The commissioner of administration may, at the request of the director of emergency services, permit the division of emergency management to use and occupy such facilities at the Glen Lake Sanitarium as are reasonably needed for civil defense purposes; provided that such use and occupancy will not obstruct or interfere with the operation of the sanitarium. The commissioner of administration is hereby authorized to negotiate any contract with Hennepin county consistent with the foregoing provision.

**Subd. 2.** [Repealed, 1980 c 357 s 22]

**Subd. 3. Ah-Gwah-Ching Center.** When tuberculosis treatment is discontinued at Ah-Gwah-Ching that facility shall be used by the commissioner of human services for the care of geriatric patients, and shall be known as the Ah-Gwah-Ching Center. The commissioner shall not decrease the number of nursing home beds nor close the Ah-Gwah-Ching Center without specific approval by the legislature.

**Subd. 4. Oak Terrace Nursing Home.** Any portion or unit of Glen Lake Sanitarium not used for the treatment of tuberculosis patients may be used by the commissioner of human services for the care of geriatric patients, under the name of Oak Terrace Nursing Home.

The commissioner of administration may lease any portion or unit of Oak Terrace Nursing Home for the purpose of providing food and shelter for the homeless.

The facility at Oak Terrace must be closed as soon as a reasonable plan for relocation of its residents can be safely implemented and employee mitigation measures completed, but no later than July 1, 1992. Relocation of persons must be carefully planned and take into account any remaining ties the person has to family or community, available capacity in private and state-operated nursing homes, and personal choices and needs of the resident. Relocation must be implemented according to Minnesota Rules, parts 4655.6810 to 4655.6830 and 9546.0010 to 9546.0060.

The commissioner may operate nursing home beds at other regional treatment centers as necessary to provide an appropriate level of care for persons served at those centers. The commissioner shall develop the regional treatment center nursing home beds authorized in the worksheets of the house appropriations and senate finance committees. The commissioner shall finance the purchase or construction of the nursing home beds with the Minnesota housing finance agency. The commis-

Charges for care in the state nursing homes shall be established under sections 246.50 to 246.55. For the purposes of collecting from the federal government for the care of those residents in the state nursing homes eligible for medical care under the Social Security Act, "cost of care" shall be determined as set forth in the rules and regulations of the department of health and human services or its successor agency.

Subd. 7. **Status of employees.** Upon execution of the lease referred to herein, the employees of the Glen Lake Sanitarium shall become employees of the state sanitarium or nursing home and blanketed into the classified service of the state, and shall be placed in the proper classifications by the commissioner of employee relations with such compensation as such classifications carry. The seniority rights of such employees which exist at the time of transfer shall be retained. Upon assuming state employment each such employee shall be credited with whatever unused sick leave accrued as an employee of Glen Lake Sanitarium after application of the severance pay plan of the Hennepin county sanitarium commission but not to exceed 30 days.
