103C.311 FORMATION OF SUPERVISOR DISTRICTS.

Subdivision 1. **Supervisors elected at large.** (a) The district board, after the initial election has been held, shall, with the approval of the state board, divide a district into five supervisor districts for purposes of nomination for election. At each election after the division, one or more supervisors shall be nominated from each supervisor district. A supervisor must be a resident of the supervisor district to be elected.

(b) If the boundary of a soil and water conservation district has been substantially changed by a division of the district, the district shall be divided into five supervisor districts for nomination purposes.

(c) This subdivision does not disqualify a supervisor during the term for which the supervisor was elected or nominated for election. Supervisors nominated from the supervisor districts shall be included on the ballot for election from the entire area included in the soil and water conservation district.

(d) A certified copy of the minutes or the resolution of the supervisors establishing supervisor districts must be promptly filed by the chair of the district board with the county auditor of the counties where the district is located and with the state board.
