147.02 EXAMINATION; LICENSING.

Subdivision 1. **United States or Canadian medical school graduates.** The board shall, with the consent of six of its members, issue a license to practice medicine to a person who meets the following requirements:

(a) An applicant for a license shall file a written application on forms provided by the board, showing to the board's satisfaction that the applicant is of good moral character and satisfies the requirements of this section.

(b) The applicant shall present evidence satisfactory to the board of being a graduate of a medical or osteopathic school located in the United States, its territories or Canada, and approved by the board based upon its faculty, curriculum, facilities, accreditation by a recognized national accrediting organization approved by the board, and other relevant data, or is currently enrolled in the final year of study at the school.

(c) The applicant must have passed a comprehensive examination for initial licensure prepared and graded by the national board of medical examiners or the federation of state medical boards. The board shall by rule determine what constitutes a passing score in the examination.

(d) The applicant shall present evidence satisfactory to the board of the completion of one year of graduate, clinical medical training in a program accredited by a national accrediting organization approved by the board or other graduate training approved in advance by the board as meeting standards similar to those of a national accrediting organization.

(e) The applicant shall make arrangements with the executive director to appear in person before the board or its designated representative to show that the applicant satisfies the requirements of this section. The board may establish as internal operating procedures the procedures or requirements for the applicant's personal presentation.

(f) The applicant shall pay a fee established by the board by rule. The fee may not be refunded.

(g) The applicant must not have engaged in conduct warranting disciplinary action against a licensee. If the applicant does not satisfy the requirements of this paragraph, the board may refuse to issue a license unless it determines that the public will be protected through issuance of a license with conditions and limitations the board considers appropriate.

147.091 GROUNDS FOR DISCIPLINARY ACTION.

[For text of subds 1 to 6, see M.S.1988]

Subd. 7. **Tax clearance certificate.** (a) In addition to the provisions of subdivision 1, the board may not issue or renew a license if the commissioner of revenue notifies the board and the licensee or applicant for a license that the licensee or applicant owes the state delinquent taxes in the amount of \$500 or more. The board may issue or renew the license only if (1) the commissioner of revenue issues a tax clearance certificate and (2) the commissioner of revenue or the licensee or applicant forwards a copy of the clearance to the board. The commissioner of revenue may issue a clearance certificate only if the licensee or applicant does not owe the state any uncontested delinquent taxes.

(b) For purposes of this subdivision, the following terms have the meanings given.

(1) "Taxes" are all taxes payable to the commissioner of revenue, including penalties and interest due on those taxes.

(2) "Delinquent taxes" do not include a tax liability if (i) an administrative or court action that contests the amount or validity of the liability has been filed or served, (ii) the appeal period to contest the tax liability has not expired, or (iii) the licensee or applicant has entered into a payment agreement to pay the liability and is current with the payments.

(c) In lieu of the notice and hearing requirements of subdivision 1, when a licensee or applicant is required to obtain a clearance certificate under this subdivision, a contested case hearing must be held if the licensee or applicant requests a hearing in writing to the commissioner of revenue within 30 days of the date of the notice provided in paragraph (a). The hearing must be held within 45 days of the date the commissioner of revenue refers the case to the office of administrative hearings. Notwithstanding any law to the contrary, the licensee or applicant must be served with 20 days' notice in writing specifying the time and place of the hearing and the allegations against the licensee or applicant. The notice may be served personally or by mail.

(d) The board shall require all licensees or applicants to provide their social security number and Minnesota business identification number on all license applications. Upon request of the commissioner of revenue, the board must provide to the commissioner of revenue a list of all licensees and applicants, including the name and address, social security number, and business identification number. The commissioner of revenue may request a list of the licensees and applicants no more than once each calendar year.
