date of the service to serve an answer upon the plaintiff. The action shall proceed in the district court as other actions at law.

Subd. 4. An appeal from a final order or judgment in the action may be taken as in other civil cases.

Subd. 5. This section does not apply to controversies arising out of a contract to construct or repair a state trunk highway.

3.755 DAMAGE BY ESCAPING INMATES.

The department of corrections and the department of human services shall pay all claims involving property damage, not covered by insurance, resulting from actions of escaping inmates or runaway patients occurring while making their escape. The departments must verify the reasonableness of the amounts claimed. Upon the approval of the commissioner of human services or the commissioner of corrections as to the institutions under their respective control, the superintendent or chief executive officer of an institution may pay out of the current expense appropriation of the

institution to an employee of the institution the amount of any property damage sustained by the employee, not in excess of \$250, because of action of a patient or inmate of the institution.

(b) In a contested case proceeding, an expert witness may not be compensated at a rate in excess of the highest rate of compensation for expert witnesses paid by the state agency involved.

(c) Attorney or agent fees may not be awarded in excess of \$100 per hour unless the court or administrative law judge determines that an increase in the cost of living or a special factor, such as the limited availability of qualified attorneys or agents for the proceedings involved, justifies a higher fee.

Subd. 6. **Party.** (a) Except as modified by paragraph (b), "party" means a person named or admitted as a party, or seeking and entitled to be admitted as a party, in a court action or contested case proceeding, or a person admitted by an administrative law judge for limited purposes, and who is:

(b) "Party" also includes a partner, officer, shareholder, member, or owner of an entity described in paragraph (a), clauses (1) and (2).

(c) "Party" does not include a person providing services pursuant to licensure or reimbursement on a cost basis by the department of health or the department of human services, when that person is named or admitted or seeking to be admitted as a party in a matter which involves the licensing or reimbursement rates, procedures, or methodology applicable to those services.

3.762 FEES AND EXPENSES; CIVIL ACTION OR CONTESTED CASE PROCEEDING INVOLVING STATE.

(a) If a prevailing party other than the state, in a civil action or contested case proceeding other than a tort action, brought by or against the state, shows that the position of the state was not substantially justified, the court or administrative law judge shall award fees and other expenses to the party unless special circumstances make an award unjust.

(b) The court or administrative law judge may reduce the amount to be awarded under this section, or deny an award, to the extent that the prevailing party during the proceedings engaged in conduct that unduly and unreasonably protracted the final resolution of the matter in controversy. The decision of an administrative law judge under this section must be made a part of the record containing the final decision of the agency and must include written findings and conclusions.

(c) This section does not preclude a party from recovering costs, disbursements, fees, and expenses under other applicable law.

Subd. 2. **Appeal.** A party dissatisfied with the fee determination made under subdivision 1 may petition for leave to appeal to the court having jurisdiction to review the merits of the underlying decision of the contested case. If the court denies the petition for leave to appeal, no appeal may be taken from the denial. If the court grants the petition, it may modify the determination only if it finds that the failure to make an award, or the calculation of the amount of the award, was an abuse of discretion.

Subd. 3. **Judicial review.** (a) In awarding fees and expenses under subdivision 1 to a prevailing party in an action for judicial review of a contested case under sections 14.63 to 14.68, the court shall include in that award fees and expenses to the extent authorized in section 3.762.

CONTINUITY OF THE LEGISLATURE

3.93 DEFINITIONS.

As used in sections 3.93 to 3.96 "attack" means an action or series of actions taken by an enemy of the United States resulting in substantial damage or injury to persons or property in this state through sabotage, bombs, missiles, shellfire, or atomic, radio-logical, chemical, bacteriological, or biological means.

History: 1961 c 572 s 1; 1988 c 469 art 1 s 1

3.94 PLACE OF SESSION.

Whenever, in the event of an attack, or a finding by the executive council that an attack may be imminent, the governor deems the place of the legislative session then prescribed to be unsafe, the governor may change it to any other place within or without the state which the governor deems safe and convenient.

History: 1961 c 572 s 2; 1986 c 444; 1988 c 469 art 1 s 1

3.95 SPECIAL SESSION IN EVENT OF ATTACK.

In the event of an attack, if the legislature is not in session, the governor shall convene a special session as soon as practicable, but within 30 days after the inception of the attack. If the governor fails to issue the call, the legislature, on the first Tuesday after the first Monday more than 30 days after the inception of the attack, shall convene without call at the place where the governor then maintains official office.

History: 1961 c 572 s 3; 1986 c 444; 1988 c 469 art 1 s 1

3.96 QUORUM AND VOTE REQUIREMENTS.

In the event of an attack the quorum requirement for the legislature is a majority

of the members of each house who convene for the session. If the affirmative vote of a specified proportion of members of the legislature would otherwise be required to approve a bill, resolution, or for any other action, the same proportion of the members of each house convening at the session is sufficient.

LEGISLATIVE AUDIT COMMISSION

3.97 AUDIT POLICY; CREATION OF COMMISSION; TRANSFER OF FUNCTIONS OF PUBLIC EXAMINER; ACCESS TO DATA.

Subdivision 1. Continuous legislative review of the effect of grant-in-aid programs, the spending of public funds and their financing at all levels of government is required in the public interest to enable the enactment of appropriate legislation.

Subd. 2. The legislative audit commission is created. The commission consists of:

(1) the majority leader of the senate and the president of the senate or their designees;

(2) the chair of the senate committee on taxes or a designee who is a member of the committee;

(3) the chair of the senate committee on governmental operations or a designee who is a member of the committee;

(4) the chair of the senate committee on finance or a designee who is a member of the committee;

(5) three members of the senate appointed by the senate minority leader;

(6) the speaker of the house and the chair of the house committee on rules or their designees;

(7) the chair of the house committee on taxes or a designee who is a member of the committee;

(8) the chair of the house committee on governmental operations or a designee who is a member of the committee;

(9) the chair of the house appropriations committee or a designee who is a member of the committee; and

(10) three members of the house appointed by the house minority leader.

The appointed members of the commission shall serve for a term commencing upon appointment and expiring at the opening of the next regular session of the legislature in the odd-numbered year and until a successor is appointed. A vacancy in the membership of the commission shall be filled for the unexpired term in a manner that will preserve the representation established by this subdivision.

The commission shall elect its chair and other officers as it may determine necessary. It shall meet at the call of the chair or the executive secretary. The members shall serve without compensation but be reimbursed for their reasonable expenses as members of the legislature. The commission may exercise the powers prescribed by section 3.153.

Subd. 3. The department of public examiner is transferred from the executive to the legislative branch.

Subd. 4. The legislative auditor is the executive secretary of the commission. The

legislative auditor shall be appointed by the commission for a six-year term and serve in the unclassified service. The legislative auditor shall not at any time while in office hold any other public office. The legislative auditor shall not be removed from office before the expiration of the term of service except for cause after public hearing.

Subd. 5. The legislative auditor shall establish a financial audits division and a program evaluation division to fulfill the duties prescribed in this section. Each division shall be supervised by a deputy auditor, appointed by the legislative auditor, with the approval of the commission, for a term coterminous with the legislative auditor's term. The deputy auditors may be removed before the expiration of their terms only for cause. The legislative auditor and deputy auditors may each appoint a confidential secretary to serve at pleasure. The commission shall fix the salaries of the deputy auditors and confidential secretaries. The deputy auditors may perform and exercise the powers, duties and responsibilities imposed by law on the legislative auditor when authorized by the legislative auditor. The deputy auditors and the confidential secretaries serve in the unclassified civil service, but all other employees of the legislative auditor are in the classified civil service.

Subd. 6. All the powers, duties, and responsibilities of the department of public examiner relating to the state of Minnesota, its departments and agencies as described in Minnesota Statutes 1971, section 215.03, and any other law concerning powers, duties, and responsibilities of the public examiner not otherwise dealt with by Laws 1973, chapter 492, are transferred to the legislative auditor. Nothing in this subdivision shall supersede the powers conferred upon the commissioner of finance under section 16A.055.

Subd. 7. In addition to the legislative auditing duties concerning state financial matters, the legislative auditor shall also exercise and perform duties prescribed by rule of the legislature or either body of it or by the commission. The legislative auditor shall review department policies and evaluate projects or programs requested by the commission. Any standing legislative committee having legislative jurisdiction may request the commission to review projects or programs.

Subd. 8. The legislature may, by rule, provide to the legislative auditor the testimonial powers that are conferred by law on legislative standing commissions or committees.

Subd. 9. The legislative auditor is subject to the government data practices act, chapter 13. If data provided by the legislative auditor to the commission is disseminated by the commission or its members or agents in violation of section 13.05, subdivision 4, the commission is subject to liability under section 13.08, subdivisions 1 and 3.

Subd. 10. Members of the commission have access to data that is collected or used by the legislative auditor and classified as not public or as private or confidential only as authorized by resolution of the commission. The commission shall not authorize its members to have access to private or confidential data on individuals collected or used in connection with the collection of any tax.

Subd. 11. "Audit" as used in this subdivision means a financial audit, a program evaluation, or an investigation. Data relating to an audit are not public or with respect to data on individuals are confidential until the final report of the audit has been published or the audit is no longer being actively pursued. Data that support the conclusions of the report and that the legislative auditor reasonably believes will result in litigation are not public and with respect to data on individuals are confidential until the litigation has been completed or is no longer being actively pursued. Data on individuals that could reasonably be used to determine the identity of an individual supplying data for an audit are private if the data supplied by the individual were needed for an audit and the individual would not have provided the data to the legislative auditor without an assurance that the individual's identity would remain private. The definitions of terms provided in section 13.02 apply for purposes of this subdivision.

3.981 DEFINITIONS.

Subdivision 1. **Scope.** The terms used in sections 3.981 to 3.983 and 14.131 have the meanings given them in this section.

Subd. 2. **Costs mandated by the state.** "Costs mandated by the state" means increased costs that a local agency or a school district is required to incur as a result of:

(a) a law enacted after June 30, 1985, which mandates a new program or an increased level of service of an existing program;

(b) an executive order issued after June 30, 1985, which mandates a new program;

(c) an executive order issued after June 30, 1985, which implements or interprets a state statute and, by its implementation or interpretation, increases program levels above the levels required before July 1, 1985;

(d) a statute enacted after June 30, 1985, or executive order issued after June 30, 1985, which implements or interprets a federal statute or regulation and, by its implementation or interpretation, increases program or service levels above the levels required by the federal statute or regulation;

(e) a statute enacted after June 30, 1985, or executive order issued after June 30, 1985, which implements or interprets a statute or amendment adopted or enacted pursuant to the approval of a statewide ballot measure by the voters and, by its implementation or interpretation, increases program or service levels above the levels required by the ballot measure;

(f) a statute enacted after June 30, 1985, or executive order issued after June 30, 1985, which removes an option previously available to local agencies and thus increases program or service levels or prohibits a specific activity and so forces local agencies to use a more costly alternative to provide a mandated program or service;

(g) a statute enacted after June 30, 1985, or executive order issued after June 30, 1985, which requires that an existing program or service be provided in a shorter time period and thus increases the cost of the program or service;

(h) a statute enacted after June 30, 1985, or executive order issued after June 30, 1985, which adds new requirements to an existing optional program or service and thus increases the cost of the program or service as the local agencies have no reasonable alternatives other than to continue the optional program;

(i) a statute enacted after June 30, 1985, or executive order issued after June 30, 1985, which creates new revenue losses by new property or sales and use tax exemptions;

(j) a statute enacted after June 30, 1985, or executive order issued after June 30, 1985, which requires costs previously incurred at local option that have subsequently been mandated by the state; or

(k) a statute enacted or an executive order issued after March 26, 1986, which requires payment of a new fee or increases the amount of an existing fee.

Subd. 3. **Executive order.** "Executive order" means an order, plan, requirement, or rule issued by the governor, an official serving at the pleasure of the governor, or an agency, department, board, or commission of state government. "Executive order" does not include an order, plan, requirement, or rule issued by a regional water quality control board.

Subd. 4. **Local agency.** "Local agency" means a home rule charter or statutory city, county, town, or special district.

Subd. 5. **Mandate.** A "mandate" means a requirement which applies to a local agency or school district and which, if not complied with, results in civil liability, criminal penalty, substantial economic sanction such as loss of funding, or severe administrative sanctions such as closure or nonlicensure of a facility or program. "To mandate" means to impose such a requirement.

Subd. 6. **Requiring an increased level of service.** "Requiring an increased level of service" includes requiring that an existing service be provided in a shorter time.

3.982 FISCAL NOTES FOR STATE-MANDATED ACTIONS.

When the state proposes to mandate that a local agency or school district take an action, and when reasonable compliance with that action would force the local agency or school district to incur costs mandated by the state, a fiscal note shall be prepared as provided in section 3.98, subdivision 2, and made available to the public upon request. If the action is among the exceptions listed in section 3.983, a fiscal note need not be prepared.

When a bill proposing a mandate is introduced and referred to a standing committee, the chair of the standing committee to which the bill is referred shall request the appropriate state agency or department to prepare a fiscal note before the bill is heard in the committee. Before a proposed mandate is issued in an executive order, the governor or appropriate agency head assigned by the governor shall prepare the fiscal note and make it available to the public.

History: 1Sp1985 c 10 s 35; 1986 c 444; 1988 c 469 art 1 s 1

3.983 EXCEPTIONS TO FISCAL NOTES.

Subdivision 1. **Costs resulting from inflation.** A fiscal note need not be prepared for increases in the cost of providing an existing service if the increases result directly from inflation. "Resulting directly from inflation" means attributable to maintaining an existing level of service rather than increasing the level of service. A cost-of-living increase in welfare benefits is an example of a cost resulting directly from inflation.

Subd. 2. **Costs not result of new program or increased service.** A fiscal note need not be prepared for increased local costs that do not result from a new program or an increased level of service.

Subd. 3. **Miscellaneous exceptions.** A fiscal note need not be prepared for the cost of a mandated action if the law containing the mandate:

- (a) accommodates a specific local request;
- (b) results in no new local government duties;
- (c) leads to revenue losses from exemptions to taxes other than sales, use, or property taxes;
- (d) provides only clarifying or conforming, nonsubstantive changes on local government;
- (e) imposes additional net local costs which are minor (less than \$200 for any single local government if the mandate does not apply statewide or less than one-tenth of a mill times the entire value of taxable property in the state if the mandate is statewide) and do not cause a financial burden on local government;

(f) is a legislative mandate or executive order enacted before July 1, 1985, or a rule initially implementing legislation enacted before July 1, 1985;

(g) implements something other than a state statute or executive order, such as a federal, court, or voter-approved mandate;

(h) appears in rules that are permissive or discretionary in nature;

(i) defines a new crime or redefines an existing crime or infraction;

(j) provides, or falls within the purview of existing, revenue sources or other financing mechanisms; or

(k) results in savings that equal or exceed costs.
