For corporations, the basis of property is its adjusted basis for federal income tax purposes, without regard to the time when the property became subject to tax under this chapter or to whether out-of-state losses or items of tax preference with respect to the property were not deductible under this chapter, except that the modifications to the basis for federal income tax purposes set forth in paragraphs (b) to (j) are allowed to corporations, and the resulting modifications to federal taxable income must be made in the year in which gain or loss on the sale or other disposition of property is recognized.

(b) The basis of property shall not be reduced to reflect federal investment tax credit.

(c) The basis of property subject to the accelerated cost recovery system under section 168 of the Internal Revenue Code shall be modified to reflect the modifications in depreciation with respect to the property provided for in subdivision 19e. For certified pollution control facilities for which amortization deductions were elected under section 169 of the Internal Revenue Code of 1954, the basis of the property must be increased by the amount of the amortization deduction not previously allowed under this chapter.

(d) For property acquired before January 1, 1933, the basis for computing a gain is the fair market value of the property as of that date. The basis for determining a loss is the cost of the property to the taxpayer less any depreciation, amortization, or depletion, actually sustained before that date. If the adjusted cost exceeds the fair market value of the property, then the basis is the adjusted cost regardless of whether there is a gain or loss.

(e) The basis is reduced by the allowance for amortization of bond premium if an election to amortize was made pursuant to Minnesota Statutes 1986, section 290.09, subdivision 13, and the allowance could have been deducted by the taxpayer under this chapter during the period of the taxpayer's ownership of the property.

(f) For assets placed in service before January 1, 1987, corporations, partnerships, or individuals engaged in the business of mining ores other than iron ore or taconite concentrates subject to the occupation tax under chapter 298 must use the occupation tax basis of property used in that business.

(g) For assets placed in service before January 1, 1990, corporations, partnerships, or individuals engaged in the business of mining iron ore or taconite concentrates subject to the occupation tax under chapter 298 must use the occupation tax basis of property used in that business.

(h) In applying the provisions of sections 301(c)(3)(B), 312(f) and (g), and 316(a)(1) of the Internal Revenue Code, the dates December 31, 1932, and January 1, 1933, shall be substituted for February 28, 1913, and March 1, 1913, respectively.

(i) In applying the provisions of section 362(a) and (c) of the Internal Revenue Code, the date December 31, 1956, shall be substituted for June 22, 1954.

(j) The basis of property shall be increased by the amount of intangible drilling costs not previously allowed due to differences between this chapter and the Internal Revenue Code.

(k) The adjusted basis of any corporate partner's interest in a partnership is the same as the adjusted basis for federal income tax purposes modified as required to reflect the basis modifications set forth in paragraphs (b) to (j). The adjusted basis of a partnership in which the partner is an individual, estate, or trust is the same as the adjusted basis for federal income tax purposes modified as required to reflect the basis modifications set forth in paragraphs (f) and (g).

(l) The modifications contained in paragraphs (b) to (j) also apply to the basis of property that is determined by reference to the basis of the same property in the hands of a different taxpayer or by reference to the basis of different property.

(m) If a corporation has a valid election in effect for the taxable year under section 1362 of the Internal Revenue Code, but is not allowed to be an "S" corporation under section 290.9725, and the corporation is liquidated or the individual shareholder disposes of the stock and there is no capital loss reflected in federal adjusted gross income because of the fact that corporate losses have exhausted the shareholders' basis for federal purposes, the shareholders shall be entitled to a capital loss commensurate to their Minnesota basis for the stock.

Subd. 19g. **ACRS modification for individuals.** (a) An individual is allowed a subtraction from federal taxable income for the amount of accelerated cost recovery system deductions that were added to federal adjusted gross income in computing Minnesota gross income for taxable year 1981, 1982, 1983, or 1984 and that were not deducted in a later taxable year. The deduction is allowed beginning in the first taxable year after the entire allowable deduction for the property has been allowed under federal law or the first taxable year beginning after December 31, 1987, whichever is later. The amount of the deduction is computed by deducting the amount added to federal adjusted gross income in computing Minnesota gross income (less any deduction allowed under Minnesota Statutes 1986, section 290.01, subdivision 20f) in equal annual amounts over five years.

(b) In the event of a sale or exchange of the property, a deduction is allowed equal to the lesser of (1) the remaining amount that would be allowed as a deduction under paragraph (a) or (2) the amount of capital gain recognized and the amount of cost recovery deductions that were subject to recapture under sections 1245 and 1250 of the Internal Revenue Code of 1986 for the taxable year.

(c) In the case of a corporation treated as an "S" corporation under section 290.9725, the amount of the corporation's cost recovery allowances that have been deducted in computing federal tax, but have been added to federal taxable income or not deducted in computing tax under this chapter as a result of the application of subdivision 19e, paragraphs (a) and (c) or Minnesota Statutes 1986, section 290.09, subdivision 7, is allowed as a deduction to the shareholders under the provisions of paragraph (a).

290.015 MINIMUM CONTACTS REQUIRED FOR JURISDICTION TO TAX TRADE OR BUSINESS.

[For text of subs 1 and 2, see M.S.1996]

Subd. 3. Exceptions. (a) A person is not subject to tax under this chapter if the person is engaged in the business of selling tangible personal property and taxation of that person under this chapter is precluded by Public Law Number 86-272, United States Code, title 15, sections 381 to 384, or would be so precluded except for the fact that the person stored tangible personal property in a state licensed facility under chapter 231.

(b) Ownership of an interest in the following types of property (including those contacts with this state reasonably required to evaluate and complete the acquisition or disposition of the property, the servicing of the property or the income from it, the collection of income from the property, or the acquisition or liquidation of collateral relating to the property) shall not be a factor in determining whether the owner is subject to tax under this chapter:

(1) an interest in a real estate mortgage investment conduit, a real estate investment trust, a financial asset securitization investment trust, or a regulated investment company or a fund of a regulated investment company, as those terms are defined in the Internal Revenue Code;

(2) an interest in money market instruments or securities as defined in section 290.191, subdivision 6, paragraphs (c) and (d);

(3) an interest in a loan-backed, mortgage-backed, or receivable-backed security representing either: (i) ownership in a pool of promissory notes, mortgages, or receivables or certificates of interest or participation in such notes, mortgages, or receivables, or (ii) debt obligations or equity interests which provide for payments in relation to payments or reasonable projections of payments on the notes, mortgages, or receivables;

(4) an interest acquired from a person in assets described in section 290.191, subdivision 11, paragraphs (e) to (l), subject to the provisions of paragraph (c), clause (2)(A);

(5) an interest acquired from a person in the right to service, or collect income from any assets described in section 290.191, subdivision 11, paragraphs (e) to (l), subject to the provisions of paragraph (c), clause (2)(A);

(6) an interest acquired from a person in a funded or unfunded agreement to extend or guarantee credit whether conditional, mandatory, temporary, standby, secured, or otherwise, subject to the provisions of paragraph (c), clause (2)(A);

(7) an interest of a person other than an individual, estate, or trust, in any intangible, tangible, real, or personal property acquired in satisfaction, whether in whole or in part, of any asset embodying a payment obligation which is in default, whether secured or unsecured, the ownership of an interest in which would be exempt under the preceding provisions of this subdivision, provided the property is disposed of within a reasonable period of time; or

(8) amounts held in escrow or trust accounts, pursuant to and in accordance with the terms of property described in this subdivision.

(c)(1) For purposes of paragraph (b), clauses (4) to (6), an interest in the type of assets or credit agreements described is deemed to exist at the time the owner becomes legally obligated, conditionally or unconditionally, to fund, acquire, renew, extend, amend, or otherwise enter into the credit arrangement.

(2)(A) An owner has acquired an interest from a person in paragraph (b), clauses (4) to (6), assets if:

(i) the owner at the time of the acquisition of the asset does not own, directly or indirectly, 15 percent or more of the outstanding stock or in the case of a partnership 15 percent or more of the capital or profit interests of the person from whom it acquired the asset;

(ii) the person from whom the owner acquired the asset regularly sells, assigns, or transfers interests in paragraph (b), clauses (4) to (6), assets during the 12 calendar months immediately preceding the month of acquisition to three or more persons; and

(iii) the person from whom the owner acquired the asset does not sell, assign, or transfer 75 percent or more of its paragraph (b), clauses (4) to (6), assets during the 12 calendar months immediately preceding the month of acquisition to the owner.

For purposes of determining indirect ownership under item (i), the owner is deemed to own all stock, capital, or profit interests owned by another person if the owner directly owns 15 percent or more of the stock, capital, or profit interests in the other person. The owner is also

deemed to own through any intermediary parties all stock, capital, and profit interests directly owned by a person to the extent there exists a 15 percent or more chain of ownership of stock, capital, or profit interests between the owner, intermediary parties and the person.

(B) If the owner of the asset is a member of the unitary group, paragraph (b), clauses (4) to (8), do not apply to an interest acquired from another member of the unitary group. If the interest in the asset was originally acquired from a nonunitary member and at that time qualified as a section 290.015, subdivision 3, paragraph (b), asset, the foregoing limitation does not apply.

Subd. 5. Determination at entity level. Determinations under this section with respect to trades or businesses conducted by a partnership, trust, estate, or corporation treated as an "S" corporation under section 290.9725, or any other entity, the income of which is or may be taxed to its owners or beneficiaries must be made with respect to the entity carrying on the trade or business and not with respect to owners or beneficiaries of the trade or business, the taxability of which under this chapter must be determined under section 290.014.

290.06 RATES OF TAX; CREDITS.

[For text of subds 1 to 10, see M.S.1996]

Subd. 22. Credit for taxes paid to another state. (a) A taxpayer who is liable for taxes on or measured by net income to another state or province or territory of Canada, as provided in paragraphs (b) through (f), upon income allocated or apportioned to Minnesota, is entitled to a credit for the tax paid to another state or province or territory of Canada if the tax is actually paid in the taxable year or a subsequent taxable year. A taxpayer who is a resident of this state pursuant to section 290.01, subdivision 7, clause (2), and who is subject to income tax as a resident in the state of the individual's domicile is not allowed this credit unless the state of domicile does not allow a similar credit.

(b) For an individual, estate, or trust, the credit is determined by multiplying the tax payable under this chapter by the ratio derived by dividing the income subject to tax in the other state or province or territory of Canada that is also subject to tax in Minnesota while a resident of Minnesota by the taxpayer's federal adjusted gross income, as defined in section 62 of the Internal Revenue Code, modified by the addition required by section 290.01, subdivision 19a, clause (1), and the subtraction allowed by section 290.01, subdivision 19b, clause (1), to the extent the income is allocated or assigned to Minnesota under sections 290.081 and 290.17.

(c) If the taxpayer is an athletic team that apportions all of its income under section 290.17, subdivision 5, paragraph (c), the credit is determined by multiplying the tax payable under this chapter by the ratio derived from dividing the total net income subject to tax in the other state or province or territory of Canada by the taxpayer's Minnesota taxable income.

(d) The credit determined under paragraph (b) or (c) shall not exceed the amount of tax so paid to the other state or province or territory of Canada on the gross income earned within the other state or province or territory of Canada subject to tax under this chapter, nor shall the allowance of the credit reduce the taxes paid under this chapter to an amount less than what would be assessed if such income amount was excluded from taxable net income.

(e) In the case of the tax assessed on a lump sum distribution under section 290.032, the credit allowed under paragraph (a) is the tax assessed by the other state or province or territory of Canada on the lump sum distribution that is also subject to tax under section 290.032, and shall not exceed the tax assessed under section 290.032. To the extent the total lump sum distribution defined in section 290.032, subdivision 1, includes lump sum distributions received in prior years or is all or in part an annuity contract, the reduction to the tax on the lump sum distribution allowed under section 290.032, subdivision 2, includes tax paid to another state that is properly apportioned to that distribution.

(f) If a Minnesota resident reported an item of income to Minnesota and is assessed tax in such other state or province or territory of Canada on that same income after the Minnesota

statute of limitations has expired, the taxpayer shall receive a credit for that year under paragraph (a), notwithstanding any statute of limitations to the contrary. The claim for the credit must be submitted within one year from the date the taxes were paid to the other state or province or territory of Canada. The taxpayer must submit sufficient proof to show entitlement to a credit.

(g) For the purposes of this subdivision, a resident shareholder of a corporation treated as an "S" corporation under section 290.9725, must be considered to have paid a tax imposed on the shareholder in an amount equal to the shareholder's pro rata share of any net income tax paid by the S corporation to another state. For the purposes of the preceding sentence, the term "net income tax" means any tax imposed on or measured by a corporation's net income.

(h) For the purposes of this subdivision, a resident partner of an entity taxed as a partnership under the Internal Revenue Code must be considered to have paid a tax imposed on the partner in an amount equal to the partner's pro rata share of any net income tax paid by the partnership to another state. For purposes of the preceding sentence, the term "net income" tax means any tax imposed on or measured by a partnership's net income.

(i) For the purposes of this subdivision, "another state" includes the District of Columbia, but does not include Puerto Rico or the several territories organized by Congress.

(j) The limitations on the credit in paragraphs (b), (c), and (d), are imposed on a state by state basis.

Subd. 23. Refund of contributions to political parties and candidates. (a) A taxpayer may claim a refund equal to the amount of the taxpayer's contributions made in the calendar year to candidates and to any political party. The maximum refund for an individual must not exceed \$50 and, for a married couple filing jointly, must not exceed \$100. A refund of a contribution is allowed only if the taxpayer files a form required by the commissioner and attaches to the form a copy of an official refund receipt form issued by the candidate or party and signed by the candidate, the treasurer of the candidate's principal campaign committee, or the party chair, after the contribution was received. The receipt forms must be numbered, and the data on the receipt that are not public must be made available to the campaign finance and public disclosure board upon its request. A claim must be filed with the commissioner not sooner than January 1 of the calendar year in which the contribution is made and no later than April 15 of the calendar year following the calendar year in which the contribution is made. A taxpayer may file only one claim per calendar year. Amounts paid by the commissioner after June 15 of the calendar year following the calendar year in which the contribution is made must include interest at the rate specified in section 270.76.

(b) No refund is allowed under this subdivision for a contribution to any candidate unless the candidate:

(1) has signed an agreement to limit campaign expenditures as provided in section 10A.322 or 10A.43;

(2) is seeking an office for which voluntary spending limits are specified in section 10A.25 or 10A.43; and

(3) has designated a principal campaign committee.

This subdivision does not limit the campaign expenditure of a candidate who does not sign an agreement but accepts a contribution for which the contributor improperly claims a refund.

(c) For purposes of this subdivision, "political party" means a major political party as defined in section 200.02, subdivision 7, or a minor political party qualifying for inclusion on the income tax or property tax refund form under section 10A.31, subdivision 3a.

A "major or minor party" includes the aggregate of the party organization within each house of the legislature, the state party organization, and the party organization within congressional districts, counties, legislative districts, municipalities, and precincts.

"Candidate" means a congressional candidate as defined in section 10A.41, subdivision 4, or a candidate as defined in section 10A.01, subdivision 5, except a candidate for judicial office.

"Contribution" means a gift of money.

(d) The commissioner shall make copies of the form available to the public and candidates upon request.

(e) The following data collected or maintained by the commissioner under this subdivision are private: the identities of individuals claiming a refund, the identities of candidates to whom those individuals have made contributions, and the amount of each contribution.

(f) The commissioner shall report to the campaign finance and public disclosure board by August 1 of each year a summary showing the total number and aggregate amount of political contribution refunds made on behalf of each candidate and each political party. These data are public.

(g) The amount necessary to pay claims for the refund provided in this section is appropriated from the general fund to the commissioner of revenue.

Subd. 25. Credit for property taxes paid on seasonal residential recreational property. A taxpayer may take as a credit against the tax due from the taxpayer and a spouse, if any, under this chapter the credit allowed under section 290A.04, subdivision 2j. The credit allowed may not exceed the tax due under this chapter. In the case of a nonresident, or a part-year resident, the credit must be allocated based on the ratio in subdivision 2c.

History: 1997 c 31 art 1 s 15; 1997 c 202 art 2 s 63; 1997 c 231 art 5 s 5; art 6 s 12

290.067 DEPENDENT CARE CREDIT.

Subdivision 1. Amount of credit. (a) A taxpayer may take as a credit against the tax due from the taxpayer and a spouse, if any, under this chapter an amount equal to the dependent care credit for which the taxpayer is eligible pursuant to the provisions of section 21 of the Internal Revenue Code subject to the limitations provided in subdivision 2 except that in determining whether the child qualified as a dependent, income received as an aid to families with dependent children grant or allowance to or on behalf of the child, or as a grant or allowance to or on behalf of the child under the successor program pursuant to Public Law 104-193, must not be taken into account in determining whether the child received more than half of the child's support from the taxpayer, and the provisions of section 32(b)(1)(D) of the Internal Revenue Code do not apply.

(b) If a child who has not attained the age of six years at the close of the taxable year is cared for at a licensed family day care home operated by the child's parent, the taxpayer is deemed to have paid employment-related expenses. If the child is 16 months old or younger at the close of the taxable year, the amount of expenses deemed to have been paid equals the maximum limit for one qualified individual under section 21(c) and (d) of the Internal Revenue Code. If the child is older than 16 months of age but has not attained the age of six years at the close of the taxable year, the amount of expenses deemed to have been paid equals the amount the licensee would charge for the care of a child of the same age for the same number of hours of care.

(c) If a married couple:

(1) has a child who has not attained the age of one year at the close of the taxable year;

(2) files a joint tax return for the taxable year; and

(3) does not participate in a dependent care assistance program as defined in section 129 of the Internal Revenue Code, in lieu of the actual employment related expenses paid for that child under paragraph (a) or the deemed amount under paragraph (b), the lesser of (i) the combined earned income of the couple or (ii) \$2,400 will be deemed to be the employment related expense paid for that child. The earned income limitation of section 21(d) of the Internal Revenue Code shall not apply to this deemed amount. These deemed amounts apply regardless of whether any employment-related expenses have been paid.

(d) If the taxpayer is not required and does not file a federal individual income tax return for the tax year, no credit is allowed for any amount paid to any person unless:

(1) the name, address, and taxpayer identification number of the person are included on the return claiming the credit; or

(2) if the person is an organization described in section 501(c)(3) of the Internal Revenue Code and exempt from tax under section 501(a) of the Internal Revenue Code, the name and address of the person are included on the return claiming the credit.

In the case of a failure to provide the information required under the preceding sentence, the preceding sentence does not apply if it is shown that the taxpayer exercised due diligence in attempting to provide the information required.

In the case of a nonresident, part-year resident, or a person who has earned income not subject to tax under this chapter, the credit determined under section 21 of the Internal Revenue Code must be allocated based on the ratio by which the earned income of the claimant and the claimant's spouse from Minnesota sources bears to the total earned income of the claimant and the claimant's spouse.

290.0671 MINNESOTA WORKING FAMILY CREDIT.

Subdivision 1. **Credit allowed.** An individual is allowed a credit against the tax imposed by this chapter equal to a percentage of the credit for which the individual is eligible under section 32 of the Internal Revenue Code. The percentage is 15 for individuals without a qualifying child, and 25 for individuals with at least one qualifying child. For purposes of this section, "qualifying child" has the meaning given in section 32(c)(3) of the Internal Revenue Code.

For a nonresident or part-year resident, the credit determined under section 32 of the Internal Revenue Code must be allocated based on the percentage calculated under section 290.06, subdivision 2c, paragraph (e).

For a person who was a resident for the entire tax year and has earned income not subject to tax under this chapter, the credit must be allocated based on the ratio of federal adjusted gross income reduced by the earned income not subject to tax under this chapter over federal adjusted gross income.

(b) The maximum placement fee qualifying for a credit under this section is \$8,000 per qualified graduate in the year hired. The maximum retention fee qualifying for a credit under this section is \$6,000 per qualified graduate retained as an employee per year. Only retention fees paid in the second and third years after the qualified graduate is hired qualify for the credit.

(c) A credit is allowed only up to the dollar amount of certificates, issued under subdivision 4, and provided by the job training program to the taxpayer.

Subd. 2. **Qualified job training program.** (a) To qualify for credits under this section, a job training program must satisfy the following requirements:

(1) It must be operated by a nonprofit corporation that qualifies under section 501(c)(3) of the Internal Revenue Code.

Subd. 3. **Qualified graduate.** A qualified graduate is a graduate of a job training program qualifying under subdivision 1, who is placed in a job in Minnesota that pays at least \$9

per hour or its equivalent. To qualify for a credit under this section for a retention fee, a job in which the graduate is retained must pay at least \$10 per hour at the end for the first and second years of employment. A business, other than the business that originally hired the graduate, may pay a retention fee for the graduate and qualify for the credit.

Subd. 4. Duties of program. (a) Each program certified by the commissioner under subdivision 2 must comply with the requirements of this subdivision.

(b) Each program must maintain records for each graduate for which the program provides a credit certificate to an employer. These records must include information sufficient to verify the graduate's eligibility under this section, identify the employer, describe the job including its compensation rate and benefits, and determine the amount of placement and retention fees received.

(c) Each program must report to the commissioner of revenue by January 1, 1999, and by January 1, 2001, on its use of the credit. Each report must include, at least, information on:

Subd. 5. Issuance of credit certificates. (a) The total amount of credits under this section is limited to \$1,200,000 for taxable years beginning after December 31, 1996, and before January 1, 2002. 1997	\$100,000
1998	\$200,000
1999	\$300,000
2000	\$300,000
2001	\$300,000

Unused certificates for a taxable year carry over and may be used for a later taxable year, regardless of when issued by the commissioner.

(b) Upon application, the commissioner of children, families, and learning shall issue certificates to job training programs, certified under subdivision 2, up to the dollar amount available for the taxable year. The certificates must be in a dollar amount that is no greater than the dollar amount applied for, and reflects the commissioner's estimate of the job training program's projected fees for placements and retentions of qualifying graduates. The commissioner shall issue the certificates in the order in which applications are received until the available authority has been issued.

(c) To the extent available, the job training program must provide to employers of its qualified graduates certificates issued by the commissioner of children, families, and learning under this subdivision.

Subd. 6. Nonrefundable. The taxpayer must use the tax credit for the taxable year in which the certificate is issued to the employer. The credit for the taxable year may not exceed the liability for tax under section 290.06, subdivision 1, for the taxable year, before reduction by the nonrefundable credits allowed under this chapter.

Subd. 7. Manner of claiming. The commissioner shall prescribe the manner in which the credit may be claimed. This may include allowing the credit only as a separately processed claim for a refund.

Subd. 8. Expiration. This section expires effective for taxable years beginning after December 31, 2001.

290.0674 MINNESOTA EDUCATION CREDIT.

Subdivision 1. Credit allowed. An individual is allowed a credit against the tax imposed by this chapter in an amount equal to the amount paid for education-related expenses for a dependent in kindergarten through grade 12. For purposes of this section, "education-related expenses" means:

(1) fees or tuition for instruction by an instructor under section 120.101, subdivision 7, clause (1), (2), (3), (4), or (5), for instruction outside the regular school day or school year, including tutoring, driver's education taken as part of school curriculum, or summer camps, in grade or age appropriate curricula that supplement curricula and instruction available during the regular school year, that assists a dependent to improve knowledge of core curriculum areas or to expand knowledge and skills under the graduation rule under section 121.11, subdivision 7c, and that do not include the teaching of religious tenets, doctrines, or worship, the purpose of which is to instill such tenets, doctrines, or worship;

(2) expenses for textbooks, including books and other instructional materials and equipment used in elementary and secondary schools in teaching only those subjects legally and commonly taught in public elementary and secondary schools in this state. "Textbooks" does not include instructional books and materials used in the teaching of religious tenets, doctrines, or worship, the purpose of which is to instill such tenets, doctrines, or worship, nor does it include books or materials for extracurricular activities including sporting events, musical or dramatic events, speech activities, driver's education, or similar programs;

(3) a maximum expense of \$200 per family for personal computer hardware, excluding single purpose processors, and educational software that assists a dependent to improve knowledge of core curriculum areas or to expand knowledge and skills under the graduation rule under section 121.11, subdivision 7c, purchased for use in the taxpayer's home and not used in a trade or business regardless of whether the computer is required by the dependent's school; and

(4) the amount paid to others for transportation of a dependent attending an elementary or secondary school situated in Minnesota, North Dakota, South Dakota, Iowa, or Wisconsin, wherein a resident of this state may legally fulfill the state's compulsory attendance laws, which is not operated for profit, and which adheres to the provisions of the Civil Rights Act of 1964 and chapter 363.

Subd. 2. Limitations. (a) For claimants with income not greater than \$33,500, the maximum credit allowed is \$1,000 per child and \$2,000 per family. No credit is allowed for education-related expenses for claimants with income greater than \$33,500. For purposes of this section "income" has the meaning given in section 290.067, subdivision 2a. In the case of a married claimant, a credit is not allowed unless a joint income tax return is filed.

(b) For a nonresident or part-year resident, the credit determined under subdivision 1 and the maximum credit amount in paragraph (a) must be allocated using the percentage calculated in section 290.06, subdivision 2c, paragraph (e).

Subd. 3. Reduction by alternative minimum tax liability. The amount of the credit allowed must be reduced by the amount of the taxpayer's liability under section 290.091, determined before the credit allowed by this section is subtracted from regular tax liability.

Subd. 4. Credit to be refundable. If the amount of credit that the claimant is eligible to receive under this section exceeds the claimant's tax liability under this chapter, the commissioner shall refund the excess to the claimant.

Subd. 5. Appropriation. An amount sufficient to pay the refunds required by this section is appropriated to the commissioner from the general fund.

290.095 OPERATING LOSS DEDUCTION.

[For text of subs 1 to 2, see M.S.1996]

Subd. 3. **Carryover.** (a) A net operating loss incurred in a taxable year: (i) beginning after December 31, 1986, shall be a net operating loss carryover to each of the 15 taxable years following the taxable year of such loss; (ii) beginning before January 1, 1987, shall be a net operating loss carryover to each of the five taxable years following the taxable year of such loss subject to the provisions of Minnesota Statutes 1986, section 290.095; and (iii) beginning before January 1, 1987, shall be a net operating loss carryback to each of the three taxable years preceding the loss year subject to the provisions of Minnesota Statutes 1986, section 290.095.

290.17 GROSS INCOME, ALLOCATION TO STATE.

Subdivision 1. **Scope of allocation rules.** (a) The income of resident individuals is not subject to allocation outside this state. The allocation rules apply to nonresident individuals, estates, trusts, nonresident partners of partnerships, nonresident shareholders of corporations treated as "S" corporations under section 290.9725, and all corporations not having

such an election in effect. If a partnership or corporation would not otherwise be subject to the allocation rules, but conducts a trade or business that is part of a unitary business involving another legal entity that is subject to the allocation rules, the partnership or corporation is subject to the allocation rules.

(b) Expenses, losses, and other deductions (referred to collectively in this paragraph as “deductions”) must be allocated along with the item or class of gross income to which they are definitely related for purposes of assignment under this section or apportionment under section 290.191, 290.20, 290.35, or 290.36. Deductions not definitely related to any item or class of gross income are assigned to the taxpayer’s domicile.

(c) In the case of an individual who is a resident for only part of a taxable year, the individual’s income, gains, losses, and deductions from the distributive share of a partnership, S corporation, trust, or estate are not subject to allocation outside this state to the extent of the distributive share multiplied by a ratio, the numerator of which is the number of days the individual was a resident of this state during the tax year of the partnership, S corporation, trust, or estate, and the denominator of which is the number of days in the taxable year of the partnership, S corporation, trust, or estate.

Subd. 2. Income not derived from conduct of a trade or business. The income of a taxpayer subject to the allocation rules that is not derived from the conduct of a trade or business must be assigned in accordance with paragraphs (a) to (f):

(a)(1) Subject to paragraphs (a)(2) and (a)(3), income from labor or personal or professional services is assigned to this state if, and to the extent that, the labor or services are performed within it; all other income from such sources is treated as income from sources without this state.

Severance pay shall be considered income from labor or personal or professional services.

(2) In the case of an individual who is a nonresident of Minnesota and who is an athlete or entertainer, income from compensation for labor or personal services performed within this state shall be determined in the following manner:

(i) The amount of income to be assigned to Minnesota for an individual who is a nonresident salaried athletic team employee shall be determined by using a fraction in which the denominator contains the total number of days in which the individual is under a duty to perform for the employer, and the numerator is the total number of those days spent in Minnesota. For purposes of this paragraph, off-season training activities, unless conducted at the team’s facilities as part of a team imposed program, are not included in the total number of duty days. Bonuses earned as a result of play during the regular season or for participation in championship, play-off, or all-star games must be allocated under the formula. Signing bonuses are not subject to allocation under the formula if they are not conditional on playing any games for the team, are payable separately from any other compensation, and are nonrefundable; and

(ii) The amount of income to be assigned to Minnesota for an individual who is a nonresident, and who is an athlete or entertainer not listed in clause (i), for that person’s athletic or entertainment performance in Minnesota shall be determined by assigning to this state all income from performances or athletic contests in this state.

(3) For purposes of this section, amounts received by a nonresident as “retirement income” as defined in section (b)(1) of the State Income Taxation of Pension Income Act, Public Law Number 104-95, are not considered income derived from carrying on a trade or business or from performing personal or professional services in Minnesota, and are not taxable under this chapter.

(b) Income or gains from tangible property located in this state that is not employed in the business of the recipient of the income or gains must be assigned to this state.

(c) Income or gains from intangible personal property not employed in the business of the recipient of the income or gains must be assigned to this state if the recipient of the income or gains is a resident of this state or is a resident trust or estate.

Gain on the sale of a partnership interest is allocable to this state in the ratio of the original cost of partnership tangible property in this state to the original cost of partnership tangi-

ble property everywhere, determined at the time of the sale. If more than 50 percent of the value of the partnership's assets consists of intangibles, gain or loss from the sale of the partnership interest is allocated to this state in accordance with the sales factor of the partnership for its first full tax period immediately preceding the tax period of the partnership during which the partnership interest was sold.

Gain on the sale of goodwill or income from a covenant not to compete that is connected with a business operating all or partially in Minnesota is allocated to this state to the extent that the income from the business in the year preceding the year of sale was assignable to Minnesota under subdivision 3.

When an employer pays an employee for a covenant not to compete, the income allocated to this state is in the ratio of the employee's service in Minnesota in the calendar year preceding leaving the employment of the employer over the total services performed by the employee for the employer in that year.

(d) Income from winnings on Minnesota pari-mutuel betting tickets, the Minnesota state lottery, and lawful gambling as defined in section 349.12, subdivision 24, conducted within the boundaries of the state of Minnesota shall be assigned to this state.

(e) All items of gross income not covered in paragraphs (a) to (d) and not part of the taxpayer's income from a trade or business shall be assigned to the taxpayer's domicile.

[For text of subd 3, see M.S.1996]

Subd. 4. Unitary business principle. (a) If a trade or business conducted wholly within this state or partly within and partly without this state is part of a unitary business, the entire income of the unitary business is subject to apportionment pursuant to section 290.191. Notwithstanding subdivision 2, paragraph (c), none of the income of a unitary business is considered to be derived from any particular source and none may be allocated to a particular place except as provided by the applicable apportionment formula. The provisions of this subdivision do not apply to farm income subject to subdivision 5, paragraph (a), business income subject to subdivision 5, paragraph (b) or (c), income of an insurance company determined under section 290.35, or income of an investment company determined under section 290.36.

(b) The term "unitary business" means business activities or operations which are of mutual benefit, dependent upon, or contributory to one another, individually or as a group. The term may be applied within a single legal entity or between multiple entities and without regard to whether each entity is a corporation, a partnership or a trust.

(c) Unity is presumed whenever there is unity of ownership, operation, and use, evidenced by centralized management or executive force, centralized purchasing, advertising, accounting, or other controlled interaction, but the absence of these centralized activities will not necessarily evidence a nonunitary business.

(d) Where a business operation conducted in Minnesota is owned by a business entity that carries on business activity outside the state different in kind from that conducted within this state, and the other business is conducted entirely outside the state, it is presumed that the two business operations are unitary in nature, interrelated, connected, and interdependent unless it can be shown to the contrary.

(e) Unity of ownership is not deemed to exist when a corporation is involved unless that corporation is a member of a group of two or more business entities and more than 50 percent of the voting stock of each member of the group is directly or indirectly owned by a common owner or by common owners, either corporate or noncorporate, or by one or more of the member corporations of the group. For this purpose, the term "voting stock" shall include membership interests of mutual insurance holding companies formed under section 60A.077.

(f) The net income and apportionment factors under section 290.191 or 290.20 of foreign corporations and other foreign entities which are part of a unitary business shall not be included in the net income or the apportionment factors of the unitary business. A foreign corporation or other foreign entity which is required to file a return under this chapter shall file on a separate return basis. The net income and apportionment factors under section

290.191 or 290.20 of foreign operating corporations shall not be included in the net income or the apportionment factors of the unitary business except as provided in paragraph (g).

(g) The adjusted net income of a foreign operating corporation shall be deemed to be paid as a dividend on the last day of its taxable year to each shareholder thereof, in proportion to each shareholder's ownership, with which such corporation is engaged in a unitary business. Such deemed dividend shall be treated as a dividend under section 290.21, subdivision 4.

Dividends actually paid by a foreign operating corporation to a corporate shareholder which is a member of the same unitary business as the foreign operating corporation shall be eliminated from the net income of the unitary business in preparing a combined report for the unitary business. The adjusted net income of a foreign operating corporation shall be its net income adjusted as follows:

(1) any taxes paid or accrued to a foreign country, the commonwealth of Puerto Rico, or a United States possession or political subdivision of any of the foregoing shall be a deduction; and

(2) the subtraction from federal taxable income for payments received from foreign corporations or foreign operating corporations under section 290.01, subdivision 19d, clause (11), shall not be allowed.

If a foreign operating corporation incurs a net loss, neither income nor deduction from that corporation shall be included in determining the net income of the unitary business.

(h) For purposes of determining the net income of a unitary business and the factors to be used in the apportionment of net income pursuant to section 290.191 or 290.20, there must be included only the income and apportionment factors of domestic corporations or other domestic entities other than foreign operating corporations that are determined to be part of the unitary business pursuant to this subdivision, notwithstanding that foreign corporations or other foreign entities might be included in the unitary business.

(i) Deductions for expenses, interest, or taxes otherwise allowable under this chapter that are connected with or allocable against dividends, deemed dividends described in paragraph (g), or royalties, fees, or other like income described in section 290.01, subdivision 19d, clause (11), shall not be disallowed.

(j) Each corporation or other entity that is part of a unitary business must file combined reports as the commissioner determines. On the reports, all intercompany transactions between entities included pursuant to paragraph (h) must be eliminated and the entire net income of the unitary business determined in accordance with this subdivision is apportioned among the entities by using each entity's Minnesota factors for apportionment purposes in the numerators of the apportionment formula and the total factors for apportionment purposes of all entities included pursuant to paragraph (h) in the denominators of the apportionment formula.

(k) If a corporation has been divested from a unitary business and is included in a combined report for a fractional part of the common accounting period of the combined report:

(1) its income includable in the combined report is its income incurred for that part of the year determined by proration or separate accounting; and

(2) its sales, property, and payroll included in the apportionment formula must be prorated or accounted for separately.

290.171 ENACTMENT OF MULTISTATE TAX COMPACT.

The "multistate tax compact" is hereby enacted into law to the extent provided in this section and entered into with all jurisdictions legally joining therein, in the form substantially as follows:

Article I. Purposes.

The purposes of this compact are to:

1. Facilitate proper determination of state and local tax liability of multistate taxpayers, including the equitable apportionment of tax bases and settlement of apportionment disputes.
2. Promote uniformity or compatibility in significant components of tax systems.
3. Facilitate taxpayer convenience and compliance in the filing of tax returns and in other phases of tax administration.
4. Avoid duplicative taxation.

Article II. Definitions.

As used in this compact:

1. "State" means a state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or any territory or possession of the United States.
2. "Subdivision" means any governmental unit or special district of a state.
3. "Taxpayer" means any corporation, partnership, firm, association, governmental unit or agency or person acting as a business entity in more than one state.
4. "Income tax" means a tax imposed on or measured by net income including any tax imposed on or measured by an amount arrived at by deducting expenses from gross income, one or more forms of which expenses are not specifically and directly related to particular transactions.
5. "Capital stock tax" means a tax measured in any way by the capital of a corporation considered in its entirety.
6. "Gross receipts tax" means a tax, other than a sales tax, which is imposed on or measured by the gross volume of business, in terms of gross receipts or in other terms, and in the determination of which no deduction is allowed which would constitute the tax an income tax.
7. "Sales tax" means a tax imposed with respect to the transfer for a consideration of ownership, possession or custody of tangible personal property or the rendering of services measured by the price of the tangible personal property transferred or services rendered and which is required by state or local law to be separately stated from the sales price by the seller, or which is customarily separately stated from the sales price, but does not include a tax imposed exclusively on the sale of a specifically identified commodity or article or class of commodities or articles.
8. "Use tax" means a nonrecurring tax, other than a sales tax, which (a) is imposed on or with respect to the exercise or enjoyment of any right or power over tangible personal property incident to the ownership, possession or custody of that property or the leasing of that property from another including any consumption, keeping, retention, or other use of tangible personal property and (b) is complementary to a sales tax.
9. "Tax" means an income tax, capital stock tax, gross receipts tax, sales tax, use tax, and any other tax which has a multistate impact, except that the provisions of article V of this compact shall apply only to the taxes specifically designated therein.

Article III. Elements of Income Tax Laws.

Article IV. Division of Income.

Article V. Elements of Sales and Use Tax Laws.

Tax Credit.

1. Each purchaser liable for a use tax on tangible personal property shall be entitled to full credit for the combined amount or amounts of legally imposed sales or use taxes paid by him with respect to the same property to another state and any subdivision thereof. The credit shall be applied first against the amount of any use tax due the state, and any unused portion of the credit shall then be applied against the amount of any use tax due a subdivision.

2. Whenever a vendor receives and accepts in good faith from a purchaser a resale or other exemption certificate or other written evidence of exemption authorized by the appropriate state or subdivision taxing authority, the vendor shall be relieved of liability for a sales or use tax with respect to the transaction.

Article VI. The Commission.
Organization and Management.

1. (a) The multistate tax commission is hereby established. It shall be composed of one "member" from each party state who shall be the head of the state agency charged with the administration of the types of taxes to which this compact applies. If there is more than one such agency the state shall provide by law for the selection of the commission member from the heads of the relevant agencies. State law may provide that a member of the commission be represented by an alternate but only if there is on file with the commission written notification of the designation and identity of the alternate. The attorney general of each party state or his designee, or other counsel if the laws of the party state specifically provide, shall be entitled to attend the meetings of the commission, but shall not vote. Such attorneys general, designees, or other counsel shall receive all notices of meetings required under paragraph 1(e) of this article.

(b) Each party state shall provide by law for the selection of representatives from its subdivisions affected by this compact to consult with the commission member from that state.

(c) Each member shall be entitled to one vote. The commission shall not act unless a majority of the members are present, and no action shall be binding unless approved by a majority of the total number of members.

(d) The commission shall adopt an official seal to be used as it may provide.

(e) The commission shall hold an annual meeting and such other regular meetings as its bylaws may provide and such special meetings as its executive committee may determine. The commission bylaws shall specify the dates of the annual and any other regular meetings, and shall provide for the giving of notice of annual, regular and special meetings. Notices of special meetings shall include the reasons therefor and an agenda of the items to be considered.

(f) The commission shall elect annually, from among its members, a chairman, a vice-chairman and a treasurer. The commission shall appoint an executive director who shall serve at its pleasure, and it shall fix his duties and compensation. The executive director shall be secretary of the commission. The commission shall make provision for the bonding of such of its officers and employees as it may deem appropriate.

(g) Irrespective of the civil service, personnel or other merit system laws of any party state, the executive director shall appoint or discharge such personnel as may be necessary for the performance of the functions of the commission and shall fix their duties and compensation. The commission bylaws shall provide for personnel policies and programs.

(h) The commission may borrow, accept or contract for the services of personnel from any state, the United States, or any other governmental entity.

(i) The commission may accept for any of its purposes and functions any and all donations and grants of money, equipment, supplies, materials and services, conditional or otherwise, from any governmental entity, and may utilize and dispose of the same.

(j) The commission may establish one or more offices for the transacting of its business.

(k) The commission shall adopt bylaws for the conduct of its business. The commission shall publish its bylaws in convenient form, and shall file a copy of the bylaws and any amendments thereto with the appropriate agency or officer in each of the party states.

(l) The commission annually shall make to the governor of each party state a report covering its activities for the preceding year. Any donation or grant accepted by the commission or services borrowed shall be reported in the annual report of the commission, and shall include the nature, amount and conditions, if any, of the donation, gift, grant or services borrowed and the identity of the donor or lender. The commission may make additional reports as it may deem desirable.

Committees.

2. (a) To assist in the conduct of its business when the full commission is not meeting, the commission shall have an executive committee of seven members, including the chairman, vice chairman, treasurer and four other members elected annually by the commission. The executive committee, subject to the provisions of this compact and consistent with the policies of the commission, shall function as provided in the bylaws of the commission.

(b) The commission may establish advisory and technical committees, membership on which may include private persons and public officials, in furthering any of its activities. Such committees may consider any matter of concern to the commission, including problems of special interest to any party state and problems dealing with particular types of taxes.

(c) The commission may establish such additional committees as its bylaws may provide.

Powers.

3. In addition to powers conferred elsewhere in this compact, the commission shall have power to:

(a) Study state and local tax systems and particular types of state and local taxes.

(b) Develop and recommend proposals for an increase in uniformity or compatibility of state and local tax laws with a view toward encouraging the simplification and improvement of state and local tax law and administration.

(c) Compile and publish information as in its judgment would assist the party states in implementation of the compact and taxpayers in complying with state and local tax laws.

(d) Do all things necessary and incidental to the administration of its functions pursuant to this compact.

Finance.

4. (a) The commission shall submit to the governor or designated officer or officers of each party state a budget of its estimated expenditures for such period as may be required by the laws of that state for presentation to the legislature thereof.

(b) Each of the commission's budgets of estimated expenditures shall contain specific recommendations of the amounts to be appropriated by each of the party states. The total amount of appropriations requested under any such budget shall be apportioned among the party states as follows: one-tenth in equal shares; and the remainder in proportion to the amount of revenue collected by each party state and its subdivisions from income taxes, capital stock taxes, gross receipts taxes, sales and use taxes. In determining such amounts, the commission shall employ such available public sources of information as, in its judgment, present the most equitable and accurate comparisons among the party states. Each of the commission's budgets of estimated expenditures and requests for appropriations shall indicate the sources used in obtaining information employed in applying the formula contained in this paragraph.

(c) The commission shall not pledge the credit of any party state. The commission may meet any of its obligations in whole or in part with funds available to it under paragraph 1(i) of this article, provided that the commission takes specific action setting aside such funds prior to incurring any obligation to be met in whole or in part in such manner. Except where the commission makes use of funds available to it under paragraph 1(i), the commission shall not incur any obligation prior to the allotment of funds by the party states adequate to meet the same.

(d) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its bylaws. All receipts and disbursements of funds handled by the commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the commission.

(e) The accounts of the commission shall be open at any reasonable time for inspection by duly constituted officers of the party states and by any persons authorized by the commission.

(f) Nothing contained in this article shall be construed to prevent commission compliance with laws relating to audit or inspection of accounts by or on behalf of any government contributing to the support of the commission.

Article VII. Uniform Regulations and Forms.

1. Whenever any two or more party states, or subdivisions of party states, have uniform or similar provisions of law relating to an income tax, capital stock tax, gross receipts tax, sales or use tax, the commission may adopt uniform regulations for any phase of the administration of such law, including assertion of jurisdiction to tax, or prescribing uniform tax forms.

2. Prior to the adoption of any regulation, the commission shall:

(a) As provided in its bylaws, hold at least one public hearing on due notice to all affected party states and subdivisions thereof and to all taxpayers and other persons who have made timely request of the commission for advance notice of its regulation-making proceedings.

(b) Afford all affected party states and subdivisions and interested persons an opportunity to submit relevant written data and views, which shall be considered fully by the commission.

3. The commission shall submit any regulations adopted by it to the appropriate officials of all party states and subdivisions to which they might apply. Each such state and subdivision shall consider any such regulation for adoption in accordance with its own laws and procedures.

Article VIII. Interstate Audits.

1. Any party state or subdivision thereof desiring to make or participate in an audit of any accounts, books, papers, records or other documents may request the commission to perform the audit on its behalf. In responding to the request, the commission shall have access to and may examine, at any reasonable time, such accounts, books, papers, records, and other documents and any relevant property or stock of merchandise. The commission may enter into agreements with party states or their subdivisions for assistance in performance of the audit. The commission shall make charges, to be paid by the state or local government or governments for which it performs the service, for any audits performed by it in order to reimburse itself for the actual costs incurred in making the audit.

2. The commission may require the attendance of any person within the state where it is conducting an audit or part thereof at a time and place fixed by it within such state for the purpose of giving testimony with respect to any account, book, paper, document, other record, property or stock of merchandise being examined in connection with the audit. If the person is not within the jurisdiction, he may be required to attend for such purpose at any time and place fixed by the commission within the state of which he is a resident, provided that such state has adopted this article.

3. The commission may apply to any court having power to issue compulsory process for orders in aid of its powers and responsibilities pursuant to this article and any and all such courts shall have jurisdiction to issue such orders. Failure of any person to obey any such order shall be punishable as contempt of the issuing court. If the party or subject matter on account of which the commission seeks an order is within the jurisdiction of the court to which application is made, such application may be to a court in the state or subdivision on behalf of which the audit is being made or a court in the state in which the object of the order being sought is situated. The provisions of this paragraph apply only to courts in a state that has adopted this article.

4. The commission may decline to perform any audit requested if it finds that its available personnel or other resources are insufficient for the purpose or that, in the terms requested, the audit is impracticable of satisfactory performance. If the commission, on the basis of its experience, has reason to believe that an audit of a particular taxpayer, either at a particular time or on a particular schedule, would be of interest to a number of party states or their subdivisions, it may offer to make the audit or audits, the offer to be contingent on sufficient participation therein as determined by the commission.

5. Information obtained by any audit pursuant to this article shall be confidential and available only for tax purposes to party states, their subdivisions or the United States. Availability of information shall be in accordance with the laws of the states or subdivisions on whose account the commission performs the audit, and only through the appropriate agencies or officers of such states or subdivisions. Nothing in this article shall be construed to require any taxpayer to keep records for any period not otherwise required by law.

6. Other arrangements made or authorized pursuant to law for cooperative audit by or on behalf of the party states or any of their subdivisions are not superseded or invalidated by this article.

7. In no event shall the commission make any charge against a taxpayer for an audit.

8. As used in this article, "tax," in addition to the meaning ascribed to it in article II, means any tax or license fee imposed in whole or in part for revenue purposes.

Article IX. Arbitration.

1. Whenever the commission finds a need for settling disputes concerning apportionments and allocations by arbitration, it may adopt a regulation placing this article in effect, notwithstanding the provisions of article VII.

2. The commission shall select and maintain an arbitration panel composed of officers and employees of state and local governments and private persons who shall be knowledgeable and experienced in matters of tax law and administration.

3. Whenever the laws of the party states or subdivisions thereof are substantially identical with the relevant provisions of this chapter, the taxpayer, by written notice to the commission and to each party state or subdivision thereof that would be affected, may secure arbitration of an apportionment or allocation, if he is dissatisfied with the final administrative determination of the tax agency of the state or subdivision with respect thereto on the ground that it would subject him to double or multiple taxation by two or more party states or subdivisions thereof. Each party state and subdivision thereof hereby consents to the arbitration as provided herein, and agrees to be bound thereby.

4. The arbitration board shall be composed of one person selected by the taxpayer, one by the agency or agencies involved, and one member of the commission's arbitration panel. If the agencies involved are unable to agree on the person to be selected by them, such person shall be selected by lot from the total membership of the arbitration panel. The two persons selected for the board in the manner provided by the foregoing provisions of this paragraph shall jointly select the third member of the board. If they are unable to agree on the selection, the third member shall be selected by lot from among the total membership of the arbitration panel. No member of a board selected by lot shall be qualified to serve if he is an officer or employee or is otherwise affiliated with any party to the arbitration proceeding. Residence within the jurisdiction of a party to the arbitration proceeding shall not constitute affiliation within the meaning of this paragraph.

5. The board may sit in any state or subdivision party to the proceeding, in the state of the taxpayer's incorporation, residence or domicile, in any state where the taxpayer does business, or in any place that it finds most appropriate for gaining access to evidence relevant to the matter before it.

6. The board shall give due notice of the times and places of its hearings. The parties shall be entitled to be heard, to present evidence, and to examine and cross-examine witnesses. The board shall act by majority vote.

7. The board shall have power to administer oaths, take testimony, subpoena and require the attendance of witnesses and the production of accounts, books, papers, records, and other documents, and issue commissions to take testimony. Subpoenas may be signed by any member of the board. In case of failure to obey a subpoena, and upon application by the board, any judge of a court of competent jurisdiction of the state in which the board is sitting or in which the person to whom the subpoena is directed may be found may make an order requiring compliance with the subpoena, and the court may punish failure to obey the order as a contempt. The provisions of this paragraph apply only in states that have adopted this article.

8. Unless the parties otherwise agree the expenses and other costs of the arbitration shall be assessed and allocated among the parties by the board in such manner as it may determine. The commission shall fix a schedule of compensation for members of arbitration boards and of other allowable expenses and costs. No officer or employee of a state or local government who serves as a member of a board shall be entitled to compensation therefor unless he is required on account of his service to forego the regular compensation attaching to his public employment, but any such board member shall be entitled to expenses.

9. The board shall determine the disputed apportionment or allocation and any matters necessary thereto. The determinations of the board shall be final for purposes of making the apportionment or allocation, but for no other purpose.

10. The board shall file with the commission and with each tax agency represented in the proceeding: the determination of the board; the board's written statement of its reasons therefor; the record of the board's proceedings; and any other documents required by the arbitration rules of the commission to be filed.

11. The commission shall publish the determinations of boards together with the statements of the reasons therefor.

12. The commission shall adopt and publish rules of procedure and practice and shall file a copy of such rules and of any amendment thereto with the appropriate agency or officer in each of the party states.

13. Nothing contained herein shall prevent at any time a written compromise of any matter or matters in dispute, if otherwise lawful, by the parties to the arbitration proceedings.

Article X. Entry Into Force and Withdrawal.

1. This compact shall become effective as to any other state upon its enactment. The commission shall arrange for notification of all party states whenever there is a new enactment of the compact.

2. Any party state may withdraw from this compact by enacting a statute repealing the same. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal.

3. No proceeding commenced before an arbitration board prior to the withdrawal of a state and to which the withdrawing state or any subdivision thereof is a party shall be discontinued or terminated by the withdrawal, nor shall the board thereby lose jurisdiction over any of the parties to the proceeding necessary to make a binding determination therein.

Article XI. Effect on Other Laws and Jurisdictions.

Nothing in this compact shall be construed to:

(a) Affect the power of any state or subdivision thereof to fix rates of taxation.

(b) Apply to any tax or fixed fee imposed for the registration of a motor vehicle or any tax on motor fuel, other than a sales tax, provided that the definition of "tax" in article VIII 9 may apply for the purposes of that article and the commission's powers of study and recommendation pursuant to article VI 3 may apply.

(c) Withdraw or limit the jurisdiction of any state or local court or administrative officer or body with respect to any person, corporation or other entity or subject matter, except to the extent that such jurisdiction is expressly conferred by or pursuant to this compact upon another agency or body.

(d) Supersede or limit the jurisdiction of any court of the United States.

Article XII. Construction and Severability.

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the constitution of any state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating therein, the compact shall re-

main in full force and effect as to the remaining party states and in full force and effect as to the state affected as to all severable matters.

290.191 APPORTIONMENT OF NET INCOME.

[For text of subs 1 to 3, see M.S.1996]

Subd. 4. Apportionment formula for certain mail order businesses. If the business of a corporation, partnership, or proprietorship consists exclusively of the selling of tangible personal property and services in response to orders received by United States mail, telephone, facsimile, or other electronic media, and 99 percent of the taxpayer's property and payroll is within Minnesota, then the taxpayer may apportion net income to Minnesota based solely upon the percentage that the sales made within this state in connection with its trade or business during the tax period are of the total sales wherever made in connection with the trade or business during the tax period. Property and payroll factors are disregarded. In determining eligibility for this subdivision:

(1) the sale not in the ordinary course of business of tangible or intangible assets used in conducting business activities must be disregarded; and

(2) property and payroll at a distribution center outside of Minnesota are disregarded if the sole activity at the distribution center is the filling of orders, and no solicitation of orders occurs at the distribution center.

290.35 INSURANCE COMPANIES; REPORT OF NET INCOME; COMPUTATION OF AMOUNT OF INCOME ALLOCABLE TO STATE.

[For text of subd 1, see M.S.1996]

Subd. 2. Apportionment of taxable net income. The commissioner shall compute therefrom the taxable net income of such companies by assigning to this state that proportion thereof which the gross premiums collected by them during the taxable year from old and new business within this state bears to the total gross premiums collected by them during that year from their entire old and new business, including reinsurance premiums; provided, the commissioner shall add to the taxable net income so apportioned to this state the amount of any taxes on premiums paid by the company by virtue of any law of this state (other than the surcharge on premiums imposed by sections 69.54 to 69.56 and the surcharge imposed by section 168A.40, subdivision 3) which shall have been deducted from gross income by the company in arriving at its total net income under the provisions of such act of Congress.

(a) For purposes of determining the Minnesota apportionment percentage, premiums from reinsurance contracts in connection with property in or liability arising out of activity in, or in connection with the lives or health of Minnesota residents shall be assigned to Minnesota and premiums from reinsurance contracts in connection with property in or liability arising out of activity in, or in connection with the lives or health of non-Minnesota residents shall be assigned outside of Minnesota. Reinsurance premiums are presumed to be received for a Minnesota risk and are assigned to Minnesota, if:

(1) the reinsurance contract is assumed for a company domiciled in Minnesota; and

(2) the taxpayer, upon request of the commissioner, fails to provide reliable records indicating the reinsured contract covered non-Minnesota risks.

For purposes of this paragraph, "Minnesota risk" means coverage in connection with property in or liability arising out of activity in Minnesota, or in connection with the lives or health of Minnesota residents.

(b) The apportionment method prescribed by paragraph (a) shall be presumed to fairly and correctly determine the taxpayer's taxable net income. If the method prescribed in para-

graph (a) does not fairly reflect all or any part of taxable net income, the taxpayer may petition for or the commissioner may require the determination of taxable net income by use of another method if that method fairly reflects taxable net income. A petition within the meaning of this section must be filed by the taxpayer on such form as the commissioner shall require.

(2) a timely return has been filed under section 289A.08;

(3) the corporation is exempt from taxation under this chapter pursuant to section 290.05;

(4) the corporation's activities in Minnesota, or the interests in property which it owns, consist solely of activities or property exempted from jurisdiction to tax under section 290.015, subdivision 3, paragraph (b); or

290.92 TAX WITHHELD AT SOURCE UPON WAGES; OTHER PAYMENTS.

[For text of subs 1 to 23, see M.S.1996]

Subd. 24. Application for account number. An employer, or person withholding tax under section 290.923, desiring to engage in business in Minnesota shall file with the commissioner an application for a withholding account number on or before the date the employer is required to withhold Minnesota taxes under this section. An application for an account number must be made upon a form prescribed by the commissioner. It must give the name of the employer or payor, the location of the place or places of business, the names, addresses and social security numbers of the owners or partners, or if the employer or payor is a corporation of the officers, or if the employer or payor is a trust of the trustees, and other information the commissioner may require. The application must be filed by the owner if the employer or payor is a natural person; by a member or partner if the employer or payor is an association or partnership; by a trustee if the employer or payor be a trust, or by a person authorized to sign the application if the employer or payor is a corporation.

No fee shall be charged for the application.

The account number is not assignable.

Subd. 30. Registration; third-party bulk filer. (a) For purposes of this subdivision, the following terms have the meanings given:

(1) Notwithstanding section 290.01, "person" means an individual, fiduciary, partnership, corporation, limited liability company, association, or other entity organized under the laws of this state or any other jurisdiction.

(2) "Third-party bulk filer" means a person that collects withholding taxes from more than one employer for the purpose of filing returns and depositing the withheld taxes with the commissioner.

(b) A person shall not act as a third-party bulk filer unless the person is registered with the commissioner under this subdivision.

(c) A person may apply to the commissioner, on a form prescribed by the commissioner, for registration as a third-party bulk filer under this subdivision, and the commissioner shall grant the application if the application indicates that the person will comply with this subdivision.

(d) A third-party bulk filer must:

(1) keep client funds held for payment of federal or state withholding taxes or other client obligations in an account separate from the third-party bulk filer's own funds;

(2) permit the commissioner to conduct scheduled or unscheduled audits of the third-party bulk filer's books and records relating to compliance with this subdivision and fully cooperate with the audits or, at the discretion of the commissioner, submit an audit conducted by a certified public accountant;

(3) file returns electronically and make deposits electronically with the commissioner in compliance with the commissioner's requirements for electronic filing and depositing;

(4) provide to the commissioner at least monthly, in the form requested by the commissioner, an updated client list that includes at least the name, address, tax identification number, and federal deposit frequency of each client. The address listed for the client must be the client's actual street or post office box address and not the third-party bulk filer's address;

(5) disclose in writing to prospective clients that:

(i) the third-party bulk filer may invest client funds prior to depositing them with the commissioner and with the Internal Revenue Service and that earnings from those investments will be the property of the third-party bulk filer;

(ii) if the third-party bulk filer incurs losses on those investments or uses the client's funds for other purposes, the third-party bulk filer will still be liable to the client for the amounts withheld but will be able to make required tax deposits on behalf of the client only by using the third-party bulk filer's own funds or other assets to replace the funds lost through the investments or used for other purposes; and

(iii) no state or federal agency monitors or assumes any responsibility for the financial solvency of third-party bulk filers;

(6) timely file all returns and timely make all tax deposits required under its contracts with its clients;

(7) upon request, provide to the commissioner, within the time specified in the request, a copy of any contract with a client; and

(8) comply with all other requirements of this section or of rules adopted under this section.

(e) When the commissioner sends an order of assessment issued under section 289A.37, in either paper or electronic form, to a third-party bulk filer regarding a client, the commissioner shall also send a paper copy of the order of assessment to the client.

(f) If the commissioner determines that a required deposit appears not to have been made, the commissioner shall send a written notice of the delinquency, in electronic or paper form, to the third-party bulk filer, and a copy to the client as required under paragraph (e).

(g) If the commissioner determines that a required deposit has not been made, and that continued operation of the third-party bulk filer would present a risk of loss to its clients, the commissioner may, upon ten business days' written notice by certified mail to the third-party bulk filer, suspend the registration of the third-party bulk filer for an indefinite period, and notify the third-party bulk filer's clients that the registration has been suspended. A registration may not be suspended if the failure to make a deposit was caused by the client's failure to deposit funds or provide the information necessary to calculate appropriate tax withholding payments. The commissioner shall, upon request, provide the third-party bulk filer with the opportunity for an administrative appeal under section 289A.65, subdivisions 1, 4, and 10, prior to suspension; the hearing, if any, on the administrative appeal must occur within the ten-day period unless the commissioner, in the commissioner's sole discretion, agrees to delay the suspension to permit a later hearing. The 60-day period specified in section 289A.65, subdivision 4, does not apply to a proceeding under this paragraph. Within 30 days

after the beginning of a suspension under this paragraph, the commissioner may commence a proceeding to suspend or revoke under paragraph (h); if the commissioner fails to do so, the suspension under this paragraph terminates.

(h) If the commissioner determines, in compliance with paragraph (i), that a third-party bulk filer has violated this section without reasonable cause or is no longer eligible for registration under this subdivision, the commissioner may suspend or revoke the third-party bulk filer's registration or may assess a civil penalty upon the third-party bulk filer, not to exceed \$5,000 per violation. A suspension of registration may be for any period of less than six months and may include conditions for reinstatement. If the commissioner revokes the registration, the third-party bulk filer may not apply for reregistration for six months after the revocation. If the commissioner suspends or revokes a registration, the commissioner shall notify the former registrant's clients that the registration has been suspended or revoked. If the commissioner assesses a civil penalty, the commissioner shall not notify the third-party bulk filer's clients of the assessment.

(i) Prior to a suspension, revocation, or assessment of a civil penalty under paragraph (h), the commissioner shall first provide 30 days' written notice to the third-party bulk filer, specifying the violations and informing the third-party bulk filer that the commissioner intends, based upon those violations, to take action against the third-party bulk filer as permitted under this paragraph and paragraph (h). The notice shall advise the third-party bulk filer of the right to contest the suspension, revocation, or assessment of a civil penalty and of the general procedures for a contested case hearing under chapter 14. The notice may be served personally or by mail in the manner prescribed for service of an order of assessment issued under section 289A.37. A suspension or revocation of registration under this paragraph is effective when the commissioner serves a notice of suspension or revocation upon the third-party bulk filer after 30 days have passed following the date of the notice of intent to suspend or revoke without the third-party bulk filer requesting a hearing. If a hearing is timely requested and held, the suspension or revocation is effective upon service by the commissioner of an order of suspension or revocation under section 14.62, subdivision 1.

(j) A third-party bulk filer may terminate its registration by written notice to the commissioner, but the termination does not affect the commissioner's authority to begin or continue a proceeding to take action permitted under paragraph (h). The commissioner shall notify the third-party bulk filer's clients of a termination of registration under this paragraph.

(k) The commissioner shall remind employers at least annually, through the department's regular informational publications that it sends to employers, that employers may telephone the department to determine whether a required filing or deposit has been made by a third-party bulk filer.
