PROTECTION OF WATER RESOURCES

103F.135 Commissioner's assistance and inspections.

103F.535 Reservation of marginal land and wetlands.

103F.135 COMMISSIONER'S ASSISTANCE AND INSPECTIONS.

Subdivision 1. **Commissioner's duties.** The commissioner shall:

(1) collect and distribute information relating to flooding and floodplain management;

(2) coordinate local, state, and federal floodplain management activities to the greatest extent possible, and encourage the United States Army Corps of Engineers and the United States Soil Conservation Service to make their flood control planning data available to local governmental units for planning purposes, to allow adequate local participation in the planning process and in the selection of desirable alternatives;

(3) assist local governmental units in their floodplain management activities; and

(4) do all other things, within lawful authority, that are necessary or desirable to manage the floodplain for beneficial uses compatible with the preservation of the capacity of the floodplain to carry and discharge the regional flood.
