CREDIT LIFE AND ACCIDENT AND HEALTH INSURANCE

62B.04 Amount of credit life insurance and credit accident and health insurance.

62B.04 AMOUNT OF CREDIT LIFE INSURANCE AND CREDIT ACCIDENT AND HEALTH INSURANCE.

Subdivision 1. **Credit life insurance.** (1) The initial amount of credit life insurance shall not exceed the amount of principal repayable under the contract of indebtedness plus an amount equal to one monthly payment. Thereafter, if the indebtedness is repayable in substantially equal installments according to a predetermined schedule, the amount of insurance shall not exceed the scheduled indebtedness plus one monthly payment or actual amount of indebtedness, whichever is greater. If the contract of indebtedness provides for a variable rate of finance charge or interest, the initial rate or the scheduled rates based on the initial index must be used in determining the scheduled amount of indebtedness and subsequent changes to the rate must be disregarded in determining whether the contract is repayable in substantially equal installments according to a predetermined schedule.

(2) Notwithstanding clause (1), the amount of credit life insurance written in connection with credit transactions repayable over a specified term exceeding 63 months shall not exceed the greater of: (i) the actual amount of unpaid indebtedness as it exists from time to time; or (ii) where an indebtedness is repayable in substantially equal installments according to a predetermined schedule, the scheduled amount of unpaid indebtedness, less any unearned interest or finance charges, plus an amount equal to two monthly payments. If the credit transaction provides for a variable rate of finance charge or interest, the initial rate or the scheduled rates based on the initial index must be used in determining the scheduled amount of unpaid indebtedness and subsequent changes in the rate must be disregarded in determining whether the contract is repayable in substantially equal installments according to a predetermined schedule.

(3) Notwithstanding clauses (1) and (2), insurance on educational, agricultural, and horticultural credit transaction commitments may be written on a nondecreasing or level term plan for the amount of the loan commitment.

(4) If the contract of indebtedness provides for a variable rate of finance charge or interest, the initial rate or the scheduled rates based on the initial index shall be used in determining the scheduled amount of indebtedness, and subsequent changes to the rate shall be disregarded in determining whether the contract is repayable in substantially equal installments according to a predetermined schedule.
