72B.03 LICENSES.

Subdivision 1. **Requirement; exceptions.** Except as otherwise provided, no person shall act as an independent adjuster, public adjuster, or public adjuster solicitor for money, a commission, or any other thing of value, unless such person shall first obtain from the commissioner a license. No license shall be required for:

(1) a person acting in a catastrophe or emergency situation, and who has registered with the commissioner for that purpose;

(2) a nonresident adjuster who occasionally is in this state to adjust a single loss; provided, however, that if a nonresident adjusts more than six losses in this state in one year the adjuster must qualify for and receive a nonresident's license as provided in sections 72B.01 to 72B.14, and provided the adjuster's domiciliary state affords a like privilege.

Subd. 2. **Classes of licenses.** (a) There shall be four classes of licenses, as follows.

- (1) independent adjuster's license,
- (2) public adjuster's license;
- (3) public adjuster solicitor's license; and
- (4) crop hail adjuster's license.

(b) The independent adjuster and public adjuster licenses shall be issued in at least three fields each, as follows:

(1) fire and allied lines, inland marine lines and including all perils under homeowners policies;

(2) all lines written as casualty insurance under section 60A.06, and including workers' compensation; and

(3) a combination of the fields described in clauses (1) and (2). Separate licenses shall be required for each field, but the same person may obtain licenses in more than one field. No person shall be licensed as both a public and independent adjuster. The license shall state the class for which the person is licensed and, where applicable, the field in which the person is licensed, and shall state the licensee's name and residence address, the date of issuance and the date of expiration of the license and any other information prescribed by the commissioner which is consistent with the purpose of the license.

Subd. 3. **Payment for services; unlawful practice.** No insurer, agent, or other representative of an insurer nor any adjuster shall pay any fee or other compensation to any person

for acting as an adjuster, or a public adjuster solicitor, except to a person duly licensed to so act or to a person not required to be licensed by sections 72B.01 to 72B.14; and it shall be unlawful for any person to act as an independent adjuster, a public adjuster or a public adjuster solicitor, who is not duly licensed, or excluded from the licensing requirement.

History: 1971 c 704 s 3; 1975 c 359 s 23; 1979 c 141 s 2; 1986 c 444; 1992 c 564 art 1 s 49; 1994 c 485 s 58

72B.04 LICENSE PROCEDURE AND REQUIREMENTS; EXAMINATIONS; FEES.

Subdivision 1 **Application.** A license to act as an adjuster, or public adjuster solicitor shall only be granted by the commissioner to a qualified person upon request.

Subd. 2. **Qualifications.** An applicant for licensing as an adjuster under sections 72B.01 to 72B.14 shall be at least 18 years of age. The applicant shall be competent and trustworthy and shall not have been engaged in any practice which would be grounds for suspension or revocation of a license under sections 72B.01 to 72B.14 within the three years next preceding the date of the application.

An applicant for licensing as a public adjuster solicitor under sections 72B.01 to 72B.14 shall be at least 18 years of age; shall be competent and trustworthy, and shall not have been engaged in any practice which would be grounds for suspension or revocation of a license under sections 72B.01 to 72B.14 within the three years next preceding the date of the application.

In the case of any applicant who has been convicted of a felony within the ten years next preceding the date of the application, and who in the judgment of the commissioner, meets the other qualifications, the commissioner may impose the additional requirement of the filing of a bond in accordance with the requirements of section 72B.08, subdivision 8.

Subd. 3 **Application.** The application for any initial or renewal license under sections 72B.01 to 72B.14 or for a temporary permit shall be signed and sworn to by the applicant and accompanied by the appropriate fee. An application for an initial license or temporary permit shall state the applicant's name, age, residence address, business name and address, educational background, previous experience in the field and class in which a license or permit is sought, the class of license applied for, and, in the case of an applicant for an adjuster's license the field in which the license is being sought, and such other information as the commissioner deems appropriate to determine the applicant's trustworthiness and competency. The application for an initial license or permit shall also state whether or not the application is being made on the basis of an examination. If the application is not made on the successful completion of an examination, it shall state the reasons why no examination is required. Renewal of a license or permit shall be made on the basis of an application for renewal. All applicants for a license as a public adjuster must attach to their application evidence that the bonding requirement has been satisfied.

Subd. 4. **Bonding.** No initial or renewal public adjuster's license shall be issued to any applicant unless there is on file with the commissioner a good and sufficient surety bond, issued by an insurer authorized to do business in this state. The bond shall be in the amount of \$10,000 with the state of Minnesota as obligee, conditioned for the prompt payment to any person entitled thereto, other than a partner or associate of the applicant, of any amounts received by the applicant or to protect any person other than a partner or associate of the applicant from loss resulting from fraud, dishonesty, forgery or theft in connection with the applicant's duties under sections 72B.01 to 72B.14; provided, however, that the aggregate liability of the surety to all persons for all losses shall, in no event, exceed the amount of such bond. The bond shall remain in effect during the term of the license, or until the surety is released from liability by the commissioner, or until canceled by the surety. The surety may cancel a bond, without prejudice to any liability which occurred prior to the cancellation, by giving at least 30 days' written notice to the commissioner. In the event that the required bond is terminated, the public adjuster's license shall automatically be suspended until a new bond is filed with the commissioner.

Subd. 5. **Examinations.** A person applying for a license under sections 72B.01 to 72B.14 must successfully complete an examination prescribed by the commissioner, which

examination shall be at least in part a written examination. Examinations shall be given at such time and place as designated by the commissioner and there shall be different examinations for adjusters, public adjuster solicitors, and applicants for temporary permits. Adjusters' examinations shall be given in at least each of three fields: fire and allied lines, inland marine lines and including all perils under homeowners policies; all lines written as casualty insurance under section 60A.06, and including workers' compensation; and a combination of the two foregoing fields. Each examination shall be, in the judgment of the commissioner with the advice of the advisory committee, sufficient to require for a satisfactory score such knowledge of insurance, adjusting practices and appraisal techniques, to the extent that such knowledge is necessary for the class of license applied for and the field in which the applicant is being examined, that the people of Minnesota will receive insurance claim service from persons who are sufficiently trained to make fair and well informed judgments in the evaluation or settlement of insured losses. The examination for an applicant for a temporary permit may be oriented to the specified fields, but shall be less exacting than the examination for a license.

The commissioner may by rule determine the period of time between failure of an examination and reexamination.

A person shall not be eligible to take an examination if that person's license as an adjuster or public adjuster solicitor has been revoked in this or any other state within the three years next preceding the date of the application.

No examination shall be required for the timely renewal of a license, unless the license has been revoked.

Subd. 6. Exceptions. A person who on January 1, 1972, meets all of the qualifications specified in subdivision 2 with regard to the class of license applied for and, if experience is one of the requisites, has gained the experience within the three years next preceding January 1, 1972, shall be eligible for the issuance of a license without taking an examination.

A person who has held a license of any given class or in any field or fields within three years prior to the application shall be entitled to a renewal of the license in the same class or in the same fields without taking an examination.

A person applying for a license as a crop hail adjuster shall not be required to comply with the requirements of subdivision 5.

The commissioner may issue a license under sections 72B.01 to 72B.14 without an examination, if the applicant presents sufficient and satisfactory evidence of having passed a similar examination in another state and if the commissioner, with the advice of the advisory board, has determined that the standards of such other state are equivalent to those in Minnesota for the class of license applied for. Any applicant who presents sufficient and satisfactory evidence of having successfully completed all six parts of the insurance institute of America program in adjusting shall be entitled to an adjuster's license without taking the examination prescribed in subdivision 5.

Subd. 7. License term. Every adjuster's and public adjuster solicitor's license shall be for a term expiring on October 31 next following the date of its issuance, and may be renewed for the ensuing calendar year upon the timely filing of an application for renewal.

Subd. 8. Renewal. An application for renewal of a license issued under sections 72B.01 to 72B.14 shall be on a form prescribed by the commissioner and shall be filed with the commissioner with payment of the renewal fee prior to the expiration date of the license.

Subd. 9. Notice of changes. Each licensee or holder of a temporary permit shall give written notice to the commissioner of any change in name, or residence address not later than ten days after such change. The commissioner may, upon receipt of such notice, issue an amendment to the license incorporating such changes.

Subd. 10. Fees. A fee of \$40 is imposed for each initial license or temporary permit and \$25 for each renewal thereof or amendment thereto. A fee of \$20 is imposed for the registration of each nonlicensed adjuster who is required to register under section 72B.06. All fees shall be transmitted to the commissioner and shall be payable to the state treasurer. If a fee is paid for an examination and if within one year from the date of that payment no written re-

quest for a refund is received by the commissioner or the examination for which the fee was paid is not taken, the fee is forfeited to the state of Minnesota.

72B.05 NONRESIDENTS.

A nonresident person may become licensed under sections 72B.01 to 72B.14, provided that the person meets all of the requirements of sections 72B.01 to 72B.14, and complies with their provisions, and, on a form prescribed by the commissioner, appoints the commissioner as the attorney upon whom may be served all legal process issued in connection with any action or proceeding brought or pending in this state against or involving the licensee and relating to transactions under the license; the appointment shall be irrevocable and shall continue so long as any such action or proceeding could arise or exist.

Service of process must be made in compliance with section 45.028, subdivision 2.

72B.06 CATASTROPHE OR EMERGENCY SITUATIONS.

Any person acting as an independent adjuster in this state in a catastrophe or emergency situation who is not a licensed adjuster, must register with the commissioner within 72 hours of commencing any adjusting assignments. The registration shall be made on such form as the commissioner shall prescribe and shall include the name of the registrant, permanent home address and address for the period during which the registration is effective, the categories of losses being adjusted by the registrant, the name of the licensed independent adjuster or staff adjuster who will be supervising that adjuster, and the name of the insurer or insurers in whose behalf the adjusting is being done. No person shall register or be allowed to adjust losses under this provision unless that person is under the supervision of a staff adjuster or a licensed independent adjuster. The supervising adjuster shall indicate on the registration filing the period of time for which the registration is being made, and no unlicensed person shall undertake to adjust losses after the termination of the registration.

Each registrant under this section shall promptly give written notice to the commissioner of any change in address while in this state, or any other information stated in the registration statement.

The commissioner may summarily suspend or revoke the right of any person adjusting in this state under the authority of this section to continue to adjust in this state, if the commissioner finds that that person has engaged in any of the practices forbidden to a licensed adjuster under sections 72B.01 to 72B.14. Notice of such suspension or revocation may be given personally or by mail sent to the temporary address stated in the registration. A duplicate copy of such notice shall be given to the supervising adjuster.

72B.08 DENIAL, SUSPENSION AND REVOCATION OF LICENSES.

Subdivision 1. **Causes.** The commissioner may suspend, revoke, or refuse to issue an initial or renewal license or temporary permit for any of the following causes:

- (a) Failure to pass a required examination;
- (b) Material misrepresentation or fraud in obtaining or attempting to obtain a license or a temporary permit;
- (c) Willful violation of any insurance law or of any provision of sections 72B.01 to 72B.14;
- (d) Misappropriation, conversion or illegal withholding of moneys required to be held in a fiduciary capacity;
- (e) Materially misrepresenting the terms and effect of any insurance contract, with intent to deceive, or engaging in, or attempting to engage in, any fraudulent transaction with

respect to a claim or loss that the licensee or holder of a temporary permit is adjusting and, in the case of a public adjuster solicitor, misrepresenting the services offered or the fees or commission to be charged.

(f) Conviction of a felony under the laws of this state, any other state, the United States, or any foreign country.

(g) The licensee or holder of a temporary permit has demonstrated incompetency or untrustworthiness to act as an adjuster or public adjuster solicitor;

(h) Refusal to comply with any lawful order of the commissioner.

Subd. 2. **Notice.** If an application for a license or temporary permit is rejected by the commissioner, the commissioner shall forthwith give written notice to the person concerned, mailed to that person's last known address. The notice shall state the reason for the action.

Subd. 3. **Hearing.** Except when an application is rejected for failure to pass a required examination, the person aggrieved by the action of the commissioner shall be entitled to a hearing before the commissioner or the commissioner's delegate, provided that such person files a written request for such hearing with the commissioner prior to the expiration of 30 days from the date of notice specified in subdivision 2. If no hearing is requested within 30 days from the date of the notice, the action taken by the commissioner shall continue in effect until modified or vacated. If a hearing is timely requested, the commissioner shall set a date for such hearing not later than 30 days after the date of receipt of the request for hearing. Pending the hearing or any judicial review of such hearing, the commissioner may modify or vacate the action taken or extend it until final determination.

After the hearing, the commissioner shall enter an order either vacating the prior action, confirming the prior action or otherwise disposing of the matter as the facts require.

Subd. 4. **Suspension or revocation of license or permit.** When the commissioner has information, which if true, would be grounds for suspension, revocation, or refusal to issue a renewal license or a temporary permit, the commissioner may order the licensee or holder of the temporary permit to appear for a hearing pursuant to chapter 14, to determine the facts of the case and to determine whether the license or permit should be suspended or revoked, or whether it should not be renewed. The order shall fix the time and place for the hearing. After the hearing, the commissioner shall enter an order either dismissing the matter or suspending or revoking the license or temporary permit, or otherwise disposing of the matter as the facts require. Pending the results of the hearing, the licensee or permit holder may continue to act under the license or permit.

Subd. 5. **Judicial review.** Any final order of the commissioner shall be subject to judicial review.

Subd. 6. **Procedure.** Any hearing or judicial review shall be in accordance with the contested case provisions of chapter 14.

Subd. 7. **Voluntary action by licensee or holder of permit.** The commissioner may request a voluntary revocation or suspension of a license or temporary permit and may enter into stipulations in accordance with the request whereby the licensee or holder of a temporary permit shall waive all further right to a hearing or judicial review.

Subd. 8. **Bond.** In the case of any licensee or permit holder who has had a license or permit suspended or revoked or whose license renewal has been prohibited by a lawful order of the commissioner, the commissioner may condition the issuance of a new license on the filing of a surety bond in an amount not to exceed \$10,000, made and conditioned in accordance with the requirements of section 72B.04, subdivision 4, relating to public adjusters' bonds. Nothing in this subdivision shall reduce or alter the bonding requirements for a public adjuster.

Subd. 9. **Civil and criminal liability.** This section shall not relieve a person from civil liability or from criminal prosecution under sections 72B.01 to 72B.14 or any other law of this state.

The motor vehicle repair shop shall provide the vehicle owner and the insurance company or companies involved in the loss one legible copy of the appraisal. If the commissioner has information, which if true, would establish that a staff adjuster has engaged or is engaging in any such prohibited practices, the commissioner may issue an order for a hearing to determine the facts involved. The order shall fix the time and place for hearing. The staff adjuster and one or more representatives of the insurer or insurers employing the staff adjuster shall make an appearance at the hearing unless the commissioner expressly waives the appearance of one or more such parties. If, following the hearing, the commissioner determines that the staff adjuster has engaged or is engaging in any prohibited practices, the commissioner may impose a fine, not in excess of \$500, on the staff adjuster or on the employing insurer or insurers, or on both such parties. In addition, the commissioner may order the employing insurer to suspend the staff adjuster from all duties for such period as the commissioner may deem appropriate.

Cancellation is evidenced by the homeowner giving written notice of cancellation to the public adjuster at the address stated in the contract. Notice of cancellation, if given by mail, is effective upon deposit in a mailbox, properly addressed to the public adjuster and postage prepaid.
