## 149A.04 ENFORCEMENT.

*[For text of subd 1, see M.S.2000]*

Subd. 2. **Inspections.** The regulatory agency or a designee of the regulatory agency shall conduct initial licensure inspections and corrective order reinspections. As a

condition of continued licensure, compliance reviews or premises inspections of licensees shall be conducted by the regulatory agency or a designee of the regulatory agency at least biennially. A compliance review or an inspection of the premises of any person subject to regulation under this chapter may also be conducted when the regulatory agency reasonably suspects that there may be a violation or a threat of a violation of any law now in force or later enacted, rule, order, stipulation agreement, settlement, compliance agreement, license, or permit issued by the regulatory agency. When possible, all inspections and compliance reviews shall be conducted without prior notice to the subject of the inspection or review and shall be performed in the presence of the subject of the inspection or review or an authorized representative of the subject of the inspection or review.

**Subd. 3. Access to information and property.** The regulatory agency or a designee of the regulatory agency, upon presentation of credentials, may:

(1) examine and copy any relevant books, papers, records, memoranda, or data of any person subject to regulation under this chapter; and

(2) enter upon any property, public or private, for the purpose of taking any action authorized under this chapter or rules, orders, stipulation agreements, settlements, compliance agreements, licenses, or permits adopted or issued by the regulatory agency, including obtaining information from a person that has a duty to provide information under this chapter or conducting inspections or investigations.

**Subd. 4. Subpoena power.** The regulatory agency may, as part of an investigation, issue subpoenas to require the attendance and testimony of witnesses and production of books, records, correspondence, and other information relevant to any matter involved in the investigation. The regulatory agency or the regulatory agency's designee may administer oaths to witnesses or take their affirmation. The subpoenas may be served upon any person named therein anywhere in the state by any person authorized to serve subpoenas or other processes in civil actions of the district courts. If a person to whom a subpoena is issued does not comply with the subpoena, the regulatory agency may apply to the district court in any district and the court may order compliance with the subpoena. Failure to obey the order of the court may be punished as contempt of court.

**Subd. 5. Data on investigations and disciplinary actions.** Data relating to any disciplinary measures or actions anticipated or taken by the regulatory agency are classified as follows:

**Subdivision 1. Authorization.** The regulatory agency may issue correction orders that require a person subject to regulation under this chapter to correct violations of this chapter or rules, orders, stipulation agreements, settlements, compliance agreements, licenses, and permits adopted or issued by the regulatory agency.

*[For text of subd 2, see M.S.2000]*

**Subd. 3. Request for hearing; hearing; and final order.** A request for hearing must be in writing, delivered to the regulatory agency by certified mail within 20 calendar

days after the receipt of the correction order, and specifically state the reasons for seeking review of the order. The regulatory agency must initiate a hearing within 30 calendar days from the date of receipt of the written request for hearing. The hearing shall be conducted pursuant to the contested case procedures in sections 14.57 to 14.62. No earlier than ten calendar days after and within 30 calendar days of receipt of the presiding administrative law judge's report, the regulatory agency shall issue a final order modifying, vacating, or making permanent the correction order as the facts require. If, within 20 calendar days of receipt of the correction order, the person that is the subject of the order fails to request a hearing in writing, the correction order becomes the final order of the regulatory agency.

Subd. 4. **Review of final order.** A judicial review of the final order issued by the regulatory agency subsequent to a contested case hearing may be requested in the manner prescribed in sections 14.63 to 14.69. Failure to request a contested case hearing pursuant to subdivision 3 shall constitute a waiver of the right to further agency or judicial review of the final order.

Subd. 5. **Reinspections and effect of noncompliance.** If upon reinspection, or in the determination of the regulatory agency, it is found that any deficiency specified in a correction order has not been corrected by the person that is subject to the correction order, that person or entity is in noncompliance. #### 149A.06 ADMINISTRATIVE PENALTY ORDERS.

Subdivision 1. **Authorization.** The regulatory agency may issue an order requiring violations to be corrected and administratively assessing monetary penalties for violations of this chapter or rules, orders, stipulation agreements, settlements, compliance agreements, licenses, and permits adopted, enforced, or issued by the regulatory agency.

*[For text of subd 2, see M.S.2000]*

Subd. 3. **Concurrent corrective order.** The regulatory agency may issue an order assessing an administrative penalty and requiring the violations cited in the order to be corrected by the regulatory agency within 30 calendar days from the date the order is received. The subject of the order shall provide to the regulatory agency before the 31st day after the order was received, information demonstrating that the violation has been corrected or that a corrective plan, acceptable to the regulatory agency, has been developed. The regulatory agency shall determine whether the violation has been corrected and notify the subject of the order of the regulatory agency's determination.

Subd. 4. **Penalty.** If the regulatory agency determines that the violation has been corrected or an acceptable corrective plan has been developed, the penalty may be forgiven, except, where there are repeated or serious violations, the regulatory agency may issue an order with a penalty that will not be forgiven after corrective action is taken. Unless there is a request for review of the order under subdivision 6 before the penalty is due, the penalty is due and payable:

(1) on the 31st calendar day after the order was received, if the subject of the order fails to provide information to the regulatory agency showing that the violation has been corrected or that appropriate steps have been taken toward correcting the violation;

(2) on the 20th day after the subject of the order receives the regulatory agency's determination that the information provided is not sufficient to show that the violation has been corrected or that appropriate steps have been taken toward correcting the violation; or

(3) on the 31st day after the order was received where the penalty is for repeated or serious violations and according to the order issued, the penalty will not be forgiven after corrective action is taken.

All penalties due under this section are payable to the treasurer, state of Minnesota, and shall be credited to the state government special revenue fund in the state treasury.

**Subd. 5. Amount of penalty; considerations.** (a) The maximum amount of administrative penalty orders is \$10,000 for each specific violation identified in an inspection, investigation, or compliance review.

(b) In determining the amount of the administrative penalty, the regulatory agency shall consider the following:

- (1) the willfulness of the violation;
- (2) the gravity of the violation;
- (3) the history of past violations;
- (4) the number of violations;
- (5) the economic benefit gained by the person allowing or committing the violation; and
- (6) other factors as justice may require, if the regulatory agency specifically identifies the additional factors in the regulatory agency's order.

(c) In determining the amount of a penalty for a violation subsequent to an initial violation under paragraph (a), the regulatory agency shall also consider:

- (1) the similarity of the most recent previous violation and the violation to be penalized;
- (2) the time elapsed since the last violation; and
- (3) the response of the subject of the order to the most recent previous violation.

**Subd. 6. Request for hearing; hearing; and final order.** A request for hearing must be in writing, delivered to the regulatory agency by certified mail within 20 calendar days after the receipt of the order, and specifically state the reasons for seeking review of the order. The regulatory agency must initiate a hearing within 30 calendar days from the date of receipt of the written request for hearing. The hearing shall be conducted pursuant to the contested case procedures in sections 14.57 to 14.62. No earlier than ten calendar days after and within 30 calendar days of receipt of the presiding administrative law judge's report, the regulatory agency shall, based on all relevant facts, issue a final order modifying, vacating, or making the original order permanent. If, within 20 calendar days of receipt of the original order, the person that is the subject of the order fails to request a hearing in writing, the order becomes the final order of the regulatory agency.

**Subd. 7. Review of final order and payment of penalty.** Once the regulatory agency issues a final order, any penalty due under that order shall be paid within 30 calendar days after the date of the final order, unless review of the final order is requested. The final order of the regulatory agency may be appealed in the manner prescribed in sections 14.63 to 14.69. If the final order is reviewed and upheld, the penalty shall be paid 30 calendar days after the date of the decision of the reviewing court. Failure to request an administrative hearing pursuant to subdivision 6 shall constitute a waiver of the right to further agency or judicial review of the final order.

**Subd. 8. Reinspections and effect of noncompliance.** If upon reinspection, or in the determination of the regulatory agency, it is found that any deficiency specified in the order has not been corrected or an acceptable corrective plan has not been developed, the person that is subject to the order is in noncompliance. The regulatory agency shall issue a notice of noncompliance and may impose any additional remedy available under this chapter.

**Subd. 9. Enforcement.** The attorney general may proceed on behalf of the regulatory agency to enforce penalties that are due and payable under this section in any manner provided by law for the collection of debts.

**Subd. 10. Revocation; suspension; denial of license; permit; or registration.** Failure to pay penalties owed under this section constitutes grounds for the revocation

or suspension of or refusal to reissue a license or permit issued by the regulatory agency under this chapter.

Subd. 11. **Cumulative remedy.** The authority of the regulatory agency to issue an administrative penalty order is in addition to other lawfully available remedies.

Subd. 12. **Mediation.** In addition to review under subdivision 6, the regulatory agency is authorized to enter into mediation concerning an order issued under this section if the regulatory agency and the subject of that order agree to mediation.

**History:** 2001 c 171 s 13

#### 149A.07 INJUNCTIVE RELIEF.

In addition to any other remedy provided by law, the regulatory agency may bring an action for injunctive relief in any district court in any district in Minnesota to restrain any person from violation or threatened violation of any law, rule, order, stipulation agreement, settlement, compliance agreement, license, or permit which the regulatory agency is empowered to enforce, regulate, or issue.

**History:** 2001 c 171 s 13

#### 149A.08 CEASE AND DESIST ORDER.

Subdivision 1. **Authorization.** In addition to any other remedy provided by law, the regulatory agency may issue a cease and desist order to:

(1) stop a person from violating or threatening to violate any law, rule, order, stipulation agreement, settlement, compliance agreement, license, or permit which the regulatory agency is empowered to regulate, enforce, or issue; or

(2) prohibit a funeral provider from engaging in the sale of preneed funeral goods, funeral services, burial site goods, or burial site services if the funeral provider has been found in violation of any provision of this chapter.

*[For text of subd 2, see M.S.2000]*

Subd. 2a. **Sale of preneed goods or services; contents of order, hearing, when effective.** (a) This subdivision applies to cease and desist orders issued pursuant to subdivision 1, clause (2).

(b) In addition to the requirements of subdivision 2, a cease and desist order must also specify that the hearing to which the funeral provider has a right occurs, if requested, before the order goes into effect and that a timely request for a hearing automatically stays the cease and desist order.

(c) A request for a hearing must be in writing, must be delivered to the regulatory agency by certified mail within 20 calendar days after the funeral provider receives the order, and must specifically state the reasons for seeking review of the order. If the funeral provider fails to request a hearing in writing within 20 calendar days of receipt of the order, the cease and desist order becomes the final order of the regulatory agency. If a funeral provider makes a timely request for a hearing, the cease and desist order is automatically stayed pending the outcome of the hearing. The regulatory agency must initiate a hearing within 30 calendar days from the date of receiving the written request for hearing. The hearing shall be conducted pursuant to sections 14.57 to 14.62. No earlier than ten calendar days but within 30 calendar days of receiving the presiding administrative law judge's report, the regulatory agency shall issue a final order modifying, vacating, or making permanent the cease and desist order as the facts require.

Subd. 3. **Request for hearing; hearing; and final order.** This subdivision applies to cease and desist orders issued pursuant to subdivision 1, clause (1). A request for hearing must be in writing, delivered to the regulatory agency by certified mail within 20 calendar days after the receipt of the cease and desist order, and specifically state the reasons for seeking review of the order. The regulatory agency must initiate a hearing within 30 calendar days from the date of receipt of the written request for hearing. The hearing shall be conducted pursuant to sections 14.57 to 14.62. No earlier

than ten calendar days but within 30 calendar days of receipt of the presiding administrative law judge's report, the regulatory agency shall issue a final order modifying, vacating, or making permanent the cease and desist order as the facts require. If, within 20 calendar days of receipt of the cease and desist order, the subject of the order fails to request a hearing in writing, the cease and desist order becomes the final order of the regulatory agency.

**Subd. 4. Request for stay.** This subdivision applies to cease and desist orders issued pursuant to subdivision 1, clause (1). When a request for a stay accompanies a timely hearing request, the regulatory agency may, in the regulatory agency's discretion, grant the stay. If the regulatory agency does not grant a requested stay, the regulatory agency shall refer the request to the office of administrative hearings within three working days from the receipt of the request. Within ten calendar days after receiving the request from the regulatory agency, an administrative law judge shall issue a recommendation to grant or deny the stay. The regulatory agency shall grant or deny the stay within five calendar days of receiving the administrative law judge's recommendation.

**Subd. 5. Review of final order.** A judicial review of the final order issued by the regulatory agency may be requested in the manner prescribed in sections 14.63 to 14.69. Failure to request a hearing pursuant to subdivision 3 shall constitute a waiver of the right to further agency or judicial review of the final order.

**Subd. 6. Effect of noncompliance with order.** In the event of noncompliance with the cease and desist order, the regulatory agency may:

- (1) institute a proceeding in any district court in any district in Minnesota to obtain injunctive relief;
- (2) impose an administrative penalty, pursuant to section 149A.06, for each separate violation; or
- (3) revoke, suspend, limit, or condition the license or permit issued to the subject of the cease and desist order.

"Conviction," as used in this subdivision, includes a conviction for an offense which, if committed in this state, would be deemed a felony or gross misdemeanor without regard to its designation elsewhere, or a criminal proceeding where a finding or verdict of guilty is made or returned, but the adjudication of guilt is either withheld or not entered;

**Subd. 2. Hearings related to refusal to renew, suspension, or revocation of license or permit.** If the regulatory agency proposes to deny renewal, suspend, or revoke a license or permit issued under this chapter, the regulatory agency must first notify, in writing, the person against whom the action is proposed to be taken and provide an opportunity to request a hearing under the contested case provisions of sections 14.57 to 14.62. If the subject of the proposed action does not request a hearing by notifying the regulatory agency, by mail, within 20 calendar days after the receipt of the notice of proposed action, the regulatory agency may proceed with the action without a hearing and the action will be the final order of the regulatory agency.

**Subd. 3. Review of final order.** A judicial review of the final order issued by the regulatory agency may be requested in the manner prescribed in sections 14.63 to 14.69. Failure to request a hearing pursuant to subdivision 2 shall constitute a waiver of the right to further agency or judicial review of the final order.

**Subd. 4. Limitations or qualifications placed on license or permit.** The regulatory agency may, where the facts support such action, place reasonable limitations or qualifications on the right to practice mortuary science or to operate a funeral establishment or crematory.

**Subd. 5. Restoring license or permit.** The regulatory agency may, where there is sufficient reason, restore a license or permit that has been revoked, reduce a period of suspension, or remove limitations or qualifications.
