A new county shall contain at least 400 square miles, have at least 2,000 inhabitants, and have a market value of at least \$17,000,000. An existing county shall not be reduced in area below 400 square miles, have less than 2,000 inhabitants, or have a market value of less than \$17,000,000.

In existing counties having an area of more than 3,500 and less than 6,000 square miles, boundaries may be changed and new counties established having a market value of at least \$10,000,000.

No change in the boundaries of any county having an area of more than 2,500 square miles, whether by the creation of a new county, or otherwise, shall detach from the existing county any territory within 12 miles of the county seat.

370.02 PETITION.

A separate petition for each affected county signed by at least one-fourth of those voting in the county at the last preceding election, giving the residence of each signer, may be filed with the secretary of state, and a copy with the auditor of each county, at least 90 days before any general election, requesting a change of county boundaries, or that a new county is established out of territory taken from one or more existing counties. If the petition is for a change of boundaries, it must contain a description of the territory to be taken, the name of the county from which the territory is to be detached, and the county to which the territory is to be attached. If the petition is for the establishment of a new county, it must state the name of the proposed new county, a description of the territory to be included, giving boundaries, the name and location of the proposed county seat, and the names and places of residence of the persons who shall constitute the first county board.

History: (603) *RL s 381; 1985 c 109 s 1*

370.03 PROCLAMATION; ONLY ONE PROPOSITION.

If each petition is signed by the requisite number of persons who are voters in each of the affected counties, the secretary of state shall notify the governor of the filing. The affidavits of the persons obtaining the signatures shall be prima facie evidence that each petition is signed by persons who are voters in each of the affected

counties. The governor shall issue a proclamation, at least 60 days before the election, stating that the petitions have been filed, and the substance of the petitions, and directing that the question of change of boundaries, or the establishment of a new county, as the case may be, be submitted to the voters of the affected counties at the election. No more than one proposition may be submitted at the same election, except for mutual exchange of territory between counties.

370.04 RECORD PETITION; PUBLISH NOTICE.

Upon issuance of the proclamation, the secretary of state shall record the petitions, affidavits, and proclamation, and transmit a certified copy of the proclamation, by mail, to the auditor of each county.

The notice of the next general election of county officers must specify that the question of forming the new county, or changing the boundaries of existing counties, as the case may be, will be voted upon at the election, and must state substantially the facts in the petition. If the proposition is for a change of boundaries, the ballots shall include the words: "For changing county boundaries. Yes. No." If for the establishment of a new county, the words: "For a new county. Yes. The state canvassing board shall canvass the returns at the time of canvassing the votes cast for state officers, and in the same manner. The board may use the returns received from the election judges to correct errors and supply omissions in the returns of the county canvassing board. When the canvass is completed, the board shall file a certificate declaring the result of the vote with the secretary of state. If the certificate shows that the proposition has received a majority of the votes cast in each affected county, and has received a majority of the votes cast in the territory forming the proposed new county, if the proposition was for the establishment of a new county, the governor shall issue a proclamation declaring that the proposition has been adopted within ten days after completion of the canvass. The secretary of state shall record the certificate and proclamation, and transmit a certified copy of the proclamation to the auditor of each county whose territory is affected. The auditor shall, if the proposition was for the establishment of a new county, serve a certified copy on each of the persons elected as county commissioners of the new county. Upon the issuance of the proclamation, the proposed change of boundaries becomes effective. If the proposition was for the establishment of a new county, it becomes duly organized. 370.10 FILLING VACANCY IN COMMISSIONER DISTRICT CAUSED BY CHANGE OF BOUNDARIES.

If a change in the boundaries of a county abolishes a commissioner district or districts in the county, by the removal of all the territory of the district or districts from the original county, or otherwise, or creates a vacancy or vacancies in the board of county commissioners of the original county, the filling of which is not provided for by law, and the board of county commissioners is left with less than five members or with an even number of members, the governor shall immediately, upon the issuance of the proclamation declaring the change in the boundaries, appoint a sufficient number of members to complete a board of five commissioners for the county; or, if the board, after the change of boundaries, is left with more than five members, to complete a board consisting of an odd number of members, and shall designate, in the appointment, the name of the retiring commissioner succeeded by each commissioner appointed.

The appointment shall at once be communicated to the auditor of the county, who shall immediately notify the appointee. The appointee shall qualify as a commissioner, in the same manner as other commissioners in the same county, at any time within five days after notice of the appointment. Failure to do so shall be considered a refusal of the office, and the governor shall appoint another commissioner at large, and the same procedure shall be followed until the vacancy is filled.

The meeting shall be held at least five, but not more than ten, days after notice is given. The meeting's business shall include any business which may have been required by law, or by previous proceedings, to be transacted by the county board at a meeting held after the change of boundaries became effective and before the vacancies created were filled, and which was not transacted, after the qualification of the commissioner or commissioners at large, and shall have the effect and validity as if accomplished at the prior meeting. Further proceedings required to follow the commissioners' action on these

matters shall be taken within the times or on the dates provided by law, or within a reasonable time after giving notice as required by law.

370.13 REDISTRICTING OF COUNTY; SUBSEQUENT ELECTION.

At the next general election held in the county after the redistricting, a commissioner shall be elected from each district, the member from each odd-numbered district to hold a two-year term, and the member from each even-numbered district to hold a four-year term, and thereafter all commissioners, except those elected or appointed to fill vacancies for unexpired terms, shall be elected for four-year terms. If, the redistricting causes any new district to cover the same territory as any one of the old districts, the commissioner elected from the old district shall continue to act as commissioner from the new district for the remainder of the term for which elected. In case a contest, or other litigation, is pending involving the legality of the change of boundaries of the county, the redistricting shall not be made until after the contest, or other litigation, has been finally determined in favor of the change of boundaries. In this event, if the term of any commissioner at large expires before the county is redistricted, a successor shall be elected by the voters of the entire county for a term of four years, unless sooner ended, under this chapter, or otherwise.

History: (614) 1907 c 5 s 4; 1985 c 109 s 1; 1986 c 444

If the term for which the former commissioner was elected has not expired, the former commissioner shall, within 30 days after the final determination restoring the district to the county, qualify as required by law and hold office for the remainder of the term.
