Subdivision 1. Governing law. Competitive bidding for purchases under the provisions of sections 383B.141 to 383B.151 shall be performed in compliance with the uniform municipal contracting law, section 471.345, except as otherwise provided for herein.

Subd. 2. Emergency exception. In the case of an emergency arising from breakage, damage or decay or when the public interest would suffer by delay, purchases may be made without compliance with section 471.345, by the board or administrator if authority has been delegated to make purchases under sections 383B.141 to 383B.151. If the administrator makes the purchase, the board shall present the matter for ratification and record it in the official proceedings of the board at its next meeting.

Subd. 3. Bidding not required. When, by reason of a copyright, patent or exclusive franchise, purchases can be made only at a standard, fixed or uniform price and no advantage can be secured by advertisement and competitive bidding because of the noncompetitive nature of the item to be purchased, section 471.345 shall not apply.

Subd. 4. Certain services, exceptions. Contracts for professional, noncompetitive, unique, or shared medically related services provided for in the Hennepin county hospital act, Laws 1963, chapter 738, shall not be governed by the provisions of section 471.345.

The set-aside amount may not exceed two percent of the amount appropriated by the board in the budget for the preceding fiscal year. Failure by the board to designate particular procurements for the set-aside program shall not prevent vendors from seeking the procurement award through the normal solicitation and bidding processes pursuant to the provisions of the uniform municipal contracting act, section 471.345.

The board may elect to use a negotiated price or bid contract procedure in the awarding of a procurement contract under the set-aside program. The amount of the award shall not exceed by more than five percent the estimated price for the goods or services, if they were to be purchased on the open market and not under the set-aside program. Before contracting with a business or service organization under the set-aside program, the board or authorized person shall conduct an investigation of the business or service organization with whom it seeks to contract and shall make findings, to be contained in the provisions of the contract, that:

(1) the vendor has in its employ at least 50 percent of its employees who would be eligible to receive some form of public assistance or other rehabilitative services in the absence of the award of a contract to the vendor;

(2) the vendor has elected to apply to the board for a contract under the set-aside provisions; and

(3) the vendor is able to perform the set-aside contract.

The board shall publicize the provisions of the set-aside program, attempt to locate vendors able to perform set-aside procurement contracts and otherwise encourage participation therein.

Subd. 6. Notice of sales and purchases. All purchases of, and contracts for, goods, materials, supplies, equipment and services and all sales of personal property which has become obsolete and unusable, where the amount of the expenditure or sale is estimated to be \$10,000 or more, shall be solicited by reasonable public notice under rules promulgated by the administrator with approval of the board. The administrator shall also solicit sealed bids by sending requests by mail to prospective vendors. Where by the provisions of sections 383B.141 to 383B.151, section 471.345 does not apply, the requirements of this subdivision shall not apply.

Subd. 7. Sealed bids. All bids estimated to cost \$10,000 or more shall be sealed,

in writing, accompanied by the required deposit and shall remain sealed until opened as provided by this subdivision. The bids shall be publicly opened by the administrator at a time and manner specified in the published advertisements for bids, shall be read aloud and tabulated by the administrator, or a designee. The administrator shall sign the tabulation immediately upon the close of the bid opening and retain a signed copy for public inspection.

Subd. 8. Bid acceptance. The administrator shall award the contract to the lowest bid meeting specifications. On deeming that a bid other than the lowest bid is more advantageous to the county, the administrator shall recommend the award of the bid to the county board. The board may approve or disapprove the bid other than the lowest bid. On recommending a bid to the board other than the lowest bid, the administrator shall state the reasons therefor and provide documentation as the board may require. The documentation shall be available for public inspection.

Subd. 9. Property transfers. The administrator shall have authority, upon approval by the county board, to transfer to or to accept personal property from any unit of government for no consideration or consideration as may be agreed upon without compliance with the uniform municipal contracting law or the advertising and bidding provisions in sections 383B.141 to 383B.151.

The examiner or the examiner's designee shall make inquiry regarding the cause and manner of death and prepare written findings together with the report of death and its circumstances, which shall be filed in the office of the examiner. When further investigation is deemed advisable, a copy of the report shall be delivered to the county attorney, and to any other official at whose request the autopsy was performed. Every autopsy performed pursuant to this subdivision shall, whenever practicable, be performed in the county morgue. Nothing herein shall require the examiner to perform an autopsy upon the body of a deceased person if the deceased person died of known or ascertainable causes or had been under the care of a licensed physician immediately prior to death if the examiner determines the autopsy to be unnecessary. Autopsies performed pursuant to this subdivision may include the removal, retention and use of organs and parts of organs and tissues, at the discretion of the medical examiner, when removal, retention and use are necessary for determining the cause of death. When removal, retention and use of organs and parts of organs and tissues are deemed beneficial for the advancement of medical knowledge and progress, written consent shall be obtained from the heirs, if any, of the deceased person prior to the removal, retention and use.

If none of the next of kin of the deceased person can be found in the county, then notice shall be given to the next of kin who reside outside the county in the manner and at the time the court shall direct, unless, upon a proper showing, the court determines that an immediate postmortem examination is necessary. If the next of kin are unknown, the court shall issue its order, upon a proper showing, without notice to any adverse party. When a dead body is disinterred by an order of court to ascertain facts relating to the cause of death, the examiner, having information which indicates that death may have resulted from a criminal act, shall perform a postmortem examination, or autopsy, and shall perform the other duties as required.

Subd. 9. Request for examinations. The county medical examiner may, when requested, make physical examinations and tests incident to any matter of a criminal nature under consideration by the district court or the county attorney or criminal defense counsel and shall deliver a copy of a report of them to the court or attorney making the request. When a copy of the report is delivered to criminal defense counsel, the county attorney shall receive a copy of the same report.

Subd. 10. Records and reports. The county medical examiner's office shall keep full and complete records, properly indexed giving the name, if known, of every person or body of a deceased person who is the subject of investigation by the office, the place where the body was found, date and cause of death, and all other available information relating to it. The final report of the investigating examiner, and the findings of the autopsy, if any, shall be attached to the record of each case. The examiner shall, upon request, deliver to the county attorney copies of records or other information in the examiner's office of any cases of a criminal nature. The records and reports, including those of autopsies performed under the provisions of sections 383B.211 to 383B.229, or transcriptions thereof, certified by the county medical examiner, shall be received as evidence in any court or grand jury proceeding in this state. The records and reports which shall be admissible as evidence under this subdivision shall not include statements made by witnesses or other persons unless otherwise admissible. Whenever requested by the Hennepin county attorney, the examiner and the examiner's personnel shall appear and testify before a Hennepin county grand jury or any Hennepin county court, without fees or additional compensation.

Otherwise, the county medical examiner shall provide for decent disposition of the remains.

Subd. 12. Preservation of identity.
