Subd. 2. Accumulation. Where the controlling will or other written instrument permits accumulation, either expressly or by necessary implication, income from personal property and rents and profits from real estate may be accumulated for the period during which the power of alienation may be suspended by future interests in real or personal property not held in trust under section 501B.09, subdivision 3. Where any will or other instrument authorizes accumulation beyond the period permissible under this section, such authorization shall be void only as to the excess period.

Reasonable sums set aside for depreciation and depletion shall not be deemed an accumulation within the meaning of this section.

#### 500.20 DEFEASIBLE ESTATES.

[For text of subd 1, see M.S. 1988]

Subd. 2a. Restriction of duration of condition. Except for any right to reenter or to repossess as provided in subdivision 3, all private covenants, conditions, or restrictions created by which the title or use of real property is affected, cease to be valid and operative 30 years after the date of the deed, or other instrument, or the date of the probate of the will, creating them, and may be disregarded.

This subdivision does not apply to covenants, conditions, or restrictions:

- (1) that were created before August 1, 1988, by deed or other instrument dated on or after August 1, 1982, or by will the date of death of the testator of which was on or after August 1, 1982;
- (2) that were created before August 1, 1959, under which a person who owns or has an interest in real property against which the covenants, conditions, or restrictions have been filed claims a benefit of the covenant, condition, or restriction if the person records in the office of the county recorder or files in the office of the registrar of titles in the county in which the real estate affected is located, on or before March 30, 1989, a notice sworn to by the claimant or the claimant's agent or attorney: setting forth the name of the claimant; describing the real estate affected; describing the deed, instrument, or will creating the covenant, condition, or restriction; and stating that the covenant, condition, or restriction is not nominal and may not be disregarded under subdivision 1;
- (3) that are created by the declaration, bylaws, floor plans, or condominium plat of a condominium created before August 1, 1980, under sections 515.01 to 515.29 or created on or after August 1, 1980, under sections 515A.1-101 to 515A.4-117, or by any amendments of the declaration, bylaws, floor plans, or condominium plat;
- (4) that are created by the articles of incorporation, bylaws, or proprietary leases of a cooperative association formed under chapter 308A;

- (5) that are created by a declaration or other instrument that authorizes and empowers a corporation of which the qualification for being a stockholder or member is ownership of certain parcels of real estate, to hold title to common real estate for the benefit of the parcels;
- (6) that are created by a deed, declaration, reservation, or other instrument by which one or more portions of a building, set of connecting or adjacent buildings, or complex or project of related buildings and structures share support, structural components, ingress and egress, or utility access with another portion or portions; or
- (7) that were created after July 31, 1959, and before August 1, 1982, under which a person who owns or has an interest in real estate against which covenants, conditions, or restrictions have been filed claims a benefit of the covenants, conditions, or restrictions if the person records in the office of the county recorder or files in the office of the registrar of titles in the county in which the real estate affected is located during the period commencing on the 28th anniversary of the date of the deed or instrument, or the date of the probate of the will, creating them and ending on the 30th anniversary, a notice as described in clause (2).

A notice filed in accordance with clause (2) or (7) delays application of this subdivision to the covenants, conditions, or restrictions for a period ending on the later of seven years after the date of filing of the notice, or until final judgment is entered in an action to determine the validity of the covenants, conditions, or restrictions, provided in the case of an action the summons and complaint must be served and a notice of lis pendens must be recorded in the office of the county recorder or filed in the office of the registrar of titles in each county in which the real estate affected is located within seven years after the date of recording or filing of the notice under clause (2) or (7).

County recorders and registrars of titles shall accept for recording or filing a notice conforming with this subdivision and charge a fee corresponding with the fee charged for filing a notice of lis pendens of similar length. The notice may be discharged in the same manner as a notice of lis pendens and when discharged, together with the information included with it, ceases to constitute either actual or constructive notice.

### 500.24 CORPORATE AND PARTNERSHIP FARMING.

[For text of subds 1 to 5, see M.S.1988]

Subd. 6. Disposal of land. (a) A state or federal agency, limited partnership, or a corporation may not lease or sell agricultural land or a farm homestead before offering or making a good faith effort to offer the land for sale or lease to the immediately preceding former owner at a price no higher than the highest price offered by a third party that is acceptable to the seller or lessor. The offer must be made on the notice to offer form under subdivision 7. The requirements of this subdivision do not apply to a sale or lease by a corporation that is a family farm corporation or an authorized farm corporation. This subdivision applies only to a sale or lease when the seller or lessor acquired the property by enforcing a debt against the agricultural land or farm homestead, including foreclosure of a mortgage, accepting a deed in lieu of foreclosure, terminating a contract for deed, or accepting a deed in lieu of terminating a contract for deed. Selling or leasing property to a third party at a price is prima facie evidence that the price is acceptable to the seller or lessor. The seller must provide written notice to the immediately preceding former owner that the agricultural land or farm home-

stead will be offered for sale at least 14 days before the agricultural land or farm homestead is offered for sale.

- (b) An immediately preceding former owner is the entity with record legal title to the agricultural land or farm homestead before acquisition by the state or federal agency or corporation except: if the immediately preceding former owner is a bankruptcy estate, the debtor in bankruptcy is the immediately preceding former owner; and if the agricultural land or farm homestead was acquired by termination of a contract for deed or deed in lieu of termination of a contract for deed, the immediately preceding former owner is the purchaser under the contract for deed. For purposes of this subdivision, only a family farm, family farm corporation, or family farm partnership can be an immediately preceding former owner.
- (c) An immediately preceding former owner may elect to purchase or lease the entire property or an agreed to portion of the property. If the immediately preceding former owner elects to purchase or lease a portion of the property, the election must be reported in writing to the seller or lessor prior to the time the property is first offered for sale or lease. If election is made to purchase or lease a portion of the property, the portion must be contiguous and compact so that it does not unreasonably reduce access to or the value of the remaining property.
- (d) For purposes of this subdivision, the term "a price no higher than the highest price offered by a third party" means the acceptable cash price offered by a third party or the acceptable time-price offer made by a third party. A cash price offer is one that involves simultaneous transfer of title for payment of the entire amount of the offer. If the acceptable offer made by a third party is a time-price offer, the seller or lessor must make the same time-price offer or an equivalent cash offer to the immediately preceding former owner. An equivalent cash offer is equal to the total of the payments made over a period of the time-price offer discounted by yield curve of the United States treasury notes and bonds of similar maturity on the first business day of the month in which the offer is personally delivered or mailed for time periods similar to the time period covered by the time-price offer, plus 2.0 percent. A time-price offer is an offer that is financed entirely or partially by the seller and includes an offer to purchase under a contract for deed or mortgage. An equivalent cash offer is not required to be made if the state participates in an offer to a third party through the rural finance authority.
- (e) This subdivision applies to a seller when the property is sold and to a lessor each time the property is leased, for five years after the agricultural land is acquired except:
- (1) an offer to lease to the immediately preceding former owner is required only until the immediately preceding owner fails to accept an offer to lease the property or the property is sold;
- (2) an offer to sell to the immediately preceding former owner is required until the property is sold; and
- (3) if the immediately preceding former owner elects to lease or purchase a portion of the property, this subdivision does not apply to the seller with regard to the balance of the property after the election is made under paragraph (c).
- (f) The notice of an offer under subdivision 7 that is personally delivered with a signed receipt or sent by certified mail with a receipt of mailing to the immediately preceding former owner's last known address is a good faith offer.
- (g) This subdivision does not apply to a sale or lease that occurs after the seller or lessor has held the property for five years or longer.
- (h) For purposes of this subdivision, if the immediately preceding former owner is a bankruptcy estate the debtor in the bankruptcy is the immediately preceding owner.
- (i) The immediately preceding former owner must exercise the right to lease all or a portion of the agricultural land or a homestead located on agricultural land in writing within 15 days after an offer to lease under this subdivision is mailed with a receipt of mailing or personally delivered. If election is made to lease only the homestead or a

portion of the agricultural land, the portion to be leased must be clearly identified in writing. The immediately preceding former owner must exercise the right to buy the agricultural land, a portion of the agricultural land, or a farm homestead located on agricultural land, in writing, within 65 days after an offer to buy under this subdivision is mailed with a receipt of mailing or is personally delivered. Within ten days after exercising the right to lease or buy by accepting the offer, the immediately preceding owner must fully perform according to the terms of the offer including paying the amounts due. A seller may sell and a lessor may lease the agricultural land or farm homestead subject to this subdivision to the third party in accordance with their lease or purchase agreement if:

- (1) the immediately preceding former owner does not accept an offer to lease or buy before the offer terminates; or
- (2) the immediately preceding former owner does not perform the obligations of the offer, including paying the amounts due, within ten days after accepting the offer.
- (j) A certificate indicating whether or not the property contains agricultural land or a farm homestead that is signed by the county assessor where the property is located and recorded in the office of the county recorder or the registrar of titles where the property is located is prima facie evidence of whether the property is agricultural land or a farm homestead.
- (k) As prima facie evidence that an offer to sell or lease agricultural land or a farm homestead has terminated, a receipt of mailing the notice under subdivision 7 and an affidavit, signed by a person authorized to act on behalf of a state, federal agency, or corporation selling or leasing the agricultural land or a farm homestead may be filed in the office of the county recorder or registrar of titles of the county where the agricultural land or farm homestead is located. The affidavit must state that:
- (1) notice of an offer to buy or lease the agricultural land or farm homestead was provided to the immediately preceding former owner at a price not higher than the highest price offered by a third party that is acceptable;
- (2) the time during which the immediately preceding former owner is required to exercise the right to buy or lease the agricultural land or farm homestead has expired;
- (3) the immediately preceding former owner has not exercised the right to buy or lease the agricultural land or farm homestead as provided in this subdivision or has accepted an offer and has not fully performed according to the terms of the offer; and
  - (4) the offer to the immediately preceding former owner has terminated.
- (l) The right of an immediately preceding former owner to receive an offer to lease or purchase agricultural land under this subdivision or to lease or purchase at a price no higher than the highest price offered by a third party that is acceptable to the seller or lessor may be extinguished or limited by an express statement signed by the immediately preceding owner that complies with the plain language requirements of section 325G.31. The right may not be extinguished or limited except by:
  - (1) an express statement in a deed in lieu of foreclosure of the agricultural land;
- (2) an express statement in a deed in lieu of a termination of a contract for deed for the agricultural land;
- (3) an express statement conveying the right to the state or federal agency or corporation owning the agricultural land that is required to make an offer under this subdivision; however, the preceding former owner may rescind the conveyance by notifying the state or federal agency or corporation in writing within 20 calendar days after signing the express statement;
- (4) to cure a title defect, an express statement conveying the right may be made to a person to whom the agricultural land has been transferred by the state or federal agency or corporation; or
- (5) an express statement conveying the right to a contract for deed vendee to whom the agricultural land or farm homestead was sold under a contract for deed by the immediately preceding former owner if the express statement and the contract for deed are recorded.

- 28
- (m) The right of an immediately preceding former owner to receive an offer to lease or purchase agricultural land under this subdivision may not be assigned or transferred except as provided in paragraph (l), but may be inherited.
- (n) An immediately preceding former owner, except a former owner who is actively engaged in farming as defined in subdivision 2, paragraph (a), and who agrees to remain actively engaged in farming on a portion of the agricultural land or farm homestead for at least one year after accepting an offer under this subdivision, may not sell agricultural land acquired by accepting an offer under this subdivision if the arrangement of the sale was negotiated or agreed to prior to the former owner accepting the offer under this subdivision. A person who sells property in violation of this paragraph is liable for damages plus reasonable attorney fees to a person who is damaged by a sale in violation of this paragraph. There is a rebuttable presumption that a sale by an immediately preceding former owner is in violation of this paragraph if the sale takes place within 270 days of the former owner accepting the offer under this subdivision. This paragraph does not apply to a sale by an immediately preceding former owner to the owner's spouse, the owner's parents, the owner's sisters and brothers, the owner's spouse's sisters and brothers, or the owner's children.
