The portion thereof due to the state shall be paid to the state treasurer upon the draft of the commissioner of finance, and the excess, if any, above the taxes, penalties, interest, and costs charged upon the land, shall be included in such draft and be paid in like manner for the benefit of the state. 280.33 CERTIFICATES AND DEEDS AS EVIDENCE; GROUNDS FOR SETTING ASIDE.

The certificates and deeds issued pursuant to sections 280.03 and 280.11, or the record thereof, shall be *prima facie* evidence that the parcel described therein was subject to taxation for the year or years therein stated; that such parcel was listed and assessed at the time and in the manner required by law; that the taxes were levied according to law; that the judgment pursuant to which the sale was made was duly entered, and that the court had jurisdiction to enter the same; that all requirements of law with respect to the sale had been complied with; that such parcel had not been redeemed from the sale; and of title in the grantee therein after the time for redemption has expired; provided, that when any such certificate or deed embraces university, school, or other state lands, the title whereof is in the state, no other or greater interest shall be held to be thereby conveyed than that acquired under the certificate of the commissioner of finance. No sale shall be set aside or held invalid by reason of any misrecitals in such certificate or deed; nor unless the party objecting to the same prove either that the taxes were paid before the judgment was rendered, or that such parcel was exempt from taxation, or that the court rendering the judgment pursuant to which the sale was made had not jurisdiction to render the same, or that after the judgment and before the sale such judgment had been satisfied, or that notice of sale as required by this chapter was not given, or that such parcel was not offered at such sale to the bidder who would pay the amount for which the parcel was to be sold at the lowest rate of interest, as provided in this chapter; provided, that every judgment rendered against any parcel for a tax which was paid before the entry thereof,

In any action brought to set aside or to cancel such sale, or in which the validity of such sale may arise, the tax receipt, or the treasurer's duplicate thereof, or other record of the payment of such tax in the office of the county auditor or the county treasurer, shall be *prima facie* evidence of such payment; but such payment shall not be established by parol testimony only. In such action, the county in which the land is situated, or the state, if either claim any interest in the land sold under such judgment, may be made a party defendant, in which case the county attorney shall appear in behalf of such county or state, or both.

Such holder, or the personal representatives, heirs, or assigns of the holder, may collect out of the property covered by such lien, by sale thereof by foreclosure, or other proper action or proceeding, the amount of taxes, penalties, and interest due thereon at the time of such sale, with interest thereon at the rate of 12 percent per annum, together with the amount of all subsequent taxes paid, with interest thereon at said rate, and the costs and expenses of such action.

280.37 ENDORSEMENT BEFORE RECORD.

Before any certificate of sale or of assignment provided for in this chapter shall be recorded, the holder thereof shall present the same to the county auditor, who shall endorse thereon a certificate that the property therein described remains unredeemed, and that the period of redemption has expired; and no such certificate shall be recorded unless such endorsement is made.

280.38 LANDS BID IN FOR THE STATE; ATTACHMENTS.

When any parcel of land is bid in for the state, until the land be redeemed, the sale shall not operate as a payment of the amount for which the same is sold, but at any time after such sale the county auditor may make and file with the court administrator where the judgment is

MINNESOTA STATUTES 1998

entered an affidavit stating the date of the sale, the amount for which such parcel was bid in for the state, and the amount of all subsequent delinquent taxes, that there has been no redemption, and that the land is rented, in whole or in part, and produces rent, and giving the names of the persons paying rent. Upon presentation of such affidavit, the judge or court commissioner for the county shall endorse thereon an order directing an attachment to issue to attach the rents of such lands. The court administrator shall thereupon issue a writ directing the sheriff to attach the rents accruing for such land from any person, and to collect therefrom the amount for which the same was bid in for the state, and the amount of all subsequent delinquent taxes, stating such amount and the date of sale, with penalties and interest accruing thereon, and the sheriff's fees, and \$1 for the costs of the affidavit and attachment. The sheriff shall serve such writ by serving a copy thereof on each tenant or person in possession of such land paying rent therefor, or for any part thereof, and such service shall operate as an attachment of all rents accruing from the person served. The sheriff shall receive such rents as they become due, and may bring suit in the sheriff's own name to collect the same, and shall pay into the county treasury the amount collected. No payment of rents by any person so served after such service, or prior thereto for the purpose of defeating such attachment, shall be valid against such attachment. The court administrator shall be allowed for issuing the writ, including the filing of the affidavit, order of allowance, writ, and return, 50 cents, to be paid to the administrator by the county in which the taxes are levied; provided, that in counties whose population exceeds 150,000 such fees shall be paid into the county treasury to the use of the county. The sheriff shall be allowed for serving the writ and collecting the money the same fees as are allowed by law upon an execution in a civil action; and, if the sheriff brings suit, such additional compensation as the court may allow, not exceeding one-half of the fees allowed by law for like services in ordinary cases.

If, at any time while the sheriff is collecting such rent, the lease upon such property shall expire, or, if the sheriff has once commenced to collect such rent and the property becomes vacant, the county auditor may lease the property upon five days' notice to the owner, subject to the approval of the district court.

At any time while the sheriff is collecting the rent under any lease, no modification of the lease between the owner and the tenant shall be valid unless approved by the district court upon five days' notice to the county auditor.

The collection of such rent under this statute shall not be a bar to the county auditor selling the land at a forfeited tax sale under the present laws or any laws hereafter enacted.

In case any unplat land is bid in for the state and is cropped upon a share agreement with the owner, or by a trespasser, the owner's share of such crop; or, in case of a trespasser, all or any part of such crops, may be attached and collected in the same manner as rents and applied upon delinquent taxes. The term "crops" shall include hay and grass. In case there is no agreement for rent, or in case of an occupant or trespasser on the unplat land without any agreement for rent, then the attachment shall attach to and bind all of the grass, hay, and crops produced on such lands; provided, that the district court may, upon application by such occupant, upon ten days' notice to the owner and the county auditor, and a showing by the occupant to the satisfaction of the court that the occupancy was not a willful trespass, release to such occupant the excess of such crops over and above the owner's or landlord's share of the grass, hay, and crops of such premises as determined by the court. Such application must be made not later than 60 days after the date of the service of the writ of attachment upon such occupant, and if not made within such time it shall be considered that such occupant has waived all right and claim to such crops. The county auditor may give to the owner or person entitled to the possession of such unplat land during the crop season at least ten days' notice, in writing, by mail or otherwise, specifying the time and place at which application will be made to the district court for an order permitting the leasing of such land, and the district court may, if it deems it to be for the best interest of such person and of the public, make an order fixing the terms upon which such lease may be made by the county auditor, in the name of the county. The county auditor may then execute, in the name of the county, such lease in writing as the court shall order. No such lease shall be for a longer term than the current crop season. If the name or address of such person is unknown to the county auditor, such notice may be given by one publication in a legal newspaper in the county. If the owner or person entitled to such possession shall show to the court an intent to lease such unplat land or

MINNESOTA STATUTES 1998

make a contract for cropping the same upon shares, the court may make such order as it deems best to provide for an attachment of all or a part of the rents or crop share of such person and for applying the same upon the delinquent taxes. In any proceeding for the collection of rents on unplattd land on which the taxes have been bid in by the state, the court may, upon motion, order that payment, when made as to any part or the whole, be paid to the county treasurer to apply upon taxes. The owner of such unplattd properties may make application to the district court for release from applying all or a portion of such rents upon such taxes upon showing, by reason of the condition, cost of upkeep of the property, or other cause, undue hardship upon such owner or detriment to such property. The provisions affecting unplattd lands shall not apply to lands or real estate actually used or occupied by the owner thereof.

The county board may allow additional clerk hire to the county auditor for work in making such leases; which leases shall be made in the name of the county, and the county shall have the right to bring suit for unpaid rents under such leases and to bring the necessary actions to secure evictions of tenants to whom it has leased.

Attachments, leases, and proceedings issued and made pursuant to this section shall not be deemed unfinished business that may be retained by the sheriff at expiration of the sheriff's term, as provided by section 387.10.

The right of the county auditor to sell the land at the forfeited tax sale, shall continue until all delinquent taxes described in the writ of attachment are paid.

280.385 ACQUISITION OF TAX DELINQUENT LAND BEFORE FORFEITURE.

Subdivision 1. **Conveyance accepted.** Whenever any lands have been bid in for the state for delinquent taxes at any tax judgment sale, the county board of the county in which such lands are situated may, in its discretion, with the consent first obtained of the governing body of the city or town in which such lands are situated, accept a conveyance from the owner thereof to the state; provided that the county attorney finds that such owner has good title to such lands and that they are free and clear of all encumbrances except taxes.

Subd. 2. **To have same status as tax forfeited lands.** Upon conveyance of title to the state, such lands shall have the status of lands absolutely forfeited to the state for taxes, and shall be subject to all applicable provisions of law as if they had become so forfeited at the date of acceptance of the conveyance by the county board.

Subd. 3. **Procedure if title fails.** If the title of the state under such conveyance should for any reason be finally adjudged void or subject to any encumbrance, the county auditor, upon the filing in the auditor's office of a certified copy of such judgment, shall reinstate all taxes, penalties, and interest which were a lien upon said lands at the time such conveyance was made, and shall assess as omitted the taxes for the years subsequent thereto. Such lands shall thereupon be subject to forfeiture or other proceedings upon such taxes as provided by law as if no conveyance to the state had been made.
