- (b) to engage in any act, practice, or course of business which operates or would operate as a fraud or deceit upon the other; or
- (c) to knowingly sell any security to or purchase any security from a client while acting as principal for the person's own account or knowingly effect any sale or purchase of any security for the account of a client while acting as broker for one other than the client, unless the person discloses to the client in writing before the execution of the transaction the capacity in which the person is acting and obtains the consent of the client to the transaction.

Subd. 1a. Solicitation activities. In the solicitation of advisory clients, it is unlawful for any person to make any untrue statements of material facts, or, in light of the circumstances under which they are made, to omit to state material facts necessary in order to make the statements made not misleading.

The terms "manipulative, deceptive, or other fraudulent device or contrivance" shall include, but shall not be limited to, the following practices:

(a) effecting any transaction in a security which involves no change in the beneficial ownership thereof, or entering any order or orders for the purchase or sale of any security with the knowledge that an order or orders of substantially the same size, at substantially the same time, and at substantially the same price, for the sale or purchase of the security, have been or will be entered by or for the same or affiliated persons, for the purpose of creating a false or misleading appearance of active trading in the security or a false or misleading appearance with respect to the market for the security;

80A.04 LICENSING REQUIREMENT.

Subdivision 1. It is unlawful for any person to transact business in this state as a broker-dealer or agent unless licensed under this chapter.

Subd. 2. It is unlawful for any broker-dealer or issuer to employ an agent as a representative in this state unless the agent is licensed. The licensing of an agent is not effective during any period when the agent is not associated with a specified broker-dealer licensed under this chapter or a specified issuer. No agent shall at any time represent more than one broker-dealer or issuer, except that where broker-dealers affiliated by direct common control are licensed under this chapter, an agent may represent the broker-dealer. When an agent begins or terminates employment with a broker-dealer or issuer, or begins or terminates those activities which make that person an agent, the agent as well as the broker-dealer or issuer shall promptly notify the commissioner or the commissioner's designated representative.

Subd. 3. It is unlawful for any person to transact business in this state as an investment adviser unless that person is so licensed or licensed as a broker-dealer under this chapter or unless that person's only clients in this state are investment companies as defined in the Investment Company Act of 1940, other investment advisers, broker-dealers, banks, trust companies, savings and loan associations, insurance companies, employee benefit plans, corporations with a class of equity securities registered under section 12(g) of the Securities Exchange Act of 1934, small business investment companies, and government agencies or instrumentalities, whether acting for themselves or as trustees with investment control, or other institutional investors as are designated by rule or order of the commissioner.

Subd. 4. Every license shall expire on December 31 of each year unless an application for renewal has been received by the commissioner by November 15.

80A.05 LICENSING PROCEDURE.

Subdivision 1. A broker-dealer, agent or investment adviser may obtain an initial or renewal license by filing with the commissioner or a designee an application together with a consent to service of process pursuant to section 80A.27, subdivision 7. The application shall be on a form prescribed by the commissioner and shall contain whatever information the commissioner requires concerning such matters as the applicant's form and place of organization, proposed method of doing business and financial condition, the qualifications and experience of the applicant, including, in the case of a broker-dealer or investment adviser, the qualifications and experience of any partner, officer, director or controlling person, any injunction or administrative order or conviction of a misdemeanor involving securities and any conviction of a felony. The commissioner may by order, with respect to any particular application, require the submission of information concerning any other matters which the commissioner determines are relevant to the application. The commissioner may by rule or order require an applicant for an initial license to publish an announcement of the application in one or more specified newspapers published in this state.

If no denial order is in effect, no proceeding is pending under section 80A.07, and all of the requirements of this subdivision and subdivision 3 have been complied with, the licensing becomes effective 30 days after an application is filed. The commissioner may by rule or order specify an earlier effective date, and may by order defer the effective date until 30 days after the filing of any amendment.

Subd. 2. A licensed broker-dealer or investment adviser may file an application for licensing of a successor, whether or not the successor is then in existence, for the unexpired portion of the license. There shall be no filing fee.

Subd. 3. The commissioner may by rule prescribe standards of qualification with respect to training, experience and knowledge of the securities business and provide for examinations, which may be written or oral or both, to be taken by any class of or all applicants, as well as persons who represent or will represent an investment adviser, and the commissioner may by order require an examination of a licensed broker-dealer, agent or investment adviser for due cause.

Subd. 4. The commissioner may by rule require a minimum capital for broker-dealers and investment advisers and establish limitations on aggregate indebtedness of broker-dealers in relation to net capital.

Subd. 5. The commissioner may by rule require licensed broker-dealers, agents and investment advisers to post surety bonds in amounts up to \$25,000, and may by rule or order determine their conditions. Any appropriate deposit of cash or securities shall be accepted in lieu of any bond so required. No bond may be required of any broker-dealer whose net capital, which may be defined by rule, exceeds \$25,000. Every bond shall provide for suit thereon by any person who has a cause of action under section 80A.23 and, if the commissioner by rule or order requires, by any person who has a cause of action not arising under sections 80A.01 to 80A.31. Every bond shall provide that no suit may be maintained to enforce any liability on the bond unless brought within three years after the sale or other act upon which it is based.

Subd. 6. The commissioner may by rule or order impose other conditions in connection with the issuance of licenses under this chapter as the commissioner deems appropriate in the public interest and for the protection of investors.

80A.06 POSTLICENSING PROVISIONS.

Subdivision 1. Every licensed broker-dealer and investment adviser shall make and keep all accounts, correspondence, memoranda, papers, books and other records which the commissioner by rule prescribes. All records required shall be preserved for three years unless the commissioner by rule prescribes otherwise for particular types of records. All required records shall be kept within the state or shall, at the request of the commissioner, be made available at any time for examination by the commis-

sioner either in the principal office of the licensee or by production of exact copies thereof in this state.

Subd. 2. Every licensed broker-dealer and investment adviser shall file such reports as the commissioner by rule prescribes.

Subd. 3. If the information contained in any document filed with the commissioner is or becomes inaccurate or incomplete in any material respect, the licensee shall promptly file a correcting amendment unless notification of the correction has been given under section 80A.04, subdivision 2.

Subd. 4. The commissioner shall make periodic examinations, within or without this state, of the business and records of each licensed broker-dealer and investment adviser, at such times and in such scope as the commissioner determines. The examinations may be made without prior notice to the broker-dealer or investment adviser. For the purpose of avoiding unnecessary duplication of examinations, the commissioner, insofar as the commissioner deems it practicable in administering this subdivision, may cooperate with securities administrators of other states, the securities and exchange commission, and any national securities exchange or national securities association registered under the Securities Exchange Act of 1934.

Subd. 5. No investment adviser who shall recommend the purchase or sale of a security to a client, and no licensed broker-dealer acting as a broker-dealer for a customer in the purchase or sale of a security shall take or accept any remuneration or other thing of value from any person other than the client or customer in connection with the purchase or sale unless, prior to or contemporaneously with the recommendation in the case of an investment adviser and prior to or contemporaneously with the confirmation of the transaction in the case of a licensed broker-dealer so acting, written disclosure to the client or customer is made of the acceptance or intended acceptance of the remuneration or other thing of value and of the amount of it. All charges made by an investment adviser for services and all charges by a licensed broker-dealer for services rendered as a broker-dealer or for advice with respect to securities shall be reasonable, and except in compliance with rules adopted by the commissioner, no charges shall be based upon or measured by profits accrued or to accrue from transactions recommended or carried out by an investment adviser, or licensed broker-dealer. This subdivision shall not be construed to prohibit charges by an investment adviser based upon the total value of the assets under management averaged over a definite period, or as of definite dates, or taken as of a definite date, nor charges based upon the performance of the managed assets as compared to an established index in compliance with rules adopted by the commissioner.

80A.07 DENIAL, SUSPENSION, AND REVOCATION OF LICENSES.

Subdivision 1. The commissioner may by order deny, suspend, or revoke any license or may censure the licensee, if the commissioner finds (a) that the order is in the public interest and (b) that the applicant or licensee or, in the case of a broker-dealer or investment adviser, any partner, officer, or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the broker-dealer or investment adviser:

(1) has filed an application for license which as of its effective date, or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained any statement which was, in light of the circumstances under which it was made, false or misleading with respect to any material fact;

(2) has willfully violated or failed to comply with any provision of this chapter or a predecessor law or any provision of the Securities Act of 1933, the Securities Exchange Act of 1934, the Investment Advisers Act of 1940, the Investment Company Act of 1940, the Commodity Exchange Act, or any rule or order under any of these statutes, of which that person has notice and is subject;

(3) has been convicted, within the past ten years, of any misdemeanor involving a security or any aspect of the securities business, or any felony;

(4) is permanently or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the securities business;

(5) is the subject of an order of the commissioner denying, suspending, or revoking a license as a broker-dealer, agent or investment adviser;

(6) is the subject of an order entered within the past five years by the securities administrator of any other state or by the securities and exchange commission denying or revoking registration or license as a broker-dealer, agent, or investment adviser, or is the subject of an order of the securities and exchange commission suspending or expelling that person from a national securities exchange or association registered under the Securities Exchange Act of 1934, or is the subject of a United States post office fraud order. The commissioner may not institute a revocation or suspension proceeding under this clause more than one year from the date of the order relied on, and may not enter an order under this clause on the basis of an order under another state law unless the order was based on facts which would currently constitute a ground for an order under this section;

(7) has engaged in dishonest or fraudulent practices in the securities business;

(8) has failed to maintain the minimum net capital or to comply with the limitation on aggregate indebtedness which the commissioner by rule prescribes;

(9) is not qualified on the basis of such factors as training, experience, and knowledge of the securities business;

(10) has failed reasonably to supervise agents, investment adviser representatives, or employees to assure their compliance with this chapter;

(11) has failed to pay the proper filing fee, but the commissioner shall vacate the order when the deficiency has been corrected;

(12) has offered or sold securities in this state through any unlicensed agent;

(13) has made any material misrepresentation to the commissioner, or upon request reasonably made by the commissioner, has withheld or concealed information from, or refused to furnish information to, the commissioner;

(14) has failed to reasonably supervise agents, investment adviser representatives, or employees if that person has assumed or has been designated to carry out the supervisory procedures of the broker-dealer or investment adviser; or

(15) has failed, within 20 business days after receiving written instructions from a customer, to do any of the following:

(a) transfer or deliver securities that have been purchased;

(b) transfer or deliver any free credit balances reflecting completed transactions;
or

(c) transfer or deliver a customer's account securities positions and balances to another broker-dealer.

This clause shall not serve as a basis for denial, suspension, or revocation of a broker-dealer's or agent's license if: (i) the transfer or delivery is between broker-dealers and meets the rules and requirements established by the New York Stock Exchange with regard to the transfer or delivery; or (ii) the delivery of securities to a customer cannot be accomplished within 20 business days, and the broker-dealer or agent has notified the customer in writing of the inability to deliver the securities and the reasons for the nondelivery within 20 business days of receiving the customer's written instructions.

Subd. 1a. Investment adviser representatives. The commissioner, by order, shall censure or place limitations on the activities of any investment adviser representative or person seeking to become an investment adviser representative, or suspend or bar any person from being an investment adviser representative, if the commissioner finds, after notice and opportunity for hearing, that the censure, placing of limitations, suspension, or bar is in the public interest and that the person has committed or omitted any act or omission enumerated in subdivision 1. It shall be unlawful for any

person as to whom an order suspending or barring that person from being an investment adviser representative is in effect willfully to become, or to be, associated with an investment adviser without the consent of the commissioner, and it shall be unlawful for any investment adviser to permit this person to become, or remain, an investment adviser representative without the consent of the commissioner, if the investment adviser knew, or in the exercise of reasonable care, should have known of the order.

Subd. 2. The commissioner may not institute a suspension or revocation proceeding solely on the basis of a fact or transaction known to the commissioner when the initial license was issued unless the proceeding is instituted within the next 30 days after the issuance of the initial license.

Subd. 3. The commissioner may issue an order requiring a licensee or an applicant for a license to show cause why the license should not be revoked or the application denied. The order shall be calculated to give reasonable notice of the time and place for hearing thereon, and shall state the reasons for the entry of the order. The commissioner may by order summarily suspend a license, or in the case of an investment adviser representative or person seeking to become an investment adviser representative, summarily suspend or bar that person from acting in that capacity, pending final determination of any order to show cause. If a license is suspended pending final determination of an order to show cause, a hearing on the merits shall be held within 30 days of the issuance of the order of suspension. All hearings shall be conducted in accordance with the provisions of chapter 14. After the hearing, the commissioner shall enter an order making a disposition of the matter as the facts require. If the licensee or applicant fails to appear at a hearing of which that person has been duly notified, the person shall be deemed in default and the proceeding may be determined against that person upon consideration of the order to show cause, the allegations of which may be deemed to be true. The commissioner may adopt rules of procedure concerning all proceedings conducted pursuant to this subdivision.

Subd. 4. If the commissioner finds that any licensee or applicant is no longer in existence or has ceased to do business as a broker-dealer, agent or investment adviser, or is subject to an adjudication of mental incompetence or to the control of a committee, conservator or guardian, or cannot be located after reasonable search, the commissioner may by order revoke the license or deny the application.

Subd. 5. Withdrawal from the status of a licensed broker-dealer, agent or investment adviser becomes effective 30 days after receipt of an application to withdraw or within such shorter period as the commissioner determines unless a revocation or suspension proceeding is pending when the application is filed or a proceeding to revoke or suspend or to impose conditions upon the withdrawal is instituted within 30 days after the application is filed. If a proceeding is pending or instituted, withdrawal becomes effective at such time and upon such conditions as the commissioner by order determines. If no proceeding is pending or instituted and withdrawal automatically becomes effective, the commissioner may institute a revocation or suspension proceeding under subdivision 1, clause (b) within one year after withdrawal became effective and enter a revocation or suspension order as of the last date on which the license was in effect.

80A.08 REGISTRATION REQUIREMENT.

It is unlawful for any person to offer or sell any security in this state unless (a) it is registered under sections 80A.01 to 80A.31 or (b) the security or transaction is exempted under section 80A.15.

History: 1973 c 451 s 8

80A.09 REGISTRATION BY NOTIFICATION.

Subdivision 1. The following securities may be registered by notification: any securities issued by a person organized exclusively for social, religious, educational,

benevolent, fraternal, charitable, reformatory, athletic, chamber of commerce, trade, industrial development, or professional association purposes and not for pecuniary gain, and no part of the net earnings of which inures to the benefit of any private stockholder or individual; provided that no securities issued by any person offering and furnishing a burial service or funeral benefit, directly or indirectly for financial consideration, may be registered under this section.

Subd. 2. A registration statement under this section shall contain the consent to service of process required by section 80A.27, subdivision 7, and such additional information as the commissioner by rule or otherwise requires.

Subd. 3. If no stop order is in effect, no proceeding is pending under section 80A.13, and no order has been issued under subdivision 4, a registration statement under this section automatically becomes effective at 5:00 in the afternoon on the fifth full business day after the filing of the registration statement or the last amendment, or at such earlier time as the commissioner by order determines.

Subd. 4. The commissioner may by order require that any security otherwise permitted to be registered under this section be registered by qualification under section 80A.11 if the commissioner determines that registration by qualification is in the public interest and is necessary for the protection of investors.

History: 1973 c 451 s 9; 1983 c 284 s 7; 1985 c 210 art 1 s 2; 1986 c 444; 1987 c 336 s 11

80A.10 REGISTRATION BY COORDINATION.

Subdivision 1. Any security for which a registration statement has been filed under the Securities Act of 1933 in connection with the same offering may be registered by coordination.

Subd. 2. A registration statement under this section shall contain the following information and be accompanied by the following documents in addition to the information specified in section 80A.12 and the consent to service of process required by section 80A.27, subdivision 7;

(a) Two copies of the latest form of prospectus filed under the Securities Act of 1933;

(b) If the commissioner by rule or otherwise requires, a copy of the articles of incorporation and bylaws (or their substantial equivalent) currently in effect, a copy of any agreements with or among underwriters, a copy of any indenture or other instrument governing the issuance of the security to be registered, and a specimen or copy of the security;

(c) If the commissioner requests, any other information, or copies of any other documents, filed under the Securities Act of 1933; and

(d) An undertaking to forward all amendments to the federal prospectus, other than an amendment which merely delays the effective date of the registration statement, not later than the first business day after the day they are forwarded to or filed with the securities and exchange commission or such longer period as the commissioner permits.

Subd. 3. A registration statement under this section automatically becomes effective at the moment the federal registration statement becomes effective if all the following conditions are satisfied: (a) no stop order is in effect and no proceeding is pending under section 80A.13; (b) the registration statement has been on file with the commissioner for at least 20 days; and (c) a statement of the maximum proposed offering prices and the maximum underwriting discounts and commissions has been on file for two full business days or such shorter period as the commissioner permits by rule or otherwise and the offering is made within those limitations. The registrant shall promptly notify the commissioner by telephone or telegram or similar electronic means of communication of the date and time when the federal registration statement became effective and the content of the price amendment, if any, and shall promptly file an amendment containing the information and documents in the price amendment.

"Price amendment" means the final federal amendment which includes a statement of the offering price, underwriting and selling discounts or commissions, amount of proceeds, conversion rates, call prices and other matters dependent upon the offering price. Upon failure to receive the required notification with respect to the price amendment, the commissioner may enter a stop order, without notice or hearing, retroactively denying effectiveness to the registration statement or suspending its effectiveness until compliance with this subsection, if the commissioner promptly notifies the registrant by telephone or telegram or similar electronic means of communication (and promptly confirms by letter or telegram when the commissioner notifies by telephone) of the issuance of the order. If the registrant proves compliance with the requirements of this subdivision as to notice and price amendment, the stop order is void as of the time of its entry. The commissioner may by rule or otherwise waive either or both of the conditions specified in clauses (b) and (c). If the federal registration statement becomes effective before all the conditions in this subdivision are satisfied and they are not waived, the registration statement automatically becomes effective as soon as all the conditions are satisfied. If the registrant advises the commissioner of the date when the federal registration statement is expected to become effective, the commissioner shall promptly advise the registrant by telephone or telegram or similar electronic means of communication, at the registrant's expense, whether all the conditions are satisfied and whether the commissioner then contemplates the institution of a proceeding under section 80A.13; but this advice by the commissioner does not preclude the institution of such a proceeding at any time.

Subd. 4. **Withdrawal.** A registration statement that has been on file with the commissioner for a period of nine months and has not become effective is considered to have been withdrawn. If the registration statement has been amended, the nine-month period must be computed from the date of the latest amendment. Notwithstanding the provisions of section 80A.28, subdivision 1, paragraph (c), no part of the filing fee shall be returned if a registration statement is withdrawn pursuant to this subdivision.

80A.11 REGISTRATION BY QUALIFICATION.

Subdivision 1. Any security may be registered by qualification.

Subd. 2. A registration statement under this section shall contain the information specified in section 80A.12 and the consent to service of process required by section 80A.27, subdivision 7, and shall contain such further information and be accompanied by such further documents as the commissioner by rule or otherwise requires.

Subd. 3. A registration statement under this section becomes effective when the commissioner so orders.

Subd. 4. The commissioner may by rule or order require as a condition of registration under this section that a prospectus containing any designated part of the information specified in subdivision 2 be sent or given to each person to whom an offer is made before or concurrently with (a) the first written offer made to that person (otherwise than by means of a public advertisement) by or for the account of the issuer or any other person on whose behalf the offering is being made, or by any underwriter or broker-dealer who is offering part of an unsold allotment or subscription taken by that person as a participant in the distribution, (b) the confirmation of any sale made by or for the account of any such person, (c) payment pursuant to any such sale, or (d) delivery of the security pursuant to any such sale, whichever first occurs.

History: 1973 c 451 s 11; 1986 c 444

80A.12 PROVISIONS APPLICABLE TO REGISTRATION GENERALLY.

Subdivision 1. A registration statement may be filed by the issuer, any other person on whose behalf the offering is to be made, or a licensed broker-dealer.

Subd. 2. Every registration statement shall specify (a) the amount of securities to

be offered in this state; (b) the states in which a registration statement or similar document in connection with the offering has been or is to be filed; and (c) any adverse order, judgment or decree entered in connection with the offering by the regulatory authorities in each state or by any court or the securities and exchange commission.

Subd. 3. Any document filed under sections 80A.01 to 80A.31 or a predecessor act within three years preceding the filing of a registration statement may be incorporated by reference in the registration statement to the extent that the document is currently accurate.

Subd. 4. The commissioner may by rule or otherwise permit the omission of any item of information or document from any registration statement.

Subd. 5. The commissioner may by rule or order require as a condition of registration by qualification or coordination (a) that any security issued within the past three years or to be issued to a promoter for a consideration substantially different from the public offering price, or to any person for a consideration other than cash, be deposited in escrow; and (b) that the proceeds from the sale of the registered security in this state be impounded until the issuer receives a specified amount from the sale of the security either in this state or elsewhere. The commissioner may by rule or order determine the conditions of any escrow or impounding required hereunder, but may reject a depository solely because of location in another state only if the offering is not being registered under the Securities Act of 1933 and the principal place of business of the registrant is in this state.

Subd. 6. The commissioner may by rule or order require as a condition of registration that any security registered by qualification or coordination be sold only on a specified form of subscription or sale contract, and that a signed or conformed copy of each contract be filed with the commissioner or preserved for any period up to three years specified in the rule or order.

Subd. 7. Every registration statement shall be effective, for the purpose of any nonissuer distribution until withdrawn, suspended or revoked. All outstanding securities of the same class as a registered security are considered to be registered for the purpose of any nonissuer transaction so long as the registration statement is effective. A registration statement may not be withdrawn for one year from its effective date if any securities of the same class are outstanding.

Subd. 8. So long as a registration statement is effective, the commissioner may by rule or order require the person who filed the registration statement to file reports, not more often than quarterly, to keep reasonably current the information contained in the registration statement, to disclose the progress of the offering and the use of any proceeds received therefrom, and to submit reports of sales. The commissioner may by rule or order require that the issuer distribute annual reports to its shareholders.

Subd. 9. A registration statement relating to a security issued by a face amount certificate company or a redeemable security issued by an open end management company or unit investment trust, as those terms are defined in the Investment Company Act of 1940, may be amended after its effective date so as to increase the securities specified as proposed to be offered. Such an amendment becomes effective when the commissioner so orders. Every person filing such an amendment shall pay a filing fee, calculated in the manner specified in section 80A.28 with respect to the additional securities proposed to be offered.

Subd. 10. So long as a registration statement is effective the issuer shall file an annual report in such form as the commissioner by rule prescribes. Every annual report shall be due on the 90th day following the end of the issuer's fiscal year, unless extended in writing for good cause by the commissioner. Failure to file the annual report within 30 days after its due date shall be deemed a request for withdrawal.

Subd. 11. Within two business days after receipt of an order of the commissioner withdrawing, suspending, or revoking effectiveness of an issuer's registration statement, the issuer must notify all persons making a market in the issuer's securities of the termination of the effectiveness of the registration statement. Failure to provide

this notice may result in the imposition of a civil penalty not to exceed \$2,000 per violation.

80A.13 DENIAL, SUSPENSION AND REVOCATION OF REGISTRATION.

Subdivision 1. The commissioner may issue a stop order denying effectiveness to, or suspending or revoking the effectiveness of, any registration statement if the commissioner finds (a) that the order is in the public interest and (b) that

(1) the registration statement as of its effective date or as of any earlier date in the case of an order denying effectiveness, or any amendment under section 80A.12, subdivision 9, as of its effective date, or any report under section 80A.12, subdivision 8, is incomplete in any material respect or contains any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;

(2) any provision of sections 80A.01 to 80A.31 or any rule, order, or condition lawfully imposed under sections 80A.01 to 80A.31 has been willfully violated in connection with the offering, by (i) the person filing the registration statement, (ii) the issuer, any partner, officer, or director of the issuer, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling or controlled by the issuer, but only if the person filing the registration statement is directly or indirectly controlled by or acting for the issuer, or (iii) any underwriter;

(3) the security registered or sought to be registered is the subject of an administrative stop order or similar order or a permanent or temporary injunction of any court of competent jurisdiction entered under any other federal or state act applicable to the offering; but (i) the commissioner may not institute a proceeding against an effective registration statement under this clause more than one year from the date of the order or injunction relied on, and (ii) may not enter an order under this clause on the basis of an order or injunction entered under any other state act unless that order or injunction was based on facts which would currently constitute a ground for a stop order under this section;

(4) the issuer's enterprise or method of business includes or would include activities which are illegal where performed;

(5) the offering has worked or tended to work a fraud upon purchasers or would so operate;

(6) except with respect to securities which are being registered by notification, the terms of the securities are unfair and inequitable; provided, however, that the commissioner may not determine that an offering is unfair and inequitable solely on the grounds that the securities are to be sold at an excessive price where the offering price has been determined by arms length negotiation between nonaffiliated parties. The selling price of any security being sold by a broker-dealer licensed in this state shall be presumed to have been determined by arms length negotiation;

(7) when a security is sought to be registered by coordination there has been a failure to comply with the undertaking required by section 80A.10, subdivision 2, clause (d);

(8) the applicant or registrant has failed to pay the proper filing fee; but the commissioner may enter only a denial order under this clause and shall vacate any such order when the deficiency has been corrected; or

(9) the offering of securities sought to be registered is not firmly underwritten and (i) the minimum amount of proceeds from the sale of the securities is not more than \$500,000, and (ii) the maximum amount of proceeds is more than 200 percent of the minimum amount of proceeds required to go forward with the offering.

The commissioner may not institute a stop order proceeding against an effective registration statement solely on the basis of a fact or transaction known to the commissioner when the registration statement became effective unless the proceeding is instituted within the next 30 days.

Subd. 2. The commissioner may issue an order requiring the person for whom a registration was made to show cause why the registration should not be revoked. The order shall be calculated to give reasonable notice of the time and place for hearing thereon, and shall state the reasons for the issuance of the order. The commissioner may by order summarily suspend a registration pending final determination of any order to show cause. If the registration is suspended pending final determination of an order to show cause, a hearing on the merits shall be held within 30 days of the issuance of the order or suspension. All hearings shall be conducted in accordance with the provisions of chapter 14. After the hearing, the commissioner shall enter an order making such disposition of the matter as the facts require. If the person for whom the registration was made fails to appear at a hearing of which the person has been duly notified, such person shall be deemed in default and the proceeding may be determined against the person upon consideration of the order to show cause, the allegations of which may be deemed to be true. The commissioner may adopt rules of procedure concerning all proceedings conducted pursuant to this subdivision.

The order shall be calculated to give reasonable notice of the time and place for hearing thereon, and shall state the reasons for the entry of the order. The commissioner may by order summarily suspend an exemption pending final determination of any order to show cause. If an exemption is suspended pending final determination of an order to show cause, a hearing on the merits shall be held within 30 days of the issuance of the order of suspension. All hearings shall be conducted in accordance with the provisions of chapter 14. After the hearing, the commissioner shall enter an order making such disposition of the matter as the facts require. If the person claiming the benefit of the exemption fails to appear at a hearing of which the person has been duly notified, such person shall be deemed in default, and the proceeding may be determined against the person upon consideration of the order to show cause, the allegations of which may be deemed to be true. The commissioner may adopt rules of procedure concerning all proceedings conducted pursuant to this subdivision.

Subd. 4. In any judicial or administrative proceeding under sections 80A.01 to 80A.31, the burden of proving an exemption or an exception from a definition is upon the person claiming it.

The commissioner may by rule or order require the filing of any prospectus, pamphlet, circular, form letter, advertisement, or other sales literature or advertising communication addressed or intended for distribution to prospective investors, including clients or prospective clients of an investment adviser or broker-dealer unless the security or transaction is exempted by section 80A.15.

80A.17 MISLEADING FILINGS.

It is unlawful for any person to make or cause to be made, in any document filed with the commissioner or in any proceeding under sections 80A.01 to 80A.31, other

than a contested case hearing any statement which is, at the time and in the light of the circumstances under which it is made, false or misleading in any material respect or, in connection with such statement, to omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they are made, not misleading.

History: 1973 c 451 s 17

80A.18 UNLAWFUL REPRESENTATIONS CONCERNING REGISTRATION OR EXEMPTION.

Neither the fact that a registration statement or an application for a license has been filed nor the fact that a security is effectively registered or a person is licensed constitutes a finding by the commissioner that any document filed under this chapter is true, complete and not misleading. Neither any such fact nor the fact that an exemption or exception is available for a security or a transaction means that the commissioner has passed in any way upon the merits or qualifications of, or recommended or given approval to, any person, security, or transaction. It is unlawful to make, or cause to be made, to any prospective purchaser, customer or client any representation inconsistent with the foregoing.

80A.19 ADMINISTRATION.

Subdivision 1. This chapter shall be administered by the commissioner of commerce.

Subd. 2. It is unlawful for the commissioner or any of the commissioner's officers or employees to use for personal benefit any information which is filed with or obtained by the commissioner and which is not a matter of public record. Nothing in this chapter authorizes the commissioner or any of the commissioner's officers or employees to disclose information which is not a matter of public record except among themselves or when necessary or appropriate in a proceeding or investigation under this chapter. No provision of this chapter either creates or derogates from any privilege which exists at common law or otherwise when documentary or other evidence is sought under a subpoena directed to the commissioner or any of the commissioner's officers or employees.

Subd. 3. It shall be the duty of the commissioner biennially, on or before October 1, in each even numbered year, to prepare and file in the office of the governor a report for the preceding two fiscal years ending June 30 preceding the report, which shall contain a summary of all applications received, withdrawn, granted and denied; a summary of all registrations and licenses suspended, revoked or canceled, a schedule of receipts and disbursements of the commissioner, and such other information as the commissioner considers material.

80A.22 CRIMINAL PENALTY.

Subdivision 1. Any person who willfully violates any provision of sections 80A.01 to 80A.31 except section 80A.17, or any rule or order under sections 80A.01 to 80A.31, of which that person has notice, or who violates section 80A.17 knowing that the statement was false or misleading in any material respect, may be fined not more than \$10,000 or imprisoned not more than five years or both. Each of the acts specified shall constitute a separate offense and a prosecution or conviction for any one of such offenses shall not bar prosecution or conviction for any other offense.

Subd. 2. The commissioner may refer such evidence as is available concerning

violations of sections 80A.01 to 80A.31 or of any rule or order hereunder to the attorney general or the county attorney of the appropriate county, who may, with or without any such reference, institute the appropriate criminal proceedings under sections 80A.01 to 80A.31. If referred to a county attorney, the county attorney shall within 90 days file with the commissioner a statement concerning any action taken, or, if no action has been taken, the reasons therefor.

Subd. 3. Nothing in sections 80A.01 to 80A.31 limits the power of the state to punish any person for any conduct which constitutes a crime under any other statute.

80A.23 CIVIL LIABILITIES.

Subdivision 1. Any person who sells a security in violation of sections 80A.08 or 80A.18, or of any condition imposed under section 80A.11, subdivision 4, or 80A.12, subdivisions 5 and 6, is liable to the person purchasing the security, who may sue either in equity for rescission upon tender of the security or at law for damages if that person no longer owns the security. In any action for rescission, the purchaser shall be entitled to recover the consideration paid for the security together with interest at the legal rate, costs, and reasonable attorney's fees, less the amount of any income received on the securities. In an action at law, damages shall be the consideration paid for the security together with interest at the legal rate to the date of disposition, costs, and reasonable attorney's fees, less the value of the security at the date of disposition.

Subd. 2. Any person who violates section 80A.01 in connection with the purchase or sale of any security shall be liable to any person damaged thereby who sold such security to that person or to whom that person sold such security, and any person who violates section 80A.03 in connection with the purchase or sale of any security shall be liable to any person damaged by the conduct prescribed by section 80A.03. Any person who violates section 80A.02 in connection with the purchase or sale of any security shall be liable to any investment advisory client who is damaged thereby. Damages in an action pursuant to this subdivision shall include the actual damages sustained plus interest from the date of payment or sale, costs and reasonable attorney's fees.

Subd. 3. Every person who directly or indirectly controls a person liable under subdivision 1 or 2, every partner, principal executive officer or director of such person, every person occupying a similar status or performing a similar function, every employee of such person who materially aids in the act or transaction constituting the violation, and every broker-dealer or agent who materially aids in the act or transaction constituting the violation, are also liable jointly and severally with and to the same extent as such person. There is contribution as in cases of contract among the several persons so liable.

Subd. 4. No person shall be liable under subdivisions 1 to 3 who shall sustain the burden of proof that the person did not know, and in the exercise of reasonable care could not have known, of the existence of facts by reason of which the liability is alleged to exist.

Subd. 5. Any tender specified in this section may be made at any time before entry of judgment. Tender by a purchaser shall require only notice of willingness to exchange the security for the amount computed pursuant to subdivision 1. Tender by a seller shall require only notice of willingness to pay the amount specified in exchange for the security. Any notice may be given by service as in civil actions or by certified mail to the last known address of the person liable.

Subd. 6. Every cause of action under this statute survives the death of any person who might have been a plaintiff or defendant.

Subd. 7. No person may commence an action under subdivision 1 more than three years after the sale upon which such action is based. No person may commence an action under subdivision 2 more than three years after the occurrence of the act or transaction constituting the violation.

Subd. 8. No purchaser may commence an action under subdivision 1 if, before

suit is commenced, the purchaser has received a written offer to repurchase the security for cash payable on delivery of the security equal to the consideration paid, together with interest at the legal rate from the date of payment, less the amount of any income received thereon or, if the purchaser no longer owns the security, an offer to pay an amount in cash equal to the damages computed in accordance with subdivision 1 and the purchaser has failed to accept such offer in writing within 30 days of its receipt. No offer shall be effective to prevent suit under this section unless a duplicate copy thereof shall have been filed with the commissioner at least 20 days prior to its delivery to the offeree and the commissioner shall not have objected to the offer within that time. The offer shall be in the form and contain the information the commissioner by rule or order prescribes. If the offer is not performed in accordance with its terms, suit by the offeree under this section shall be permitted without regard to this subdivision.

Subd. 9. No person who has made or engaged in the performance of any contract in violation of any provision of this section or any rule or order hereunder or has acquired any purported rights under any such contract with knowledge of the facts by reason of which its making or performance was in violation may base any suit on such violation under the contract.

Subd. 10. Any condition, stipulation or provision binding any person to waive compliance with any provision of sections 80A.01 to 80A.31 or any rule or order hereunder in the purchase or sale of any security is void.

Subd. 11. The rights and remedies promulgated by sections 80A.01 to 80A.31 are in addition to any other right or remedy that may exist at law or in equity, but sections 80A.01 to 80A.31 do not create any cause of action not specified in this section or section 80A.05, subdivision 5. No civil cause of action may be based solely upon the failure of a broker-dealer or agent to comply with the requirements of section 80A.04, subdivision 1 or 3, except a cause of action arising under section 45.027.

Within 30 days after an order has been issued without a hearing, any interested party may apply to the commissioner for a hearing in respect to matters determined by the order, and a hearing shall be held, on a date fixed by the commissioner, within 30 days after the application is filed. After the hearing the commissioner may modify the order as the commissioner deems appropriate. Hearings shall be public unless the commissioner grants a request joined in by all parties that the hearing be conducted privately.

Subd. 2. Orders of the commissioner shall be subject to judicial review under chapter 14, but orders originally issued without hearing may be reviewed only if the party seeking review has requested a hearing within the time provided by subdivision 1.

80A.25 RULES, FORMS AND ORDERS.

Subdivision 1. The commissioner may from time to time make, amend, and rescind such rules, forms, and orders as are necessary to carry out the provisions of sections 80A.01 to 80A.31, including but not limited to rules and forms governing the conduct of business by broker-dealers, agents and investment advisers, registration statements, applications, and reports, and defining any terms, whether or not used in sections 80A.01 to 80A.31, insofar as the definitions are not inconsistent with the provisions of sections 80A.01 to 80A.31. For the purpose of rules and forms, the commissioner may classify securities, persons, and matters within the commissioner's jurisdiction, and prescribe different requirements for different classes.

Subd. 2. No rule, form or order may be made, amended or rescinded unless the commissioner finds that the action is necessary or appropriate in the public interest or

for the protection of investors and consistent with the purposes fairly intended by the policy and provisions of sections 80A.01 to 80A.31. In prescribing rules and forms the commissioner may cooperate with securities administrators of the other states and the securities and exchange commission with a view to effectuating the policy of this statute to achieve maximum uniformity in the form and content of registration statements, application, and reports wherever practicable.

Subd. 3. The commissioner may by rule or order prescribe (a) the form and content of financial statements required under sections 80A.01 to 80A.31, (b) the circumstances under which consolidated financial statements shall be filed, and (c) whether any required financial statements shall be certified by independent or certified public accountants. All financial statements shall be prepared in accordance with generally accepted accounting principles unless otherwise permitted by rule or order.

Subd. 4. All rules and forms of the commissioner shall be published.

Subd. 5. No provision of sections 80A.01 to 80A.31 imposing any liability applies to any act done or omitted in good faith in conformity with any rule, form, or order of the commissioner, notwithstanding that the rule, form, or order may later be amended or rescinded or be determined by judicial or other authority to be invalid for any reason.

80A.26 ADMINISTRATIVE FILES AND OPINIONS.

Subdivision 1. A document is filed when it is received by the commissioner.

Subd. 2. The commissioner shall keep a register of all applications for registration and registration statements which are or have ever been effective, and all denial, suspension, or revocation orders which have ever been entered under this chapter and any predecessor laws. Any information contained in the register shall be a matter of public record.

Subd. 3. All information contained in or filed with any registration statement, application, or report, except such information as to which the commissioner, upon request and for good cause shown, grants confidential treatment, and except as to reports of sales provided for in section 45.027, subdivision 1, clause (7), shall be a matter of public record and shall be made available to the public under such rules as the commissioner prescribes.

Subd. 4. Upon request and at such reasonable charges as the commissioner prescribes, the commissioner shall furnish to any person photostatic or other copies (certified under the seal of office if requested) of any entry in the register or any document which is a matter of public record. In any proceeding or prosecution under this chapter, any copy so certified is prima facie evidence of the contents of the entry or document certified.

Subd. 5. The commissioner may honor requests from interested persons for interpretive opinions.

80A.27 SCOPE OF SECTIONS 80A.01 TO 80A.31 AND SERVICE OF PROCESS.

Subdivision 1. Sections 80A.01; 80A.04, subdivision 1; 80A.08; 80A.18; and 80A.23, apply to persons who sell or offer to sell when (a) an offer to sell is made in this state or (b) an offer to buy is made and accepted in this state.

Subd. 2. Sections 80A.01; 80A.04, subdivision 1; 80A.18; and 80A.23, apply to persons who buy or offer to buy when (a) an offer to buy is made in this state, or (b) an offer to sell is made and accepted in this state.

Subd. 3. For the purpose of this section an offer to sell or to buy is made in this state, whether or not either party is then present in this state, when the offer (a) originates from this state or (b) is directed by the offeror to this state and received by the offeree in this state, but for the purpose of section 80A.08 an offer to sell which is not directed to or received by the offeree in this state is not made in this state.

Subd. 4. For the purpose of this section an offer to buy or to sell is accepted in this state when acceptance (a) is communicated to the offeror in this state and (b) has not previously been communicated to the offeror, orally or in writing outside of this state; and acceptance is communicated to the offeror in this state, whether or not either party is then present in this state, when the offeree directs it to the offeror in this state reasonably believing the offeror to be in this state and it is received by the offeror in this state.

Subd. 5. An offer to sell or to buy is not made in this state when (a) the publisher circulates or there is circulated on the publisher's behalf in this state any bona fide newspaper or other publication of general, regular, and paid circulation which is not published in this state, or which is published in this state but has had more than two-thirds of its circulation outside this state during the past 12 months, or (b) a radio or television program originating outside this state is received in this state.

Subd. 6. Sections 80A.01 and 80A.04, subdivision 3, so far as investment advisers are concerned, and section 80A.03 so far as any person is concerned, apply when any act instrumental in effecting prohibited conduct is done in this state, whether or not either party is then present in this state.

Subd. 7. Every applicant for registration under sections 80A.01 to 80A.31 and every issuer who proposes to offer a security in this state through any person acting on an agency basis in the common law sense shall file with the commissioner, in such form as the commissioner by rule prescribes, an irrevocable consent appointing the commissioner or a successor in office to be the attorney to receive service of any lawful process in any noncriminal suit, action, or proceeding against that person or a successor, executor, or administrator which arises under sections 80A.01 to 80A.31 or any rule or order hereunder after the consent has been filed, with the same force and validity as if served personally on the person filing the consent. The consent need not be filed by a person who has filed a consent in connection with a previous registration or license which is then in effect. Service may be made by leaving a copy of the process in the office of the commissioner, but it is not effective unless (a) the plaintiff, who may be commissioner in a suit, action, or proceeding instituted by the commissioner, forthwith sends notice of the service and a copy of the process by certified mail to the defendant or respondent at the last address on file with the commissioner, and (b) the plaintiff's affidavit of compliance with this subsection is filed in the case on or before the return day of the process, if any, or within such further time as the court allows.

Subd. 8. When any person, including any nonresident of this state, engages in conduct prohibited or made actionable by sections 80A.01 to 80A.31 or any rule or order hereunder, and has not filed a consent to service of process under subdivision 7 and personal jurisdiction cannot otherwise be obtained in this state, that conduct shall be considered equivalent to an appointment of the commissioner or a successor in office to be the attorney to receive service of any lawful process in any noncriminal suit, action, or proceeding against that person or a successor executor or administrator which grows out of that conduct and which is brought under sections 80A.01 to 80A.31 or any rule or order hereunder, with the same force and validity as if served personally. Service may be made by leaving a copy of the process in the office of the commissioner, and it is not effective unless (a) the plaintiff, who may be the commissioner in a suit, action, or proceeding instituted by the commissioner, forthwith sends notice of the service and a copy of the process by certified mail to the defendant or respondent at the last known address or takes other steps which are reasonably calculated to give actual notice, and (b) the plaintiff's affidavit of compliance with this subsection is filed in the case on or before the return day of the process, if any, or within such further time as the court allows.

Subd. 9. When process is served under this section, the court, or the commissioner in a proceeding before the commissioner, shall order such continuance as may be necessary to afford the defendant or respondent reasonable opportunity to defend.

80A.28 FEES AND EXPENSES.

Subdivision 1. (a) There shall be a filing fee of \$100 for every application for registration. There shall be an additional fee of one-tenth of one percent of the maximum aggregate offering price at which the registered securities are to be offered in this state, and the maximum combined fees shall not exceed \$300.

(b) If the registration statement relates to redeemable securities issued by an open end management company or unit investment trust, as defined in the Investment Company Act of 1940, there shall be a filing fee of \$100 for every application for registration. There shall be an additional fee of 1/20 of one percent of the maximum aggregate offering price at which the registered securities are to be offered in this state. There shall be no maximum fee for securities registered pursuant to this clause.

(c) When an application for registration is withdrawn before the effective date or a preeffective stop order is entered under section 80A.13, subdivision 1, all but the \$100 filing fee shall be returned. If an application to register securities is denied, the total of all fees received shall be retained.

Subd. 2. Every applicant for an initial or renewal license shall pay a filing fee of \$200 in the case of a broker-dealer, \$50 in the case of an agent, and \$100 in the case of an investment adviser. When an application is denied or withdrawn, the filing fee shall be retained. A licensed agent who has terminated employment with one broker-dealer shall, before beginning employment with another broker-dealer, pay a transfer fee of \$20.

Subd. 3. Any amendment to an existing license or registration requiring an order of the commissioner shall require payment of an amendment fee of \$25. If the amendment increases the aggregate amount of securities to be registered, there shall be an additional fee calculated in accordance with subdivision 1, provided the maximum additional fees, if applicable, have not previously been paid. The commissioner shall by rule designate those amendments which require an order of the commissioner.

Subd. 4. Every annual report required by section 80A.12, subdivision 10, shall be accompanied by a fee of \$100.

Subd. 5. The filing of any exemption for which notice is required to be given the commissioner under section 80A.15, subdivision 2, shall be accompanied by a fee of \$50.

There shall be no maximum combined fees under this subdivision, notwithstanding the limitation set forth in subdivision 1, clause (a).

Registration of the excess securities shall be effective retroactively to the date of sale.

Subd. 8. When the commissioner deems it necessary to incur any expense in connection with any application, registration or license, the commissioner shall have the power to require the interested person to make an advance deposit with the commissioner in an amount estimated as sufficient to cover such expense. All such deposits shall be covered into the state treasury and credited to the state commissioner of commerce's investigation fund, from which fund the commissioner shall have power to make disbursements to pay for expenses necessarily incurred in the investigation. Any unexpended portion shall be refunded. On field examinations made by the commissioner or an employee away from the office of the commissioner, a per diem of \$10 for each such person may be charged in addition to actual expenses. Where additional technical, expert, or special services are used, the actual cost of such services may be charged in addition to actual expenses.

Subd. 9. No filing for which a fee is required shall be deemed to be filed or given any effect until the proper fee is paid. All fees and charges collected by the commissioner shall be covered into the state treasury. When any person is entitled to a refund under this section, the commissioner shall certify to the commissioner of finance the amount of the fee to be refunded to the applicant, and the commissioner of finance shall issue a warrant in payment thereof out of the fund to which such fee was credited in the manner provided by law. There is hereby appropriated to the person entitled to such refunds from the fund in the state treasury to which such fees were credited an amount to make such refunds and payments.
