11A.04 DUTIES AND POWERS.

The state board shall:

(1) Act as trustees for each fund for which it invests or manages money in accordance with the standard of care set forth in section 11A.09 if state assets are involved and in accordance with chapter 356A if pension assets are involved.

(2) Formulate policies and procedures deemed necessary and appropriate to carry out its functions. Procedures adopted by the board must allow fund beneficiaries and members of the public to become informed of proposed board actions. Procedures and policies of the board are not subject to the administrative procedure act.

(3) Employ an executive director as provided in section 11A.07.

(4) Employ investment advisors and consultants as it deems necessary.

(5) Prescribe policies concerning personal investments of all employees of the board to prevent conflicts of interest.

(6) Maintain a record of its proceedings.

(7) As it deems necessary, establish advisory committees subject to section 15.059 to assist the board in carrying out its duties.

(8) Not permit state funds to be used for the underwriting or direct purchase of municipal securities from the issuer or the issuer's agent.

(9) Direct the state treasurer to sell property other than money that has escheated to the state when the board determines that sale of the property is in the best interest of the state. Escheated property must be sold to the highest bidder in the manner and upon terms and conditions prescribed by the board.

(10) Undertake any other activities necessary to implement the duties and powers set forth in this section.

(11) Establish a formula or formulas to measure management performance and return on investment. Except as provided by section 356.218, public pension funds in the state shall utilize the formula or formulas developed by the state board.

(12) Except as otherwise provided in article XI, section 8, of the constitution of the state of Minnesota, employ, at its discretion, qualified private firms to invest and manage the assets of funds over which the state board has investment management responsibility. There is annually appropriated to the state board, from the assets of the funds for which the state board utilizes a private investment manager, sums sufficient to pay the costs of employing private firms. Each year, by January 15, the board shall report to the governor and legislature on the cost and the investment performance of each investment manager employed by the board.

(13) Adopt an investment policy statement that includes investment objectives, asset allocation, and the investment management structure for the retirement fund assets under its control. The statement may be revised at the discretion of the state board. The state board shall seek the advice of the council regarding its investment policy statement. Adoption of the statement is not subject to chapter 14.

11A.14 MINNESOTA COMBINED INVESTMENT FUNDS.

Subdivision 1. **Establishment.** The Minnesota combined investment funds are established for the purpose of providing investment vehicles for assets of the participating public retirement plans and nonretirement funds. The assets of participating nonretirement funds may not be commingled with the assets of participating public retirement plans. The combined funds shall consist of the following investment accounts: cash management accounts, equity accounts, fixed income accounts, and any other accounts determined appropriate by the state board.

Subd. 2. **Assets.** The assets of the combined investment funds shall consist of the

money certified to and received by the state board from participating retirement plans and nonretirement funds which shall be used to purchase investment shares in the appropriate investment accounts. Each participating plan or fund shall own an undivided participation in all the assets of the particular accounts of the combined funds in which it participates. As of any date, the total claim of a participating plan or fund on the assets in each account shall be equal to the ratio of units owned by a plan or fund in each account to the total issued units then outstanding.

[For text of subd 3, see M.S.1992]

Subd. 4. Investments. The assets of the combined investment funds shall be invested by the state board subject to the provisions of section 11A.24, except that any individual account may be completely invested in a single asset class or managed in a separate account by the state board at its discretion.

Subd. 5. Participation in Minnesota combined investment funds. Any public retirement plan or nonretirement fund authorized by law to have its assets managed by the state board may participate in the Minnesota combined investment funds.

11A.24 AUTHORIZED INVESTMENTS.

Subdivision 1. Securities generally. The state board shall have the authority to purchase, sell, lend or exchange the following securities for funds or accounts specifically made subject to this section including puts and call options and future contracts traded on a contract market regulated by a governmental agency or by a financial institution regulated by a governmental agency. These securities may be owned as units in commingled trusts that own the securities described in subdivisions 2 to 5.

[For text of subds 2 and 3, see M.S.1992]

Subd. 4. Other obligations. (a) The state board may invest funds in bankers acceptances, certificates of deposit, deposit notes, commercial paper, mortgage participation certificates and pools, repurchase agreements and reverse repurchase agreements, guaranteed investment contracts, savings accounts, and guaranty fund certificates, surplus notes, or debentures of domestic mutual insurance companies if they conform to the following provisions:

(1) bankers acceptances and deposit notes of United States banks are limited to those issued by banks rated in the highest four quality categories by a nationally recognized rating agency;

(2) certificates of deposit are limited to those issued by (i) United States banks and savings institutions that are rated in the highest four quality categories by a nationally recognized rating agency or whose certificates of deposit are fully insured by federal agencies; or (ii) credit unions in amounts up to the limit of insurance coverage provided by the National Credit Union Administration;

(3) commercial paper is limited to those issued by United States corporations or their Canadian subsidiaries and rated in the highest two quality categories by a nationally recognized rating agency;

(4) mortgage participation or pass through certificates evidencing interests in pools of first mortgages or trust deeds on improved real estate located in the United States where the loan to value ratio for each loan as calculated in accordance with section 61A.28, subdivision 3, does not exceed 80 percent for fully amortizable residential properties and in all other respects meets the requirements of section 61A.28, subdivision 3;

(5) collateral for repurchase agreements and reverse repurchase agreements is limited to letters of credit and securities authorized in this section;

(6) guaranteed investment contracts are limited to those issued by insurance companies or banks rated in the top four quality categories by a nationally recognized rating agency or to alternative guaranteed investment contracts where the underlying assets comply with the requirements of this section; and

(7) savings accounts are limited to those fully insured by federal agencies.

(b) Sections 16A.58 and 16B.06 do not apply to certificates of deposit and collateralization agreements executed by the state board under paragraph (a), clause (2).

(c) In addition to investments authorized by paragraph (a), clause (4), the state board may purchase from the Minnesota housing finance agency all or any part of a pool of residential mortgages, not in default, that has previously been financed by the issuance of bonds or notes of the agency. The state board may also enter into a commitment with the agency, at the time of any issue of bonds or notes, to purchase at a specified future date, not exceeding 12 years from the date of the issue, the amount of mortgage loans then outstanding and not in default that have been made or purchased from the proceeds of the bonds or notes. The state board may charge reasonable fees for any such commitment and may agree to purchase the mortgage loans at a price sufficient to produce a yield to the state board comparable, in its judgment, to the yield available on similar mortgage loans at the date of the bonds or notes. The state board may also enter into agreements with the agency for the investment of any portion of the funds of the agency. The agreement must cover the period of the investment, withdrawal privileges, and any guaranteed rate of return.
