Subdivision 1. Qualifications. Any former legislator:

(1) Who has served at least six full years, without regard to the application of section 3A.10, subdivision 2, or who has served during all or part of four regular sessions as a member of the legislature, which service need not be continuous, but must have been after January 1, 1965 except as hereinafter provided; and

(3) Who has retired as a member of the legislature; and

(4) Who has made all contributions provided for in section 3A.03, or who has made payments in lieu of all contributions provided for in section 3A.03 as provided for in subdivision 2; shall be entitled upon written application to the director to receive a retirement allowance monthly. For service rendered prior to the beginning of the 1979 legislative session, but not to exceed eight years of service, the retirement allowance shall be an amount equal to five percent per year of service of that member's average monthly salary. For service in excess of eight years rendered prior to the beginning of the 1979 legislative session, and for service rendered after the beginning of the 1979 legislative session, the retirement allowance shall be an amount equal to 2-1/2 percent per year of service of that member's average monthly salary. The retirement allowance shall accrue beginning with the first day of the month of receipt of the application and for the remainder of the former legislator's life, provided the former legislator is not serving as a member of the legislature or as a constitutional officer or commissioner as defined in section 352C.021, subdivisions 2 and 3.

Any member who has served during all or part of four regular sessions shall be deemed to have served eight years as a member of the legislature.

The retirement allowance shall cease with the last payment which had accrued to the retired legislator during the retired legislator's lifetime except that the surviving spouse, if any, shall be entitled to the retirement allowance for the calendar month in which the retired legislator died.

Effective for service rendered after the beginning of the 1981 legislative session, no member may accrue credit for more than 20 years service, nor shall member contributions thereafter be required for more than 20 years service.

Subd. 1a. [Repealed, 1973 c 653 s 47]

Subd. 1b. Reduced retirement allowance. Upon separation from service after the beginning of the 1981 legislative session, a former member of the legislature who has attained the age of at least 60 years and who is otherwise qualified in accordance with subdivision 1 is entitled upon making written application on forms supplied by the director to a retirement allowance in an amount equal to the retirement allowance specified in subdivision 1 reduced by one-half of one percent for each month that the former member of the legislature is under age 62.

Subd. 2. Payment for past service. Any member of the legislature who is a member on July 1, 1965 or thereafter, may, notwithstanding the provisions of subdivision 1, clause (1), receive credit for service rendered as a member of the legislature prior to July 1, 1965, and the pension based thereon provided that the member pays to the director for credit to the member's account an amount equal to nine percent of all salary received for all periods of service rendered as a member of the legislature, even if such periods are not continuous and exceed ten years in duration. Such payment may be made at any time after the commencement of any regular session of the legislature in which the member serves.

Subd. 3. Appropriation. The amounts required for payment of retirement allowances provided by this section are appropriated annually to the director from the participation in the Minnesota postretirement investment fund and shall be paid monthly to the recipients entitled thereto.

Subd. 4. Deferred annuities augmentation. The deferred annuity of any former legislator shall be augmented as provided herein. The required reserves applicable to the deferred annuity, determined as of the date the benefit begins to accrue using an

(1) Any person who has made contributions pursuant to subdivision 1 who is no longer a member of the legislature is entitled to receive upon application to the director a refund of all contributions credited to the member's account with interest at the rate of five percent per annum compounded annually.

(2) The refund of contributions as provided in clause (1) above terminates all rights of a former member of the legislature or survivors of the former member under this chapter. Should the former member of the legislature again be a member of the legislature after having taken a refund as provided above, the member shall be considered a new member. However, a new member may reinstate the rights and credit for service forfeited, provided the new member repays all refunds taken plus interest thereon at six percent per annum compounded annually.

(3) No person shall be required to apply for or accept a refund.

The augmentation provided in section 3A.02, subdivision 4, if applicable, shall be applied from the first day of the month next following the date of termination of service as a member of the legislature to the month of death. Upon the death of a former legislator who was receiving a retirement allowance, the surviving spouse shall be entitled to one-half of the amount of the allowance being paid to the former legislator. The augmentation provided in section 3A.02, subdivision 4, if applicable, shall be applied from the first day of the month next following the date of termination of service as a member of the legislature to the month of death. Upon the death of a former legislator who was receiving a retirement allowance, the surviving dependent child shall be entitled to the applicable percentage specified above of the amount of the allowance which was paid to the former legislator for the month immediately prior to the date of death. The payments for dependent children shall be made to the surviving spouse or the guardian of the estate of the dependent children, if there is one.
