12.14 ASSESSMENT FOR NUCLEAR SAFETY PREPAREDNESS ACT.

Any person, firm, corporation, or association in the business of owning or operating a nuclear fission electrical generating plant located in Minnesota, shall pay quarterly assessments to cover the cost of nuclear power plant emergency response plans and other programs necessary to deal with incidents resulting from the operation of nuclear fission electrical generating plants. An assessment of up to one quarter of the projected annual cost shall be paid to the commissioner of public safety on July 1 of each year. An assessment shall be billed by the commissioner based on actual costs for each quarter of the fiscal year starting with the first quarter ending September 30. The July 1 assessment shall be deducted from the final quarterly billing for the fiscal year. The assessment collected shall be credited to the nuclear safety preparedness account in the special revenue fund.
