

## CHAPTER 116C

## ENVIRONMENTAL QUALITY BOARD

116C.54 Advance forecast requirement.

**116C.54 ADVANCE FORECAST REQUIREMENT.**

Subdivision 1. **Report.** Every utility which owns or operates, or plans within the next 15 years to own or operate large electric power generating plants or high voltage transmission lines shall develop forecasts as specified in this section. On or before July 1 of each even-numbered year, every such utility shall submit a report of its forecast to the board. The report may be appropriate portions of a single regional forecast or may be jointly prepared and submitted by two or more utilities and shall contain the following information:

(1) Description of the tentative regional location and general size and type of all large electric power generating plants and high voltage transmission lines to be owned or operated by the utility during the ensuing 15 years or any longer period the board deems necessary;

(2) Identification of all existing generating plants and transmission lines projected to be removed from service during any 15 year period or upon completion of construction of any large electric power generating plants and high voltage transmission lines;

(3) Statement of the projected demand for electric energy for the ensuing 15 years and the underlying assumptions for this forecast, such information to be as geographically specific as possible where this demand will occur;

(4) Description of the capacity of the electric power system to meet projected demands during the ensuing 15 years;

(5) Description of the utility's relationship to other utilities and regional associations, power pools or networks; and

(6) Other relevant information as may be requested by the board.

On or before July 1 of each odd-numbered year, a utility shall verify or submit revisions to items (1) and (2).

Subd. 2. **Exception.** Public electric utilities submitting advance forecasts containing all information specified in subdivision 1 as part of an integrated resource plan filed pursuant to public utilities commission rules shall be excluded from the annual reporting requirement of this section.

**History:** 1993 c 327 s 2
