TABLE II ALLOCATION OF ACTS

This table lists enactments not previously included in Minnesota Statutes and published for the first time in this edition.

The decimal numbers in the table indicate the place where the enactment may be found in this edition, notwithstanding the fact that a different number may have been assigned in a published volume of the session laws.

TABLE IV CROSS REFERENCE

The centered number in bold is the statutes section number being referenced. The numbers below that number indicate the section and the subdivision number where that reference number appears and how many times it appears if more than once. It should be noted that occasionally the number in bold indicates something other than a statutes section number because the table is computer generated.
