Subd. 2. **Continued eligibility.** A municipality that has qualified for amortization state aid under subdivision 1 on December 31, 1984, and has an additional municipal contribution payable under section 353A.09, subdivision 5, paragraph (b), as of the most recent December 31, continues upon application to be entitled to receive amortization state aid under subdivision 1 and supplementary amortization state aid under subdivision 1a, after the local police or salaried firefighters' relief association has been consolidated into the public employees police and fire fund. If a municipality loses entitlement for amortization state aid and supplementary amortization state aid in any year because of not having an additional municipal contribution, the municipality is not entitled to the aid amounts in any subsequent year. If the actuarial assumptions specified in section 356.215 are changed in 1997, and the change results in a municipality having an additional municipal contribution, and the municipality had previously lost entitlement for amortization aid and supplementary amortization due to not having an additional municipal contribution, then the municipality is again entitled to receive amortization aid and supplementary amortization aid in the same amount as it previously received.
