347.08 COUNTY BOARD MAY LICENSE.

Subdivision 1. The board of county commissioners of any county is hereby authorized to establish a system of licensing and regulating the running at large of dogs, except in cities of the first class, and create a livestock indemnity fund to be handled and disbursed as hereinafter provided.

Before regulating and licensing, there must be filed with the county auditor a petition signed by at least 25 percent of the persons actually engaged in raising livestock, including poultry, in the county, as shown by the assessors' records, requesting the board to establish such system. When the petition has been filed the board of county commissioners shall establish such system; or the board of county commissioners may, by a majority vote, on their own motion and without petition, establish such system. The board of county commissioners shall exclude from the operation of sections 347.08 to 347.21, statutory cities, second, third, and fourth class cities if such city has in operation a satisfactory law regulating dogs running at large.

Subd. 2. At any time after such system has been in effect for a period of two years from the date of its establishment, it may be revoked by a majority vote of the board of county commissioners, but provided that before such revocation the board shall hold a public hearing and give at least ten days' notice of such hearing by publication in at least one newspaper published or circulating in the county.

347.09 LICENSES.

In every county in which sections 347.08 to 347.21 shall become operative every dog more than six months of age must have a license. The owner of any dog (the word "owner," when used in sections 347.08 to 347.21, in relation to property in, or possession of, dogs shall include every person who owns, harbors, or keeps a dog) shall, on or before February 1 each year, obtain a license for the dog, and shall pay for such license the fee prescribed by the county commissioners, which shall not be less than 50 cents nor more than \$1 for a male dog and not less than \$1 nor more than \$2 for a female dog; such payments to be made to the town, or city clerk or deputy. The

application for such license shall be in such written form as prescribed by the county auditor, and shall state the name, sex, breed, age, color and marking of the dog for which the license is sought.

The license year shall correspond to the calendar year. The sale or transfer of any licensed dog shall carry with it and transfer the license.

History: (7297-42) 1939 c 410 s 2; 1943 c 294 s 2; 1973 c 123 art 5 s 7; 1986 c 444

347.10 OWNERS OF DOGS AND KENNELS LISTED BY ASSESSORS; LICENSES.

Every assessor shall annually ascertain by diligent inquiry the dogs owned, harbored, or kept within the assessor's assessment district. Every person shall answer frankly and fully all questions asked by the assessor relative to the ownership or keeping of dogs within the assessor's district. The assessor shall prepare and file with the town or statutory city clerk a list containing the names and addresses of all owners of dogs in the district, and the number and sex of dogs owned, harbored or kept. The assessor shall make a list of the names of persons owning and operating kennels and the number of dogs kept in each. The term "kennel" shall mean any establishment where dogs are kept for the purpose of breeding, sale or sporting purposes. Any person who keeps or operates a kennel may, in lieu of the license for each dog required by sections 347.08 to 347.21, apply to the town or city treasurer for a kennel license for the keeping or operating of such kennel. For such a kennel license the person shall pay a fee of \$10 for the license year. With the kennel license the clerk shall issue a number of metal tags equal to the number of dogs kept in the kennel. The tags shall be made in a form so that they may be readily distinguishable from the individual license tags for the same year. The licensee of a kennel shall at all times keep one of such tags attached to the collar of each dog over six months old kept under a kennel license. The tags may be transferred from one dog to another within the kennel whenever any dog is removed from the kennel. The list shall be filed with the town or city clerk at the time the assessor delivers to the clerk the assessment roll. The clerk may appoint a deputy or deputies to issue such licenses. The clerk shall receive ten cents for each license issued, to be paid by the town out of the revenue fund.

A license shall be issued by the clerk or the clerk's deputy upon application being made therefor and upon payments made as herein provided. The license shall be in the form prescribed by the county auditor and shall be executed by the proper town, or city clerk or deputy. The license shall state the year for which it was issued, shall bear a serial number, the owner's name and address, and the name, sex, breed, and color of the dog licensed. When information is furnished that any dog on the assessor's list is dead, the clerk shall so indicate on the list.

History: (7297-43) 1939 c 410 s 3; 1973 c 123 art 5 s 7; 1986 c 444

347.11 DOG COLLARS TO BE TAGGED.

Subdivision 1. Metal tags and license blanks. The clerk or the clerk's deputy issuing a license shall at the same time deliver to the licensee a metal tag, which shall bear the same serial number as the license. The tag shall also bear the name of the county in which issued and the license year. The county auditor shall contract for and have prepared and furnished, annually, a sufficient number of such metal tags, and a sufficient supply of suitable blank licenses to be bound in books of proper size and perforated so that a duplicate of each license may be kept upon the stub thereof. The cost of making, printing, and furnishing the tags and blank license receipts shall be paid out of the dog license fund.

Subd. 2. Distribution. The several county auditors shall distribute these tags and license blanks to the several town and city treasurers in proper amounts, together with blank license receipts. The licensee shall securely attach the tag to a collar and this collar, with the tag attached, shall at all times be kept on the dog for which the license is issued. A new tag, with a new number, shall be furnished to the licensee by the town or city clerk, or deputy, in place of the original tag, upon presentation of the license and

proof of the loss of the original tag. The town clerk or deputy shall then endorse the new tag number on the license and shall enter it upon the register. The clerk shall receive for services rendered in issuing the new tag the sum of ten cents, to be paid by the person obtaining the new tag.

Subd. 3. Duplicates to be kept; accounting. Every town or city clerk, or clerk's deputy, shall, at the time of issuing a license and before delivering it, make a complete duplicate thereof upon the stub portion of the license blank. The clerk shall, annually, during the month of January, return to the county auditor all unused tags of the preceding year, together with license books therefor and all duplicate licenses of the preceding year, and the county auditor shall carefully check the returned tags, duplicate licenses, and license blanks to ascertain whether all tags and license blanks which were furnished by the county auditor have been accounted for; and to enable the county auditor to do that, the county auditor shall charge each town or city clerk with all tags and blank licenses furnished or delivered to the clerk and credit the clerk with those returned. In case of discrepancy, the county auditor shall notify the county attorney, who shall investigate and take steps to enforce the law.

347.12 FEES PAID TO COUNTY TREASURER MONTHLY.

Every town, or city clerk, or clerk's deputy, shall at the end of each month pay all license fees received and not before paid, to the county treasurer and, at the same time, report, in writing, to the county auditor the licenses issued during the month and for which the license fees so deposited with the county treasurer were paid. The report shall be in the form prescribed and furnished by the several county auditors.

347.13 FEES, DOG LICENSE FUND; DISPOSAL, ACCOUNTING.

The license fees so paid to the county treasurer shall be kept in a separate account, which shall be known as the dog license fund and shall be appropriated and disbursed for the purposes and in the manner herein set forth.

Expenses necessarily incurred by the county in purchasing and providing books, forms, and other supplies required in the administering of the dog license law shall be paid out of the dog license fund. The amount remaining thereafter in the fund shall be available for and may be used as necessary for paying claims allowed by the county to the owners of domestic animals on account of damages done by dogs during the license year for which the fees were paid. Any surplus in excess of \$1,000 which may remain from the license fees of any license year shall, on March 1 of the succeeding year, belong and be credited to and paid by the county treasurer to the towns and cities of the county for their use in the proportion in which the towns and cities shall have contributed and paid to the fund out of which the surplus arises. It shall be used as the governing body of the town or city shall determine. When any county operating under the provisions of sections 347.08 to 347.21 shall discontinue its dog licenses and livestock indemnity fund, any money remaining shall be distributed among the various towns in proportion to license money paid in.

347.14 UNLICENSED DOGS.

Subdivision 1. Seizure; impoundment; presumption. Any person may seize, impound, or restrain any unlicensed dog which the person may find running at large. The fact that a dog is without a license attached to a collar shall be presumptive evidence that the dog is unlicensed. The sheriff and sheriff's deputies, any marshal or constable or other police officer shall seize, impound or restrain any dog for which no license has been issued and for which one is required. Any officer who shall seize, restrain, impound, or kill any dog found in any place without a license, as required under sections 347.09 to 347.20, upon delivery of such dog or carcass and the proper

disposal of the carcass and after making a report to the town or city treasurer of the town or city in which the dog was seized or killed, showing that the dog did not have a license, shall receive therefor a payment of \$2, the same to be made from any funds in the town or city treasury not otherwise appropriated.

The county auditor shall reimburse the town for any expense incurred under section 347.10 and shall charge such expense to the dog license fund.

Subd. 2. Prohibitions; limitations; regulations. It shall be unlawful for any person to harbor or permit to remain about the person's premises any dog for which no license exists and for which one is required. Any person who shall have seized or impounded a dog with or without license under this section shall deliver such dog to the humane officer of the town or city, if such officer exists; or, if there be no such officer, to the constable, statutory city marshal, or the town or city police officer. The officer to whom the dog is delivered shall, without delay, notify the owner, personally or through the United States mail, if such owner be known to the officer or can be ascertained with reasonable effort, but if the owner be unknown or cannot be ascertained, then the officer shall post written notice in three public places in the officer's town, giving a description of the dog, stating where it is impounded and the conditions for its release. If, after five days, the owner does not claim the dog the officer shall dispose of the dog in a proper and humane manner.

Subd. 3. Penalties. Any person who shall violate any of the provisions of sections 347.08 to 347.21 shall be liable to a penalty of not less than \$5 nor more than \$50 for such violation.

History: (7297-47) 1939 c 410 s 7; 1943 c 294 s 3; 1973 c 123 art 5 s 7; 1986 c 444

347.15 PERSONS DAMAGED, CLAIMS FILED.

Subdivision 1. Presentation and investigation. The owner of any domestic animals, including poultry and game birds, attacked, chased, worried, injured, or killed by a dog or dogs may, within ten days after the owner shall have knowledge or notice thereof, file a written claim for damages with the clerk of the town or city in which the damage occurred. The form of such claim may be prescribed by the county auditor. Upon presentation of such claim the supervisors of the town, the board of trustees of the statutory city, or the council of the city, or a committee appointed for that purpose by the supervisors, the board of trustees or the council, shall promptly investigate the claim and may subpoena witnesses, administer oaths, and take testimony relative thereto and shall, within 30 days after the filing of the claim, make, certify, and return to the county auditor the claim, a report of the investigation, the testimony taken, and the amount of damages, if any, suffered by the owner of the animals.

Subd. 2. Form; proof; allowances; appeal. The form of the report and certification shall be prescribed by the county auditor and shall be subscribed by the supervisors, board, or committee making the same. The county auditor shall lay before the county board, at its first meeting following the receipt of the claim, all claims so filed and reported and the same shall be acted upon and determined by the county board as other claims are determined and acted upon, and the county board shall equalize the values and claims between and within the various towns of the county. The amount of damages filed and reported to the county auditor shall be prima facie proof of the actual damages sustained, but evidence may be taken before the county board relative to the claims as in other cases, and appeals from the action of the county board shall lie as in other cases. On appeal from the action of the county board, the trial shall be by the court without a jury.

Subd. 3. Payment. Such claims shall be solely against the dog license fund and shall create no other liability on the part of the county.

Subd. 4. Limitation of amount. The amount allowed by the county board upon any such claim shall in no case exceed \$100 for each horse, mule, or bovine; \$15 for each sheep or goat; \$30 for each swine; or \$3 for each fowl. When the claimant shall furnish conclusive evidence as to the ownership of the dog or dogs doing the damage the claimant shall be paid the full amount of the claim submitted.

Subd. 5. **Distribution.** Distribution of the dog license fund among claimants for loss of animals by dogs within the license year shall be made at the close of the license year.

347.38 REVOCATION OF LICENSE.

The board of animal health may as hereinafter set forth revoke or suspend the license of any person, firm, or corporation, for violation of sections 346.55 and 347.31 to 347.40 or the rules issued pursuant to sections 347.31 to 347.40.

Upon written complaint made to the board by any person, firm, or corporation alleging any violation of sections 347.31 to 347.40 or any rules pursuant thereto by any licensee, the board may cause an investigation to be made upon matters related in said complaint.

Thereupon the board shall in its discretion either dismiss the complaint or require the kennel or dealer against whom the complaint is made to correct the conditions or violations complained of within ten days after receipt of written notice of the same. If upon termination of the ten day period the licensee has failed to correct or to remedy the violation or violations of sections 346.55 or 347.31 to 347.40 or any rules pursuant thereto, or if the board considers it appropriate under the circumstances the board shall, upon a minimum of 30 days' notice to the licensee, conduct a hearing for the purpose of determining whether the license to operate a kennel or as a dealer should be revoked or temporarily suspended. If after notice and hearing the board finds that any provision of sections 346.55 or 347.31 to 347.40 has been violated by the licensee or any rule issued by the board has been violated by the licensee, the board may revoke and suspend the license. The possession or transfer of a dog or cat by a dealer to an institution, without the permission of the owner, failure of a dealer or kennel to keep accurate data as required in section 347.35, or failure of a dealer or kennel to permit access to its premises as required in section 347.37, is grounds for license revocation. The licensee whose license is revoked or suspended may within 20 days after the board's decision appeal to the district court. The district court shall upon 20 days' notice to the board hear the appeal within 45 days after the filing of the appeal. On the hearing of the appeal the court shall review the decision of the board in a manner as though reviewed by certiorari, except that new or additional evidence may be taken, if in the opinion of the court additional evidence is necessary or proper to the disposition of the case.
