246.06 REPORTS.

On or before November 15 in each even-numbered year, the commissioner of human services shall make a report to the governor covering the biennial period ending June 30th preceding, therein giving observations and conclusions respecting each institution under control of the commissioner. This report shall contain the reports of the executive officers of the institutions, a statement of the visitations thereto, and when and by whom made, the name and salary of every employee of the commissioner, and of every officer and employee of the several institutions. Such report shall be published under the direction of the commissioner of administration and paid for out of the appropriation for public printing. The commissioner of human services shall make such other reports to the governor as the commissioner may from time to time require, or as the commissioner may deem necessary, relating to the condition and wants of the several institutions.

[For text of subds 1 and 2, see M.S.1996]

Subd. 3. Responsibilities of commissioner. The commissioner shall credit all receipts from billings for rates set in subdivision 1, except those credited according to subdivision 2, to the chemical dependency fund. This money must not be used for a regional treatment center activity that is not a chemical dependency service or an allocation of expenditures that are included in the base for computation of the rates under subdivision 1. The commissioner may expand chemical dependency services so long as expenditures are recovered by patient fees, transfer of funds, or supplementary appropriations. The commissioner may expand or reduce chemical dependency staff complement as long as expenditures are recovered by patient fees, transfer of funds, or supplementary appropriations. Notwithstanding chapters 176 and 268, the commissioner shall provide for the self-insurance of regional treatment center chemical dependency programs for the costs of reemployment insurance and workers' compensation claims.
