The maximum refund for an individual must not exceed \$50 and, for a married couple filing jointly, must not exceed \$100. A refund of a contribution is allowed only if the taxpayer files a form required by the commissioner and attaches to the form a copy of an official refund receipt form issued by the candidate or party and signed by the candidate, the treasurer of the candidate's principal campaign committee, or the party chair, after the contribution was received. The receipt forms must be numbered, and the data on the receipt that are not public must be made available to the ethical practices board upon its request. A claim must be filed with the commissioner not sooner than January 1 of the calendar year in which the contribution is made and no later than April 15 of the calendar year following the calendar year in which the contribution is made. A taxpayer may file only one claim per calendar year. Amounts paid by the commissioner after June 15 of the calendar year following the calendar year in which the contribution is made must include interest at the rate specified in section 270.76.

(c) For purposes of this subdivision, "political party" means a major political party as defined in section 200.02, subdivision 7, or a minor political party qualifying for inclusion on the income tax or property tax refund form under section 10A.31, subdivision 3a.

"Candidate" means a congressional candidate as defined in section 10A.41, subdivision 4, or a candidate as defined in section 10A.01, subdivision 5, except a candidate for judicial office.

"Contribution" means a gift of money.

(d) The commissioner shall make copies of the form available to the public and candidates upon request.

(e) The following data collected or maintained by the commissioner under this subdivision are private: the identities of individuals claiming a refund, the identities of candidates to whom those individuals have made contributions, and the amount of each contribution.

(f) The commissioner shall report to the ethical practices board by August 1 of each year a summary showing the total number and aggregate amount of political contribution refunds made on behalf of each candidate and each political party. These data are public.

(11) For purposes of determining the amount of adjusted current earnings under section 56(g)(3) of the Internal Revenue Code, no adjustment shall be made under section 56(g)(4) of the Internal Revenue Code with respect to (i) the amount of foreign dividend gross-up subtracted as provided in section 290.01, subdivision 19d, clause (1), (ii) the amount of refunds of income, excise, or franchise taxes subtracted as provided in section 290.01, subdivision 19d, clause (10), or (iii) the amount of royalties, fees or other like income subtracted as provided in section 290.01, subdivision 19d, clause (11).

*[For text of subds 1 to 3, see M.S.1992]*

**Subd. 4. Apportionment formula for certain mail order businesses.** If the business of a corporation, partnership, or proprietorship consists exclusively of the selling of tangible personal property and services in response to orders received by United States mail or telephone, and 99 percent of the taxpayer's property and payroll is within Minnesota, then the taxpayer may apportion net income to Minnesota based solely upon the percentage that the sales made within this state in connection with its trade or business during the tax period are of the total sales wherever made in connection with the trade or business during the tax period. Property and payroll factors are disregarded. In determining eligibility for this subdivision:

- (1) the sale not in the ordinary course of business of tangible or intangible assets used in conducting business activities must be disregarded; and
- (2) property and payroll at a distribution center outside of Minnesota are disregarded if the sole activity at the distribution center is the filling of orders, and no solicitation of orders occurs at the distribution center.
