Subd. 4. **School district board election; surety bond requirements.** If an election approving the issuance of bonds by a school district is contested, the contestant shall file in the district court a surety bond of at least \$5,000 or a greater amount determined necessary by the court to provide security for costs of the contest to the school district, including any additional costs that may be incurred by the school district if the bond issue is delayed. The court may waive the requirements of this subdivision to the extent it finds that there is a reasonable likelihood that the contestant will prevail and that filing the bond would impose an undue hardship. If the surety bond is not filed within the time allowed by the court, the contest shall be dismissed with prejudice.
