348.02 CLAIM AND PROOF.

The claimant shall file with the county auditor a plat giving the government subdivision, and the position of the trees thereon. If the number of trees be increased, supplemental plats shall be filed. The claimant shall show ownership of the land, and make oath to the planting and maintaining of the trees, as prescribed in section 348.01; and the proof shall be supported by the affidavit of at least two freeholders residing in the same town, who have personal knowledge of the facts. Such proofs shall be filed with the county auditor between July 1 and July 15, of the year for which compensation is claimed.

348.03 DUTY OF ASSESSOR.

The assessor of each town, at the time of making an assessment, shall ascertain if trees have been planted therein for which compensation is claimed under sections 348.01 to 348.05, and, if any such be found, the assessor shall personally examine the same and report the area planted and the condition of the trees to the county auditor when the assessment books are returned.

History: (6250) *RL s 2393; 1986 c 444*

348.04 PROOFS SENT TO COMMISSIONER OF NATURAL RESOURCES.

Before August 1 the county auditor shall compare the proofs furnished by the claimant with the assessor's report, and, if they correspond in substance, the county auditor shall immediately forward to the commissioner of natural resources the original proofs of claim and a certified list of all plats filed.

History: (6251) *RL s 2394; 1973 c 492 s 14; 1976 c 231 s 26; 1986 c 444*

348.05 COMMISSIONER OF FINANCE TO ISSUE WARRANT.

The commissioner of finance shall audit all such claims, and, on the first Monday of October, in each year, shall issue a warrant to the several claimants for the amount to which each is entitled; but, if the aggregate of compensation due to all such claimants shall exceed the appropriation therefor, the commissioner shall distribute the available

348.12 BOUNTIES, CERTAIN BIRDS AND ANIMALS.

Any county board or board of town supervisors may, by resolution, offer a bounty for the destruction of gophers, ground squirrels, or rattlesnakes. The resolution may be made to cover the whole or any part of the county, and may be annually renewed, but it shall have force and effect only during the calendar year in which it was adopted or renewed. The bounty shall be in such amount or amounts and apply during such months, as may be designated by the county board or board of town supervisors by resolution.

348.13 BOUNTIES PAID BY TOWNS, REQUIREMENTS.

The four feet of striped and gray gophers and woodchucks, both front feet of pocket gophers, the heads and rattles of rattlesnakes, and the bodies of birds and reptiles other than rattlesnakes shall be produced to the chair of the town board of the town where they were killed, and if the chair shall be satisfied that they were killed within the designated territory and by the person producing them, the chair shall certify to the county auditor the number of each kind so killed. The certificate shall be issued by the chair of the town board at the end of each month and shall show the names of all persons entitled to bounty for the preceding month, the number of each kind of animals, reptiles and birds so killed, and the amount of bounty that each person is entitled to receive. The county auditor shall issue thereon a warrant on the county treasurer payable to the chair of the town board who issued the certificate, for the full amount of the bounty allowed by law according to the certificate, and upon receipt of the warrant the chair shall pay the proper persons the bounty allowed by law for the preceding month.

The chair to whom such feet, heads, bodies, and rattles are produced shall immediately cause such heads, feet, bodies, and rattles to be destroyed and shall cause the removal of one foot from each bird.

Any town board may also offer a bounty for the destruction of the animals, birds, and reptiles described in section 348.12 and adopt rules for the payment thereof, which bounty so offered by a town shall be in addition to any bounty which may be offered by the board of county commissioners.

The town board of any town located in any county having over 45,000 and less than 49,000 inhabitants according to the 1950 federal census, may by resolution require that the tail instead of the feet of striped, gray and pocket gophers and woodchucks be produced.
