CHANGE OF NAME

259.10 GENERAL REQUIREMENTS.

Subdivision 1. Procedure. A person who shall have resided in this state for six months may apply to the district court in the county where the person resides to change the person's name, the names of minor children, if any, and the name of a spouse, if the spouse joins in the application, in the manner herein specified. The person shall state in the application the name and age of the spouse and each of the children, if any, and shall describe all lands in the state in or upon which the person, the children and the spouse if their names are also to be changed by the application, claim any interest or lien, and shall appear personally before the court and prove identity by at least two witnesses. If the person be a minor, the application shall be made by the person's guardian or next of kin. The court shall accept the certificate of dissolution prepared pursuant to section 518.148 as conclusive evidence of the facts recited in the certificate and may not require the person to provide the court a copy of the judgment and decree of dissolution. Every person who, with intent to defraud, shall make a false statement in any such application shall be guilty of a misdemeanor provided, however, that no minor child's name may be changed without both parents having notice of the pending of the application for change of name, whenever practicable, as determined by the court.

Subd. 2. Witness and victim protection name changes; private data. If the court determines that the name change for an individual is made in connection with the individual's participation in a witness and victim protection program, the court shall order that the court records of the name change are not accessible to the public; except that they may be released, upon request, to a law enforcement agency, probation officer, or corrections agent conducting a lawful investigation. The existence of an application for a name change described in this subdivision may not be disclosed except to a law enforcement agency conducting a lawful investigation.

259.11 ORDER; FILING COPIES.

(a) Upon meeting the requirements of section 259.10, the court shall grant the application unless it finds that there is an intent to defraud or mislead or in the case of the change of a minor child's name, the court finds that such name change is not in the best interests of the child. The court shall set forth in the order the name and age of the applicant's spouse and each child of the applicant, if any, and shall state a description of the lands, if any, in which the applicant and the spouse and children, if any, claim to have an interest. The court administrator shall file such order, and record the same in the judgment book. If lands be described therein, a certified copy of the order shall be filed for record, by the applicant, with the county recorder of each county wherein any of the same are situated. Before doing so the court administrator shall present the same to the county auditor who shall enter the change of name in the auditor's official records and note upon the instrument, over an official signature, the words "change of name recorded." Any such order shall not be filed, nor any certified copy thereof be issued, until the applicant shall have paid to the county recorder and court administrator the fee required by law. No application shall be denied on the basis of the marital status of the applicant.

(b) When a person applies for a name change, the court shall determine whether the person has been convicted of a felony in this or any other state. If so, the court shall, within ten days after the name change application is granted, report the name change to the bureau of criminal apprehension. The person whose name is changed shall also report the change to the bureau of criminal apprehension within ten days. The court granting the name change application must explain this reporting duty in its order. Any person required to report the person's name change to the bureau of criminal apprehension who fails to report the name change as required under this paragraph is guilty of a gross misdemeanor.

259.22 PETITION.

Subdivision 1. Any person who has resided in the state for one year or more may petition to adopt a child or an adult, and the same petitioner may petition for the adoption of two or more persons in one petition. The provisions as to length of residence in the state may be reduced to 30 days by the court whenever it appears to be for the best interest of the child.

The court may waive any residence requirement of this section if the petitioner is an individual who is related, as defined in section 245A.02, subdivision 13, or a member of a child's extended family or important friends with whom the child has resided or had significant contact.

Subd. 2. No petition for adoption shall be filed unless the child sought to be adopted has been placed by the commissioner of human services, the commissioner's agent, or a licensed child-placing agency. The provisions of this subdivision shall not apply if

- (a) the child is over 14 years of age;
- (b) the child is sought to be adopted by a stepparent;
- (c) the child is sought to be adopted by a relative related by blood or marriage within the third degree;
- (d) the child has been lawfully placed under the laws of another state while the child and petitioner resided in that other state;
- (e) the court waives the requirement of this subdivision in the best interests of the child or petitioners, provided that the adoption does not involve a placement as defined in section 259.21, subdivision 8; or

(f) the child has been lawfully placed under section 259.47.

Subd. 3. This section shall not apply to placements made prior to August 1, 1974. Any placement made prior to that date may be finalized by a petition for adoption.

Subd. 4. **Time for filing petition.** A petition shall be filed not later than 24 months after a child is placed in a prospective adoptive home. If a petition is not filed by that time, the agency that placed the child, or, in a direct adoptive placement, the agency that prepared the postplacement adoptive study shall file with the district court in the county where the prospective adoptive parent resides a motion for an order and a report recommending one of the following:

(1) that the time for filing a petition be extended because of the child's special needs as defined under title IV-E of the Social Security Act, United States Code, title 42, section 673; or

(2) that the child be removed from the prospective adoptive home.

The prospective adoptive parent must reimburse an agency for the cost of preparing and filing the motion and report under this section, unless the costs are reimbursed by the commissioner under section 259.67 or 259.73.

History: 1951 c 508 s 2; 1974 c 499 s 1; 1984 c 654 art 5 s 58; 1986 c 444; 1994 c 631 s 12-14,31

259.23 JUVENILE COURT, JURISDICTION.

Subdivision 1. **Venue.** Except as provided in section 260.111, subdivision 2, the juvenile court shall have original jurisdiction in all adoption proceedings. The proper venue for an adoption proceeding shall be the county of the petitioner's residence. However, if the petitioner has acquired a new residence in another county and requests a transfer of the adoption proceeding, the court in which an adoption is initiated may transfer the proceeding to the appropriate court in the new county of residence if the transfer is in the best interests of the person to be adopted. The court transfers the proceeding by ordering a continuance and by forwarding to the court administrator of the appropriate court a certified copy of all papers filed, together with an order of transfer. The transferring court also shall forward copies of the order of transfer to the commissioner of human services and any agency participating in the proceedings. The judge of the receiving court shall accept the order of the transfer and any other documents transmitted and hear the case; provided, however, the receiving court may in its discretion require the filing of a new petition prior to the hearing.

Subd. 2. **Contents of petition.** The petition shall be signed by the petitioner and, if married, by the spouse. It shall be verified, and filed in duplicate. The petition shall allege:

(a) The full name, age and place of residence of petitioner, and if married, the date and place of marriage;

(b) The date petitioner acquired physical custody of the child and from what person or agency;

(c) The date of birth of the child, if known, and the state and county where born;

(d) The name of the child's parents, if known, and the guardian if there be one;

(e) The actual name of the child, if known, and any known aliases;

(f) The name to be given the child if a change of name is desired;

(g) The description and value of any real or personal property owned by the child;

(h) That the petitioner desires that the relationship of parent and child be established between petitioner and the child, and that it is to the best interests of the child for the child to be adopted by the petitioner.

In agency placements, the information required in clauses (d) and (e) above shall not be required to be alleged in the petition but shall be transmitted to the court by the commissioner of human services.

Subd. 3. **Court rules.** The provisions of subdivision 2 shall be subject to rules of the court made pursuant to section 480.051.

History: 1951 c 508 s 3; 1959 c 685 s 45; 1965 c 558 s 1; 1967 c 45 s 1; 1984 c 654 art 5 s 58; 1986 c 444; 1Sp1986 c 3 art 1 s 82

259.24 CONSENTS.

Subdivision 1. **Exceptions.** No child shall be adopted without the consent of the child's parents and the child's guardian, if there be one, except in the following instances:

(a) Consent shall not be required of a parent not entitled to notice of the proceedings.

(b) Consent shall not be required of a parent who has abandoned the child, or of a parent who has lost custody of the child through a divorce decree or a decree of dissolution, and upon whom notice has been served as required by section 259.49.

(c) Consent shall not be required of a parent whose parental rights to the child have been terminated by a juvenile court or who has lost custody of a child through a final commitment of the juvenile court or through a decree in a prior adoption proceeding.

(d) If there be no parent or guardian qualified to consent to the adoption, the consent may be given by the commissioner.

(e) The commissioner or agency having authority to place a child for adoption pursuant to section 259.25, subdivision 1, shall have the exclusive right to consent to the adoption of such child.

Subd. 2. Parents, guardian. If an unmarried parent who consents to the adoption of a child is under 18 years of age, the consent of the minor parent's parents or guardian, if any, also shall be required; if either or both the parents are disqualified for any of the reasons enumerated in subdivision 1, the consent of such parent shall be waived, and the consent of the guardian only shall be sufficient; and, if there be neither parent nor guardian qualified to give such consent, the consent may be given by the commissioner. The agency overseeing the adoption proceedings shall ensure that the minor parent is offered the opportunity to consult with an attorney, a member of the clergy or a physician before consenting to adoption of the child. The advice or opinion of the attorney, clergy member or physician shall not be binding on the minor parent. If the minor parent cannot afford the cost of consulting with an attorney, a member of the clergy or physician, the county shall bear that cost.

Subd. 2a. Time of consent. Not sooner than 72 hours after the birth of a child and not later than 60 days after the child's placement in a prospective adoptive home, a person whose consent is required under this section shall execute a consent.

Subd. 3. Child. When the child to be adopted is over 14 years of age, the child's written consent also shall be necessary.

Subd. 4. Adult adoptee. In the adoption of an adult, the adult's written consent only shall be required.

Subd. 5. Execution. All consents to an adoption shall be in writing, executed before two competent witnesses, and acknowledged by the consenting party. In addition, all consents to an adoption, except those by the commissioner, the commissioner's agent, a licensed child-placing agency, an adult adoptee, or the child's parent in a petition for adoption by a stepparent, shall be executed before a representative of the commissioner, the commissioner's agent, or a licensed child-placing agency. All consents by a parent:

(1) shall contain notice to the parent of the substance of subdivision 6a, providing for the right to withdraw consent; and

(2) shall contain the following written notice in all capital letters at least one-eighth inch high:

"This agency will submit your consent to adoption to the court. The consent itself does not terminate your parental rights. Parental rights to a child may be terminated only by an adoption decree or by a court order terminating parental rights. Unless the child is adopted or your parental rights are terminated, you may be asked to support the child."

Consents shall be filed in the adoption proceedings at any time before the matter is heard provided, however, that a consent executed and acknowledged outside of this state, either in accordance with the law of this state or in accordance with the law of the place where executed, is valid.

Subd. 6. [Repealed, 1980 c 561 s 14]

Subd. 6a. Withdrawal of consent. A parent's consent to adoption may be withdrawn for any reason within ten working days after the consent is executed and acknowledged. Written notification of withdrawal of consent must be received by the agency to which the

child was surrendered no later than the tenth working day after the consent is executed and acknowledged. On the day following the tenth working day after execution and acknowledgment, the consent shall become irrevocable, except upon order of a court of competent jurisdiction after written findings that consent was obtained by fraud. In proceedings to determine the existence of fraud, the adoptive parents and the child shall be made parties. The proceedings shall be conducted to preserve the confidentiality of the adoption process. There shall be no presumption in the proceedings favoring the birth parents over the adoptive parents.

Subd. 7. Withholding consent; reason. Consent to an adoption shall not be unreasonably withheld by a guardian, who is not a parent of the child, by the commissioner or by an agency.

Subd. 8. Adoptive parents defined. For the purposes of subdivision 6, and section 259.25, subdivision 2, the term "adoptive parents" shall mean parents who have received a child into their home with the intent to adopt the child.

259.25 AGREEMENT CONFERRING AUTHORITY TO PLACE FOR ADOPTION.

Subdivision 1. Consents required. The parents and guardian, if there be one, of a child may enter into a written agreement with the commissioner of human services or an agency, giving the commissioner or such agency authority to place the child for adoption. If an unmarried parent is under the age of 18 years the written consent of the parents and guardian, if any, of the minor parent also shall be required; if either or both of the parents are disqualified from giving such consent for any of the reasons enumerated in section 259.24, subdivision 1, then the written consent of the guardian shall be required. The agreement and consent shall be in the form prescribed by the commissioner and shall contain notice to the parent of the substance of subdivision 2a providing for the right to revoke the agreement. The agreement and consent must contain the following written notice in all capital letters at least one-eighth inch high:

"This agency will submit your consent to adoption to the court. The consent itself does not terminate your parental rights. Parental rights to a child may be terminated only by an adoption decree or by a court order terminating parental rights. Unless the child is adopted or your parental rights are terminated, you may be asked to support the child."

The agreement shall be executed by the commissioner or agency, or one of their authorized agents, and all other necessary parties, and shall be filed, together with the consent, in the proceedings for the adoption of the child.

If, after the execution of an agreement and consent under this section, the child is diagnosed with a medical or psychological condition that may present a substantial barrier to adoption, the child-placing agency shall make reasonable efforts to give notice of this fact to a party to the agreement and consent. If a child is not adopted within two years after an agreement and consent are executed under this subdivision, the agency that executed the agreement shall so notify a parent who was a party to the agreement and request the parent to take custody of the child or to file a petition for termination of parental rights. This notice must be provided to the parent in a personal and confidential manner. A parent who has executed an agreement under this subdivision shall, upon request to the agency, be informed of whether the child has been adopted.

Subd. 2. [Repealed, 1980 c 561 s 14]

Subd. 2a. Revocation. A parent's agreement to authorize placing a child for adoption may be revoked for any reason within ten working days after the agreement is executed. Written notification of revocation must be received by the agency which was given authority to place the child no later than the tenth working day after the agreement is executed. On the day following the tenth working day after execution the agreement shall become irrevocable, except upon order of a court of competent jurisdiction after written findings that the agreement was obtained by fraud. Proceedings to determine the existence of fraud shall be con-

ducted as provided in section 259.24, subdivision 6a, for proceedings to determine fraud in obtaining consent.

259.27 NOTIFICATION OF DEATH OR TERMINAL ILLNESS.

Subdivision 1. Death notification. (a) An agency authorized to place a child for adoption shall inform parents who adopt a child on or after August 1, 1987, that they must notify the agency if the child dies. The agency also shall inform the adoptive parents that the adoptive parents of an adopted child under age 19 or an adopted person age 19 or older may maintain a current address on file with the agency and indicate a desire to be notified if the agency receives information of the death of a birth parent. The agency shall inform birth parents who are entitled to notice under section 259.49 that the agency will notify them of the child's death and the cause of death, if known, provided that the birth parents desire notice and maintain current addresses on file with the agency. The agency shall inform birth parents entitled to notice under section 259.49 that they may designate individuals to notify the agency if a birth parent dies and that the agency receiving information of the birth parent's death will share it with adoptive parents, if the adopted person is under age 19, or an adopted person age 19 or older who has indicated a desire to be notified of the death of a birth parent and who maintains a current address on file with the agency.

(b) Notice to a birth parent that a child has died or to the adoptive parents or an adopted person age 19 or older that a birth parent has died shall be provided by an employee of the agency through personal, confidential contact, not by mail.

(c) Adoptive parents residing in this state whose child was adopted through an agency in another state shall, if the child dies, notify the agency of the child's death.

Subd. 2. Terminal illness notification. An agency authorized to place a child for adoption shall inform the adoptive parents and birth parents of a child who is adopted on or after August 1, 1987, that the birth parents, the adoptive parents of an adopted person under age 19, or an adopted person age 19 or older may request to be notified if a birth parent or the child is terminally ill. The agency shall notify the other parties if a request is received under this subdivision and inform them that upon their request the agency will share information regarding a terminal illness with the adoptive or birth parents or an adopted person age 19 or older.

259.29 PROTECTION OF HERITAGE OR BACKGROUND.

The policy of the state of Minnesota is to ensure that the best interests of the child are met by requiring due, not sole, consideration of the child's race or ethnic heritage in adoption placements. For purposes of intercountry adoptions, due consideration is deemed to have occurred if the appropriate authority in the child's country of birth has approved the placement of the child.

The authorized child-placing agency shall give preference, in the absence of good cause to the contrary, to placing the child with (a) a relative or relatives of the child, or, if that

would be detrimental to the child or a relative is not available, (b) an important friend with whom the child has resided or had significant contact, or if that is not possible, (c) a family with the same racial or ethnic heritage as the child, or, if that is not feasible, (d) a family of different racial or ethnic heritage from the child which is knowledgeable and appreciative of the child's racial or ethnic heritage. In implementing the order of preference, an authorized child-placing agency may disclose private or confidential data, as defined in section 13.02, to relatives of the child for the purpose of locating a suitable adoptive home. The agency shall disclose only data that is necessary to facilitate implementing the preference.

If the child's birth parent or parents explicitly request that the preference described in clause (a), (b), or (c) not be followed, the authorized child-placing agency shall honor that request consistent with the best interests of the child.

If the child's birth parent or parents express a preference for placing the child in an adoptive home of the same or a similar religious background to that of the birth parent or parents, in following the preferences in clause (a), (b), or (c), the agency shall place the child with a family that also meets the birth parent's religious preference. Only if no family is available that is described in clause (a), (b), or (c) may the agency give preference to a family described in clause (d) that meets the parent's religious preference.

259.33 NOTICE REGARDING PERMANENT PLACEMENT OF CERTAIN CHILDREN.

When a termination of parental rights order regarding a child becomes final, the agency with guardianship of the child shall give the notice provided in this section to any adult with whom the child is currently residing, any adult with whom the child has resided for one year or longer in the past, and any adults who have maintained a relationship or exercised visitation with the child as identified in the agency case plan for the child or demonstrated an interest in the child. This notice must not be provided to a parent whose parental rights to the child have been terminated under section 260.221, subdivision 1. The notice must state that a permanent home is sought for the child and that individuals receiving the notice may indicate to the agency their interest in providing a permanent home. The agency with guardianship of the child shall review the child's custodial history and relationships with siblings, relatives, foster parents, and any other person who may significantly affect the child in determining an appropriate permanent placement.

259.35 NOTICE TO ADOPTIVE PARENTS.

Subdivision 1. **Parental responsibilities.** Prior to commencing an investigation of the suitability of proposed adoptive parents, a child-placing agency shall give the individuals the following written notice in all capital letters at least one-eighth inch high:

"Minnesota Statutes, section 259.59, provides that upon legally adopting a child, adoptive parents assume all the rights and responsibilities of birth parents. The responsibilities include providing for the child's financial support and caring for health, emotional, and behavioral problems. Except for subsidized adoptions under Minnesota Statutes, section

259.67, or any other provisions of law that expressly apply to adoptive parents and children, adoptive parents are not eligible for state or federal financial subsidies besides those that a birth parent would be eligible to receive for a child. Adoptive parents may not terminate their parental rights to a legally adopted child for a reason that would not apply to a birth parent seeking to terminate rights to a child. An individual who takes guardianship of a child for the purpose of adopting the child shall, upon taking guardianship from the child's country of origin, assume all the rights and responsibilities of birth and adoptive parents as stated in this paragraph."

Subd. 2. Referral to foreign agencies. An agency in this state that refers individuals to an agency or individual in another country for the purpose of adopting a child located in that country shall provide the following information in writing at the time of making the referral:

- (1) the name of any government authority in the country where the adoption agency or individual is located that licenses or regulates the adoption agency or individual;
- (2) the name of the current director of the adoption agency;
- (3) whether the country in which the agency or individual is located requires a legal adoption to take place in that country before a child can be removed from the country; and
- (4) the notification required by subdivision 1.

259.37 AGENCY; FEE SCHEDULE; DISCLOSURE; CIVIL ACTION.

Subdivision 1. Payment schedule. An agency may only require payment of fees in stages as services are performed. An agency engaged in placement activities must provide a prospective adoptive parent with a schedule of fees and a timeline indicating when each fee or portion of the total fees for the agency services must be paid. The agency must also provide a fee schedule for prefinalization postplacement services.

Subd. 2. Disclosure to birth parents and adoptive parents. An agency shall provide a disclosure statement written in clear, plain language to be signed by the prospective adoptive parents and birth parents, except that in intercountry adoptions, the signatures of birth parents are not required. The disclosure statement must contain the following information:

- (1) fees charged to the adoptive parent, including any policy on sliding scale fees or fee waivers and an itemization of the amount that will be charged for the adoption study, counseling, postplacement services, family of origin searches, birth parent expenses authorized under section 259.55, or any other services;
- (2) timeline for the adoptive parent to make fee payments;
- (3) likelihood, given the circumstances of the prospective adoptive parent and any specific program to which the prospective adoptive parent is applying, that an adoptive placement may be made and the estimated length of time for making an adoptive placement. These estimates must be based on adoptive placements made with prospective parents in similar circumstances applying to a similar program with the agency during the immediately preceding three to five years. If an agency has not been in operation for at least three years, it must provide summary data based on whatever adoptive placements it has made and may include a statement about the kind of efforts it will make to achieve an adoptive placement, including a timetable it will follow in seeking a child. The estimates must include a statement that the agency cannot guarantee placement of a child or a time by which a child will be placed;
- (4) a statement of the services the agency will provide the birth and adoptive parents;
- (5) a statement prepared by the commissioner under section 259.39 that explains the child placement and adoption process and the respective legal rights and responsibilities of the birth parent and prospective adoptive parent during the process including a statement that the prospective adoptive parent is responsible for filing an adoption petition not later than 24 months after the child is placed in the prospective adoptive home;
- (6) a statement regarding any information the agency may have about attorney referral services, or about obtaining assistance with completing legal requirements for an adoption; and
- (7) an acknowledgment to be signed by the birth parent and prospective adoptive parent that they have received, read, and had the opportunity to ask questions of the agency about the contents of the disclosure statement.

Subd. 3. **Civil action.** An action for damages, including punitive damages, may be brought by a birth parent or prospective adoptive parent aggrieved by:

- (1) a violation of subdivision 1;
- (2) the failure of an agency to provide services listed in the disclosure form under subdivision 2, clause (4); or
- (3) deceptive practices or misrepresentations made by an agency about its services or ability to place children for adoption.

259.41 ADOPTION STUDY.

An adoption study and written report must be completed before the child is placed in a prospective adoptive home under this chapter and the study must be completed and filed with the court at the time the adoption petition is filed. In a direct adoptive placement, the report must be filed with the court in support of a motion for temporary preadoptive custody under section 259.47, subdivision 3. The study and report shall be completed by a licensed child-placing agency and must be thorough and comprehensive. The study and report shall be paid for by the prospective adoptive parent, except as otherwise required under section 259.67 or 259.73.

A stepparent adoption is not subject to this section.

At a minimum, the study must include the following about the prospective adoptive parent:

- (1) a check of criminal conviction data, data on substantiated maltreatment of a child under section 626.556, and domestic violence data of each person over the age of 13 living in the home. The prospective adoptive parents, the bureau of criminal apprehension, and other state, county, and local agencies, after written notice to the subject of the study, shall give the agency completing the adoption study substantiated criminal conviction data and reports about maltreatment of minors and vulnerable adults and domestic violence. The adoption study must also include a check of the juvenile court records of each person over the age of 13 living in the home. Notwithstanding provisions of section 260.161 to the contrary, the juvenile court shall release the requested information to the agency completing the adoption study. The study must include an evaluation of the effect of a conviction or finding of substantiated maltreatment on the ability to care for a child;
- (2) medical and social history and current health;
- (3) assessment of potential parenting skills;
- (4) ability to provide adequate financial support for a child; and
- (5) the level of knowledge and awareness of adoption issues including where appropriate matters relating to interracial, cross-cultural, and special needs adoptions.

The adoption study must include at least one in-home visit with the prospective adoptive parent. The adoption study is the basis for completion of a written report. The report must be in a format specified by the commissioner and must contain recommendations regarding the suitability of the subject of the study to be an adoptive parent. An adoption study report is valid for 12 months following its date of completion.

A prospective adoptive parent seeking a study under this section must authorize access by the agency to any private data needed to complete the study, must disclose any names used

previously other than the name used at the time of the study, and must provide a set of fingerprints, which shall be forwarded to the bureau of criminal apprehension to facilitate the criminal conviction background check required under clause (1).

259.43 BIRTH PARENT HISTORY; COMMISSIONER'S FORM.

In any adoption under this chapter, except a stepparent adoption, a birth parent or an agency shall provide a prospective adoptive parent with a detailed social and medical history of the birth families, if known after reasonable inquiry. Each birth family history must be provided on a form prepared by the commissioner in a manner so that the completed form protects the identities of all individuals described in it. The commissioner shall make the form available to agencies and court administrators for public distribution. The birth family history must be filed with the court when the adoption petition is filed, or, in a direct adoptive placement, with the motion for temporary preadoptive custody.

259.45 STATE AUDIT OF ADOPTION AGENCY; CIVIL ACTION.

Subdivision 1. Audit. If the commissioner or attorney general has good cause to believe that a child-placing agency has violated section 259.37, subdivision 1, 259.55, 317A.907, or any other applicable law dealing with fees, payments, accounts, or financial disclosure by a child-placing agency, the commissioner or the attorney general may seek a court order requiring a financial audit of the agency, at the agency's expense, by an auditor chosen by the commissioner or attorney general.

Subd. 2. Civil action. A court may grant equitable or monetary relief that is just and reasonable in the circumstances or may dissolve an adoption agency and liquidate its assets if the assets of the agency are being misapplied or wasted. The attorney general or the commissioner may bring an action in district court if the directors or those in control of the agency have misapplied or wasted assets of the agency or have acted fraudulently, illegally, or in a manner unfairly prejudicial toward a client of the agency in the capacity of a director or one in control of the agency.

259.47 DIRECT ADOPTIVE PLACEMENT.

Subdivision 1. Intent. The intent of the provisions governing direct adoptive placement is to safeguard the best interests of the child by providing services and protections to the child, birth parents, and adoptive parents which are consistent with those available through an agency placement.

Subd. 2. Adoption study. In a direct adoptive placement, an adoption study and report under section 259.41 must be completed and filed with the court as required by subdivision 3.

Subd. 3. Preadoptive custody order. (a) Before a child is placed in a prospective adoptive home by a birth parent or legal guardian, other than an agency, the placement must be approved by the district court in the county where the prospective adoptive parent resides. An order under this subdivision or subdivision 6 shall state that the prospective adoptive parent's right to custody of the child is subject to the birth parent's right to custody until the consents

to the child's adoption become irrevocable. At the time of placement, prospective adoptive parents must have for the child qualifying existing coverage as defined in section 62L.02, subdivision 24, or other similar comprehensive health care coverage. The prospective adoptive parent must meet the residence requirements of section 259.22, subdivision 1, and must file with the court an affidavit of intent to remain a resident of the state for at least three months after the child is placed in the prospective adoptive home. The prospective adoptive parent shall file with the court a notice of intent to file an adoption petition and submit a written motion seeking an order granting temporary preadoptive custody. The notice and motion required under this subdivision may be considered by the court ex parte, without a hearing. The prospective adoptive parent shall serve a copy of the notice and motion upon any parent whose consent is required under section 259.24 or who is named in the affidavit required under paragraph (b) if that person's mailing address is known. The motion may be filed up to 60 days before the placement is to be made and must include:

- (1) the adoption study required under section 259.41;
- (2) affidavits from the birth parents indicating their support of the motion, or, if there is no affidavit from the birth father, an affidavit from the birth mother under paragraph (b);
- (3) an itemized statement of expenses that have been paid and an estimate of expenses that will be paid by the prospective adoptive parents to the birth parents, any agency, attorney, or other party in connection with the prospective adoption;
- (4) the name of counsel for each party, if any;
- (5) a statement that the birth parents:
 - (i) have provided the social and medical history required under section 259.43 to the prospective adoptive parent;
 - (ii) have received the written statement of their legal rights and responsibilities under section 259.39; and
 - (iii) have been notified of their right to receive counseling under subdivision 4; and
- (6) the name of the agency chosen by the adoptive parent to supervise the adoptive placement and complete the postplacement adoption study required by subdivision 9.

The court shall review the expense statement submitted under this subdivision to determine whether payments made or to be made by the prospective adoptive parent are lawful and in accordance with section 259.55, subdivision 1.

(b) If the birth mother submits the affidavit required in paragraph (a), clause (2), but the birth father fails to do so, the birth mother must submit an additional affidavit that describes her good faith efforts or efforts made on her behalf to identify and locate the birth father for purposes of securing his consent. In the following circumstances the birth mother may instead submit an affidavit stating on which ground she is exempt from making efforts to identify and locate the father:

- (1) the child was conceived as the result of incest or rape;
- (2) efforts to locate the father by the affiant or anyone acting on the affiant's behalf could reasonably result in physical harm to the birth mother or child; or
- (3) efforts to locate the father by the affiant or anyone acting on the affiant's behalf could reasonably result in severe emotional distress of the birth mother or child.

A court shall consider the motion for temporary preadoptive custody within 30 days of receiving the motion or by the anticipated placement date stated in the motion, whichever comes sooner.

Subd. 4. Birth parent counseling. In a direct adoptive placement the prospective adoptive parent must notify the birth parent that the birth parent has a right to receive counseling about adoption issues at the expense of the prospective adoptive parent. The prospective adoptive parent must bear the cost of counseling upon the request of a birth parent at any time between conception of child and six months after the birth of the child or the placement in the adoptive home, whichever is later. The prospective adoptive parent shall not be responsible for the cost of more than 35 hours of counseling under this subdivision. A birth parent may waive the right to receive counseling under this subdivision.

Subd. 5. Birth parent legal counsel. Upon the request of a birth parent, separate legal counsel must be made available to the birth parent at the expense of the prospective adoptive

parent for legal services provided in a direct adoptive placement. The prospective adoptive parent shall only be required to provide legal counsel for one birth parent unless the birth parents elect joint legal representation. The right to legal counsel under this subdivision shall continue until consents become irrevocable, but not longer than 70 days after placement. If consents have not been executed within 60 days of placement, the right to counsel under this subdivision shall end at that time. A birth parent may waive this right only by a written waiver signed and submitted to the court at the time consents are executed under subdivision 7. Representation of a birth parent and a prospective adoptive parent by the same attorney is prohibited.

Subd. 6. Emergency order. (a) A court may issue an emergency order granting temporary preadoptive custody of a child to a prospective adoptive parent for up to 14 days if the following conditions are met:

(1) the motion is supported by:

(i) a completed adoption study which meets the requirements of section 259.41; or

(ii) affidavits from each prospective adoptive parent stating whether they or any person residing in the household have been convicted of a crime or are the subject of an open investigation of, or have been the subject of a substantiated allegation of, child or vulnerable-adult abuse within the past ten years. If so, a complete description of the crime, open investigation, or substantiated abuse and a complete description of any sentence, treatment, or disposition must be included. If, at any time before the adoption is final, a court receives evidence leading it to conclude that a prospective adoptive parent knowingly gave false information in this affidavit, it shall be presumed that the placement of the child with the adoptive parent is not in the best interests of the child; and

(iii) the information required by subdivision 3, paragraph (a), clauses (2), and (5), items (ii) and (iii); and

(iv) affidavits from the prospective adoptive parent and birth parent indicating that an emergency order is needed because of the unexpected premature birth of the child or other specifically described extraordinary circumstances which prevented the completion of the requirements of this section; and

(2) the court concludes from the record submitted that the emergency order will preserve the health and safety of the child.

(b) An order granting or denying the motion shall be issued under this section within 24 hours of the time it is brought. Notwithstanding section 259.23, any judge of district court may consider a motion brought under this subdivision. An order granting the motion shall direct that an adoption study be commenced immediately, if that has not occurred, and that the agency conducting the study shall supervise the emergency placement.

(c) An emergency order under this subdivision expires 14 days after it is issued. If the requirements of subdivision 3 are completed and a preadoptive custody motion is filed on or before the expiration of the emergency order, placement may continue until the court rules on the motion. The court shall consider the preadoptive custody motion within seven days of filing.

Subd. 7. Consent; time frame; hearing; venue; commissioner's form. Not sooner than 72 hours after the birth of a child and not later than 60 days after the child's placement in a prospective adoptive home under this section, a person whose consent is required under section 259.24 shall execute a consent. A birth parent, whose consent is required under section 259.24 and who has chosen not to receive counseling through a licensed agency or a licensed social services professional trained in adoption issues, shall appear before a judge or judicial officer to sign the written consent to the child's adoption by the prospective adoptive parent who has temporary preadoptive custody of the child. Notwithstanding where the prospective adoptive parent resides, the consent hearing may be held in any county in this state where the birth parent is found. If a birth parent has chosen to receive counseling through a licensed agency or a licensed social services professional trained in adoption issues, the birth parent may choose to execute a written consent under section 259.24, subdivision 5. A person whose consent is required under section 259.24, subdivision 2, may choose to execute consent at a judicial hearing as described in this section or under the procedures in section 259.24, subdivision 5.

The consent becomes irrevocable on the tenth working day after it is given, except that if the consent was obtained by fraud, proceedings to determine the existence of fraud shall be governed by section 259.24, subdivision 6a. Until the consent becomes irrevocable, the child shall be returned to the birth parent upon request.

The written consent under this subdivision must state that:

(1) the birth parent has had the opportunity to consult with independent legal counsel at the expense of the prospective adoptive parent, unless the birth parent knowingly waived the opportunity;

(2) the birth parent was notified of the right to receive counseling at the expense of the prospective adoptive parent and has chosen to exercise or waive that right; and

(3) the birth parent was informed that if the birth parent withdraws consent, the prospective adoptive parent cannot require the birth parent to reimburse any costs the prospective adoptive parent has incurred in connection with the adoption, including payments made to or on behalf of the birth parent.

If a birth parent has chosen to have legal counsel, the attorney must be present at the execution of consents. If a birth parent waives counsel, the written waiver must be filed with the consent under this subdivision.

The consent signed under this subdivision must be on a form prepared by the commissioner and made available to agencies and court administrators for public distribution.

Subd. 8. Notice and consent deadline; consent hearing; birth parent not appearing.

(a) With the exception of a person who receives notice under paragraph (b), if a birth parent whose consent is required under section 259.24 does not appear at a consent hearing under this section, the agency which is supervising the placement shall notify the court and the court shall issue an order regarding continued placement of the child. The court shall order the local social services agency to determine whether to commence proceedings for termination of parental rights on grounds of abandonment as defined in section 260.221. The court may disregard the six- and 12-month requirements of section 260.221, paragraph (b), clause (1), item (i), in finding abandonment if the birth parent has failed to execute a consent within the time required under this section and has made no effort to obtain custody of the child.

(b) A birth parent who intends to consent to the adoption of a child shall notify the other birth parent of that fact if the other birth parent's consent to the adoption is required under section 259.24, subdivision 1, at the time of placement. Notice shall be provided to the other birth parent by personal service in the manner provided in the rules of civil procedure for service of a summons and complaint within 72 hours of the date on which the child is placed. The notice shall inform the birth parent of the notifying birth parent's intent regarding consent to adoption and shall notify the receiving birth parent that, not later than 60 days after the date of service, the birth parent must either consent or refuse to consent to the adoption. On the 61st day following service of the notice required under this subdivision, a birth parent who fails to take either of these actions, is deemed to have consented to the child's adoption regarding the child.

Subd. 9. Postplacement adoption study and report. The agency designated by the prospective adoptive parent under subdivision 3, paragraph (a), clause (6), shall complete a postplacement adoption report and file it with the court with which the adoption petition has been filed not later than 90 days after the filing of a petition for adoption.

At a minimum, the report must include the following information:

(1) assessment of adaptation by the prospective adoptive parents to parenting the child;

(2) assessment of the health and well-being of the child in the prospective adoptive parents' home;

(3) analysis of the level of incorporation by the child into the prospective adoptive parents' home, extended family and community; and

(4) assessment of the level of incorporation of the child's previous history into the prospective adoptive home, such as cultural or ethnic practices, or contact with former foster parents, or biological relatives.

If the consent hearing is held in a county other than where the prospective adoptive parent resides, the court shall forward a copy of its order to the district court in the county where

the prospective adoptive parent resides. The report shall be filed with the local social services agency in the county where the prospective adoptive parent resides. The local social services agency may seek a court order to remove the child from the prospective adoptive home, if the report so recommends and the agency finds that continued placement in the adoptive home endangers the physical or emotional health of the child. A postplacement adoption report is valid for 12 months after its date of completion.

Subd. 10. Records. All records filed with the court in a direct adoptive placement under this section must be permanently maintained by the agency which completed the adoption study. Notwithstanding the provisions of section 259.61, an agency shall, upon request, be given any court records needed to provide postadoption services pursuant to section 259.83 at the request of adoptive parents, birth parents, or adopted individuals age 19 or older.

Subd. 11. Penalty. It is a gross misdemeanor for a person, not being the commissioner or an agency, knowingly to engage in placement activities as defined in section 259.21, subdivision 9, without being licensed by the commissioner under chapter 245A, except as authorized by section 245A.03, subdivision 2.

This offense shall be prosecuted by the county attorney.

The notice of the hearing may be waived by a parent, guardian or other interested party by a writing executed before two competent witnesses and duly acknowledged. The waiver shall be filed in the adoption proceedings at any time before the matter is heard.

Subd. 2. Service. Such notice shall be served, within or without the state, at least 14 days before the date of the hearing, in the manner provided by law for the service of a summons in a civil action. If personal service cannot be made, the court may order service by publication. The petitioner or petitioner's attorneys shall make an affidavit setting forth the effort that was made to locate the parents, and the names and addresses of the known kin of the child. If satisfied that the parents cannot be served personally, the court shall order three weeks published notice to be given, the last publication to be at least ten days before the time set for the hearing. Where service is made by publication the court may cause such further notice to be given as it deems just. If, in the course of the proceedings, the court shall consider that the interests of justice will be promoted it may continue the proceeding and require that such notice as it deems proper shall be served on any person. In the course of proceedings the court may enter

reasonable orders for the protection of the child if the court determines that the best interests of the child require such an order.

Subd. 3. **Service, guardian only.** Where a child is adjudicated a dependent or neglected child and a court of competent jurisdiction has appointed a permanent guardian, or where a juvenile court has appointed a guardian after terminating parental rights, no notice of hearing need be given to the parents.

Subdivision 1. **Notice by illegitimate parent.** Any person not entitled to notice under section 259.49, shall lose parental rights and not be entitled to notice at termination, adoption, or other proceedings affecting the child, unless within 90 days of the child's birth or within 60 days of the child's placement with prospective adoptive parents, whichever is sooner, that person gives to the division of vital statistics of the Minnesota department of health an affidavit stating intention to retain parental rights.

Subd. 2. **Notice, contents.** Such affidavit shall contain the claimant's name and address, the name and the last known address of the other parent of the child and the month and the year of the birth of the child, if known.

Subd. 3. **Notice, effect.** Upon receipt of the aforementioned affidavit the division of vital statistics of the Minnesota department of health shall notify the other parent of same within seven days. This notice to the parent shall constitute conclusive evidence of parenthood for the purposes of this statute, unless within 60 days of its receipt, either the notified parent or some other interested petitioner denies that claimant is the parent of the child and files a petition pursuant to chapter 260 to challenge such notice of parenthood.

259.53 PETITION; INVESTIGATIONS; REPORTS.

Subdivision 1. **Notice to commissioner; county duties.** Upon the filing of a petition for adoption of a child the court administrator shall immediately transmit a copy of the petition to the commissioner of human services and the local social services agency of the county in which the prospective adoptive parent lives. Except as provided in subdivision 2, the local social services agency shall verify the allegations of the petition, investigate the conditions and antecedents of the child for the purpose of ascertaining whether the child is a proper subject for adoption, whether the proposed adoptive home and the child are suited to each other and whether the proposed adoption meets the preferences described in section 259.57, subdivision 2. The report of the local social services agency shall be confidential, and the records of the local social services agency or the contents of them shall not be disclosed either directly or indirectly to any person other than the commissioner of human services or a judge of the court having jurisdiction of the matter. Within 90 days after the receipt of the copy of the petition the local social services agency shall submit to the court and the commissioner a full report in writing with recommendations as to the granting of the petition. If the report is not returned within the 90 days, without fault of petitioner, the court may hear the petition upon giving the local social services agency five days notice by mail of the time and place of the hearing. If the report disapproves of the adoption of the child, the local social services agency may recommend that the court dismiss the petition.

Subd. 2. **Adoption agencies.** Notwithstanding the provisions of subdivision 1, if the child to be adopted has been committed to the guardianship of an agency pursuant to section 260.241, or if the child has been surrendered to an agency pursuant to section 259.25, or the child's direct adoptive placement is being supervised by an agency pursuant to section 259.47 the court shall refer the adoption petition to the agency, or, if the adopting parent has a stepparent relationship to the child, to the local social services agency of the county in which the adoption is pending. The agency or local social services agency, within 90 days of receipt of a copy of the adoption petition, shall file with the court a report of its investigation of the environment and antecedents of the child to be adopted and of the home of the petitioners and its determination whether the home of the petitioners meets the preferences described in sec-

tion 259.57, subdivision 2. If the report disapproves of the adoption of the child, the agency or local social services agency may recommend that the court dismiss the petition. In the case of a direct adoptive placement under section 259.47, a postplacement adoption study completed under section 259.47, subdivision 9, shall be considered as meeting the requirement for a report under this section.

Subd. 3. Reports and records. (a) The contents of all reports and records of the commissioner of human services, local social services agency, or child-placing agency bearing on the suitability of the proposed adoptive home and the child to each other shall not be disclosed either directly or indirectly to any person other than the commissioner of human services or a judge of the court having jurisdiction of the matter, except as provided in paragraph (b).

(b) A judge of the court having jurisdiction of the matter shall upon request disclose to a party to the proceedings or the party's counsel any portion of a report or record that relates only to the suitability of the proposed adoptive parents. In this disclosure, the judge may withhold the identity of individuals providing information in the report or record. When the judge is considering whether to disclose the identity of individuals providing information, the agency with custody of the report or record shall be permitted to present reasons for or against disclosure.

Subd. 3a. Report to prospective adoptive parents. Prospective adoptive parents may request and may receive a summary report on their suitability as adoptive parents from any authorized adoption agency at the conclusion of the adoptive study by that agency. The summary report shall not identify sources of information outside of the adoption agency or information about any child to be adopted. This summary report shall be used only for purposes mutually agreed upon by the adoption agency and the prospective adoptive parents. The purposes and the date of the summary report shall be clearly noted on the report.

Subd. 4. Preadoption residence. No petition shall be granted until the child shall have lived three months in the proposed home, subject to a right of visitation by the commissioner or an agency or their authorized representatives.

Subd. 5. Residence and investigation waived; stepparent. The investigation and period of residence required by this section may be waived by the court when the petition for adoption is submitted by a stepparent or when, upon good cause being shown, the court is satisfied that the proposed adoptive home and the child are suited to each other, but in either event at least ten working days notice of the hearing shall be given to the local social services agency by certified mail. The reports of investigations shall be a part of the court files in the case, unless otherwise ordered by the court.

Subd. 6. Fees and payments; filing with adoption petition. Upon the filing of a petition for adoption, an agency shall file with the court a statement of expenses that have been paid or are required to be paid by the prospective adoptive parent in connection with the adoption. In a direct adoptive placement the statement of expenses shall be filed by the prospective adoptive parent.

259.55 PAYMENT OF BIRTH PARENT EXPENSES; PENALTY.

Subdivision 1. Authorized payments. In any adoption under this chapter, a prospective adoptive parent or anyone acting in concert with, at the direction of, or on behalf of a prospective adoptive parent may pay only the following expenses of the birth parent:

(1) reasonable counseling, medical, and legal fees, which shall be paid directly to the provider of the service;

(2) reasonable expenses for transportation, meals, and lodging incurred for placement of the child;

(3) reasonable expenses for adoption services provided by an agency at the request of the birth parent, which shall be paid directly to the agency; and

(4)(i) reasonable living expenses of the birth mother which are needed to maintain an adequate standard of living which the birth mother is unable to otherwise maintain because

of loss of income or other support resulting from the pregnancy. The payments may cover expenses incurred during the pregnancy—related incapacity but not for a period longer than six weeks following delivery;

(ii) the payment shall not be contingent upon placement of the child for adoption, consent to adoption, or cooperation in the completion of the adoption; and

(iii) reasonable living expenses does not include expenses for lost wages, gifts, educational expenses, or other similar expenses of the birth mother.

Subd. 2. No birth parent reimbursement to adoptive parent. A contract purporting to require a birth parent to reimburse a prospective adoptive parent for such payments under any circumstances, including circumstances in which a birth parent refuses to consent to adoption or withdraws consent to adoption, is void as against public policy.

Subd. 3. Prohibited payments; penalty. (a) Except as authorized under subdivision 1, it is a gross misdemeanor for an individual to give, or for a birth parent to accept, money or anything of value, or compensation for the placement of a child for adoption.

(b) It is a gross misdemeanor for any person to give money or anything of value to the birth parent of a child if the person is engaged or has engaged in any placement activity, as defined in section 259.21, subdivision 9, in connection with the adoption of the child.

(c) An offense under this subdivision shall be prosecuted by the county attorney.

259.57 HEARING, DECREE.

Subdivision 1. Findings; orders. Upon the hearing,

(a) if the court finds that it is in the best interests of the child that the petition be granted, a decree of adoption shall be made and recorded in the office of the court administrator, ordering that henceforth the child shall be the child of the petitioner. In the decree the court may change the name of the child if desired. After the decree is granted the court administrator shall immediately mail a copy of the recorded decree to the commissioner of human services;

(b) if the court is not satisfied that the proposed adoption is in the best interests of the child, the court shall deny the petition, and shall order the child returned to the custody of the person or agency legally vested with permanent custody or certify the case for appropriate action and disposition to the court having jurisdiction to determine the custody and guardianship of the child.

Subd. 2. Protection of heritage or background. The policy of the state of Minnesota is to ensure that the best interests of children are met by requiring due, not sole, consideration of the child's race or ethnic heritage in adoption placements. For purposes of intercountry adoptions, due consideration is deemed to have occurred if the appropriate authority in the child's country of birth has approved the placement of the child.

In reviewing adoptive placement, the court shall consider preference, and in determining appropriate adoption, the court shall give preference, in the absence of good cause to the contrary, to (a) a relative or relatives of the child, or, if that would be detrimental to the child or a relative is not available, to (b) a family with the same racial or ethnic heritage as the child, or if that is not feasible, to (c) a family of different racial or ethnic heritage from the child that is knowledgeable and appreciative of the child's racial or ethnic heritage.

If the child's birth parent or parents explicitly request that the preference described in clause (a) or in clauses (a) and (b) not be followed, the court shall honor that request consistent with the best interests of the child.

If the child's birth parent or parents express a preference for placing the child in an adoptive home of the same or a similar religious background to that of the birth parent or parents, in following the preferences in clause (a) or (b), the court shall place the child with a family that also meets the birth parent's religious preference. Only if no family is available as described in clause (a) or (b) may the court give preference to a family described in clause (c) that meets the parent's religious preference.

Subd. 3. Compliance with Indian Child Welfare Act. The provisions of this chapter must be construed consistently with the Indian Child Welfare Act of 1978, United States Code, title 25, sections 1901 to 1963.

259.59 EFFECT OF ADOPTION.

Subdivision 1. Upon adoption, the child shall become the legal child of the adopting persons and they shall become the legal parents of the child with all the rights and duties between them of birth parents and legitimate child. By virtue of the adoption the child shall inherit from the adoptive parents or their relatives the same as though the child were the natural child of the parents, and in case of the child's death intestate the adoptive parents and their relatives shall inherit the child's estate as if they had been the child's birth parents and relatives. After a decree of adoption is entered the birth parents of an adopted child shall be relieved of all parental responsibilities for the child, and they shall not exercise or have any rights over the adopted child or the child's property. The child shall not owe the birth parents or their relatives any legal duty nor shall the child inherit from the birth parents or kindred, except as provided in subdivision 1a.

Subd. 1a. Notwithstanding any other provisions to the contrary in this section, the adoption of a child by a stepparent shall not in any way change the status of the relationship between the child and the child's birth parent who is the spouse of the petitioning stepparent.

If a parent dies and a child is subsequently adopted by a stepparent who is the spouse of a surviving parent, any rights of inheritance of the child or the child's issue from or through the deceased parent of the child which exist at the time of the death of that parent shall not be affected by the adoption.

Subd. 2. Notwithstanding the provisions of subdivision 1, the adoption of a child whose birth parent or parents are enrolled in an American Indian tribe shall not change the child's enrollment in that tribe.

259.67 ADOPTION ASSISTANCE PROGRAM.

Subdivision 1. **Adoption assistance.** The commissioner of human services shall enter into an adoption assistance agreement with an adoptive parent or parents who adopt a child who meets the eligibility requirements under title IV-E of the Social Security Act, United States Code, title 42, sections 670 to 679a, or who otherwise meets the requirements in subdivision 4.

Subd. 2. **Adoption assistance agreement.** The placing agency shall certify a child as eligible for adoption assistance according to rules promulgated by the commissioner. When a parent or parents are found and approved for adoptive placement of a child certified as eligible for adoption assistance, and before the final decree of adoption is issued, a written agreement must be entered into by the commissioner, the adoptive parent or parents, and the placing agency. The written agreement must be in the form prescribed by the commissioner and must set forth the responsibilities of all parties, the anticipated duration of the adoption assistance payments, and the payment terms. The adoption assistance agreement shall be subject to the commissioner's approval.

The amount of adoption assistance is subject to the availability of state and federal funds and shall be determined through agreement with the adoptive parents. The agreement shall take into consideration the circumstances of the adopting parent or parents, the needs of the child being adopted and may provide ongoing monthly assistance, supplemental maintenance expenses related to the adopted person's special needs, nonmedical expenses periodically necessary for purchase of services, items, or equipment related to the special needs, and medical expenses. The placing agency or the adoptive parent or parents shall provide written documentation to support the need for adoption assistance payments. The commissioner may require periodic reevaluation of adoption assistance payments. The amount of ongoing monthly adoption assistance granted may in no case exceed that which would be allowable for the child under foster family care and is subject to the availability of state and federal funds.

Subd. 3. **Annual affidavit.** When adoption assistance agreements are for more than one year, the adoptive parents or guardian or conservator shall annually present an affidavit stating whether the adopted person remains under their care and whether the need for adoption assistance continues to exist. The commissioner may verify the affidavit. The adoption assistance agreement shall continue in accordance with its terms as long as the need for adoption assistance continues and the adopted person is the legal or financial dependent of the adoptive parent or parents or guardian or conservator and is under 18 years of age. The adoption assistance agreement may be extended to age 22 as allowed by rules adopted by the commissioner. Termination or modification of the adoption assistance agreement may be requested by the adoptive parents or subsequent guardian or conservator at any time. When the commissioner determines that a child is eligible for adoption assistance under Title IV-E of the Social Security Act, United States Code, title 42, sections 670 to 679a, the commissioner shall modify the adoption assistance agreement in order to obtain the funds under that act.

Subd. 4. **Eligibility conditions.** (a) The placing agency shall determine the child's eligibility for adoption assistance under title IV-E of the Social Security Act. If the child does not qualify, the placing agency shall certify a child as eligible for state funded adoption assistance only if the following criteria are met:

(1) Due to the child's characteristics or circumstances it would be difficult to provide the child an adoptive home without adoption assistance.

(2)(i) A placement agency has made reasonable efforts to place the child for adoption without adoption assistance, but has been unsuccessful; or

(ii) the child's licensed foster parents desire to adopt the child and it is determined by the placing agency that the adoption is in the best interest of the child.

(3) The child has been a ward of the commissioner or a Minnesota-licensed child-placing agency.

(b) For purposes of this subdivision, the characteristics or circumstances that may be considered in determining whether a child is a child with special needs under United States Code, title 42, chapter 7, subchapter IV, part E, or meets the requirements of paragraph (a), clause (1), are the following:

(1) The child is a member of a sibling group to be placed as one unit in which at least one sibling is older than 15 months of age or is described in clause (2) or (3).

(2) The child has documented physical, mental, emotional, or behavioral disabilities.

(3) The child has a high risk of developing physical, mental, emotional, or behavioral disabilities.

(c) When a child's eligibility for adoption assistance is based upon the high risk of developing physical, mental, emotional, or behavioral disabilities, payments shall not be made under the adoption assistance agreement unless and until the potential disability manifests itself as documented by an appropriate health care professional.

Subd. 5. Determination of residency. A child who is a resident of any county in this state when eligibility for adoption assistance is certified shall remain eligible and receive adoption assistance in accordance with the terms of the adoption assistance agreement, regardless of the domicile or residence of the adopting parents at the time of application for adoptive placement, legal decree of adoption, or thereafter.

Subd. 6. Right of appeal. (a) The adoptive parents have the right to appeal to the commissioner pursuant to section 256.045, when the commissioner denies, discontinues, or modifies the agreement.

(b) Adoptive parents who believe that their adopted child was incorrectly denied adoption assistance, or who did not seek adoption assistance on the child's behalf because of being provided with inaccurate or insufficient information about the child or the adoption assistance program, may request a hearing under section 256.045. Notwithstanding subdivision 2, the purpose of the hearing shall be to determine whether, under standards established by the federal Department of Health and Human Services, the circumstances surrounding the child's adoption warrant making an adoption assistance agreement on behalf of the child after the final decree of adoption has been issued. The commissioner shall enter into an adoption assistance agreement on the child's behalf if it is determined that the child was eligible for adoption assistance under United States Code, title 42, chapter 7, subchapter IV, part E, sections 670 to 679a, at the time of the adoption and at the time the request for a hearing was submitted but, because of extenuating circumstances, did not receive adoption assistance. An adoption assistance agreement made under this paragraph shall be effective the date the request for a hearing was received by the commissioner or the local agency.

Subd. 7. Reimbursement of costs. Subject to rules of the commissioner, and the provisions of this subdivision a Minnesota-licensed child-placing agency or county social service agency shall receive a reimbursement from the commissioner equal to 100 percent of the reasonable and appropriate cost of providing adoption services for a child certified as eligible for adoption assistance. Such assistance may include adoptive family recruitment, counseling, and special training when needed. A Minnesota-licensed child-placing agency shall receive reimbursement for adoption services it purchases for or directly provides to an eligible child. A county social service agency shall receive such reimbursement only for adoption services it purchases for an eligible child.

A Minnesota-licensed child-placing agency or county social service agency seeking reimbursement under this subdivision shall enter into a reimbursement agreement with the commissioner before providing adoption services for which reimbursement is sought. No reimbursement under this subdivision shall be made to an agency for services provided prior to entering a reimbursement agreement. Separate reimbursement agreements shall be made for each child and separate records shall be kept on each child for whom a reimbursement agreement is made. Funds encumbered and obligated under such an agreement for the child remain available until the terms of the agreement are fulfilled or the agreement is terminated.

Subd. 8. Indian children. The commissioner is encouraged to work with American Indian organizations to assist in the establishment of American Indian child adoption organizations able to be licensed as child-placing agencies. Children certified as eligible for adoption assistance under this section who are protected under the Federal Indian Child Welfare Act of 1978 should, whenever possible, be served by the tribal governing body, tribal courts, or a licensed Indian child-placing agency.

Subd. 9. Effect on other aid. Adoption assistance payments received under this section shall not affect eligibility for any other financial payments to which a person may otherwise be entitled.

Subd. 10. Rules. The commissioner shall promulgate rules necessary to implement this section and to comply with the adoption assistance requirements of the Social Security Act to qualify for funds available under the act.

259.71 INTERSTATE ADOPTION COMPACTS; SERVICE PAYMENTS.

Subdivision 1. Purpose. It is the purpose and policy of the state of Minnesota to:

(a) Enter into interstate agreements with agencies of other states for the protection of children for whom the commissioner is providing adoption assistance.

(b) Provide procedures for interstate assistance payments, including medical payments, for eligible children who are adopted interstate and for children adopted in Minnesota who move to another state.

Subd. 2. Definitions. For the purposes of this section, the terms defined in this subdivision shall have the meanings given them, unless the context clearly indicates otherwise.

(a) "Adoption assistance state" means the state that signs an adoption assistance agreement in a particular case.

(b) "Commissioner" means the commissioner of human services of the state of Minnesota.

(c) "Resident state" means the state of which the child is a resident because of the residence of the adoptive parents.

(d) "State" means a state of the United States, the District of Columbia, the commonwealth of Puerto Rico, the Virgin Islands, Guam, the commonwealth of the Northern Mariana Islands, or a territory or possession of the United States.

Subd. 3. Compacts authorized. The commissioner is authorized to develop, negotiate and enter into one or more interstate compacts on behalf of this state with other states to implement the purposes of Laws 1984, chapter 422. When entered into, the compact will have the force and effect of law.

Subd. 4. Contents of compacts. A compact entered into under Laws 1984, chapter 422 must include:

(a) A provision allowing all states to join the compact;

(b) A provision for withdrawal from the compact upon written notice to the parties. The provision must require a period of one year between the date of the notice and the effective date of the withdrawal;

(c) A requirement that the protections afforded under the compact continue in force for the duration of the adoption assistance from a party state other than the one in which the adoptive parents and the child are resident;

(d) A requirement that each instance of adoption assistance to which the compact applies be covered by an adoption assistance agreement in writing between the adoptive parents and the state child welfare agency of the state which provides the adoption assistance, and that the agreement be expressly for the benefit of the adopted child and enforceable by the adoptive parents and the state agency providing the adoption assistance; and

(e) Other provisions necessary and appropriate for the proper administration of the compact.

A compact entered into under Laws 1984, chapter 422 may contain provisions establishing procedures and entitlements to medical, developmental, child care, or other social services for the child under state law, even though the child and the adoptive parents are in a state other than the one responsible for or providing the services or funds to pay part of or all of the costs.

Subd. 5. Medical assistance; duties of the commissioner of human services. The commissioner of human services shall:

(a) Issue a medical assistance identification card to any child with special needs who is title IV–E eligible, or who is not title IV–E eligible but was determined by another state to have a special need for medical or rehabilitative care, and who is a resident in this state and is the subject of an adoption assistance agreement with another state when a certified copy of the adoption assistance agreement obtained from the adoption assistance state has been filed with the commissioner. The adoptive parents shall be required at least annually to show that the agreement is still in force or has been renewed.

(b) Consider the holder of a medical assistance identification card under this subdivision as any other recipient of medical assistance under chapter 256B; process and make payment on claims for the recipient in the same manner as for other recipients of medical assistance.

(c) Provide coverage and benefits for a child who is title IV–E eligible or who is not title IV–E eligible but was determined to have a special need for medical or rehabilitative care and who is in another state and who is covered by an adoption assistance agreement made by the commissioner for the coverage or benefits, if any, which is not provided by the resident state. The adoptive parents acting for the child may submit evidence of payment for services or benefit amounts not payable in the resident state and shall be reimbursed. However, there shall be no reimbursement for services or benefit amounts covered under any insurance or other third party medical contract or arrangement held by the child or the adoptive parents.

(d) Publish emergency and permanent rules implementing this subdivision. Such rules shall include procedures to be followed in obtaining prior approvals for services which are required for the assistance.

Subd. 6. Penalties for false claims. Any person who submits a claim or makes a statement for payment or reimbursement for services or benefits under subdivision 5 which the maker or claimant knows or should know to be false, misleading, or fraudulent is guilty of perjury. That person shall also be subject to a fine of not more than \$5,000 or imprisonment for not more than three years, or both.

Subd. 7. Federal participation. Consistent with federal law, the commissioner shall, in connection with the administration of Laws 1984, chapter 422 and any compact under Laws 1984, chapter 422, include in any state plan made under the Adoption Assistance and Child Welfare Act of 1980, Titles IV(e) and XIX of the Social Security Act, and any other applicable federal laws, the provision of adoption assistance and medical assistance for which the federal government pays some or all of the cost. The commissioner shall apply for and administer all relevant aid in accordance with state and federal law.

259.75 STATE ADOPTION EXCHANGE.

Subdivision 1. The commissioner of human services shall establish an adoption exchange, which shall include but not be limited to a book, updated monthly, that contains a photograph and description of each child who has been legally freed for adoption. The ex-

change service shall be available to all local social service agencies and licensed child-placing agencies whose purpose is to assist in the adoptive placement of children, and the exchange book shall be distributed to all such agencies.

Subd. 2. All local social service agencies, and licensed child-placing agencies shall send to the state adoption exchange, within 45 days of the time a child becomes free for adoption, a recent photograph and description of each child in its care who has been legally freed for adoption by the termination of parental rights, and for whom no adoptive home has been found.

Subd. 2a. All children identified under subdivision 2 must be listed on the state adoption exchange within 20 days of the receipt of the information from the local social service agency or licensed child-placing agency.

Subd. 3. Changes in the status of a child listed in the state adoption exchange shall be reported by the local social service agency and the licensed child-placing agency to the exchange within ten working days after the change occurs.

Subd. 4. Children remaining registered for 12 months shall have their photographs and written descriptions updated by the local social service agency and the licensed child-placing agency within ten working days of the expiration of the 12 months, and every 12 months thereafter.

Subd. 5. A child's registration shall be withdrawn when the exchange service has been notified in writing by the local social service agency and the licensed child-placing agency that the child has been adopted, has become 14 years old and will not consent to an adoption plan, or has died.

Subd. 6. The exchange service shall semiannually check the status of listed children for whom inquiries have been received. Periodic checks shall be made by the service to determine the progress toward adoption of those children and the status of children registered but never listed in the exchange book because of placement in an adoptive home prior to or at the time of registration.

Subd. 7. A local social service agency and a licensed child-placing agency may voluntarily refer any child legally freed for adoption to the exchange service; or the exchange service may determine that the recruitment of an adoptive family through the exchange book is appropriate for a child not registered with the service and require the child to be registered with the exchange service within ten working days.

Subd. 8. Deferral of the listing of a child with the state adoption exchange shall be only for one or more of the following reasons:

- (a) the child is in an adoptive placement but is not legally adopted;
- (b) the child's foster parents or other individuals are now considering adoption;
- (c) diagnostic study or testing is required to clarify the child's problem and provide an adequate description;
- (d) the child is currently in a hospital and continuing need for daily professional care will not permit placement in a family setting; or
- (e) the child is 14 years of age or older and will not consent to an adoption plan.

Approval of a request to defer listing for any of the reasons specified in paragraph (b) or (c) shall be valid for a period not to exceed 90 days, with no subsequent deferrals for those reasons.

Subd. 9. The commissioner of human services shall make rules as necessary to administer this section and shall employ necessary staff to carry out the purposes of this section.

Each agency shall provide for the diligent recruitment of potential adoptive families that reflect the ethnic and racial diversity of children in the state for whom adoptive homes are

needed. Special efforts include contacting and working with community organizations and religious organizations and may include contracting with these organizations, utilizing local media and other local resources, and conducting outreach activities. The requirement of special efforts to locate relatives in this section is satisfied if the efforts have continued for six months after the child becomes available for adoption or if special efforts have been satisfied and approved by the court pursuant to section 260.191, subdivision 3a. The agency may accept any gifts, grants, offers of services, and other contributions to use in making special recruitment efforts.

259.83 POSTADOPTION SERVICES.

Subdivision 1. Services provided. Agencies shall provide assistance and counseling services upon receiving a request for current information from adoptive parents, birth parents, or adopted persons aged 19 years and over. The agency shall contact the other adult persons or the adoptive parents of a minor child in a personal and confidential manner to determine whether there is a desire to receive or share information or to have contact. If there is such a desire, the agency shall provide the services requested. The agency shall provide services to adult genetic siblings if there is no known violation of the confidentiality of a birth parent or if the birth parent gives written consent.

Subd. 2. Health information. When the agency receives information about a medical or genetic condition which has affected or may affect the physical or mental health of genetically related persons, the agency shall make a diligent effort to contact those persons in order to transmit the health information.

Subd. 3. Identifying information. In agency adoptive placements made on and after August 1, 1982, the agency responsible for the placement shall obtain from the birth parents named on the original birth certificate an affidavit attesting to the following:

(a) That the birth parent has been informed of the right of the adopted person at the age specified in section 259.89 to request from the agency the name, last known address, birthdate and birthplace of the birth parents named on the adopted person's original birth certificate;

(b) That each birth parent may file in the agency record an affidavit objecting to the release of any or all of the information listed in clause (a) about that birth parent, and that parent only, to the adopted person;

(c) That if the birth parent does not file an affidavit objecting to release of information before the adopted person reaches the age specified in section 259.89, the agency will provide the adopted person with the information upon request;

(d) That notwithstanding the filing of an affidavit, the adopted person may petition the court pursuant to section 259.61 for release of identifying information about a birth parent;

(e) That the birth parent shall then have the opportunity to present evidence to the court that nondisclosure of identifying information is of greater benefit to the birth parent than disclosure to the adopted person; and

(f) That any objection filed by the birth parent shall become invalid when withdrawn by the birth parent or when the birth parent dies. Upon receipt of a death certificate for the birth parent, the agency shall release the identifying information to the adopted person if requested.

Subd. 4. Confidentiality. Agencies shall provide adoptive parents, birth parents and adult siblings, and adopted persons aged 19 years and over reasonable assistance in a manner consistent with state and federal laws, rules, and regulations regarding the confidentiality and privacy of child welfare and adoption records.

Subd. 5. Charges. The commissioner, the commissioner's agents, and licensed child-placing agencies may require a reasonable expense reimbursement for providing services required in this section. Reimbursements received by the commissioner according to this subdivision shall be deposited in the general fund.

259.85 POSTADOPTION SERVICE GRANTS PROGRAM.

Subdivision 1. Purpose. The commissioner of human services shall establish and supervise a postadoption service grants program to be administered by local social service agencies for the purpose of preserving and strengthening adoptive families. The program will provide financial assistance to adoptive parents to meet the special needs of an adopted child that cannot be met by other resources available to the family.

Subd. 2. Eligibility criteria. A child may be certified by the local social service agency as eligible for a postadoption service grant after a final decree of adoption and before the child's 18th birthday if:

(a) The child was a ward of the commissioner or a Minnesota licensed child-placing agency before adoption;

(b) The child had special needs at the time of adoption. For the purposes of this section, "special needs" means a child who had a physical, mental, emotional, or behavioral disability at the time of an adoption or has a preadoption background to which the current development of such disabilities can be attributed; and

(c) The adoptive parents have exhausted all other available resources. Available resources include public income support programs, medical assistance, health insurance coverage, services available through community resources, and any other private or public benefits or resources available to the family or to the child to meet the child's special needs.

Subd. 3. Certification statement. The local social service agency shall certify a child's eligibility for a postadoption service grant in writing to the commissioner. The certification statement shall include:

(1) a description and history of the special needs upon which eligibility is based; and

(2) applicable supporting documentation including:

(i) the child's individual service plan;

(ii) medical, psychological, or special education evaluations;

(iii) documentation that all other resources have been exhausted; and

(iv) an estimate of the costs necessary to meet the special needs of the child.

Subd. 4. Commissioner review. The commissioner shall review the facts upon which eligibility is based and shall award postadoption service grants to eligible adoptive parents to the extent funds are appropriated consistent with subdivision 5.

Subd. 5. Grant payments. The amount of the postadoption service grant payment shall be based on the special needs of the child and the determination that other resources to meet

those special needs are not available. The amount of any grant payments shall be based on the severity of the child's disability and the effect of the disability on the family and must not exceed \$10,000 annually.

Permissible expenses that may be paid from grants shall be limited to:

- (1) medical expenses not covered by the family's health insurance or medical assistance;
- (2) therapeutic expenses, including individual and family therapy; and
- (3) nonmedical services, items, or equipment required to meet the special needs of the child.

The grants under this section shall not be used for maintenance for out-of-home placement of the child in substitute care.

259.89 ACCESS TO ORIGINAL BIRTH CERTIFICATE INFORMATION.

Subdivision 1. Request. An adopted person who is 19 years of age or over may request the commissioner of health to disclose the information on the adopted person's original birth certificate. The commissioner of health shall, within five days of receipt of the request, notify the commissioner of human services in writing of the request by the adopted person.

Subd. 2. Search. Within six months after receiving notice of the request of the adopted person, the commissioner of human services shall make complete and reasonable efforts to notify each parent identified on the original birth certificate of the adopted person. The commissioner, the commissioner's agents, and licensed child-placing agencies may charge a reasonable fee to the adopted person for the cost of making a search pursuant to this subdivision. Every licensed child-placing agency in the state shall cooperate with the commissioner of human services in efforts to notify an identified parent. All communications under this subdivision are confidential pursuant to section 13.02, subdivision 3.

For purposes of this subdivision, "notify" means a personal and confidential contact with the birth parents named on the original birth certificate of the adopted person. The contact shall not be by mail and shall be by an employee or agent of the licensed child-placing agency which processed the pertinent adoption or some other licensed child-placing agency designated by the commissioner of human services. The contact shall be evidenced by filing with the commissioner of health an affidavit of notification executed by the person who notified each parent certifying that each parent was given the following information:

- (a) The nature of the information requested by the adopted person;
- (b) The date of the request of the adopted person;
- (c) The right of the parent to file, within 30 days of receipt of the notice, an affidavit with the commissioner of health stating that the information on the original birth certificate should not be disclosed;
- (d) The right of the parent to file a consent to disclosure with the commissioner of health at any time; and
- (e) The effect of a failure of the parent to file either a consent to disclosure or an affidavit stating that the information on the original birth certificate should not be disclosed.

Subd. 3. Failure to notify parent. If the commissioner of human services certifies to the commissioner of health an inability to notify a parent identified on the original birth certificate within six months, and if neither identified parent has at any time filed an unrevoked consent to disclosure with the commissioner of health, the information may be disclosed as follows:

- (a) If the person was adopted prior to August 1, 1977, the person may petition the appropriate court for disclosure of the original birth certificate pursuant to section 259.61, and

the court shall grant the petition if, after consideration of the interests of all known persons involved, the court determines that disclosure of the information would be of greater benefit than nondisclosure.

(b) If the person was adopted on or after August 1, 1977, the commissioner of health shall release the requested information to the adopted person.

If either parent identified on the birth certificate has at any time filed with the commissioner of health an unrevoked affidavit stating that the information on the original birth certificate should not be disclosed, the commissioner of health shall not disclose the information to the adopted person until the affidavit is revoked by the filing of a consent to disclosure by that parent.

Subd. 4. Release of information after notice. If, within six months, the commissioner of human services certifies to the commissioner of health notification of each parent identified on the original birth certificate pursuant to subdivision 2, the commissioner of health shall disclose the information requested by the adopted person 31 days after the date of the latest notice to either parent. This disclosure will occur if, at any time during the 31 days both of the parents identified on the original birth certificate have filed a consent to disclosure with the commissioner of health and neither consent to disclosure has been revoked by the subsequent filing by a parent of an affidavit stating that the information should not be disclosed. If only one parent has filed a consent to disclosure and the consent has not been revoked, the commissioner of health shall disclose, to the adopted person, original birth certificate information on the consenting parent only.

Subd. 5. Death of parent. Notwithstanding the provisions of subdivisions 3 and 4, if a parent named on the original birth certificate of an adopted person has died, and at any time prior to the death the parent has filed an unrevoked affidavit with the commissioner of health stating that the information on the original birth certificate should not be disclosed, the adopted person may petition the court of original jurisdiction of the adoption proceeding for disclosure of the original birth certificate pursuant to section 259.61. The court shall grant the petition if, after consideration of the interests of all known persons involved, the court determines that disclosure of the information would be of greater benefit than nondisclosure.
